GOVERNEMENTS KENNISGEVING.

Koloniale Secretary, 25 April 1848.

ZYNE Excellentie de Administrateur des Gou-
vernements heeft de publicatie van den
volgenden brief tot algemeen narigt gelast.

Ter Ordonnantie van Z. E. den Administrateur des
Gouvernements,

(Get.) JOHN MONTAGU,
Gouvernements Secretaris.

Kantoore van het Centrale College van Commissarissen
van Publieke Wegen, Kaapstad, den 19 April 1848.

Aan den Ed. den Secretaris des Gouvernements.

MYNHEER,—Ik ben gelast door het Centrale College
van Publieke Wegen ter informatie van Zyne Excellen-
tie den Administrateur des Gouvernements een Rapport
voor te leggen van deszelfs verrigtingen, en van de be-
schikking over den arbeid en de fondsen aan hetzelfde
toevertrouwd voor Weg en Bandieten einden voor de
dienst van het jaar 1847.

Voor ik hiertoe overga, ben ik echter gelast door het
College deszelfs leedwezen te betuigen over het verlies
dat het in het afgeloopen jaar heeft geleden aan twee
nuttige publieke ambtenaren, die hetzelfde beiden van
grootte dienst zyn geweest.

Luitenant-Kolonel MICHELL, de ervaren Inspecteur
Generaal en Civile Ingenieur van de Kolonie, onder
wiens bekwaam bestuur de onderscheiden groote werken
welke het College heeft ondernomen zyn beraamd en
daargesteld, heeft de Kolonie verlaten, in eenen staat van
gezondheid, welke het maar al te waarschyndlyk maakt
dat wy hem niet weer in ons midden zullen terug zien.
Het zou hier overbodig zyn uit te wyden over de vele
belangryke publieke werken, welke zonder zyne hooge
wetenschappelyke en professionele kundigheden nooit
in deze Kolonie hadden kunnen ondernomen worden,
zulk eene aantekening is niet vereischt: noch kan dezelve
strekken om de hooge achting jegens hem gekoesterd
te vermeederen. Het College kan zich echter het ge-
noegen niet ontzeggen te spreken over twee zynere
grootste overwinningen als Ingenieur, waardoor hy hin-
derpalen van binnenlandsch vervoer heeft uit den weg
geruimd, welke voorheen als onoverkomelyk werden
beschouwd:—de Harde Weg welke 24 mylen ver door
de zandige woestyn van de Kaapsche Vlakte is voort-
gezet, en waarover rytuigen nu met deszelfsdespoed kunnen
passeren als door de straten van de Hoofdstad:—en de
"Montagu Pas," de frayne weg, over de schrikkelike
Cradocks Berg, welke de bewondering heeft gewekt van
allen die denzelven gezien hebben.

Het College heeft een tweede verlies geleden door het
overlyden van deszelfs Secretaris, den Hr. W. TENNANT,
—eene heer die hen niet alleen grootelyks heeft geholpen
in het volvoeren van hunne moeyelyke pligten door zyn
eigen vlyt, yver en bekwaamheid, maar zich de goede
wil heeft verworven van allen die bezigheden met het
College te verrigten hadden, en zyne bestendige bereid-
vaardigheid om alle narigt of hulp van hem gevorderd
te verleenen.

Sprekende over de verrigtingen van het College ge-
durende het afgeloopen jaar moet ik aanmerken dat
grootte vorderingen zyn gemaakt in het verbeteren van
onderscheiden deelen van den grooten weg tusschen de
Kaapstad en Grahamstad. Aanzienlyke hindernissen
in het vervoer zyn echter ondervonden door het stuifzand
in de Kaapsche Duinen; waarvan het verstuiwen in
grootte mate vermeerdert is, door de slechte gewoonte van
het ontwortelen en uitrooijen van boschjes tot brandstof
voor de bakkers en anderen in de Kaapstad, en door het
gestadig vertrappen daarvan door schapen en vee.

De moeyelykheid van het terughouden van dit dryf-
zand zal worden begrepen, wanneer gemeld wordt dat
het naar den Harden Weg wordt gevoerd van eene
ruimte van omtrent 1000 acres land, en het geweld en
de massa daarvan zyn zoo groot dat op eenen tyd ander-
half mylen van den weg met diep zand waren bedekt.
Het kwam het College het beste voor tot het tegenhouden
van het zand, hetzelfde door plantengroei vast te maken.
Dit is beproefd met verscheiden soorten van heesters
en struiken, maar dat het geen het beste, ja volkomenlyk
gelukt is—is de Hottentots vygen, en door middel van
dezelve zyn omtrent 300 acres aan den bron of het
hoogste einde van de streek stuifzand beplant en vol-
komen bedekt, zoo dat de drif van dat einde volkomen
gestuit is. Omtrent 300 acres meer hoopt men dat in den
loop van dit jaar zullen beplant worden, en het overige
in 1849, na welken tyd het College volkomen verzekerd
is dat geen verdere ongelegenheid uit deze oorzaak zal
geleden worden.

Het geheel van den weg beschadigd door dit waaizand,
met de uitzondering van omtrent een vierde van een myl,
is volkomen gezuiverd van zand, en is weder gehard, en in
sommige plaatsen 16 à 17 voeten verhoogd, zoo dat het
een grooten beletsel is tegen het zand; geen verdere vrees
behoefd dus gekoesterd te worden over de uiteindelyke
en duurzame wegneming van deze moeyelykheid. De
kosten van de beplanting in 1847 heeft £1755 gekost.

Het restant van den Harden Weg tot den Eerste Ri-
vier is in goede reparatie, en de schikkingen om den-
ieven in dien staat te houden door station partyen, op
tusschenpoozen van 4 mylen langs den weg beantwoord
volkomen. Het vervoer langs dezen weg neemt dus
snellyk toe.

Van de Eerste Rivier tot aan Sir Lowrys Pas zyn de
wegen en bruggen in goeden stand gehouden.

Een deel van de Sir Lowrys Pas dat uit gebrek aan
breedte als gevaarlyk werd beschouwd is verbreed, en zal
binnen kort verdere verbeteringen ondergaan.

Van de top van Sir Lowrys Pas tot Palmiet Rivier
Klippendrift, is een nieuwe en byna regte lyn van
styging aangelegd, van omtrent zes mylen lang, dat eene
grootte verbetering is voor het vroegere slingerende pad
dat men passeren moest.

SEE SUPPLEMENT.

Het College heeft verder eene genoegzame hoeveelheid kajantenhout gekocht om eenen palen brug te maken van 36 totten breed, en 244 lang over de Palmiet Rivier. Het hout is op de plaats gebracht, en het werk zal worden begonnen zodra de middelen van het College zulks toelaten.

Van de Palmiet Rivier tot aan het oude Tolhuis aan de Poespas Vallei, Houwhoek, is de tegenwoordig zeer ongelijke weg in goede orde gehouden, maar dezelve is zoo slecht gemaakt, en zoo slecht aangelegd dat dezelve geen aanzienlijke kosten waard is. Een nieuwe, rechte en meer gelijke weg kan worden aangelegd tusschen deze punten door het volgen van den loop der vallei, maar het College heeft de middelen niet tot deszelfs beschikking om het tegenwoordig te ondernemen.

In de plaats van den ouden weg van het oude Tolhuis aan Poespas Vallei tot het dorp Houwhoek over eene gevaarlijke en steile hoogte (de Roode Hoogte) is een nieuwe kortere en gelijke weg gemaakt langs den voet van de hoogte, en is op den 5den dezer voor het publiek geopend.

De geheele reeks van steile, hooge en dikwyls gevaarlijke hooftwegen van Poespas Vallei, Houwhoek, tot de Bot Rivier is nu te bovengenoemde dooreen eenen nieuwen lyn van gelijken weg van omtrent tien mylen lang, welke geheel is gemaakt tegen een koste van £5,196.

Van Bot Rivier tot Buffeljagts Rivier is de weg in goeden staat van reparatie gehouden.

De Brug aan Buffeljagts Rivier is onderhanden; maar eenig vervel is ontstaan uit de schaarheid van arbeid en de moeyelykheid om transport voor de steenen te bekomen. Dit is echter gedeeltelyk te boven gekomen, en het werk wordt nu spoediger voortgezet. De kosten gedurende 1847 was £2,148.

Het College hoopt dat dit belangryke werk in den loop van dit jaar zal voltooid worden.

De weg van Buffeljagts Rivier naar Gourits Rivier is in goede reparatie gehouden.

Van Gourits Rivier waar binnen kort door het College eene yzeren pont zal aangelegd worden is een nieuwe lyn van weg afgebaaid tot de Kleine Brak Rivier welke in het tegenwoordige jaar zal voltooid worden, en den tegenwoordige slechte weg vernieuwen door eenen korteren en nieuwen weg in de plaats te stellen.

Het College heeft besloten een klippendrift te maken over de Kleine Brak Rivier, met eene kleine opening in het midden voor een schipbrug, welke die rivier altyd passabel zal maken. Dit werk is onderhanden, en zal binnen dit jaar voltooid worden.

Van den Kleine tot den Grooten Brak Rivier is de weg verbeterd, en over de laatstgenoemde rivier zal een sterke klippendrift gemaakt worden en mede gedurende dit jaar worden voltooid.

Van de Grooten Brak Riviers hoogte tot de kloof in de Cradoeks Bergen (ou Montagu Pas) en Georgestad, zijn nieuwe linnen van weg nu aangelegd, waarvan het grootste deel in December door het publiek is gebruikt.

Door deze verandering zijn de afstanden tusschen de Grooten Brak Rivier, en Georgestad, en Montagu Pas, ten aanzien van tyd vermindert tot de helft, en by een vierde in den afstand, en in plaats van steil te gaan zoo als de ouden linnen van weg, tegen de steilen van Malagas, Malgaten, Quanaag, en Brak Rivieren, gaat de lyn weinig van het waterpas af, en maakt het remmen der wielen onnoodig.

De Cradoeks Kloof, welke voorheen de groote en byna onoverkomelijke hinderpaal was voor alle communicatie tusschen de Oostelyke en Westelyke Districten is te boven gekomen, en de schoone en gemakkelijke weg door de Cradoeks Bergen langs Montagu Pas daar voor in de plaats gesteld. De voortgang welke gemaakt is in dit groote werk, dat eindelyk voltooid is, is van tyd tot tyd aan dit Coll ge rapporteerd. Het werk is nu voltooid en de pas is op den 19 January voor publiek gebruik geopend.

Een heraming van deszelfs waarde kan worden gemaakt uit de daadzaak dat door het openen van de Montagu Pas de boeren nu in twee of drie uren, met gewoonlyke trek osen even veel kunnen uitvoeren als te voren in 18 uren en sommtyds in drie dagen en nachten met dubbel veel. De togt over deze berg wordt nu met gemak en veiligheid volbragt en zonder gevaar van ongelukken welke de oorzaken waren van veel weyl.

De geheele kosten van het maken van de Montagu Pas beliepen £35,799 op den 1sten December 1847 van dit bedrag £21,322 besteed in kosten voor de Bandieten aldaar gestationeerd, £6058; aan vrye arbeid £4,668 aan behoeften en gereedschappen van diversen aard, en niet minder dan £1,733 aan buskruit, eene omstandigheden, in zich zelf voldoende om krachtig de ontzettende, moeilyken en langwyligen aard van het werk te toonen; 51 mylen van de pas zijn uit de vaste rots uitgehouwen.

Dadelijk na het verlaten van de Montagu Pas om de Lange Kloof in te gaan heeft men een kleine hinderpaal te boven te komen—de Kleine Berg—maar welken binnen twee of drie weken geheel zal zijn weggenomen; zoo dit volbragt is, is deze lyn van weg volkomen tot aan de Keurbooms Riviers Hoogte welke eene hinderpaal is van geen geringe hoogte welke moet uit den weg geruimd worden. Tot dit punt kunnen echter veel rytuigen, met of zonder veeren, en met matige trekkracht in vergelyking met het geen voor vier jaren noodig was, van de Kaapstad reizen, en afstand van 360 mylen.

Van de Keurbooms Riviers Hoogte is de weg door de Lange Kloof, de Kromme Rivier, en de Afdelingen Uitenhage en Albanie tot Grahamstad in goede reparatie gehouden, ofschoon niet zoo goed als dezelve behoorde te zijn, en als het College verlangde.

Ongelukkig hebben de middelen, zoowel van geld als volk, hetzelve niet in staat gesteld sneller alles te voltooien, wat het bedoelde en noodig achtte en verlangt te ondernemen, meer byzonder na de overstromingen van het afgelopen jaar.

Zonder te spreken van vele belangryke verbeteringen aan driften, over de talryke kleine rivieren welke moesten gemaakt worden, tusschen de Keurbooms Hoogte en Grahamstad, en verscheiden andere mindere moeilykheden, zijn er anderen van een ernstigen aard, welke moeten worden overwonnen voor eene geregelde, speedige en zekere communicatie kan worden daargesteld, tusschen de hoofdsteden van de Oostelyke en Westelyke Provinciën.

Als alreeds vermeld, is de eerste en volgende de Keurbooms Hoogte. Er is eene nauwkeurige opmeting van dit deel der lyn gedaan, en de moeilykheden zijn nauwkeurig onderzocht. Het geheel kan volkomen worden weggenomen, en de lyn even gemakkelijk voor rytuig worden gemaakt, als die welke nu gebruikt wordt voor rytuigen op veeren.

De volgende moeilykheid is van de Kromme Rivier Hoogte tot Esschenbosch, een afstand van omtrent 25 mylen, welke nu dikwyls onpassabel is, en zware regens, en altyd verzeeld van oponthoud en ongelukken, zoo drukkend voor den handman. Hier heeft het College zich verzekerd dat een weg kan worden gemaakt aan de eene zyde van de rivier, welke gelijk en altyd bruikbaar zoude zijn, vermydende het acht of negen malen passeren en repasseren, van deze bedrieglyke en dikwyls gevaarlyke rivier, welke men nu niet ontgaan kan.

De derde is tusschen Esschenbosch en de Gantoos Rivier, en van die rivier naar de Westelyke oever van de Van Stedens Rivier, een afstand van omtrent 75 mylen, welke, zonder in byzonderheden te treden, vele eenigste moeilykheden heeft, welke moeten worden uit den weg geruimd, al het welk het College zich verzekerd heeft dat kan geschieden met groot gemak voor handels en post communicatie.

De vierde is het passeren van de Van Stedens Rivier. Over deze rivier behoort een hangende brug te worden gemaakt, zoo mogelijk, en het College heeft reden te gelooven dat het gedaan kan worden; maar indien geen deel er van naauw genoeg bevonden wordt, voor zulk een werk, kan de afslating naar de drif merkelyk worden verbeterd en verkort, en dat in alle gevallen behoort te worden gedaan.

De vyfde moeilykheid is de Zondags Rivier, waarover een brug moet worden gemaakt. Het aangeleg van dit werk is te veel bekend om eenige aanmerking te behoeven. Gedurende deelen van dit jaar en van 1847, heeft het College eene party aan het werk gehad, om de drif te verbeteren aan die zyde van de rivier, welke algemeen wordt gebruikt op de hoofdlyn tusschen Uitenhage en Grahamstad, en tusschen Port Elizabeth en Grahamstad, maar deszelfs pogingen om dit te doen, benevens de wegen daartoe leidende, tegen een koste van £935 zijn volkomen mislukt, makende overstromingen en andere oorzaken het eene vruchteloze onderneming.

De zesde zal worden gevonden op vele punten van de lyn tusschen de Zondags Rivier en Howison Poort, de groote ingang tot Grahamstad. De weg door die Poort, met het College met leedwezen zeggende, is in een zeer slechten staat, en ofschoon de ruime som van £1819 er alreeds is aan te koste gelegd, moet er nog veel meer worden voorzien voor dezelve kan worden gesteld in dien staat welke deszelfs aangeleg voor den handel van Grahamstad van het College verdient.

De weg van Port Elizabeth naar de Zondags Rivier, verischt niet veel werk om in een goeden staat te worden gebracht voor de groote doorgang die altyd op denzelfden is, en de hinderpalen moeten worden uit den weg geruimd, voor de brug over die rivier voltooid is. Het College is van gevoelen dat alle hinderpalen en moeilykheden boven vermeld kunnen en behooren weggenomen te zijn in den loop van dit jaar, zoodat van en na den 1sten January 1849, groot gemakken en veel grooier en zekereheid voor den omgang, in het algemeen kunnen verzekerd zijn, en mede in het overbrengen van de brieven malen; maar tegelyk tyd geveel het dat zooveel van deszelfs hulp bronnen is besteed in het voortzetten van de belangen der afdelingen door welken de groote weg loopt, dat het geen genoegzame fondsen heeft, benoedigd om het groote plan door te zetten. Onder deze omstandigheden moet ik de hoop verklaren van het College dat Zyne Excellentie, in aanmerking nemende het hooge belang voor de maatschappij in het algemeen, van de voorgestelde werken, en de groote voordeelen welke zouden worden getrokken uit derzelver voltooiing, aan den Wetgevenden Raad, eene speciale vergunning zal voorstellen, voor dezen hoofdlyn van weg, van zoodanige som als noodig zal wezen om het College in staat te stellen het plan in den loop van dit jaar te voltooien. Indien de verzochte hulp wordt toegestaan, vertrouwt het College dat de maal na den 1sten January aanstaande, zal kunnen worden overgebracht met rytuigen, den geheelen afstand tusschen de Kaapstad en Grahamstad, en meer herhaaldelyk dan tegenwoordig, in 60 of 70 uren, iedere reize.

Na de hoofdlyn van weg boven vermeld, is de belangrykste weg die over den Zureberg, in de afdelingen Somerset en Uitenhage. In July II. heeft de fungerende Inspecteur Generaal de Heer Rottsson, zich naar de Zureberg begeven, om de verkieslykste lyn door deze gebieden uit te kiezen en gemakken te bereiden voor de bandieten te worden gebezigd in deszelfs voltooiing. Zyn werk volbragt zynde in eenen meesterlyken styl, is eene party bandieten in December II. derwaards gezonden, en het werk is nu in voortgang. De weg zal 23 mylen lang zijn, —de steilste ryzing (en dat maar op weinige plaatsen) zal 1 voet in 17 zijn, —en de geheele lyn zal passabel zijn voor de zwaarste wagens met een gewoon span, zonder een wiel te remmen, en door dus voor de Districten Somerset Cradoek een gemakelyker en veer korter weg naar Port Elizabeth, te openen, zal de handman in staat zijn zyne producten in drie of vier dagen naar eene zeehaven te brengen, waartoe hy nu zoovele weken behoef. Natuurlyk zullen deszelfs voortrengen worden oitgestrekt tot en gevoeld door de Districten Graaff-Reinet, Beaufort en Colesberg, en het land over de Oranje Rivier, by het voltooien van dit groote en wetenschappelyke werk. De kosten van den Zureberg weg, worden beraamd op £20,000 en het zal twee jaren van deszelfs begin tot deszelfs voltooiing vereischen.

De volgende in aangeleg is de Nieuwe Pas welke begonnen is in Oct. 1846, door de Mosterds Hoek, in de afdeling van Worcester.

De moeilykheden, zoowel als de voordeelen van deze Pas, zijn zoo volledig gedetailleerd in het laatste Rapport van het College, dat het onnoodig is deszelfs te herhalen. De bandieten op deze statie gedurende het jaar 1847, zijn door een 240 in getal geweest, en de kosten onder ieder hoofd tot den 31 December II. beloopten £8,915, waarvan £5,591 waren voor bandieten einden.

Deze Pas zal voltooid zijn en voor algemeene einden worden geopend op den 1sten September aanstaande, en de Stad en Haven van de Kaapstad zullen de eersten zijn die de voordeelen van deze onderneming zullen ondervinden. Het is moeilyk te zeggen welk bedragen van

gran n het openen van deze Pas naar de markt zal brengen. Honderd en duizenden van acres in de Warme en Koude Bokkevelen moeten zonder denzelfden voor altyd onbebouwd blyven liggen, zoo als de natuur dezelve gemaakt heeft, welke allen in korten tyd tot velden van nyverheid en vlyt kunnen gemaakt worden.

De voorbereidselen tot dezen overgang zijn zeer groot, en zoo duidelek worden de voordeelen van het wegnemen van deze hinderpaal gevoeld, dat niemand in die districten nu weet hoe hy genoege zal vragen voor zyn eigendom, van wege de talryke koopers die begeerig zijn er eigenaars van te worden.

In deszelfs laatste jaarlyksche Rapport, heeft het College gezegd, dat hetzelve na het voltooien van de Mosterds Hoek van voornemen was eenen weg te openen, van daar direct naar de Kaapstad, door Bains kloof, in de gebirgen welke Worcester van het Knapsh District scheiden. De weg van Mosterds Hoek naar Bains kloof is opgemeten en op besloten, en zal spoedig aan den gang zijn. Dezelve zal byna waterpas zijn, tien mylen lang, en de verschillende diepe en snelle spruiten van de Breede Rivier, loopende door de Kom van Tulbagh ontgaan of te boven komen. In het kort, het zal het gehele jaar door een bruikbare weg zijn. Bains kloof is mede opgemeten en zal begonnen worden zodra als de Mosterds Hoek gereed is.

De voordeelen welke zullen worden getrokken uit Bainskloof zijn alreeds ten volle gemeld in het laatste Rapport; het is nu alleen noodig by te voegen dat de Bokkeveldsche Boeren, en allen in dien nabyheid, door deszelfs voltooiing groot geryf zullen vinden in het zenden van hunne producten direct naar de Kaapstad, zonder de moeilykheden te ondergaan van de Tulbagh of Roodezandskloof, en tevens den afstand omtrent een derde of 35 mylen verminderen.

Het College heeft mede gedurende het jaar 1847, eene party gehad op de steile en ruwe Gydows Kloof, welke de Koude van de Warme Bokkevelen scheidt, zoo steil is deze pas tegenwoordig, schoon niet meer dan drie mylen lang, dat de Boeren van het Koude Bokkeveld en ten Noorden en Westen daarvan byna belet zijn dezelve met wagens te bereizen; en om dezelve te ontgaan zenden zy hunne producten naar hunne eenige markt—de Kaapstad, tot naar Tulbagh, over de steile gebirgen van Wittenberg en Schurffdeberg, met pakpaarden.

De Gydow Pas zal mede gereed zijn en geopend worden op den 1sten September, en dezelve heeft in de constructie tot 31ste December £187 gekost.

De manier waarop de werken van het College geschildt zijn de hulpponnen van de kolonie te ontwikkelen, door de Boeren zekere, veilige, en gemakkelijke middelen te verschaffen om hunne waren ter markt te brengen, kunnen geen beter verklaring verlangen dan men bekomen kan uit de beschouwing van de Mosterds Hoek en Gydows Passen; en men kan niet twyfen of er zijn vele andere streken lands in de kolonie, even geschikt om by te dragen tot deszelfs rykdom en voorspoed, en gelykelyk daarvan verstoken door gebrek aan binnenlandsche vervoer, maar welke het aanhanden van het tegenwoordige wegstelsel, ter behoortlyker tyd zal gelyk maken.

Het openen van de Elsjes Hoogte of van de Hottentots Kloof, in de hooge bergreken ten Noorden van het Warme Bokkeveld, omtrent 30 mylen van de Mosterds Hoek, welke in dit jaar zal worden begonnen, zal op gelyke wyze het dan allen bestaande weg beletsel tegen het zenden van vee van Beaufort, Graaff-Reinet, Somerset, en het land over de Oranje Rivier uit den weg ruimen.

Het belang van dit werk in verband met de Mosterds Hoek en Bainskloof kan nauwlyks te hoog berekend worden, wanneer men in acht houdt dat de toevloed van diertlyk voedsel voor de etablissementen van de Kaapstad en die nabyheid in groote mate uit die streken getrokken wordt.

De vermeerderde winst voor de voortbrengers zal aanzienlyk verhoogd worden door het dus verminderen van de zware kosten in het brengen van de dieren ter markt, en de verminderde koste voor de Ingezetenen van de Kaapstad en deszelfs nabyheid, van dit onmisbaar, maar tot nu toe kostbaar artikel van huishouding zal spoedig worden gevoeld.

De rekeningen van de inkomsten en uitgaven van het College voor 1847, worden hierby gevoegd tot Zynen Excellenties informatie.

Een overzicht hebbende genomen van deszelfs verrigtingen gedurende het afgelopen jaar schynt het wenschelyk voor het College voor het besluiten van deszelfs rapport, kortelyk te spreken over de principes waardoor het geleid is in deszelfs beschikking over den arbeid en de fondsen aan hezelve toevertrouwd gedurende de vier eerste jaren van deszelfs commissie, en mede wat deszelfs vooruitzichten zijn voor het nuttige aanhouden van de administratie aan deszelfs zorg toevertrouwd.

By Ordonnantie 8, 1843, is het College bekleed met het gezag van het opleggen en collecteren van drie verpondingen—een van dezelve te bovengaan eene penny in het p.nd op alle ontroerend eigendom in de kolonie gewaardeerd op £30 of daarboven, en het is belast by de wet eene som te besteden ten minsten, tot het bedragen van de verpondingen door hetzelve geheven in eenige a'deeling aan de groote wegen van die afdeling. Het verlies voor het publiek dat zou ontstaan zijn uit deze wetsbepaling, indien dezelve ware uitgevoerd geworden tot het gelyk stellen van de kosten van den grooten weg in iedere afdeling met het bedragen van de ingezamelde verponding binnen dezelve, viel spoedig in het oog. Het geringe bedragen van vrye arbeid dat te bekomen was tot de einden van het College, en nog meer, het gebrek aan behoorlyke opzigtters voor een groot getal uitgebreide werken op denzelfden tyd, in de onderscheiden afdelingen der kolonie, toonde duidelek aan het College, dat het niet krachtig zou werken ter algemeenen nutte, indien het de middelen tot deszelfs beschikking verspilde door dezelve allen te gelyk tyd in de onderscheidene afdelingen der kolonie te gebruiken. Onder deze overtuiging besloot het College, zoo ver als mogelijk was, deszelfs hoofdmagt met de noodige staf te doen dragen op ieder opvolgend punt, waar deszelfs inspanningen het meest vereischt werden: en door het aannemen van dit principe is hetzelve in staat geweest de onderscheiden groote werken daar te stellen, welke het ondernomen heeft, en de zeer talryke en groote verbeteringen uit te werken waarin het gebezigd was. Verder was het opvallend dat de kosten binnen eenige afdeling van de kolonie, van niet meer dan het kleine bedragen van verpondingen daarin ontvangen, het College

niet zou toelaten, in zulk geval, eenige wegen van algemeen nuttigheid of van eenen omvattenden aard te ondernemen; en van hier was het beslissend dat de duurzame belangen van iedere afdeeling het best zouden bevorderd worden wanneer het College de behoeften van iedere, naar vervolg van derzelver dringendheid, of aanbelang, op nam. Verder, het is onmogelyk, bestaanbaar met het tegenwoordige stelsel van bandieten tucht, de bandieten te scheiden in kleine partijen en derzelver arbeid meer algemeen aan te wenden.

Het College gevolgelyk bestendig zynde voortgegaan op dit principe, heeft alreeds (zelfstandiglyk) desz lfs arbeid volbragt in verscheidene afdeelingen van de kolonie als alreeds beschreven. Maar het gevolg van deze lfs van gedrag is geweest dat de verpondingen niet gelykelyk zyn verdeeld geworden volgens het bedrag in iedere afdeeling geheven. In sommige afdeelingen heeft de uitgave niet gelyk gestaan met het bedrag der verpondingen, en anderen heeft het dezelve verre overtroffen. Maar het College heeft niet gearzeld dezen gang te volgen, daar het gevoelde dat een stelsel, dat, zoo als men moet erkennen, zoo voordelig heeft gewerkt voor de kolonie, gedurende eenige jaren niet zou afgebroken worden, zoo dat het ter behooryker tyd in staat zou wezen, aan ieder dier afdeelingen, welke in het begin van deszelfs administratie geen voordeel daar van trokken, dezelfde mate van regtvaardigheid toe te deelen, geschonken aan die afdeelingen, waarin de belangryke wegen van de kolonie geplaatst waren.

Ten einde den financielen stand te toonen waarin het College dien ten gevolge geplaatst is, ben ik verzocht uwer Excellenties aandacht te vestigen op de nevensgaande opgave, toonende het bedrag van eigendom in iedere afdeeling van de kolonie onderhevig aan verponding voor de wegbelasting—het bedrag verschuldigd in iedere, tegen eene penny in het pond, het aantal en de waarde van verpondingen alreeds in iedere opgelegd, het bedrag op iedere ontrangen tot den 31ste ultimo; en het bedrag verschuldigd maar onbetaald in iedere op dien datum: alsmede het bedrag door het College in iedere hesteed tot dien datum. Hieruit zal blyken dat de uitgaven van het College in iedere der ongemelde afdeelingen de drie verpondingen heeft te boven gegaan welke het geregtigd was te heffen by de volgende sommen:—

In de Kaapsche Bandieten kosten,.....	£8,492	£50,236
Afdeeling,...	41,744	
Swellendam,...	8,793	8,793
Stellenbosch,...	6,793	12,586
George,...	21,322	37,964
Worcester,...	5,501	7,832
Albany,...	2,241	4,698
Alle andere kosten,.....	4,698	

Makende een Totaal van.....£122,109

En men zal ver zien over dezelfde opgave, dat het College in de volgende afdeelingen de sommen moet besteden tegenover deszelve gemeld, om te voldoen aan de bepalingen van de wet:—

Beaufort,.....	£274
Clanwilliam,.....	1,034
Colesberg,.....	391
Uitenhage,.....	1,158
Graaff-Reinet,.....	902
Craddock,.....	525
Somerset,.....	530

Makende een Totaal van.....£4,814

Maar ten aanzien van de afdeelingen Somerset en Uitenhage, het deficit in welken beloopt op £1,688, zal hetzelfde meer dan te gemoot worden gekomen door den lfs welke nu wordt aangelegd in de Zureberg, voor het einde van het tegenwoordige kwartaal, latende £3,126, te worden voorzien door de andere districten.

Behalve deze vorderingen op hetzelfde, moet het nog voorzien uit de verpondingen, nog te worden, ontvangen voor de som van £25,000, welke het van tyd tot tyd heeft opgenomen by beleeningen, op de securiteit der verpondingen.

De onbetaalde verpondingen in de afdeelingen, waarin de uitgaven de onkosten van het College hebben te boven gegaan, benevens de derde verponding van deszelve te worden geheven, en ingevorderd, zullen £31 983 opbrengen, tot het liquideren der schuld, maar de betaling op dezen tyd van de deze beleening moet het beletten, met de gewone hulpbronnen, eenig nieuw werk te ondernemen in eenige afdeeling welke alreeds in excess van uitgaven is, of eenig geld te besteden in eenige andere afdeeling, boven het bloote bedragen der verpondingen, welke deszelve alreeds respectively opgebracht hebben.

Onder deze omstandigheden, wordt het de gebiedende pligt van het College te vernemen, wat de gedachten zyn van Zyne Excellentie ten aanzien van een aanzoek by de Wetgeving, om nog voor eenigen langeren tyd de magt te her-nieuwen om verpondingen te heffen, voor het aanleggen van de Hoofd Wegen der Kolonie, wanneer die, welke hetzelfde nu geregtigd is te heffen, zullen ingevorderd zyn. In het gevoelen van het College, zullen drie verdere verpondingen, niet te bovengaannde eene penny in het pond, hetzelfde in staat te stellen gelyke verbeteringen over ieder deel der Kolonie uit te breiden. Indien dit wordt toegestaan, vertrouwt het College, dat geen verdere aanvraag zal worden gedaan op de eigenaars van vaste goederen, en daar by het invoeren van het stelsel geoordeeld werd, dat genoegzame middelen zouden worden voorzien voor tien jaren, om deszelfs werken ten uitvoer te brengen, ten einde het plan niet gebrekkig en van eenen voorbygaan aard zou wezen, voelt hetzelfde geen twyfel of dat binnen vyf of zes jaren na dezen datum, al de voornaamste hinderpalen en beletselen voor het vervoer, met de hulp der voorgestelde belastingen over de geheele Kolonie zouden zyn uit den weg geruimd, en dat eene genoegzame inkomsten, uit tollen, in het vervolg zou kunnen worden geconcentreerd om al derzelver wegen in goede reparatie te houden, en verder alle kleine verbeteringen in deszelve daar te stellen welke noodig zouden kunnen zyn. Het College kent het verlangen van de landbouwers over de geheele Kolonie, om deel te nemen in de verbeteringen welke alreeds zyn daargesteld op zoo vele plaatsen, en zy zyn niet afkeerig van het verlangen van de verpondingen voor het Centrale College voor eenen bepaalden tyd.

Inderdaad schynt de taak zoo sterk ten voordeele van dien gang dat het College geen twyfel koestert of de Raad zal in hetzelfde toestemmen, indien Zyne Excellentie goedvindt hetzelfde voor te stellen; want indien de wegen niet worden voltooid over de geheele kolonie zullen de zware kosten welke alreeds gemaakt zyn in groote mate verloren zyn, of ten minsten ver by het doel te kort schieten. In dit gevoelen is het College overtuigd dat de weigering moet erkennen,—ingevolge van het principe door deszelve aangenomen, om al deszelfs vermogens aan te wenden tot de wegen van eene afdeeling op eene tyd, en dus de fondsen tot deszelfs beschikking gesteld te bezigen ten voordeele van de geheele kolonie, liever dan voor byzondere afdeelingen, waarin de verpondingen geheven zyn,—dat sommige afdeelingen inderdaad hebben bygedragen tot de verbeteringen van de Hoofdweegen in anderen. Het College is nu verlangend, overeenkomstig met hetzelfde stelsel deszelfs aandacht te bevestigen op de verbetering der Hoofd wegen in die afdeelingen welke nog niet zyn aangeroerd geworden, zoo wel als die, welke schoon in excess nog belangryke wegen vereischen, zoo als by voorbeeld den weg van Port Elizabeth naar Uitenhage, van Grahamstad naar de Kowie, van Craddock naar Grahamstad langs Daggas Boers Nek, van Beaufort naar Mosselbaai, Port Beaufort en de Knysna door de Zwartebergen Tzetzkanma Gebergten, van Graaff-Reinet tot de Zuurberg lfs—van Olifants Rivier naar Port Elizabeth,—van Alice en Fort Pleddie naar Grahamstad, van Albert naar Craddock, en eene Zee-stad, zoo wel als verscheiden anderen in andere deelen der kolonie.

Wanneer de verklaring welke ik gelaast ben te submitteren publiek wordt, verwacht, het College geen tegenstand tegen zulk een matig en regtvaardig voorstel, het zy van het volk van die afdeeling dat alreeds by ondervinding de voordeelen van het stelsel kent, en dat voordeel a genoten hebbende uit de fondsen hunner naburen niet kan verwacht worden zoo onregtvaardig of onedelmoedig te zyn om te weigeren om wederkeering gelyke voordeelen te schenken, aan hen die zoo ruimschoots van het hunne hebben mede gedragen, noch van die tot wier meer onmiddelyke voordeel, deszelfs toekomstige werkkraft zal besteed worden.

Ik heb de Eer te zyn,
Mynheer Ud. Dienstwillige Dienaar,
Wm. de SMIDT.

7. It shall be the duty of every person claiming damage by reason of the trespass committed by cattle or other animals as abovementioned sent to the Pound, to transmit to the Pound-master, together with the cattle or other animals as above mentioned so sent, a memorandum in writing, subscribed by the party claiming such damage, setting forth the extent of such injury, and the amount of damages claimed, and no person who shall omit to send such memorandum in writing shall be entitled to claim any damage by such trespass; copy of such memorandum to be entered in a book to be kept for that particular purpose, and to be styled "Damage Book."

GOVERNMENT NOTICE.

Colonial Office, Cape Town,
8th May 1848.

THE General Infirmary at Robben Island, established in 1845, for the purpose of concentrating the lunatics, lepers, and chronic sick, previously dispersed throughout the Colony, with a view to ameliorating their condition, having been recently visited by Dr. HALL, Inspector of Colonial Hospitals in this Colony, and his report on this Institution being of a highly satisfactory nature, His Excellency has been pleased to direct the publication, for general information, of such portions thereof, as he conceives will be of public interest.

Dr. HALL writes, "I found the Establishment at Robben Island in a state that does Mr. BIRTHWHISTLE, the Surgeon Superintendent, much credit, as it must be borne in mind, my visit was paid without any previous notice, and I had the opportunity of seeing the Establishment in its every-day order."

"The Establishment consists of,

Chronic sick.....	92
Lunatics.....	78
Lepers.....	73

Total 243

the Chronic sick are comfortably lodged, their bedding and dresses are warm, sufficient, and in good order,—and their diet ample and of good quality, and "well cooked,"—the Bread, the brown in particular, is the best I have tasted since I came to the Cape. I notice the bread as deserving of special mention, but all the other articles supplied for the Establishment are of excellent quality."

"The Lunatics are judiciously managed, and the good effects of freeing them, as much as prudence will allow, from personal restraint, is evident in their condition, as with two or three exceptions, they are all tranquil, and apparently happy and contented."

"The Lepers are well accommodated, their bedding is sufficient, and their food good and ample."

By His Excellency's Command,
(Signed) JOHN MONTAGU,
Secretary to Government.

50. A Pound shall be established in and for the municipality of Somerset, and the two stone kraals adjoining the said shall be exclusively devoted to that purpose.

51. The Municipal Commissioners for the time being, shall in their discretion have the right, either to farm out the Pound under such conditions as they may see fit, or to appoint a person to act as Pound Master, who shall receive such remuneration for his services as the Commissioners may allow.

52. It shall be the duty of the Pound Master, or any person in his behalf, to receive into his charge or custody, all horses, asses, mules, horned cattle, sheep, goats, and pigs, which shall be tendered at such pound by any

person being the owner or occupier of any fixed property situate within or beyond the limits of the municipality, or by any person authorised thereto, by writing under the hand by the said owner or occupier, between sunrise and sun-set, in order to be impounded as having been found trespassing upon such property; and in case the Pound Master, or any one on his behalf, shall refuse to receive such animals so tendered, he shall be liable to a fine not exceeding £5.

53. For all animals impounded from any place beyond the limits of the municipality, the Pound Master shall pay as mileage, to the party bringing the same, at and after the rate of four pence for each mile, to be reckoned from the homestead to the pound, and two pence for returning, taking at the same time a receipt for such payment, which sum shall be recovered from the owner in addition to the pound fees. In case any animal be brought by a servant, the Pound Master shall require a production by such servant, of a written note from his master or employer, authorising such impoundment.

The Pound Master shall be entitled, over and above the pound fees, to demand a further fee of 4½d. per diem, for every day during which any such animal as aforesaid, (not being a sheep or goat) shall be herded, grazed, and fed by him, and a fee of one half penny per diem, for every sheep or goat so herded, grazed, and fed. Every stallion horse, or stallion ass, above the age of two years, every bull above the age of one year, every ram, he goat, or boar, above the age of nine months, and every animal, male or female, which from contagious disease, vice, or other reason, shall be unfit to run with the remaining herd, shall be kept and fed separately and safely, and for every such stallion horse, or ass, shall be charged by the Pound Master one shilling and six pence per diem, for every such bull nine pence per diem, for every boar six pence per diem, for every ram, he goat, or separated animal as aforesaid, three pence per diem.

56. All impounded animals shall be depastured upon the village commonage, under the existing municipal regulations.

57. In case the pound shall be farmed out, the Pound Master shall, at his own cost and charge, keep the kraals in proper repair, and provide herds, but should a Pound Master be appointed by the Commissioners, the kraals shall be kept in repair at the expense of the municipality, and such Pound Master shall be obliged to provide himself with the necessary herds out of his allowance.

THE Undersigned will cause to be sold on the Spot, peremptorily to the highest Bidder, the
IMMOVEABLE PROPERTY,
belonging to said Estate, consisting, 1st, of the Perpetua Quitrent Farm called *Groote Rietvallei*, in the Cape District, about 2 hours' riding from Cape Town, measuring 2,437 morgen and 600 square roods, and provided with two valuable Buildings, raised by the Insolvent about ten years ago, and which could not be erected in town for less than £750, being 70 feet by 30, and containing Passage, 5 Rooms, Kitchen and Pantry, and Stabling for 12 Horses adjoining.

Also a separate Building, 83 feet by 33, comprising four separate Cow Houses, capable to contain about 60 Milch Cows.

CAPE TOWN: Printed and Published for the Govt. by SAM^l SOLOMON, Gazette Office, St. George's

Government House, Cape Town,
15th May 1848.

WITH reference to the Manifesto issued by Her Majesty's High Commissioner, on the 29th of March, 1848, addressed to those of the Emigrant Burghers who had been represented to His Excellency, to be wavering in their allegiance from the efforts of evil-disposed persons, engaged in perverting and misrepresenting to them the Proclamations of the 3rd and 10th of February, and 8th March.—His Excellency considers it an act of justice to those Emigrants to publish the following extracts and documents, (from amongst several others of the same scope and tendency) which, while they have afforded him the highest personal satisfaction as proofs that a paternal Government is appreciated by those who from unhappy circumstances have been so long left to struggle for themselves in the midst of anarchy and confusion, at the same time completely vindicate the characters and loyalty to Her Majesty the Queen, of the Emigrant Farmers, from the misrepresentations of interested and unprincipled agitators.

His Excellency has heartily gratification in now publicly relieving the Burghers as a body, from the aspersions attempted to be cast upon them, and in showing that the trust and confidence frankly and unhesitatingly reposed in them, upon their own assurances to himself in person, were not misplaced; and thus do loyalty and the true feelings of a Christian triumph over wicked endeavours to mislead good men.

By Command of His Excellency
the High Commissioner,
(Signed) RICHARD SOUTHEY,
Secretary.

District of Caledon, 21st April 1848.

To His Excellency Lieut. General Sir H. G. SMITH, Bt., Governor of the Colony of the Cape of Good Hope, and Her Majesty's High Commissioner for settling the Affairs in the Territory on the N. and N. E. Boundary of the Colony, &c. &c.

We, the Undersigned, Emigrants, residing in the District of Caledon, beg leave hereby to present to your Excellency our sincere congratulation on your safe arrival at Cape Town, the Seat of your Government, after the great difficulties and privations which Your Excellency has endured for us.—We also beg to tender to Your Excellency our gratitude for the wise and lenient measures you have adopted, whilst we are obliged to confess our unworthiness.

We assure Your Excellency of our hearty thankfulness, and our unfeigned Allegiance and Attachment to Her Gracious Majesty the Queen.

In your Excellency's Proclamation we find no part, which, in our opinion, can be improved upon.

That a merciful Providence may long spare Your Excellency to reap the fruits of your wise and just Government, is the Prayer of

Your Excellency's most humble
and grateful Servants,
(Signed by J. T. SNYMAN, Commandant, and
181 others,—for which see the Dutch.)

Nooi: Gedacht, 24th April 1848.

Sir,—I have to acquaint you, that I have lately held six meetings in the District of Caledon, by order of Government, for the purpose of reading certain Proclamations, and to ascertain the feelings of the people.—I am directed by about 200 persons residing in this District to acquaint you, that they are very well satisfied and grateful for the lenient measures of the Government, and that they will henceforth evince unfeigned allegiance and attachment to Her Majesty the Queen.

And those who have been among your community, let

you know, that they have been misled and deceived, and totally withdraw themselves from your community.

I have the honor to be,
Your obedient Servant.

(Signed) JACS. THEODS. SNYMAN.

To Mr. A. W. J. PRETORIUS.

This was also the expression of all in this part, that they are fully convinced, that the Governor H. W. SMITH had delivered them from all nations, and from being driven away, or taxes put upon their dwellings, in this part of the country which they now inhabit, called Boven Riet River and Slik Spruit, and a branch on and over Caledon's Rivier, both notwithstanding to the Government, never to meddle with the community, but to live quiet and peaceably under a civilised Government.

This was the expression of the people in this territory made to me.

I remain, with esteem,
your friend and servant,
(Signed) J. T. SNYMAN.

Spits Kop, 28th April, 1848.

To Major WARDEN, Bloem Fontein.

Sir,—I have to inform you, that since I last wrote to you, I have held three meetings, and all the Burghers as far as Lower Riet River, and thence over towards the Orange River, are all of one mind, further to confirm their adherence to the Government and their obedience to the Laws, as our Governor has been so merciful as to release us from oppression; and we are grateful, and confide in his fatherly assistance, as we are already convinced of his fatherly help. We also pray for our Governor that he may continue to be strengthened in wisdom by our God, through Jesus Christ.

Sir, do have the goodness to send me more of the proclamations of the 8th March, and also of the 29th March. I am greatly in want of them, so pray send them by the bearer. And we also request you will write us back how Mr. Rex found matters with Pretorius and the people in that part of the country. We remain, your obedient servants, in the name of the whole of my field-cornetcy and all in this part of the country,

(Signed) JAN HENDR. CLOETE,
Field-cornet.

Extracts of a Letter from Major WARDEN, British Resident at Bloem-fontein, to His Excellency Sir H. G. SMITH, Bart., G.C.B., Her Majesty's High Commissioner, dated Bloem-fontein, April 24th, 1848.

"The Emigrants beyond Modder River, in larger numbers, now appear to be more alive to their own interests; and Your Excellency's Manifesto has done much towards cooling the zeal of the turbulent party in the bad cause they were bent upon."

"I learn that the memorial lately forwarded to Your Excellency by Mr. Wm. Jacobs, contained the names of 71 Emigrants, who were desirous to withdraw their signatures immediately the fraud practised on them by Mr. Pretorius and others was discovered, but the memorial was then in the hands of Mr. Jacobs, and any retraction could not be allowed."

"I now beg to convey to Your Excellency my firm belief, that on the arrival of the Magistrates for Winberg and the Caledon River, everything will go on well."

GOVERNMENT NOTICE.

Colonial Office, Cape of Good Hope,
15th May 1848.

His Excellency the Administrator of the Government has been pleased, under the provision of the 7th Section of Ordinance No. 9, dated the 14th February 1847, to appoint ADAM WATSON, Esq. to be a Road Magistrate.

By His Excellency's Command,
(Signed) JOHN MONTAGU,
Secretary to Government.

PROCLAMATION

BY HIS EXCELLENCY LT.-GENERAL SIR HENRY GEORGE WAKELYN SMITH,

Baronet, Knight Grand Cross of the Most Honorable Military Order of the Bath, Colonel of the Second Battalion of the Rifle Brigade, Administrator of the Government of the settlement of the Cape of Good Hope in South Africa, and of the Territories and Dependencies thereof, and Ordinary, and Vice Admiral of the same; and Her Majesty's High Commissioner for the settling and adjustment of the affairs of the Territories in Southern Africa, adjacent and contiguous to the Eastern and North-Eastern Frontier of the said Colony, &c. &c. &c.

WHEREAS I did, by a Proclamation, bearing date the 3d of February, 1848, issued by me, in my capacity as Her Majesty's High Commissioner for settling and adjusting the affairs of certain Territories adjacent to the Colony of the Cape of Good Hope, proclaim, declare, and make known the Sovereignty of her said Majesty over certain Territories North of the Great Orange River, in the said Proclamation mentioned and described: And whereas, at various times during the period for which Her Majesty's Emigrant Subjects have occupied parts or portions of the said Territories, many marriages have taken place amongst them, which, owing to the impossibility of obtaining the presence or aid of any Minister of the Gospel, and of conforming to divers requirements of law, have not, as it is supposed, been solemnized in such a manner as to render the same valid and effectual: And whereas, the said marriages were so irregularly contracted by reason solely of the necessity under which the parties lay, while deprived alike of Religious Teachers, and of regular and established Laws, and arose from no want of due reverence for the Holy Ordinance in question, or for the spiritual sanctions with which, amongst Christians, it is customarily and fitly solemnized: And whereas, taking these things into my consideration, and being desirous to confer upon Her Majesty's said Subjects the important advantage of having their children's legitimacy established, and their said Marriages legalized for all purposes of law, I have determined to exercise for that end, the powers and authorities in me vested;—Now, therefore, I do, as Her Majesty's High Commissioner as aforesaid, hereby PROCLAIM, DECLARE, and MAKE KNOWN, the several following Provisions and Regulations, touching and concerning the Marriages aforesaid; that is to say—

1st. The British Resident in the Territories aforesaid is hereby authorized and required to frame and preserve a General Register of all such Marriages as shall, under any of the Provisions hereinafter contained, be transmitted or reported to him for registration.

2d. Such General Register shall set forth or show the names and residence of the husband and of the wife; their respective ages and condition in life; the date of the Marriage, and any other particulars which the said British Resident may be instructed by the High Commissioner to record.

3d. Every couple (except as hereinafter excepted) united together within the said Territories as man and wife, in the presence of Witnesses, by any form of words expressive of their mutual and solemn consent to become and be, then and there, and from thenceforth, married people, married together, may have their said marriage registered. But no marriage, or pretended marriage, shall be registered, in which the parties are connected with each other by consanguinity or affinity in such a degree that the Governor of the Colony of the Cape could not by law have granted to them, if resident

in the said Colony, a valid dispensation or authority to marry, and that no valid marriage, could, by the laws of the said Colony, be therein solemnized between them, if domiciled in the said Colony; and if any marriage, or pretended marriage hereby declared incapable of registration, shall yet be registered, such registration shall have or possess no force or effect. But no ground of objection arising from consanguinity or affinity which could in the said Colony have been dispensed with, by the authority of the said Governor, shall prevent registration, or its consequences, as hereinafter declared.

4th. Whenever any two spouses, married as aforesaid, shall together come before the British Resident, or any Magistrate resident in the said Territories, and shall declare the fact of such marriage, the Resident or Magistrate (as the case may be) shall ascertain, and record in writing, the names of the said Spouses, their residence, the date and place of their said marriage, and their respective conditions in life at the time of such marriage, whether they were previously married or not; and such record shall be signed or acknowledged by the said Spouses, in presence of the Resident or Magistrate. When any doubt shall appear to rest upon the fact or date of the alleged marriage, the Resident or Magistrate may call for the certificate in writing, or the solemn declaration before himself of such credible witness or witnesses as were present at, or cognizant of, the said marriage. But when, and as often as, any such marriage shall have been contracted before, and attested by, any person or persons recognized at the time amongst Her Majesty's Emigrant Subjects as holding a public office or authority, entitling him or them to attest marriage, any such attestation or a copy thereof shall, upon the identity of the married people being ascertained, be conclusive proof of the fact and date of the said marriage.

5th. In case it shall be inconvenient for both spouses to repair to the said Resident, or to any Magistrate, the latter may ascertain from the husband alone the circumstances aforesaid, and from them prepare the record. But when the husband shall appear alone, he will provide himself with a written certificate or statement, signed by the wife, or acknowledged by her in the presence of two neighbours, who shall witness the same, in which certificate or statement the wife shall set forth the date of the marriage between herself and her husband. And this certificate or statement shall be preserved, together with the record signed by the husband. In case of any doubt as to the fact or date of the marriage, the Resident or Magistrate shall proceed as before, in order to remove the same.

6th. Should either of the Spouses have departed this life, since contracting any such marriage as aforesaid, leaving the other of them still surviving, such survivor may appear before the British Resident or any Magistrate as aforesaid, and thereupon the record shall be prepared as if both spouses were living and present; except that the signature of the survivor alone shall be sufficient, and that the record shall set forth the death of the deceased. In every such case, moreover, the Resident or Magistrate shall require clear evidence, whether oral or by certificate or affidavit, as he shall judge necessary, of the fact and date of the marriage, and shall, when it is practicable, ascertain that the relatives or friends of the deceased concur in recognizing the said marriage.

7th. Should it happen, in any instance in which any such marriage shall have been contracted before, and attested by any such persons in office or authority as are hereinbefore referred to, that either of the spouses shall refuse to join the other of them in obtaining the registration of the said marriage, then the spouse desiring such registration shall be at liberty to appear before the Resident or Magistrate, who shall, upon proof of such refusal, and production of such attestation as aforesaid, or an authentic copy thereof, and upon such further inquiry or proof, if any, as the said Resident or Magistrate shall judge necessary, prepare the necessary record, to which the signature of the spouse applying shall be sufficient, and which shall set forth the refusal of the other spouse.

8th. It shall not be any ground for refusing to prepare a record of, or to register any marriage, that both or either of the parties to the same, at the time of contracting the same, were under age.

9th. When, and as often as, any such Magistrate as aforesaid shall have prepared any such record as aforesaid, he shall, with all convenient speed, transmit the same, with all other writings or papers connected therewith, to the British Resident, who shall register every such marriage; and in all cases in which the necessary records shall be prepared by such Resident himself, he shall, from or by means of them, register the marriage therein mentioned.

10th. Every such marriage as aforesaid, when registered by the British Resident, shall, from and after such registration, be a marriage as lawful for

all objects and purposes as a lawful marriage within the Colony of the Cape of Good Hope, and shall for all purposes and objects of a civil nature be deemed and taken to have been a lawful marriage from and after the date of the contracting of the same; but whether the same shall, from the date last mentioned, be deemed and taken to have been a lawful marriage for the purpose of a prosecution for bigamy or polygamy, in case either party shall afterwards, during the life-time of the other party, have contracted another marriage, shall be judged of and determined by the general principles of law, and independently of any of the provisions of this Proclamation.

11th. And whereas, some Ministers of the Dutch Reformed Church of the Cape Colony have heretofore proceeded to the said Territories, for the purpose of performing therein, as generally as circumstances would permit, the rites and services of religion: And whereas, certain of the Emigrant Subjects aforesaid have, from time to time, been married by such Ministers, as also by the officiating Minister in the Dutch Reformed Church at Pietermaritzburg, in the District of Natal; and whereas, there is reason to suppose that in all cases in which any such Minister as aforesaid shall have solemnized any marriage between parties who had previously lived together as man and wife, by virtue of any such irregular marriage as is hereinbefore mentioned, the said Minister has recorded as well the fact and date of such previous marriage as the marriage solemnized by himself: And whereas, it is fit that full credit be given to all matters so vouched, it is hereby declared and directed that the British Resident shall receive all original marriage records made by any such minister, or authentic copies thereof, as evidence of the facts therein contained, and shall from or by means of them register the marriages therein mentioned, without requiring the presence of either spouse, or any further proof; and that from and after such registration every such marriage shall be deemed and taken to have been a lawful marriage, to all intents and purposes, from the date of the solemnization thereof by such minister, and to have been for all purposes of a civil nature a lawful marriage, from the date mentioned in the marriage record made by such minister, as that on which the first or previous marriage (if any) was contracted. But if, in any case, the fact or date of such previous marriage shall not appear in or by such marriage record, then the spouses or spouse desiring the registration of such first or previous marriage shall proceed in the same manner as is in that or the like behalf hereinbefore provided; but in every case, the marriage solemnized by such minister shall, after the registration thereof, be deemed to be a lawful marriage, to all intents and purposes, from the date of such solemnization.

12th. And whereas it is necessary to make temporary provision for the contracting of marriages within the territory aforesaid, pending the opening of churches and the settlement of fixed ministers within the same, it is hereby declared and directed that all persons who shall hereafter be married by any minister belonging to the Dutch Reformed Church of the Cape Colony, or person commissioned by the same to solemnize marriages within the said territories, shall be deemed and taken to be lawfully married; and such marriage shall be registered by the British Resident aforesaid, from or by means of the marriage records of such minister or person, and no publication of banns shall be necessary.

13th. If it shall so happen that any persons desirous to marry shall be unable to obtain the services of a minister, from whom their marriage might receive the solemn and becoming sanctions of religion, such persons may apply to, and come before, the said British Resident, or to the nearest Magistrate, and each of them shall, in his presence, solemnly declare that they know of no impediment to their marriage, and that they desire him to witness that they take each other respectively to be husband and wife; and thereupon a record of the said marriage shall be prepared, and the same shall be duly registered; and every such marriage shall be deemed to be as valid and effectual, and of the same force and obligation, as a lawful marriage solemnized within the Cape Colony.

14th. If both or either of the intended spouses be under age, the Resident or Magistrate (as the case may be) shall, before permitting the marriage (unless in the case of a widow or widower) require proof of the consent of the parents or guardians, unless it shall be made to appear to him that there are none such living, or that they, without sufficient reason, refuse consent, or that, owing to distance or other causes, such consent could not possibly, or without much inconvenience, be obtained. But no marriage, once permitted and recorded, shall be impeached upon the ground that both or either of the spouses, being under age, were or was married without consent of parents or guardians.

15th. A certificate, signed by the British Resident, or Officer acting as such, stating the registered particulars of any marriage registered by him or in his office, in pursuance of this Proclamation, shall be good evidence of such marriage before all Courts and Magistrates.

And, lastly, I do hereby PROCLAIM, DECLARE, and MAKE KNOWN, that while, in my earnest desire to consult, as much as in me lies, the interests and feelings of all Her Majesty's subjects in the Territories aforesaid, and those of their wives and children, I have determined to take all measures necessary for establishing their marriages aforesaid beyond dispute or controversy; nothing in this Proclamation contained is to be construed so as to render invalid any marriage, contracted in the said Territories, and not registered under this Proclamation which marriage would otherwise by law, be regarded as valid;—it being my wish and intention not now to decide that any sort or description of marriage is illegal, but to furnish an easy and convenient mode by which certain marriages, now supposed to be illegal, may have their legality placed beyond doubt.

GOD SAVE THE QUEEN!

Given under my Hand, and the Public Seal of the Settlement of the Cape of Good Hope, this 17th Day of May 1848.

By Command of His Excellency the High Commissioner,
RICHARD SOUTHEY, Secretary.

Tenders for distances exceeding two hours are recommended to provide for two sets of horses for such distances, otherwise it will be difficult for them, with one set of horses for the whole distance, to convey the Mail within the time specified. Should Contractors desire to erect stabling for their horses at places on the line of road where buildings for such a purpose cannot otherwise be obtained, they will be permitted to do so on Government land, or on out-span places, and their buildings will be purchased from them by the Government, at a valuation, whenever their Contracts cease—and if such buildings should have been erected by Contractors on private property—the Government will, in like manner, purchase them if the proprietor of the land will give his consent.

For any detention of the Mail beyond the time above specified for the distances allowed, the Contractor shall forfeit according to the following scale.

	£	s.	d.
For every period not exceeding half-an-hour,	0	2	6
For half-an-hour and not exceeding one hour,	0	7	6
For one hour and not exceeding one hour and a half,	0	15	0

And for every additional half hour beyond 2 1/2 hours the additional sum of 10 Shillings.			

The above penalties will be strictly enforced, excepting in cases in which the Government shall be satisfied upon proper evidence, that the detention has arisen from causes beyond the control of the Contractor, and which could not have been avoided, nor prevented by previous arrangements on his part. The particular attention of Tenderers is requested to the Government Notice of the 18th February 1846, which is re-published herewith for general information.

Further information may be obtained on application at this Office, of the Postmaster General, and the several Postmasters in the Interior.

Gentlemen.—I consider it almost an imperative duty to state the valuable efficacy of your excellent MACASSAR OIL. For the last fifteen years I have been bald, occasioned by a most dreadful fever while in India. I have used almost every means to procure a head of hair again, but all my efforts seemed fruitless, until, accidentally, a friend advised the use of your valuable Hair Restorer—(I can give it no better name) and after using a 3s. 6d. bottle every symptom of a new head of hair began to show itself, to the surprise not only of myself, but my family. I resolved on having another, and obtained a 7s. bottle, and before the whole of which was used I had and have now, as handsome a head of hair as ever man enjoyed, and I earnestly recommend all who have not tried this most excellent Oil, will not fail to do so.
I am Sirs,
Your most grateful and obedient servant,
J. WALKER, Colonel.

LADIES travelling or otherwise exposed to the scorching rays of the sun, will find ROWLAND'S KALYDOR a most refreshing, reparative and auxiliary to comfort, dispelling the cloud of languor and relaxation from the complexion, and immediately affording the pleasing sensation attending elasticity of the Skin. The numerous varieties of CUTANEOUS ERUPTIONS, SUN-BURN, FRECKLES, TAN, and DISCOLORATIONS are pleasingly eradicated by the KALYDOR, and the skin rendered delicately clear and soft. Its purifying and refreshing properties have obtained its exclusive selections by the COURT, and the ROYAL FAMILY OF GREAT BRITAIN, and those of the CONTINENT OF EUROPE together with the "ELITE" of the Aristocracy and "Haute Volée."
The high reputation it bears, induces UNPRINCIPLED SHOP-KEEPERS to offer their spurious "KALYDORS" for sale composed of the most deleterious ingredients, containing mineral astringents, utterly ruinous to the complexion, and by their repellent action endangering health. It is therefore imperative on purchasers to see that the words
"ROWLAND'S KALYDOR,"
are on the ENVELOPE (an Engraving of exquisite beauty from a steel plate by Messrs. Perkins, Bacon & Co.)
ALL OTHERS ARE FRAUDULENT COUNTERFEITS!

KAAPSTAD, DON 18DEN MEI 1848.

Gouvernements Huis, Kaapstad, 15 Mei 1848.

MET betrekking tot het Manifest, uitgevaardigd door Hare Majesteits Hooze Commissaris, op den 2 Maart 1848, geaddresserd aan diegenen der uitgeweken Burgers die aan Zyne Excellentie voorgesteld zyn geworden als wankelende in hunne getrouwheid, uit hoofde van de pogingen van kwalijkgezinde menschen die zich beyverden om de Proclatie van den 3 en 10 February en 8 Maart te verdraayen en verkeerd voor te stellen,—beschouwt Zyne Excellentie het als eene daad van regtvaardigheid jegens die Emigranten, de volgende extracten en documenten, (uit vele anderen van denzelfden aard en strekking) te publiceren, welke, terwyl dezelve hem de hoogste personeele voldoening verschaften, als bewyzen dat een vaderlyk Gouvernement in waarde gehouden wordt door dezulken, die uit hoofde van ongelukkige omstandigheden, zoo lang aan zich zelve overgelaten zyn om te worstelen te midden van regeringloosheid en wanorde,—tevens het goed karakter en de getrouwheid der Emigranten aan Hare Majesteit de Koningin, zuiveren van de verkeerde voorstellingen van baatzuchtige en zedeloze oproerstokers.

Zyne Excellentie heeft hartelyk genoeg de Burgers, als een ligchaam, thans openbaar vry te schouwen van den blaam welke men getracht heeft op hen te werpen, en te toonen, dat het volle vertrouwen zoo openhartig en zonder aarzelen in hen gesteld, op hunne eigene verzekeringen aan hemzelf in persoon gedaan, niet misplaatst zyn geworden, en dat aldus getrouwheid en ware gevoelens van een Christen zegepralen over de kwade pogingen om brave menschen te misleiden.

Op last van Z. E. den Hoogen Commissaris,
(Get.) **RICHARD SOUTHEY,**
Secretaris.

District van Caledon, 21 April 1848.

Aan Zyne Excellentie Luit.-Generaal Sir H. G. Smith, Baronet, enz., Gouverneur der Kolonie de Kaap de Goede Hoop, enz., en Hare Majesteits Hooze Commissaris voor het verheffen van zaken van het Grondgebied aan de Oostelyke en Noord Oostelyke Grenzen van de Kolonie, enz., enz.

Wy Ondergeteekenden, Emigranten, woonachtig in het District van Caledon, verzoek hiermede Uwe Excellentie aan te presenteren onze oprechte gelukwishing op uwe veilig komst in de Kaapstad, de Zetel van uwe Gouvernment, na die zware moeylieden en ontberingen die Uwe Excellentie voor ons ondergaan heeft—Wy bieden ook Uwe Excellentie aan onze dankbaarheid voor de wyze en verzachtende maatregelen die uwe gevolgen heeft, terwyl wy verplicht zyn te bekenen onze opwaardigheid.
Wy verzekeren Uwe Excellentie van onze hartige dankbaarheid en onze ongevleete getrouwheid en verkleedheid aan Hare Genadige Majesteit de Koningin.

In Uwe Excellenties Proclamatie vinden wy geen deel die naar onze gevoelentot verbetering kan verandert worden. Dat de Genadige Voorzienigheid Uwe Excellentie lang mogt behoeden om de vruchten van uwe wyze en oprechte Gouvernment te genieten in het gebied van Uwe Excellentie.

Extract uit een Brief van Majoor WARDEN, Britsche Resident aan Bloem Fontein, aan Zyne Excellentie Sir H. G. SMITH, Bart. G.C.B., Hare Majesteits Hooge Commissaris, gedateerd Bloem Fontein, 21sten April 1848.

De Emigranten aan de andere zyde van Modder Rivier, in grooter getallen, schynen thans meer hunne eigene belangen te gevoelen; en Uwer Excellenties Manifesto heeft veel bygedragen tot verkoeling van den yver der oproerige party in de kwade zaak die zy voor hadden.

"Ik verneem dat de Memorie, onlangs door den Heer W. Jacobs aan uwe Excellentie toegezonden, de namen bevatten van 71 Emigranten, die begerig waren hunne Naamteekeningen terug te trekken, dadelijk na dat het bedrog door den Heer Pretorius op hen en anderen gewrocht, ontdekt was, doch de Memorie was toen reeds in handen van den Heer Jacobs, en geene terugtrekking kon gedoogd worden.

"Ik onderneem thans aan Uwe Excellentie mede te deelen myne volkomene overtuiging, dat, by de aankomst van de Magistraten voor Winburg en Caledon Rivier, alles in goede orde voortgaan zal."

PROCLAMATIE

DOOR ZYNE EXCELLENTIE LUIT-GENERAAL SIR HENRY GEORGE WAKELYN SMITH, e

Baronet, Ridder Groot Kruis van de Hoog-Edelen Ord, van het Bad, Kolonel 2de Batalion Scherpschutters Administrateur van het Gouvernement van de Kolonie de Kaap de Goede Hoop, en den Resorte van dien, en Ordinaris, en Vice-Admiraal van dezelve; en Harer Majesteits Hooge Commissaris voor het afdoen en verfeenen van de Zaken van het Grondgebied in Zuid Afrika belendend aan en annex de Oostelpeke en Noordelyke Grenzen van de gezegde Kolonie, enz, enz, enz.

NADemaal ik by eene Proclamatie gedateerd 3 February 1848, uitgevaardigd door my, in myne hoedanigheid als Harer Majesteits Hooge Commissaris voor het afdoen en schikken van de zaken van zeker Grondgebied belendend, aan de Kolonie de Kaap de Goede Hoop, de Souvereiniteit van Hare gez. Majesteit over zeker Grondgebied, ten Noorden van de Groote Oranje Rivier, in die Proclamatie vermeld, en omschreven heb geproclameerd, verklaard, en bekend gesteld. En nademaal op verscheiden tyden, gedurende het tydvak, gedurende hetwelke Harer Majesteits Uitgeweken Onderdanen zekere deelen van gez. Grondgebied hebben bezeten, zekere huwelyken onder hen hebben plaats gevonden, welke van wege de onmogelykheid om de tegenwoordigheid of hulp te bekomen van eenen bedienaar des Evangeliums en zich te gedragen naar de onderscheiden vereischten der wetten, zoo als men veronderstelt, niet zyn voltrokken op zoodanig eene wyze dat dezelve wettig en van kracht zyn. En nademaal de gem. huwelyken ongeregeld zyn aangegaan, alleen uit reden van de noodzakelykheid waaronder de partyen waren, terwyl zy verstoken waren, beide van godsdienst onderwyzers, en van geregeld vastgestelde wetten, en niet ontstonden uit gebrek aan eerbied voor de heilige instelling in kwestie, of van de geestelyke toestemming waarmede, onder Christenen, hetzelfde gewoonlyk en gepastelyk voltrokken wordt. En nademaal ik deze zaken in myne overweging hebbende genomen, en verlangend zynde aan gez. Harer Majesteits Onderdanen het belangryk voordeel te schenken, van het vaststellen van de wettigheid en echtheid hunner kinderen, en der gez. huwelyken gewettigd voor alle einden van regten, zoo heb ik besloten tot dat einden het vermogen en gezag in my gevestigd uit te oefenen;—Zoo is het dat ik by deze als Harer Majesteits Hooge Commissaris voormeld, PROCLAMEER, VERKLAAR, en BEKEND MAAK, de onderscheiden volgende Voorzieningen en Regulatien betreffende de huwelyken voormeld, dat is te zeggen:—

1. De Britsche Resident in het grondgebied voormeld, wordt by deze geauthoriseerd en gerequireerd een algemeen Register op te maken en te houden van alle zoodanige huwelyken welke onder eenige der voorzieningen hieronder vermeld aan hem ter registratie worden ingezonden of gerapporteerd.

2. Zoodanig algemeen register zal toonen den naam en de woonplaats van den man, en van de vrouw, derzelver respectieve ouderdommen en stand in het leven, den datum van van het huwelyk, en alle andere byzonderheden welke gezegde Britsche Resident door den Hooge Commissaris zal gelast worden aan te teekenen.

3. Ieder paar, (uitgezonderd als hieronder uitgezonderd) te zamen verbonden binnen het grondgebied als man en vrouw, in de tegenwoordigheid van getuigen, by eenige vorm van

woorden te kennen gevende hunne wederzydsche en plegtige toestemming om dan en daar, en van dien tyd af, te zyn echte lieden, te zamen gehuwd, kunnen hun gez. huwelyk doen registreren. Maar geen huwelyk zal mogen worden geregistreerd waarin de partyen door bloedverwantschap of namaagschap bestaan in eenen graad waarin de Gouverneur van de Kolonie de Kaap de Goede Hoop, in regten, geene dispensatie of verlof om te huwen zou hebben kunnen toestaan, indien zy binnen dezelve resideerden, en dat geen wettig huwelyk volgens de wetten van de Kolonie daarin zou kunnen worden voltrokken, indien zy in de gezegde Kolonie gedomicilieerd waren; en wanneer eenig huwelyk of voorgewend huwelyk by deze verklaard ongeschikt voor registratie, echter zal geregistreerd worden, zal zoodanige registratie geen kracht of gevolg hebben; maar geen gronden van objectie uit reden van bloedverwantschap of namaagschap welke in gez. Kolonie kunnen gedispenseerd worden, by gezag van gez. Gouverneur, zal de registratie of deszelfs gevolgen beletten als hieronder omschreven.

4. Wanneer twee partyen, gehuwd als voormeld zullen compareren voor den Britschen Resident of voor eenig Resident Magistraat, binnen gez. Grondgebied, en de daadzaak van zoodanig huwelyk zullen verklaren, zal de gez. Resident of Magistraat (naar het geval moge zyn) vernemen en schriftelyk aantekenen de namen van gez. partyen, dezelve woonplaatssn, de datum en plaats van hun huwelyk, en hunnen respectieven stand in het leven, ten tyde van zoodanig huwelyk, of zy toen vroeger getrouwd waren of niet, en zoodanige aantekening zal moeten worden geteekend of erkend door de gez. partyen in de tegenwoordigheid van den Resident of Magistraat. Wanneer eenige twyfel zal ontstaan aangaande de daadzaak of datum van gez. huwelyk, zal de Resident of Magistraat mogen vragen naar het schriftelyk certificaat, of de plegtige verklaring, voor hem zelf, van zoodanige geloofwaardige getuigen die by gez. huwelyk tegenwoordig waren, of daarvan kennis droegen; maar wanneer en zoo dikwyls als eenig zoodanig huwelyk zal zyn aangegaan, ten overstaan van en betuigd zyn door eenig persoon of personen op dien tyd onder Harer Majesteits Onderdanen, erkend als bekleedende eenig publiek ambt of gezag hem of hen het regt gevende om huwelyken te attesteren, zal zoodanige attestaat, of eene copy daarvan, wanneer de identiteit van de gehuwde lieden zal erkend zyn, beslissend bewys zyn, van de daadzaak en datum van zoodanig huwelyk.

5. Ingeval het ongerijfelyk zal zyn voor de beide partyen zich te begeven voor den gez. Resident of voor eenig Magistraat, kan de laatste zich verzekeren van den man alleen van de handelingen voormeld en daaruit de aantekening opmaken. Maar wanneer de man alleen zal verschynen zal hy zich moeten voorzien van een schriftelyk certificaat, of opgave, geteekend door de vrouw, of erkend door haar in tegenwoordigheid van twee bureu, die hetzelfde zullen betuigen, in welk certificaat of opgave de vrouw zal moeten verklaren den datum van het huwelyk, tusschen haar en haren man, en dit certificaat of opgave zal moeten bewaard worden, benevens de aantekening geteekend door den man. Ingeval van eenige twyfel aangaande de daadzaak of datum van het huwelyk, zal de Resident Magistraat te werk gaan als boven, ten einde dezelve uit den weg te ruimen.

6. Indien een van beide gehuwden overleden zy na het aangaan van eenig zoodanig huwelyk als voormeld, latende de andere nog in leven, zal zoodanige langstlevende kunnen compareren voor den gez. Britschen Resident of eenig Magistraat als voormeld, en daarop zal de aantekening worden bereid als of beide partyen nog in leven waren en tegenwoordig, behalve dat de teekening van den langstlevende alleen van kracht zal zyn, en dat de aantekening het overlyden van den overledene zal vermelden. In ieder zoodanig geval zal de Resident of Magistraat echter duidelyk getuigenis moeten vorderen, hetzy mondelyk of by een certificaat of affidavit, zoo als hy noodig zal oordeelen, van de daadzaak en datum van het huwe-

Nooitgedacht den 24 April 1848.

MYNHEER,—Ik heb UED. te melden dat ik in het District van Caledon, nu onlangs zes byeenkomsten gehouden heb, door last van het Gouvernement, om zekere Proclamatien voor te lezen en de gevoelens van de menschen te hooren. Ik ben gelast door omtrent twee honderd menschen in dit District woonachtig, UED. te melden dat zy zeer te vreden en dankbaar zyn met de zachtende maatregelen van het Gouvernement, en dat zy van nu af de ongeveinsde gematheid en verkleefdheid aan Hare Majesteit de Koningin van Engeland zal betoonen.

En degenen die onder uwe Maatschappy geweest zyn, doet aan u weten dat zy misleid en bedrogen zyn geworden, en geheellyk van uwe Maatschappy afzien.

Ik heb de eer te zyn,

UED. Dienstwillige Dienaar,

(Get.) JACS. THEOD. SNYMAN.

Den Heer A. W. J. PRETORIUS.

Ook was dit de uitspraak van allen in deze gewesten, dat zy ten volen overtuigd zyn dat de Gouverneur H. W. SMITH, hun verlost heeft van alle Natiën om verjaagd te worden, of belasting op hunne woonings te stellen hier in dit grondgebied welke zy hier bewoonen, met name Boven Riet Rivier en Sikspruit, en een tak aan, en over de Caledons Rivier, beide niet tegestande aan het Gouvernement,—nooit met de Maatschappy te bemoeien, siel en rustig te wonen onder een beschaafd Gouvernement.

Dit was de uitspraak van de menschen in dit grondgebied aan my gedaan.

Verblyve ik met achtung UED. Vriend en Dienaar,

(Get.) JAC. THEOD. SNYMAN.

Voor Copy conform,

F. REX.

Spitskop, 28 April 1848.

Aan Majoor WARDE, Bloem Fontein.

MYNHEER,—Ik moet u bekend maken, dat ik, sedert ik het laatst aan u geschreven heb, drie Byeenkomsten gehouden heb, en dat de Burgers zoo ver als Onder Riet Rivier, en van daar over naar de Orange Rivier, allen van een gevoelen zyn, om hunne gehechtheid aan het Gouvernement, en hunne gehoorzaamheid aan de wetten te bevestigen, terwyl onze Gouverneur zoo gesadig is geweest om ons uit de verdrukking te verlossen; wy zyn dankbaar, en vertrouwen op zyne vaderlyke medewerking daar wy reeds overtuigd zyn van zyne vaderlyke hulp. Wy bidden ook voor onzen Gouverneur, dat hy by voortdurend moge gesteekt worden in wysheid, van onzen God, door Jezus Christus.

Mynheer, heb de goedheid om my meer van de Proclamatien van den 8sten en 29sten Maart te zenden. Ik ben er grootelyk om verlegen; gelief dezelve dan met bringer dezes te zenden. Wy verzoeken u ook ons terug te schrijven, hoe de Heer REX de zaken by PRETORIUS en het Volk in die gewesten gevonden heeft.—Wy verblyven, UEDs. gehoorzame Dienaren.

In den naam van myn geheele Veldkornetschap, en allen in dit gedeelte van het Land.

(Get.) JAN HENDRIK CLOETE, Veldkornet.

CAPE TOWN: Printed and Published for the Contractor, by SAMI SOLOMON, Gazette Office, St. George's-street

in the said Colony, a valid dispensation or authority to marry, and that no valid marriage, could, by the laws of the said Colony, be therein solemnized between them, if domiciled in the said Colony; and if any marriage, or pretended marriage hereby declared incapable of registration, shall yet be registered, such registration shall have or possess no force or effect. But no ground of objection arising from consanguinity or affinity which could in the said Colony have been dispensed with, by the authority of the said Governor, shall prevent registration, or its consequences, as hereinafter declared.

4th. Whenever any two spouses, married as aforesaid, shall together come before the British Resident, or any Magistrate resident in the said Territories, and shall declare the fact of such marriage, the Resident or Magistrate (as the case may be) shall ascertain, and record in writing, the names of the said Spouses, their residence, the date and place of their said marriage, and their respective conditions in life at the time of such marriage, whether they were previously married or not; and such record shall be signed or acknowledged by the said Spouses, in presence of the Resident or Magistrate. When any doubt shall appear to rest upon the fact or date of the alleged marriage, the Resident or Magistrate may call for the certificate in writing, or the solemn declaration before himself of such credible witness or witnesses as were present at, or cognizant of, the said marriage. But when, and as often as, any such marriage shall have been contracted before, and attested by, any person or persons recognized at the time amongst Her Majesty's Emigrant Subjects as holding a public office or authority, entitling him or them to attest marriage, any such attestation or a copy thereof shall, upon the identity of the married people being ascertained, be conclusive proof of the fact and date of the said marriage.

5th. In case it shall be inconvenient for both spouses to repair to the said Resident, or to any Magistrate, the latter may ascertain from the husband alone the circumstances aforesaid, and from them prepare the record. But when the husband shall appear alone, he will provide himself with a written certificate or statement, signed by the wife, or acknowledged by her in the presence of two neighbours, who shall witness the same, in which certificate or statement the wife shall set forth the date of the marriage between herself and her husband. And this certificate or statement shall be preserved, together with the record signed by the husband. In case of any doubt as to the fact or date of the marriage, the Resident or Magistrate shall proceed as before, in order to remove the same.

6th. Should either of the Spouses have departed this life, since contracting any such marriage as aforesaid, leaving the other of them still surviving, such survivor may appear before the British Resident or any Magistrate as aforesaid, and thereupon the record shall be prepared as if both spouses were living and present; except that the signature of the survivor alone shall be sufficient, and that the record shall set forth the death of the deceased. In every such case, moreover, the Resident or Magistrate shall require clear evidence, whether oral or by certificate or affidavit, as he shall judge necessary, of the fact and date of the marriage, and shall, when it is practicable, ascertain that the relatives or friends of the deceased concur in recognizing the said marriage.

7th. Should it happen, in any instance in which any such marriage shall have been contracted before, and attested by any such persons in office or authority as are hereinbefore referred to, that either of the spouses shall refuse to join the other of them in obtaining the registration of the said marriage, then the spouse desiring such registration shall be at liberty to appear before the Resident or Magistrate, who shall, upon proof of such refusal, and production of such attestation as aforesaid, or an authentic copy thereof, and upon such further inquiry or proof, if any, as the said Resident or Magistrate shall judge necessary, prepare the necessary record, to which the signature of the spouse applying shall be sufficient, and which shall set forth the refusal of the other spouse.

8th. It shall not be any ground for refusing to prepare a record of, or to register any marriage, that both or either of the parties to the same, at the time of contracting the same, were under age.

9th. When, and as often as, any such Magistrate as aforesaid shall have prepared any such record as aforesaid, he shall, with all convenient speed, transmit the same, with all other writings or papers connected therewith, to the British Resident, who shall register every such marriage; and in all cases in which the necessary records shall be prepared by such Resident himself, he shall, from or by means of them, register the marriage therein mentioned.

10th. Every such marriage as aforesaid, when registered by the British Resident, shall, from and after such registration, be a marriage as lawful for

all objects and purposes as a lawful marriage within the Colony of the Cape of Good Hope, and shall for all purposes and objects of a civil nature be deemed and taken to have been a lawful marriage from and after the date of the contracting of the same; but whether the same shall, from the date last mentioned, be deemed and taken to have been a lawful marriage for the purpose of a prosecution for bigamy or polygamy, in case either party shall afterwards, during the life-time of the other party, have contracted another marriage, shall be judged of and determined by the general principles of law, and independently of any of the provisions of this Proclamation.

11th. And whereas, some Ministers of the Dutch Reformed Church of the Cape Colony have heretofore proceeded to the said Territories, for the purpose of performing therein, as generally as circumstances would permit, the rites and services of religion: And whereas, certain of the Emigrant Subjects aforesaid have, from time to time, been married by such Ministers, as also by the officiating Minister in the Dutch Reformed Church at Pietermaritzburg, in the District of Natal; and whereas, there is reason to suppose that in all cases in which any such Minister as aforesaid shall have solemnized any marriage between parties who had previously lived together as man and wife, by virtue of any such irregular marriage as is hereinbefore mentioned, the said Minister has recorded as well the fact and date of such previous marriage as the marriage solemnized by himself: And whereas, it is fit that full credit be given to all matters so vouched, it is hereby declared and directed that the British Resident shall receive all original marriage records made by any such minister, or authentic copies thereof, as evidence of the facts therein contained, and shall from or by means of them register the marriages therein mentioned, without requiring the presence of either spouse, or any further proof; and that from and after such registration every such marriage shall be deemed and taken to have been a lawful marriage, to all intents and purposes, from the date of the solemnization thereof by such minister, and to have been for all purposes of a civil nature a lawful marriage, from the date mentioned in the marriage record made by such minister, as that on which the first or previous marriage (if any) was contracted. But if, in any case, the fact or date of such previous marriage shall not appear in or by such marriage record, then the spouses or spouse desiring the registration of such first or previous marriage shall proceed in the same manner as is in that or the like behalf hereinbefore provided; but in every case, the marriage solemnized by such minister shall, after the registration thereof, be deemed to be a lawful marriage, to all intents and purposes, from the date of such solemnization.

12th. And whereas it is necessary to make temporary provision for the contracting of marriages within the territory aforesaid, pending the opening of churches and the settlement of fixed ministers within the same, it is hereby declared and directed that all persons who shall hereafter be married by any minister belonging to the Dutch Reformed Church of the Cape Colony, or person commissioned by the same to solemnize marriages within the said territories, shall be deemed and taken to be lawfully married; and such marriage shall be registered by the British Resident aforesaid, from or by means of the marriage records of such minister or person, and no publication of banns shall be necessary.

13th. If it shall so happen that any persons desirous to marry shall be unable to obtain the services of a minister, from whom their marriage might receive the solemn and becoming sanctions of religion, such persons may apply to, and come before, the said British Resident, or to the nearest Magistrate, and each of them shall, in his presence, solemnly declare that they know of no impediment to their marriage, and that they desire him to witness that they take each other respectively to be husband and wife; and thereupon a record of the said marriage shall be prepared, and the same shall be duly registered; and every such marriage shall be deemed to be as valid and effectual, and of the same force and obligation, as a lawful marriage solemnized within the Cape Colony.

14th. If both or either of the intended spouses be under age, the Resident or Magistrate (as the case may be) shall, before permitting the marriage (unless in the case of a widow or widower) require proof of the consent of the parents or guardians, unless it shall be made to appear to him that there are none such living, or that they, without sufficient reason, refuse consent, or that, owing to distance or other causes, such consent could not possibly, or without much inconvenience, be obtained. But no marriage, once permitted and recorded, shall be impeached upon the ground that both or either of the spouses, being under age, were or was married without consent of parents or guardians.

15th. A certificate, signed by the British Resident, or Officer acting as such, stating the registered particulars of any marriage registered by him or in his office, in pursuance of this Proclamation, shall be good evidence of such marriage before all Courts and Magistrates.

And, lastly, I do hereby PROCLAIM, DECLARE, and MAKE KNOWN, that while, in my earnest desire to consult, as much as in me lies, the interests and feelings of all Her Majesty's subjects in the Territories aforesaid, and those of their wives and children, I have determined to take all measures necessary for establishing their marriages aforesaid beyond dispute or controversy; nothing in this Proclamation contained is to be construed so as to render invalid any marriage, contracted in the said Territories, and not registered under this Proclamation which marriage would otherwise by law, be regarded as valid;—it being my wish and intention not now to decide that any sort or description of marriage is illegal, but to furnish an easy and convenient mode by which certain marriages, now supposed to be illegal, may have their legality placed beyond doubt.

GOD SAVE THE QUEEN!

Given under my Hand, and the Public Seal of the Settlement of the Cape of Good Hope, this 17th Day of May 1848.

GOVERNMENT NOTICE.

Colonial Office, Cape Town,
24th May, 1848.

His Excellency the Administrator of the
Government has directed the publication of
the following Minute, for general information.

By Command of His Excellency the
Administrator of the Government,
(Signed) JOHN MONTAGU,
Secretary to Government.

LAND SETTLEMENT AT NATAL. MINUTE.

Government House, Cape Town,
24th May 1848.

I have read, and attentively considered, the
several Documents lately received from His Honor
the Lieutenant Governor of Natal, relative to
certain impediments which have presented them-
selves in the carrying out of the objects and pro-
visions of the Proclamation of the 10th of February
1848.

After weighing the many and, in some respects,
conflicting considerations which are indissolubly
connected with the subjects of Land Claims at
Natal,—I have come to certain conclusions, which
I shall now proceed to state, and which, being
elucidative of the Proclamation of the 10th Feb-
ruary, are to be regarded as instructions for the
guidance of the Land Commission therein ap-
pointed.

1. Whilst the primary and proper object con-
templated by the appointment of the Land Com-
mission was to promote the peopling, and conse-
quent prosperity of the District, by settling on
farms within it, Emigrants sojourning beyond its
limits, in discontent and discomfort,—I, at the
same time, approve of the course (which seems to
have been adopted) of submitting all land claims,
without distinction, for the recommendation of the
Board. The Land Commission will, therefore,
continue to receive such claims and applications as
shall be addressed to them, whether by persons
claiming registered farms or those claiming farms
not registered, and whether by persons who have
come into the District under my Proclamation or
persons who were resident previously to the issuing
of that instrument. By thus passing all land
claims through the hands of the Board, all chance
of confusion of claims or inconsistent arrange-
ments will be excluded.

2. Being satisfied that the twelve months, occu-
pation test prescribed by the Proclamation of the
12th of May 1843, and by the application of
which the claimants were originally divided into
two classes, No. 1 and No. 2, was a test but ill
adapted, in most instances, for the ascertaining of
real merits and well grounded claims,—I now
authorize the Board to make no distinction (unless
where special circumstances shall, in any special
case, seem to render a distinction just and fitting,)
between original claimants in class No. 1 and
original claimants in class No. 2. An original
claimant in class No. 2, registered for a farm, may
receive a farm of the same extent as a claimant
registered for a farm in class No. 1. And original
claimants registered in class No. 2, for more than
one farm, shall have their claims to them con-
sidered upon the same principles as if they had
been so registered in class No. 1. But all claim-
ants in class No. 2, in whose favor the old arrange-
ment is thus relaxed will, in case they receive a
full farm of 3,000 morgen, (instead of one of
1,000 morgen,) be liable to such reasonable restric-
tions upon selling and quitting the District as are
in the 5th clause of this Minute mentioned. Heirs
of original claimants, and purchasers, or other
parties, deriving from original claimants in class
No. 2, shall be considered as clothed with the
rights of those whom they represent, and shall
receive the grants which the original claimants,
but for death or alienation, would have themselves
received. But while this principle of liberal and
just equality is to be the general rule, the Board
will not view it as requiring them to recommend,
in regard to lands adjacent to the coast, (where the
lands are comparatively unsuitable for grazing
purposes, but very fit for agriculture) any original
claimant in class No. 2, or purchaser from any
such original claimant, for a farm of greater extent
than 1,500 morgen, or 2,500 acres. It is not,
however, intended to restrict any purchaser from
or out of class No. 2, any more than a purchaser
from or out of class No. 1, who may have acquired
a plurality of claims, in regard to the number of
farms which he shall receive. In this respect both
classes are to be dealt with alike.

3. Subject to the rights of claimants in
classes No. 1 and No. 2, Emigrants not included
in either class, but for whom particular farms
have been registered in the books of the former

Volksraad, which farms, owing to circumstances
beyond the control of the claimants, were not in-
spected, are to be recognized as claimants for
grants of the same nature and extent as if they
were claimants belonging to class No. 2; and pur-
chasers and others duly deriving under them, are
to be treated as if they themselves were such origi-
nal Emigrants. To prevent, however, persons who
have left, and purpose to continue absent from the
district, from selling the right now bestowed,
either while so absent, or when within the district
merely upon a visit, no claimant under this section
will be empowered to convey any interest whatever
to a purchaser from him, unless such sale shall be
effected within the limits of the district and with
the approval of the Land Commissioners. All
persons receiving grants under this clause will, of
course, be subject to the restrictions, in regard to
alienation and removal from the district, which
have been already referred to, and are hereafter
set forth.

4. Besides the several kinds of claimants who
have been already described, and the late occupants
on the Klip River, for whom the Proclamation of
the 10th of February has explicitly provided) the
Commissioners will be authorised to recommend
the grant of one farm of 3,000 morgen, beyond
the Tugela River, to each Emigrant subject from
the Drakensberg or the Country beyond,—or who
may, though in the District of Natal, be unpro-
vided with a farm, and who desires to settle and
occupy. Emigrant subjects who were once regis-
tered, but who parted with their titles and are now
without any farm, may also be settled on a farm
beyond the Tugela, without purchase or payment.
If any such late registered claimant shall be pre-
pared to pay into the District Treasury such an
amount, (not exceeding the sum or value for
which he parted with his former registered right,) the
Commissioners will be authorised to recommend
him for a farm in such other part of the District
as he may, with the approbation of the Board,
prefer and elect. And all grants made under this
clause will contain the condition respecting non-
alienation, which is next set forth.

5. I do not contemplate the likelihood that any
considerable number of the Emigrants whom I have
testified, and am anxious still further to testify, my
anxiety to benefit, would seek to pervert the object
and intention of my Proclamation to improper pur-
poses,—and solicit farms merely to sell them and
remove. It is just and right, however, that provi-
sion should be made to thwart any such unfair
attempts, if made,—but so, at the same time, as
to leave it in the discretion of the Lieutenant Gov-
ernor to authorize a relaxation of the restrictions
which it is expedient to impose. All grants, there-
fore, of farms exceeding 1000 morgen, made to
original claimants in class No. 2, or persons deriving
under original claimants,—and all grants made to
such claimants as are described in clauses 3 and
4 of this Minute, will contain a stipulation to the
effect that the grantee and his heirs shall not, for a
term of seven years, sell or let to hire the farm
granted, either wholly or in part, without the pre-
vious consent of the Lieutenant Governor, (who
will judge, according to circumstances, whether
such consent should be given,) and that any breach
of the stipulations shall entitle the Government to
resume the farm. And inasmuch as the above pro-
vision could be easily evaded by judicial sales, it
will be further provided in every such grant that the
land shall not, for seven years, be executable under
any judgment or decree of Court, but that, instead
of being sold in execution, it shall be resumable, at
the option of the Government, upon payment to or
for the creditor, of the value of the buildings
erected and improvements made by the grantee,
such value to be fixed by a fair appraisement.

6. Any individual who would, under any of the
provisions of this Minute, be entitled to expect a
grant of a coast, or agricultural, farm, limited to
1500 morgen, may, if he should prefer it, obtain in
exchange a farm of 30,000 morgen, situated in such
other part of the district as he may, with the
approbation of the Board, fix upon and elect.

7. In every case in which the Land Commission
shall, in carrying out the objects of the Proclama-
tion of the 10th February, or this Minute, recom-
mend any grant, the Lieutenant Governor will
consider himself as fully authorized by me to act
upon their recommendation.

8. It is to be always borne in mind that my Pro-
clamation of the 10th of February, this Minute, and
the Land Commission,—being calculated and intend-
ed to meet a temporary exigency,—will continue in
force no longer than the term of twelve months
originally mentioned, and that the present plan of
settling a permanent, peaceable, and prosperous
population in the Natal District, will expire on the
10th of February 1849.

(Signed) H. G. SMITH.

PROPOSAL

FOR A

New English Church in Cape Town.

IN order to meet the urgent want of a PLACE OF WORSHIP for the SAILORS frequenting this port, and the Persons engaged on the Wharfs and connected with the Shipping, it is proposed to erect a Church, capable of holding six hundred people, on a site which has been granted by the Government for the purpose.

A further and equally important object in the erection of this Church is to provide additional accommodation for the poor, scattered throughout Cape Town, and especially the inhabitants of that densely populated district lying between Strand-street and the sea,—who are at present wholly unprovided with the necessary means of religious instruction. With these objects in view, it is most desirable that sufficient funds should be raised to allow all the sittings to be free.

The support and liberal CONTRIBUTIONS of those who feel for the SPIRITUAL WANTS of their poorer Brethren, and are willing to assist in supplying them, are earnestly solicited—and in furtherance of this object, a MEETING will be held at the Commercial Exchange, on WEDNESDAY, the 31st INSTANT, at half-past 12 o'Clock, when the attendance of all those who take an interest in the subject is respectfully solicited.

The Premiums are payable yearly in advance; or, at the option of the Assured, half-yearly, with a slight increase of the rate.

The Capital and Profits of this Institution are the ENTIRE PROPERTY of the holders of Policies of Insurance.

The Profits will be divided amongst the holders of Policies, at the termination of every period of THREE YEARS, after the year 1859, when the first distribution will take place; and each holder may determine that his Share shall be added to the sum assured by him;—or converted into a present payment;—or applied in reduction of the future annual premiums payable by him.

The pecuniary advantages, therefore, are the greatest that can be secured to Policy-holders in any Institution of this nature.

Any Person whose Life is assured, and who has paid Five Annual Premiums, may proceed direct to any part of this Colony, and to any dependency thereof;—and to any part of Europe in time of peace, at his pleasure.

Any Person whose Life is assured may proceed direct to any part of this Colony, and to any dependency thereof by sea and by land, at his pleasure.

For those who have not paid Five Annual Premiums, a Licence from the Board of Directors, but no additional Premium, is required when they proceed beyond the limits of this Colony and the dependencies thereof.

No Institution of this nature, it will therefore be seen, can so reasonably consult the convenience of the assured to a greater extent.

By comparing the Rates or Scale of Premiums, the Public will perceive that those adopted by this Society are lower than those adopted by any respectable and safe Companies, in which, of course, a proper return for paid-up Capital, for risks, with profit to the Shareholders, must be provided for, as well as the benefit of the Assured or Policy-holders.

In this Society the Members and Policy-holders being the only Shareholders, receive back directly whatever excess of Rate the Tables may still retain. Every error, therefore, fully corrects itself;—and in this respect, also, MUTUAL ASSURANCE SOCIETIES excel all others.

The Principle and Tables of the Scottish Equitable Life Assurance Society have been adopted; and that Society in the course of only thirteen years from its commencement, after meeting all demands, sets forth, that its "NETT REALISED FUNDS amounts to £263,719 6 8,"—although in Scotland the rate of interest is more than FORTY PER CENT. LOWER THAN AT THE CAPE.

JOHN FAIRBAIRN, Chairman.

The Directors, and all persons connected with the management of the Society, have signed a declaration that they will preserve inviolable secrecy as to all business connected with the Society.

GENTLEMEN,—About August, 1839, my hair began to fall off, and in so rapid a manner, that in the space of a month my head was almost divested of hair. I tried several preparations for its recovery without the slightest benefit, when one day your circular, in "Collins' Memoranda," caught my eye. I ventured on the purchase of a small bottle of ROWLAND'S MACASSAR OIL, after using which I found my hair was beginning to re-appear, and accordingly I purchased a larger bottle, which when finished, I felt satisfied that I had proved in my own person all you profess as to its restorative qualities; in short, after two months steady perseverance in its use, I had as good a head of hair as at any time of my life, for which permit me to offer my thanks. I have delayed writing to you for six months (from the time of leaving off the Oil) wishing to test the permanence of its restoration, I find it continues as firm and thick as before it began to fall off, with every prospect of its continuance.

I am, gentlemen,
Yours obediently,
JOHN FOSTER.

KAAPSTAD, DEN 25STEN MEI 1848.

GOUVERNEMENTS KENNISGEVING.

Koloniale Secretary, 24 Mei 1848.

ZYNE Excellentie de Administrateur des Gouvernements heeft de publicatie van de volgende Minute, tot algemeen narigt gelast.

Ter Ordonnantie van Z. E. den Administrateur des Gouvernements,

(Get.) JOHN MONTAGU,
Gouvernements Secretaris

Land Bevestiging te Natal.

MINUTE.

Gouvernements Huis, Kaapstad, 24 Mei 1848.

Ik heb gelezen en naauwkeurig overwogen de onderscheiden Documenten, onlangs ontvangen van Zyne Edelheid den Luitenant Gouverneur van Natal, betreffende zekere moyelykheden welk zich hebben voorgedaan, in het ten uitvoer brengen van de bedoelingen en voorzieningen van de Proclamatie van 10 February 1848.

Na het overwegen van de veelvuldige en onzekere inzichten, tegenstrydige overwegingen, welke onafscheidelyk verbonden zyn met het onderwerp van Land vorderingen te Natal, ben ik gekomen tot zekere besluiten, welke ik nu zal voortgaan te vermelden, en welke verklarend zynde van de Proclamatie van 10 February moeten worden beschouwd als instructien voor de Land Commissie daarby aangesteld.

1. Terwyl het eerste en behoorlyke doel, bedoeld by de aanstelling van de Land Commissie, was het bevorderen van de bevolking en de gevolgelyke voorspoed van het District, door het vestigen op plaatsen binnen hetzelfde, van Emigranten, verblyvende buiten deszels limiten, in ongenoegen en ongerijf, keur ik ter gelyker tyd den gang goed, (welke schynt te zyn aangenomen) van het submitteren van alle Land vorderingen zonder onderscheid ter aanbeveling van het College. De Land Commissie zal daarom voortgaan zoodanige vorderingen en aanzoeken als aan hetzelfde zullen worden ingediend, hetzy van personen vorderende geregistreerde plaatsen, of die geen die plaatsen vorderen niet geregistreerd, en hetzy door personen die in het District zyn gekomen onder myne Proclamatie, of personen daar residerende, voor het publiceren van gez. Document; voor dus alle Land vorderingen te stellen in handen van het College, is alle kans van confusie van vorderingen of onbestaanbare schikkingen buiten gesloten.

2. Overtuigd zynde dat de twaalf maanden occupatie proef, voorgeschreven by de Proclamatie van 12den Mei 1843, en door de aanwending van welke de vorderaars oorspronkelyk waren verdeeld in twee klassen No. 1, en No. 2, eene toets was maar siecht geschikt, in de meeste gevallen, voor het verzeiken van ware meriten en welgegronde vorderingen; autorizeer ik by deze het College geen onderscheid te maken (behalve waar byzondere omstandigheden in eenig byzonder geval, eenig byzonder onderscheid zullen raadzaam maken) tusschen origenele vorderaars in de klasse No. 1, en oorspronkelyke vorderaars in klasse No. 2. En oorspronkelyke vorderaar in klasse No. 2, geregistreerd voor eene plaats, kan eene plaats bekomen van dezelfde uitgestrektheid als een vorderaar voor eene plaats in de klasse No. 1. Een oorspronkelyke vorderaars geregistreerd als in klasse No. 2, voor meer dan een plaats zullen hunne vorderingen beschouwd zien op hetzelfde principe als of zy waren geregistreerd in klasse No. 1. Maar alle vorderaars in klasse No. 2 tot wier voordeel de oude schikking dus verzocht wordt, wanneer zy eene volle plaats bekomen van 3000 morgen (in plaats van een van 1000 morgen) zullen onderhevig zyn aan zoodanige redelyke restrictien op het verkoopen en het verlaten van het district als zyn bevat in de 5de clause van deze minuut. Erfgenamen van oorspronkelyke vorderaars, en koopers of andere partyen, hun regt bekommende van oorspronkelyke vorderaars in klasse No. 2 zullen worden beschouwd als bekleed met de regten van die geen die zy vertegenwoordigen, en zullen de vergunningen bekomen welke de oorspronkelyke vorderaars, zonder overlyden of vervreemding zelf zouden genoten hebben. Maar terwyl dit principe van liberale en regtmatige gelykheid de de algemeene regel zal wezen, zal het College het niet beschouwen als verpligtend tot recommandatie ten aanzien van landeryen gelegen naby de kust, waar de landeryen in vergelyking ongeschikt zyn voor weide, maar zeer geschikt voor landbouw, ieder oorspronkelyke kooper in klasse No. 2, of kooper van

zoodanige oorspronkelyke vorderaar, van een plaats van grooter uitgestrektheid dan 1500 morgen of 3000 acres. Het is echter de bedoeling niet eenigen kooper van of uit klasse No. 2 te beperken meer dan eenen kooper uit klasse No. 1, die eene meerderheid van vorderingen moge hebben ten aanzien van het getal plaatsen dat hy zal ontvangen. In dit geval zullen beide klassen op gelyke wyze worden behandeld.

3. Onderhevig aan de regten van vorderaars in klasse No. 1 en No. 2, zullen Emigranten, niet begrepen in een van beide klassen, maar voor wien byzondere plaatsen zyn geregistreerd op de boeken van den voormaligen Volksraad, welke plaatsen door omstandigheden buiten het beheer van de vorderaars, niet geinspecteerd zyn, worden beschouwd als vorderaars voor vergunningen van denzelfden aard en uitgestrektheid als of zy vorderaars waren in klasse No. 2; en koopers en anderen, behoorlyk regt van hen verkrygende, zullen worden beschouwd als of zy zelf zulke oorspronkelyke Emigranten waren. Ten einde, echter te voorkomen dat lieden die vertrokken zyn, en hun voornemen hebben doen blyken om afwezend te blyven uit het District, het regt nu aan hen verleend, te vervreemden, terwyl zy dus afwezig zyn, of binnen hun District alleen op een bezoek, zal geen vorderaar, onder deze sectie geregtigd zyn enig belang hoegenaamd over te dragen aan eenen kooper van hem, tenzy zoodanige koop zal gesloten zyn binnen de grenzen van het District, en met de toestemming van de Landcommissarissen. Een ieder die vergunningen ontvangt onder deze clause, zal onderhevig zyn aan de restitutie, ten aanzien van vervreemding en verhuizing uit het District, welke reeds zyn aangehaald, en hieronder verder zullen worden vermeld.

4. Behalve de onderscheiden soorten van vorderaars die alreeds zyn beschreven, en de voormalige occupanten aan de Kliprivier, (voor wien de Proclamatie van 10 February expresselyk voorzien heeft) zullen de Commissarissen geauthoriseerd zyn eene vergunning te recommanderen van eene plaats van 3000 morgen, over de Tugela Rivier, aan ieder Emigrant Onderdaan van den Drakenberg of het land daar achter, of die, oisch on in het District van Natal, niet zal voorzien zyn met eene plaats, maar die verlangt zich te vestigen. Emigrant Onderdanen die eens geregistreerd waren maar die van hunne aanspraak hebben afstand gedaan en nu zonder plaatsen zyn, kunnen mede worden gevestigd op eene plaats over de Tugela, zonder koop of betaling. Indien eenig zoodanig voormalig geregistreerd vorderaar zal bereid zyn in de districts kasse te betalen zoodanig bedragen (niet te bovengaan de som of waarde waarvoor hy zyn vroeger geregistreerd regt zal hebben verkocht) zullen de Commissarissen geauthoriseerd zyn, hem aan te bevelen voor eene plaats, in zoodanig ander deel van het district als hy, met goedvinden van het College zal verkiezen. En alle vergunningen gemaakt onder deze clause zullen de conditie moeten bevatten van niet vervreemding in het volgend artikel vermeld.

5. Ik bedenke geenszins de waarschijnlijkheid dat eenig aanzienlyk getal Emigranten, wien ik verklaard heb, en nog verder gezind ben te verklaren myne erlangen om hen te bevoorreen, zullen trachten de bedoelingen van myne Proclamatie te verdraayen tot verkeerde bedoelingen, en alleen plaatsen verzoeken om dezelve te verkoopen en dan te verhuizen. Het is daarom regt en billyk dat voorziening worde gemaakt om zoodanige onbillyke bedoelingen tegen te gaan; maar te gelyker tyd zoo, om het ter descretie van den Luit.-Gouverneur te laten om eene verzachting toe te staan van de beperkingen welke het noodig is gevonden daar te stellen. Alle vergunningen daarom van plaatsen, te bovengaan de 1000 morgen, gemaakt aan oorspronkelyke vorderaars in klasse 2, of personen regtverkrygende van oorspronkelyke vorderaars, als omschreven in clausulen 3 en 4 van deze Minute, zullen eene bepaling, tot dit einde bevatten dat de ontvanger der vergunning of zyner erfgenamen, gedurende eenen tyd van zeven jaren, de plaats aan hem in het geheel of gedeelykelyk verleend, niet zullen mogen verkoopen of verhuuren, zonder vooraangaande toestemming van den Luitenant Gouverneur, (die zal moeten oordeelen volgens de omstandigheden of zulke toestemming zal kunnen worden gegeven) en dat iedere inbreuk op deze bepaling, het Gouvernement het regt zal geven om de plaats terug te nemen. En in zoo verre als deze voorziening gemakkellyk zou kunnen worden ontweken door geregtelyke verkooping, zal verder worden voorzien in iedere zoodanige vergunning, dat zoodanig land binnen 7 jaren niet in executie zal mogen worden genomen, maar dat in plaats van in executie te worden verkocht, dezelve zal kunnen worden geresumeerd ter keuze des Gouvernements, na betaling aan of voor den crediteur van de waarde van alle gebouwen daarop, en verbeteringen gemaakt door den bezitter zullende zoodanige waarde moeten worden bepaald by geregelde taxatie.

6. Een ieder die onder de voorzieningen van deze Minuut zal geregtigd zyn eene vergunning te verwachten van eene kust of landbouw plaats, beperkt tot 1500 morgen, zal, indien hy zulks verkiest in ruil daarvoor kunnen bekomen eene plaats van 3000 morgen, gelegen in zoodanig ander deel van het District als hy, met goedkeuring van het College zal bepalen en verkiezen.

7. In ieder geval waarin de Land Commissie in het ten uitvoer brengen van de Proclamatie van den 10den February, of van deze Minute, eenige vergunning zal aanbevelen, zal de Luitenant Gouverneur zich moeten beschouwen als ten volle door my geauthoriseerd om volgens die aanbeveling te werk te gaan.

8. Men moet altyd voor oogen houden dat myne Proclamatie van 10den Feb., deze Minute en de Land Commissie, berekend en bestemd zynde, om in eenen temporeuren nood te voorzien, niet langer in kracht zullen blyven dan gedurende den tyd van twaalf maanden oorspronkelyk vermeld, en dat het tegenwoordige plan van het vestigen van eene duurzame, vreedzame, en voorspoedige bevolking in het district Natal zal eindigen op den 10den Feb. 1849.

(Get.) H. G. SMITH.

PROCLAMATIE

DOOR ZYNE EXCELLENTIE LUIT.-GENERAAL
SIR HENRY GEORGE WAKELYN SMITH,

Baronet, Ridder Groot Kruis van de Hoog-Edelen Orde van het Bad, Kolonel 2de Batalion Scherpschutters Administrateur van het Gouvernement van de Kolonie de Kaap de Goede Hoop, en de Resorten van dien, en Ordinaris, en Vice-Admiraal van dezelve; en Harer Majesteits Hooge Commissaris voor het afdoen en verfeenen van de Zaken van het Grondgebied in Zuid Afrika belendend aan en annex de Oostelpke en Noordelyke Grenzen van de gezegde Kolonie, enz., enz., enz.

NADEMAAL ik by eene Proclamatie gedateerd 3 February 1848, uitgevaardigd door my, in myne hoedanigheid als Harer Majesteits Hooge Commissaris voor het afdoen en schikken van de zaken van zeker Grondgebied belendend, aan de Kolonie de Kaap de Goede Hoop, de Souvereiniteit van Hare gez. Majesteit over zeker Grondgebied, ten Noorden van de Grootte Oranje Rivier, in die Proclamatie vermeld, en omschreven heb geproclameerd, verklaard, en bekend gesteld. En nademaal op verscheiden tyden, gedurende het tydvak, gedurende hetwelke Harer Majesteits Uitgeweken Onderdanen zekere deelen van gez. Grondgebied hebben bezeten, zekere huwelyken onder hen hebben plaats gevonden, welke van wege de ommogelykheid om de tegenwoordigheid of hulp te bekomen van eenen bedienaar des Evangeliums en zich te gedragen naar de onderscheiden vereischten der wetten, zoo als men veronderstelt, niet zyn voltrokken op zoodanig eene wyze dat dezelve wettig en van kracht zyn. En nademaal de gem. huwelyken ongeregeld zyn aangegaan, alleen nit reden van de noodzakelykheid waaronder de partyen waren, terwyl zy verstoken waren, beide van godsdienst onderwyzers, en van geregeld vastgestelde wetten, en niet ontstonden uit gebrek aan eerbied voor de heilige instelling in questie, of van de geestelyke toestemming waarmede, onder Christenen, hetzelfde gewoonlyk en gepastelyk voltrokken wordt. En nademaal ik deze zaken in myne overweging hebbende genomen, en verlangend zynde aan gez. Harer Majesteits Onderdanen het belangryk voordeel te schenken, van het vaststellen van de wettigheid en echtheid hunner kinderen, en der gez. huwelyken gewettigd voor alle einden van regten, zoo heb ik besloten tot dat einden het vermogen en gezag in my gevestigd uit te oefenen;—Zoo is het, dat ik by deze als Harer Majesteits Hooge Commissaris voormeld, PROCLAMEER, VERKLAAR, en BEKEND MAAK, de onderscheiden volgende Voorzieningen en Regulatien betreffende de huwelyken voormeld, dat is te zeggen:—

1. De Britsche Resident in het grondgebied voormeld, wordt by deze geauthoriseerd en gerequireerd een algemeen Register op te maken en te houden van alle zoodanige huwelyken welke onder eenige der voorzieningen hieronder vermeld aan hem ter registratie worden ingezonden of gerapporteerd.

2. Zoodanig algemeen register zal toonen den naam en de woonplaats van den man, en van de vrouw, derzelver respectieve ouderdommen en stand in het leven, den datum van het huwelyk, en alle andere byzonder-

perkt tot 1500 morgen, zal, indien by zwaarte
in 3000 morgen, kunnen bekomen eenen
in het District als hy, met goedkeuring van
zal bepalen en verkiezen.
7. In ieder geval waarin de Land Commis
het ten uitvoer brengen van de Proclamatie
10den February, of van deze Minuete, en
gunning zal aanbevelen, zal de Land Commis
neur zich moeten beschouwen als ten volste ge
geautoriseerd om volgens die aanbeveling te
te gaan.
8. Men moet altyd voor cogen landen des
Proclamatie van 10den Feb., deze Minuete
Land Commissie, berekend en bestemd zyn
eenen temporeuren nood te voorzien, met
kracht zullen blyven dan gedurende een
twaalf maanden oorspronkelyk vermeld, en
tegenwoordige plan van het vestigen van een
zame, vreedzame, en voorspoedige bewo
district Natal zal eindigen op den 10den Feb.
(Get.) H. G. SMIT.

PROCLAMATIE

DOOR ZYNE EXCELLENTIE LUIT-GEN-
SIR HENRY GEORGE WAKELYN SMIT
Baronet, Ridder Groot Kruis van de Hoor-
van het Bad, Kolonel 2de Batalion Scorp
Administrateur van het Gouvernement van de
de Kaap de Goede Hoop, en de Resident van de
Ordinaris, en Vice-Admiral van de zee, en
Majesteits Hooft Commissaris voor het be-
effenen van de Zaken van het Grondgebied in de
belendend aan en annex de Onafhankelyke
Grenzen van de gezegde Kolonie, enz., enz., enz.

NADemaal ik by eene Proclamatie
dateerd 3 February 1848, uitge-
door my, in myne hoedanigheid als Her-
jesteits Hooft Commissaris voor het be-
schikken van de zaken van zeker ge-
bied belendend, aan de Kolonie de Kaap
Goede Hoop, de Souvereiniteit van Harer
Majesteit over zeker Grondgebied, te
den van de Groote Oranje Rivier, in de
clamatie vermeld, en omschreven het
clameerd, verklaard, en bekend ge-
nadaemaal op verscheiden tyden, ge-
tydlyk, gedurende hetwelke Harer
Uitgeweken Onderdanen zekere ge-
gez. Grondgebied hebben bezeten, en
huwelyken onder hen hebben plaats ge-
welke van wege de onmogelykheid
tegenwoordigheid of hulp te be-
eenen bedienaar des Evangeliums ont-
dragen naar de onderscheiden ver-
wetten, zoo als men veronderstelt, te
voltrokken op zoodanig eene wyze dat
wettig en van kracht zyn. En nademaal
huwelyken ongeregeld zyn aangegaan
reden van de noodzakelykheid van
partyen waren, terwyl zy verscheiden
beide van godsdienst onderscheiden
geregeld vastgestelde wetten, en niet
den uit gebrek aan eerbied voor de
ling in kwestie, of van de goddelyke
ming waarmede, onder Christen-
gewoonlyk en gepastelyk voltrokken
En nademaal ik deze zaken in myne
hebbende genomen, en verlangend ge-
gez. Harer Majesteits Onderdanen te
ryk voordeel te schenken, van het
van de wettigheid en eetheld haren
ren, en der gez. huwelyken geregel-
einden het vermogen en gezag in de
tijd uit te oefenen:—Zoo is het, dat
deze als Harer Majesteits Hooft
voormeld, PROCLAMEER, VER-
en BEKEND, MAAK, de onder-
volgende Voorzieningen en Regule-
tione de huwelyken voormeld, en
zeggen:—

1. De Britsche Resident in het
voormeld, wordt by deze ge-
gerequireerd een algemeen Reg-
maken en te houden van alle
huwelyken welke onder eenige der
ningen hieronder vermeld aan
ratie worden ingezonden of gereg-
2. Zoodanig algemeen Reg-
len naam en de woonplaats van
van de vrouw, derzelver
dommen en stand in het leven, den
van het huwelyk, en alle andere

eden welke gezegde Britsche Resident door
den Hooft Commissaris zal gelast worden
aan te tekenen.

3. Ieder paar, (uitgezonderd als hieronder
nitgezonderd) te zamen verbonden binnen het
grondgebied als man en vrouw, in de tegen-
woordigheid van getuigen, by eenige vorm van
woorden te kennen gevende hunne wederzyd-
sche en plegtige toestemming om dan en daar,
en van dien tyd af, te zyn echte lieden, te
zamen gehuwd, kunnen hun gez. huwelyk
doen registreren. Maar geen huwelyk zal
mogen worden geregistreerd waarin de partyen
door bloedverwantschap of namaagschap bestaan
in eenen graad waarin de Gouverneur van de
Kolonie de Kaap de Goede Hoop, in regten,
geene dispensatie of verlof om te huwen zou
hebben kunnen toestaan, indien zy binnen
dezelfen resideerden, en dat geen wettig
huwelyk volgens de wetten van de Kolo-
nie daarin zou kunnen worden voltrokken,
indien zy in de gezegde Kolonie gedo-
micilicerd waren; en wanneer eenig hu-
welyk of voorgewend huwelyk by deze ver-
klaard ongeschikt voor registratie, echter zal
geregistreerd worden, zal zoodanige regis-
tratie geen kracht of gevolg hebben; maar
geen gronden van objectie uit reden van bloed-
verwantschap of namaagschap welke in gez.
kolonie kunnen gedispenseerd worden, by
gezag van gez. Gouverneur, zal de registratie
of deszelfs gevolgen beletten als hieronder
omschreven.

4. Wanneer twee partyen, gehuwd als
voormeld zullen compareren voor den Brit-
schen Resident of voor eenig Resident Magis-
traat, binnen gez. Grondgebied, en de daad-
zaak van zoodanig huwelyk zullen verklaren,
zal de gez. Resident of Magistraat (naar het
geval moge zyn) vernemen en schriftelyk aan-
teekenen de namen van gez. partyen, dezelve
woonplaatsen, de datum en plaats van hun
huwelyk, en hunnen respectiven stand in het
leven, ten tyde van zoodanig huwelyk, of zy
toen vroeger getrouwd waren of niet, en zood-
danige aantekening zal moeten worden getee-
kend of erkend door de gez. partyen in de tegen-
woordigheid van den Resident of Magistraat.
Wanneer eenige twyfel zal ontstaan aangaande
de daadzaak of datum van gez. huwelyk, zal
de Resident of Magistraat mogen vragen naar
het schriftelyk certificaat, of de plegtige ver-
klaring, voor hem zelf, van zoodanige geloof-
waardige getuigen die by gez. huwelyk tegen-
woordig waren, of daarvan kennis droegen;
maar wanneer en zoo dikwyls als eenig zood-
danig huwelyk zal zyn aangegaan, ten over-
staan van en betuigd zyn door eenig persoon of
personen op dien tyd onder Harer Majesteits
Onderdanen, erkend als bekleedende eenig
publiek ambt of gezag hem of hen het regt
gevende om huwelyken te attesteren, zal zood-
danige attestaat, of eene copy daarvan, wan-
neer de identiteit van de gehuwde lieden zal
erkend zyn, beslissend bewys zyn, van de daad-
zaak en datum van zoodanig huwelyk.

5. Ingeval het ongeregelyk zal zyn voor de
beide partyen zich te begeven voor den gez.
Resident of voor eenig Magistraat, kan de
laatste zich verzekeren van den man alleen van
de handelingen voormeld en daaruit de aantee-
kening opmaken. Maar wanneer de man al-
leen zal verschynen zal hy zich moeten voorzien
van een schriftelyk certificaat, of opgave, ge-
teekend door de vrouw, of erkend door haar
in tegenwoordigheid van twee buren, die het-
zelfde zullen betuigen, in welk certificaat of op-
gave de vrouw zal moeten verklaren den datum
van het huwelyk, tusschen haar en haren man,
en dit certificaat of opgave zal moeten bewaard
worden, benevens de aantekening geteekend
door den man. Ingeval van eenige twyfel
aangaande de daadzaak of datum van het hu-
welyk, zal de Resident Magistraat te werk
gaan als boven, ten einde dezelve uit den weg
te ruimen.

6. Indien een van beide gehuwden overleden
zy na het aangaan van eenig zoodanig huwe-
lyk als voormeld, latende de andere nog in
leven, zal zoodanige langstlevende kunnen
compareren voor den gez. Britschen Resident
of eenig Magistraat als voormeld, en daarop
zal de aantekening worden bereid als of beide
partyen nog in leven waren en tegenwoordig,
behalve dat de teekening van den langstlevende

alleen van kracht zal zyn, en dat de aantekening
het overlyden van den overledene zal vermelden.
In ieder zoodanig geval zal de Resident
of Magistraat echter duidelyk getuigenis moe-
ten vorderen, hetzy mondelyk of by een certi-
ficaat of affidavit, zoo als hy noodig zal oordee-
len, van de daadzaak en datum van het huwe-
lyk, en waar het mogelyk is, zich verzekeren
dat de nabestaanden of vrienden van den over-
ledene toestemmen in het erkennen van zooda-
nig huwelyk.

7. Indien het zal gebeuren in eenig geval,
waarin eenig zoodanig huwelyk zal zyn aan-
gegaan, en zyn geattesteerd door eenig zooda-
nig persoon in ambt of gezag als hierboven
bedoeld, dat een van beide partyen zal wei-
geren zich met de andere te vereenigen in het
bekomen van de registratie van zoodanig
huwelyk, zal het de party die verlangend is
zoodanige registratie te verkrygen vrystaan te
verschynen voor den Resident of Magistraat, die
op bewys van zoodanige weigering en productie
van zoodanige attestatie als voormeld, of eene
authentieke copy daarvan, en op zoodanig ver-
der onderzoek of bewys, als de gez. Resident of
Magistraat noodig zal oordeelen, de noodige
aantekening zal bereiden, waartoe de teekening
van de aanzoekdoende party genoegzaam zyn
zal, en welke de weigering van de andere
party zal moeten bevatten.

8. Het zal geen grond zyn voor weigering
van het bereiden van eene aantekening van,
of het registreren van eenig huwelyk, dat beiden
of eene der partyen tot hetzelfde, tydens het
aangaan van het huwelyk, minderjarig waren.

9. Wanneer en zoo dikwyls als eenig Magis-
traat als voormeld, eenige aantekening als
voormeld zal bereid hebben, zal hy met alle
doenlyke spoed hetzelfde, benevens alle papie-
ren of documenten daartoe behoorende, moeten
toezenden aan den Britschen Resident, die
ieder zoodanig huwelyk zal moeten registreren,
en in alle gevallen waarin de noodige aantee-
keningen zullen zyn bereid doorden Resident
zelf, zal hy van of door middel van dezelve het
huwelyk moeten registreren.

10. Ieder zoodanig huwelyk als voormeld
door den Britschen Resident geregistreerd
zynde, zal van en na dien datum een huwelyk
zyn, even wettig en geldig tot alle einden,
als een wettig huwelyk binnen de limiten van
de Kaap de Goede Hoop, en zal voor alle
einden van eenen civilen aard worden be-
schouwd, als zynde een wettig huwelyk geweest
van den dag af dat het is aangegaan; maar of
hetzelfde van den datum laatst gemeld, geoor-
deeld zal worden een wettig huwelyk te zyn,
voor de einden van eene proseeutie voor twee-
wyverij of veelwyverij, ingeval eene der par-
tyen naderhand gedurende het leven van de
andere party, een ander huwelyk zal hebben
aangegaan, zal moeten worden geoordeeld en
beslist volgens de algemeene principes van
regten, en onafhankelyk van enige der voor-
zieningen van deze Proclamatie.

11. En nademaal zekere Leeraars van
de Nederduitsche Hervormde kerk zich
vroeger hebben begeven naar gezegd grondge-
bied, ten einde daarin, zoo algemeen als d
omstandigheden zulks toelieten, de plegtig-
heden en diensten der godsdienst te volbrengen
en nademaal zekere van de uitgeweken onder-
danen voormeld, van tyd tot tyd zyn getrouwd
door zoodanige Leeraars, alsmede door den
dienstdoende Leeraar in de Nederduitsche
Gereformeerde Kerk te Pietermaritzburg, in
het district Natal, en nademaal er reden is te
veronderstellen, dat in alle gevallen waarin
eenig zoodanig Leeraar als voormeld, eenig
huwelyk heeft voltrokken tusschen partyen die
vroeger te zamen leefden, als man en vrouw,
uit kracht van eenig zoodanig ongeregeld
huwelyk als bovengemelden, de gez. Leeraar,
zoo wel de daadzaak als den datum van zooda-
nig voorgaand huwelyk heeft aangeteekend,
als het huwelyk door hemzelf voltrokken, en
nademaal het gepast is dat vol-geloof worde
gegeven aan alle zaken dus bewezen, zoo
wordt by deze verklaard en gelast dat de
Britsche Resident alle origen-le huwelyks
aantekeningen gedaan door eenig zoodanig
Leeraar, of authentieke copyen daarvan, zal
moeten aannemen als getuigenis van de daad-
zaken daarin vervat, en van en door middel
daarvan de huwelyken moeten registreren

daarin vermeld, zonder de comparitie van
eenige der partyen en of eenig verder bewys
te vorderen; en dat van en na zoodanige re-
gistratie zoodanig huwelyk zal worden be-
schouwd en geoordeeld als een wettig huwelyk,
tot alle einden van den datum van het vol-
trekken daarvan, door zoodanig Leeraar, en
voor alle einden van eenen civilen aard een
wettig huwelyk te zyn geweest van den datum
vermeld in het huwelyks certificaat, gemaakt
door gez. Leeraar, als dat waarop het eerste
of vroegere huwelyk (zoo er eenig is,) was aan-
gegaan. Maar indien in eenig geval de daad-
zaak of datum van zoodanig vroeger huwelyk
niet in zoodanig huwelyks certificaat blykt,
dan zullen de partyen de registratie van zooda-
nig eerst of vroeger huwelyk verlangende,
moeten voortgaan op gelyke of dezelfde manier
als in dat of gelyk geval hierboven voorzien is,
maar in ieder geval zal het huwelyk dus vol-
trokken door zoodanigen Leeraar, na de re-
gistratie daarvan, worden beschouwd als een
wettig huwelyk tot alle einden van en na den
datum van deszelfs voltrekking.

12. En nademaal het noodzakelyk is tem-
poraire voorzieningen te maken voor het vol-
trekken van huwelyken binnen het voormeld
grondgebied, bevorens het openen van de Ker-
ken en het vestigen van bepaalde Leeraars in de-
zelve, zoo wordt by deze vastgesteld dat alle
personen die in het vervolg zullen worden ge-
trouwd door eenen Leeraar van de Nederduit-
sche Gereformeerde Kerk van de Kaapsche Ko-
lonie, of persoon door dezelve aangesteld om
huwelyken te voltrekken binnen gez. grondge-
bied, zullen worden geoordeeld en beschouwd
als wettig getrouwd; en zoodanige huwelyken
zullen moeten worden geregistreerd door den
Britschen Resident voormeld, van of door mid-
del van de huwelyks certificaten van zoodanige
Leeraars of andere personen, en geene afkondi-
ging van huwelyksgeboden zal noodig zyn.

13. Indien het zal gebeuren dat personen
die verlangen in den echten staat te treden,
niet in staat zullen zyn de diensten te bekomen
van eenen Leeraar van wien hun huwelyk de
plegtige en passende sanctie van de godsdienst
kan bekomen, zullen zoodanige personen zich
kunnen vervoegen by den Britschen Resident
of den naasten Magistraat, en ieder hunner zal
dan in deszelfs tegenwoordigheid plegtig moe-
ten verklaren dat zy niet bekend zyn met eeni-
ge verhuidering tegen hun huwelyk, en dat zy
hem verlangen te getuigen dat zy elkander
respectivelyk nemen als man en vrouw; en
daarop zal eene aantekening van gez. huwe-
lyk worden bereid, en hetzelfde zal behoorlyk
moeten worden geregistreerd; en ieder zooda-
nig huwelyk zal zyn en geoordeeld worden te
zyn even wettig en van kracht, als een wettig
huwelyk, voltrokken binnen de Kaapsche
Kolonie.

14. Indien beide of een van beide partyen
minderjarig zullen zyn, zal de Resident of
Magistraat, naar het geval moge zyn, voor hy
het huwelyk toelaat, (behalve in geval van
eenen weduenaar of eene weduwe) bewys
moeten vragen van de toestemming van de
ouders of voogden, tenzy het hem zal blyken
dat er geen zoodanige in leven zyn, of dat
zy, zonder grondige redenen, hun consent
weigeren, of dat, van wege den afstand of andere
oorzaken zoodanig consent met geene moge-
lykheid, of niet zonder groote ongelegenheid
te bekomen is. Maar geen huwelyk eens toe-
gestaan en aangeteekend, zal kunnen vernie-
tigd, worden op grond dat eene of beide partyen
minderjarig zynde, was getrouwd zonder co-
sent van de ouders of voogden.

15. Een certificaat geteekend door den Brit-
schen Resident of ambtenaar als zoodanig
fungerende, medende de geregistreerde byzon-
heden van ieder huwelyk, door hem of ten
zynen kantoore geregistreerd, uit kracht van
deze Proclamatie, zal goed getuigenis van zooda-
nig huwelyk zyn voor alle Geregthhoven en
Magistraten.

En ten laatste proclameer, verklaar, en maak
ik by deze bekend, dat in myn ernstig verlan-
gen om zoo veel als my mogelyk is, de belan-
gen en gevoelens van alle Harer Majesteits
Onderdanen in het Grondgebied voormeld,
en die van hunner vrouwen en kinderen te raad-
plegen, ik alle noodige maatregelen heb geno-
men, om hunne huwelyken voormeld, boven

allen twist en twyfel te bevestigen, niets in deze Proclamatie vervat, moet worden uitgelegd als invaliderende, eenig huwelyk aangegaan binnen gez. Grondgebied, en niet geregistreerd onder deze Proclamatie, welk huwelyk anderzins, in regten, als geldend zou worden beschouwd, daar het myn wensch en voornemen niet is nu te beslissen, dat eenige aard of soort van huwelyk onwettig is, maar eene gemakkelijke wyze te voorzien waarop zekere huwelyken, nu beschouwd als onwettig, boven allen twyfel als wettig kunnen worden verklaard,

GOD BEWARE DE KONINGIN!

Gegeven onder het Publieke Zegel, van de Kolonie de Kaap de Goede Hoop, den 17den dag van Mei 1848.

(Get.) H. G. SMITH,

Op last van Zyne Excellentie Hare Majesteits Hooze Commissaris,

(Get.) RICHARD SOUTHEY,
Secretaris van H. M. Hooze Commissaris

Gouvernements Huis, Kaapstad, 15 Mei 1848.

MEET betrekking tot het Manifest, uitgevaardigd door Hare Majesteits Hooze Commissaris, op den 2 Maart 1848, geadresseerd aan diegenen der uitgeweken Burgers die aan Zyne Excellentie voorgesteld zijn geworden als wankelende in hunne getrouwheid, uit hoofde van de pogingen van kwalijkgezinde menschen die zich beyverden om de Proclamatien van den 3 en 10 February en 8 Maart te verdraayen en verkeerd voor te stellen,—beschouwt Zyne Excellentie het als eene daad van regvaardigheid jegens die Emigranten, de volgende extracten en documenten, (uit vele anderen van denzelfden aard en strekking) te publiceren, welke, terwyl dezelve hem de hoogste personeele voldoening verschaften, als bewyzen dat een vaderlyk Gouvernement in waarde gehouden wordt door dezulken, die uit hoofde van ongelukkige omstandigheden, zoo lang aan zich zelven overgelaten zijn om te worstelen te midden van regeringloosheid en wanorde,—tevens het goed karakter en de getrouwheid der Emigranten aan Hare Majesteit de Koningin, zuiveren van de verkeerde voorstellingen van baatzuchtige en zedeloze oproeristokers.

Zyne Excellentie heeft hartelick genooten de Burgers, als een ligchaam, thans openbaar vry te schouwen van den blaam welke men getracht heeft op hen te werpen, en te toonen, dat het volle vertrouwen zoo openhartig en zonder aarzelen in hen gesteld, op hunne eigene verzekeringen aan hemzelf in persoon gedaan, niet misplaatst zijn geworden, en dat aldus getrouwheid en ware gevoelens van een Christen zegenprelen over de kwade pogingen om brave menschen te misleiden.

Op last van Z. E. den Hoogen Commissaris,

(Get.) RICHARD SOUTHEY,
Secretaris.

District van Caledon, 21 April 1848

Aan Zyne Excellentie Luit.-Generaal Sir H. G. Smith Barmet, enz., Gouverneur der Kolonie de Kaap de Goede Hoop, enz., en Hare Majesteits Hooze Commissaris voor het verheffen van zaken van het Grondgebied aan de Oostlyke en Noord Oostlyke Grenzen van de Kolonie, enz., enz.

Wy Ondergetekenden, Emigranten, woonachtig in het District van Caledon, verzoek hiermede Uwe Excellentie aan te presenteren onze oprechte gelukbeding op uwe veilig komst in de Kaapstad, de Zetel van uwe Gouvernement, na die zware moeyelykheden en ontvriyningen die Uwe Excellentie voor ons ondergaan heeft—Wy bieden ook Uwe Excellentie aan onze dankbaarheid voor de wyze en verzachtende maatregelen die uwe gevolgen heeft, terwyl wy verplicht zijn te bekennen onze onwaardigheid.

Wy verzeeken Uwe Excellentie van onze hartige dankbaarheid en onze ongewinsde getrouwheid en verkleedheid aan Hare Genadige Majesteit de Koningin.

In Uwe Excellenties Proclamatie vinden wy geen deel die naar onze gevoelens tot verbetering kan verandert worden. Dat de Genadige Voorzienigheid Uwe Excellentie lang mogt behouden om de vruchten van uwe wyze en oprechte Gouvernement te genieten is het gebed van Uwe Excellenties

MYNHEER,—Ik heb UEd. te melden dat ik in het District van Caledon, nu onlangs zes byeenkomsten gehouden heb, door last van het Gouvernement, om zekere Proclamatien voor te lezen en de gevoelens van de menschen te hooren. Ik ben gelast door omtrent twee honderd menschen in dit District woonachtig, UEd. te melden dat zy zeer te vreden en dankbaar zijn met de zachtende maatregelen van het Gouvernement, en dat zy van nu af de ongewinsde getrouwheid en verkleedheid aan Hare Majesteit de Koningin van Engeland zal betoonen.

En degenen die onder uwe Maatschappij geweest zijn, doet aan u weten dat zy misleid en beïrogen zijn geworden, en geheellyk van uwe Maatschappij afzien.

Ik heb de eer te zyn,

UEd. Dienstwillige Dienaar,

(Get.) JAC. THEOD. SNYMAN.

Den Heer A. W. J. PRETORIUS.

Ook was dit de uitspraak van allen in deze gewesten, dat zy ten vollen overtuigd zijn dat de Gouverneur H. W. SMITH, hun verlost heeft van alle Natiën om verjaagd te worden, of belasting op hunne woonings te stellen hier in dit grondgebied welke zy hier bewoonden, met name Boven Riet Rivier en Slipspruit, en een lak aan, en over de Caledons Rivier, beide met tegenstande aan het Gouvernement, nooit met de Maatschappij te bemoeien, siel en rustig te wonen onder een bechaafd Gouvernement.

Dit was de uitspraak van de menschen in dit grondgebied aan my gedaan.

Verblyve ik met achtung UEd. Vriend en Dienaar,
(Get.) JAC. THEOD. SNYMAN.

Voor Copy conform,

Wy bidden ook voor onzen Gouverneur, dat hy by voortdoring moge gesterkt worden in wysheid, van onzen God, door Jezus Christus.

Mynheer, heb de goedheid om my meer van de Proclamatien van den 29sten Maart te zenden. Ik ben er grootelyks om verlegen; gelief dezelve dan met brenger dezes te zenden. Wy verzoeken u ook ons terug te schrijven, hoe de Heer REX de zaken by PRETORIUS en het Volk in die gewesten gevonden heeft.—Wy verblyven, UEds. gehoorzame Dienaren.

Extract uit een Brief van Majoor WARREN, Britsche Resident aan Bloem Fontein, aan Zyne Excellentie Sir H. G. SMITH, Bart. G.C.B., Hare Majesteits Hooze Commissaris, gedateerd Bloem Fontein, 24sten April 1848.

De Emigranten aan de andere zyde van Modder Rivier, in groeter getallen, schynen thans meer hunne eigene belangen te gevoelen; en Uwe Excellenties Manifest heeft veel bygedragen tot verkoeling van den yver der oproerige party in de kwale zaak die zy voor hadden.

“Ik verneem dat de Memorie, onlangs door den Heer W. Jacobs aan uwe Excellentie toegezonden, de namen bevatten van 71 Emigranten, die begerig waren hunne Naamtekeningen terug te trekken, dadelijk na dat het bedrag door den Heer PRETORIUS op hen en anderen gewrocht, ontdekt was, doch de Memorie was toen reeds in handen van den Heer JACOB, en geene terugtrekking kon gedoogd worden.

“Ik onderneem thans aan Uwe Excellentie mede te deelen myne volkomene overtuiging, dat, hy de aankomst van de Magistraten voor Winburg en Caledon Rivier, alles in goede orde voortgaan zal.”

Nº. 2218.

THE CAPE OF GOOD HOPE Government Gazette.

Published by Authority.

THURSDAY, JUNE 1, 1848.

Government House, Cape Town,
15th May 1848.

WITH reference to the Manifesto issued by Her Majesty's High Commissioner, on the 29th of March 1848, addressed to those of the Emigrant Burghers who had been represented to His Excellency, to be wavering in their allegiance from the efforts of evil-disposed persons, engaged in perverting and misrepresenting to them the Proclamations of the 3rd and 10th of February, and 8th March.—His Excellency considers it an act of justice to those Emigrants to publish the following extracts and documents, (from amongst several others of the same scope and tendency) which, while they have afforded him the highest personal satisfaction as proofs that a paternal Government is appreciated by those who from unhappy circumstances have been so long left to struggle for themselves in the midst of anarchy and confusion, at the same time completely vindicate the characters and loyalty to Her Majesty the Queen, of the Emigrant Farmers, from the misrepresentations of interested and unprincipled agitators.

His Excellency has heartfelt gratification in now publicly relieving the Burghers as a body, from the aspersions attempted to be cast upon them, and in showing that the trust and confidence frankly and unhesitatingly reposed in them, upon their own assurances to himself in person, were not misplaced; and thus do loyalty and the true feelings of a Christian triumph over wicked endeavours to mislead good men.

By Command of His Excellency
the High Commissioner,
(Signed) **RICHARD SOUTHEY,**
Secretary.

District of Caledon, 21st April 1848.
To His Excellency Lieut. General Sir H. G. SMITH, Bt., Governor of the Colony of the Cape of Good Hope, and Her Majesty's High Commissioner for settling the Affairs in the Territory on the N. and N. E. Boundary of the Colony, &c. &c.

We, the Undersigned, Emigrants, residing in the District of Caledon, beg leave hereby to present to your Excellency our sincere congratulation on your safe arrival at Cape Town, the Seat of your Government, after the great difficulties and privations which Your Excellency has endured for us.—We also beg to tender to Your Excellency our gratitude for the wise and lenient measures you have adopted, whilst we are obliged to confess our unworthiness.

We assure Your Excellency of our hearty thankfulness, and our unfeigned Allegiance and Attachment to Her Gracious Majesty the Queen.

In your Excellency's Proclamation we find no part, which, in our opinion, can be improved upon.

That a merciful Providence may long spare Your Excellency to reap the fruits of your wise and just Government, is the Prayer of

Your Excellency's most humble
and grateful Servants,
(Signed by J. T. SNYMAN, Commandant,
181 others,—for which see the Dutch.

Nooi: Gedacht, 24th April 1848.

Sir,—I have to acquaint you, that I have lately held six meetings in the District of Caledon, by order of Government, for the purpose of reading certain Proclamations, and to ascertain the feelings of the people.—I am directed by about 200 persons residing in this District to acquaint you, that they are very well satisfied and grateful for the lenient measures of the Government; and that they will henceforth evince unfeigned allegiance and attachment to Her Majesty the Queen,

And those who have been among your community, let you know, that they have been misled and deceived, and totally withdraw themselves from your community.

I have the honor to be,
Your obedient Servant,
(Signed) **JACS, THEODS. SNYMAN.**

To Mr. A. W. J. PRETORIUS.

This was also the expression of all in this part, that they are fully convinced, that the Governor H. W. SMITH had delivered them from all nations, and from being driven away, or taxes put upon their dwellings, in this part of the country which they now inhabit, called Boven Riet River and Slik Spruit, and a branch on and over Caledon's Rivier, both notwithstanding to the Government, never to meddle with the community, but to live quiet and peaceably under a civilised Government.

This was the expression of the people in this territory made to me.

I remain, with esteem,
your friend and servant,
(Signed) **J. T. SNYMAN.**

Spits Kop, 28th April, 1848.

To Major WARDEN, Bloem Fontein.

Sir,—I have to inform you, that since I last wrote to you, I have held three meetings, and all the Burghers as far as Lower Riet River, and thence over towards the Orange River, are all of one mind, further to confirm their adherence to the Government and their obedience to the Laws, as our Governor has been so merciful as to release us from oppression; and we are already convinced of his fatherly help. We also pray for our Governor that he may continue to be strengthened in wisdom by our God, through Jesus Christ.

Sir, do have the goodness to send me more of the proclamations of the 8th March, and also of the 29th March. I am greatly in want of them, so pray send them by the bearer. And we also request you will write us back how Mr. Rex found matters with Pretorius and the people in that part of the country. We remain, your obedient servants, in the name of the whole of my field-cornetcy and all in this part of the country,

(Signed) **JAN HENDK. CLOETE,**
Field-cornet.

[A true Translation,
F. Rex, Sworn Translator.

Extracts of a Letter from Major WARDEN, British Resident at Bloem-fontein, to His Excellency Sir H. G. SMITH, Bart., G.C.B., Her Majesty's High Commissioner, dated Bloem-fontein, April 24th, 1848.

"The Emigrants beyond Modder River, in larger numbers, now appear to be more alive to their own interests; and Your Excellency's Manifesto has done much towards cooling the zeal of the turbulent party in the bad cause they were bent upon."

"I learn that the memorial lately forwarded to Your Excellency by Mr. Wm. Jacobs, contained the names of 71 Emigrants, who were desirous to withdraw their signatures immediately the fraud practised on them by Mr. Pretorius and others was discovered, but the memorial was then in the hands of Mr. Jacobs, and any retraction could not be allowed."

"I now beg to convey to Your Excellency my firm belief, that on the arrival of the Magistrates for Winberg and the Caledon River, everything will go on well."

THE CAPE OF GOOD HOPE Government Gazette.

Published by Authority.

THURSDAY, JUNE 1, 1848.

Government House, Cape Town,
 16th May 1848.

WITH reference to the Manifesto issued by Her Majesty's High Commissioner, on the 29th of March 1848, addressed to those of the Emigrant Burghers who had been represented to His Excellency, to be wavering in their allegiance from the efforts of evil-disposed persons, engaged in perverting and misrepresenting to them the Proclamations of the 3rd and 10th of February, and 8th March.—His Excellency considers it an act of justice to those Emigrants to publish the following extracts and documents, (from amongst several others of the same scope and tendency) which, while they have afforded him the highest personal satisfaction as proofs that a paternal Government is appreciated by those who from unhappy circumstances have been so long left to struggle for themselves in the midst of anarchy and confusion, at the same time completely vindicate the characters and loyalty to Her Majesty the Queen, of the Emigrant Farmers, from the misrepresentations of interested and unprincipled agitators.

His Excellency has heartfelt gratification in now publicly relieving the Burghers as a body, from the aspersions attempted to be cast upon them, and in showing that the trust and confidence frankly and unhesitatingly reposed in them, upon their own assurances to himself in person, were not misplaced; and thus do loyalty and the true feelings of a Christian triumph over wicked endeavours to mislead good men.

By Command of His Excellency
 the High Commissioner,
 (Signed) **RICHARD SOUTHEY,**
 Secretary.

District of Caledon, 21st April 1848.
 To His Excellency Lieut. General Sir H. G. SMITH, Bart., Governor of the Colony of the Cape of Good Hope, and Her Majesty's High Commissioner for settling the Affairs in the Territory on the N. and N. E. Boundary of the Colony, &c. &c.

We, the Undersigned, Emigrants, residing in the District of Caledon, beg leave hereby to present to your Excellency our sincere congratulation on your safe arrival at Cape Town, the Seat of your Government, after the great difficulties and privations which Your Excellency has endured for us.—We also beg to tender to Your Excellency our gratitude for the wise and lenient measures you have adopted, whilst we are obliged to confess our unworthiness.

We assure Your Excellency of our hearty thankfulness, and our unfeigned Allegiance and Attachment to Her Gracious Majesty the Queen.

In your Excellency's Proclamation we find no part, which, in our opinion, can be improved upon.

That a merciful Providence may long spare Your Excellency to reap the fruits of your wise and just Government, is the Prayer of

Your Excellency's most humble
 and grateful Servants,
 (Signed by J. T. SNYMAN, Commandant,
 181 others,—for which see the Dutch.

Nooi: Gedacht, 24th April 1848.

Sir,—I have to acquaint you, that I have lately held six meetings in the District of Caledon, by order of Government, for the purpose of reading certain Proclamations, and to ascertain the feelings of the people.—I am directed by about 200 persons residing in this District to acquaint you, that they are very well satisfied and grateful for the lenient measures of the Government, and that they will henceforth evince unfeigned allegiance and attachment to Her Majesty the Queen.

And those who have been among your community, let you know, that they have been misled and deceived, and totally withdraw themselves from your community.

I have the honor to be,
 Your obedient Servant,
 (Signed) **JACS, THEODS. SNYMAN.**

To Mr. A. W. J. PRETORIUS.

This was also the expression of all in this part, that they are fully convinced, that the Governor H. W. SMITH had delivered them from all nations, and from being driven away, or taxes put upon their dwellings, in this part of the country which they now inhabit, called Boven Riet River and Slik Spruit, and a branch on and over Caledon's Rivier, both notwithstanding to the Government, never to meddle with the community, but to live quiet and peaceably under a civilised Government.

This was the expression of the people in this territory made to me.

I remain, with esteem,
 your friend and servant,
 (Signed) **J. T. SNYMAN.**

Spits Kop, 28th April, 1848.

To Major WARDEN, Bloem Fontein.

Sir,—I have to inform you, that since I last wrote to you, I have held three meetings, and all the Burghers as far as Lower Riet River, and thence over towards the Orange River, are all of one mind, further to confirm their adherence to the Government and their obedience to the Laws, as our Governor has been so merciful as to release us from oppression; and we are already convinced of his fatherly assistance, as we are already convinced of his fatherly help. We also pray for our Governor that he may continue to be strengthened in wisdom by our God, through Jesus Christ.

Sir, do have the goodness to send me more of the proclamations of the 8th March, and also of the 29th March. I am greatly in want of them, so pray send them by the bearer. And we also request you will write us back how Mr. Rex found matters with Pretorius and the people in that part of the country. We remain, your obedient servants, in the name of the whole of my field-cornetcy and all in this part of the country,

(Signed) **JAN HENDK. CLOETE,**
 Field-cornet.

[A true Translation,
 F. REX, Sworn Translator.

Extracts of a Letter from Major WARDEN, British Resident at Bloem-fontein, to His Excellency Sir H. G. SMITH, Bart., G.C.B., Her Majesty's High Commissioner, dated Bloem-fontein, April 24th, 1848.

"The Emigrants beyond Modder River, in larger numbers, now appear to be more alive to their own interests; and Your Excellency's Manifesto has done much towards cooling the zeal of the turbulent party in the bad cause they were bent upon."

"I learn that the memorial lately forwarded to Your Excellency by Mr. Wm. Jacobs, contained the names of 71 Emigrants, who were desirous to withdraw their signatures immediately the fraud practised on them by Mr. Pretorius and others was discovered, but the memorial was then in the hands of Mr. Jacobs, and any retraction could not be allowed."

"I now beg to convey to Your Excellency my firm belief, that on the arrival of the Magistrates for Winberg and the Caledon River, everything will go on well."

Tenderers for distances exceeding two hours are recommended to provide for two sets of horses for such distances, otherwise it will be difficult for them, with one set of horses for the whole distance, to convey the Mail within the time specified. Should Contractors desire to erect stabling for their horses at places on the line of road where buildings for such a purpose cannot otherwise be obtained, they will be permitted to do so on Government land, or on out-span places, and their buildings will be purchased from them by the Government, at a valuation, whenever their Contracts cease—and if Contractors on private property—the Government will, in like manner, purchase them if the proprietor of the land will give his consent.

For any detention of the Mail beyond the time above specified for the distances allowed, the Contractor shall forfeit according to the following scale.

GOVERNMENT NOTICE.

Colonial Office, Cape Town,
24th May, 1848.

HIS Excellency the Administrator of the Government has directed the publication of the following Minute, for general information.

By Command of His Excellency the
Administrator of the Government,
(Signed) **JOHN MONTAGU,**
Secretary to Government.

LAND SETTLEMENT AT NATAL. MINUTE.

Government House, Cape Town,
24th May 1848.

I have read, and attentively considered, the several Documents lately received from His Honor the Lieutenant Governor of Natal, relative to certain impediments which have presented themselves in the carrying out of the objects and provisions of the Proclamation of the 10th of February 1848.

After weighing the many and, in some respects, conflicting considerations which are indissolubly connected with the subject of Land Claims at Natal,—I have come to certain conclusions, which I shall now proceed to state, and which, being elucidative of the Proclamation of the 10th February, are to be regarded as instructions for the guidance of the Land Commission therein appointed.

1. Whilst the primary and proper object contemplated by the appointment of the Land Commission was to promote the peopling, and consequent prosperity of the District, by settling on farms within it, Emigrants sojourning beyond its limits, in discontent and discomfort,—I, at the same time, approve of the course (which seems to have been adopted) of submitting all land claims, without distinction, for the recommendation of the Board. The Land Commission will, therefore, continue to receive such claims and applications as shall be addressed to them, whether by persons claiming registered farms or those claiming farms not registered, and whether by persons who have come into the District under my Proclamation or persons who were resident previously to the issuing of that instrument. By thus passing all land claims through the hands of the Board, all chance of confusion of claims or inconsistent arrangements will be excluded.

2. Being satisfied that the twelve months' occupation test prescribed by the Proclamation of the 12th of May 1843, and by the application of which the claimants were originally divided into two classes, No. 1 and No. 2, was a test but ill adapted, in most instances, for the ascertaining of real merits and well grounded claims,—I now authorize the Board to make no distinction (unless where special circumstances shall, in any special case, seem to render a distinction just and fitting,) between original claimants in class No. 1 and original claimants in class No. 2. An original claimant in class No. 2, registered for a farm, may receive a farm of the same extent as a claimant registered for a farm in class No. 1. And original claimants registered in class No. 2, for more than one farm, shall have their claims to them considered upon the same principles as if they had been so registered in class No. 1. But all claimants in class No. 2, in whose favor the old arrangement is thus relaxed will, in case they receive a full farm of 3,000 morgen, (instead of one of 1,000 morgen,) be liable to such reasonable restrictions upon selling and quitting the District as are in the 5th clause of this Minute mentioned. Heirs of original claimants, and purchasers, or other parties, deriving from original claimants in class No. 2, shall be considered as clothed with the rights of those whom they represent, and shall receive the grants which the original claimants, but for death or alienation, would have themselves received. But while this principle of liberal and just equality is to be the general rule, the Board will not view it as requiring them to recommend, in regard to lands adjacent to the coast, (where the lands are comparatively unsuitable for grazing purposes, but very fit for agriculture) any original claimant in class No. 2, or purchaser from any such original claimant, for a farm of greater extent than 1,500 morgen, or 3,000 acres. It is not, however, intended to restrict any purchaser from or out of class No. 2, any more than a purchaser from or out of class No. 1, who may have acquired a plurality of claims, in regard to the number of farms which he shall receive. In this respect both classes are to be dealt with alike.

3. Subject to the rights of claimants in classes No. 1 and No. 2, Emigrants not included in either class, but for whom particular farms have been registered in the books of the former

Volksraad, which farms, owing to circumstances beyond the control of the claimants, were not inspected, are to be recognized as claimants for grants of the same nature and extent as if they were claimants belonging to class No. 2; and purchasers and others duly deriving under them, are to be treated as if they themselves were such original Emigrants. To prevent, however, persons who have left, and purpose to continue absent from the district, from selling the right now bestowed, either while so absent, or when within the district merely upon a visit, no claimant under this section will be empowered to convey any interest whatever to a purchaser from him, unless such sale shall be effected within the limits of the district and with the approval of the Land Commissioners. All persons receiving grants under this clause will, of course, be subject to the restrictions, in regard to alienation and removal from the district, which have been already referred to, and are hereafter set forth.

4. Besides the several kinds of claimants who have been already described, and the late occupants on the Klip River, (for whom the Proclamation of the 10th of February has explicitly provided) the Commissioners will be authorised to recommend the grant of one farm of 3,000 morgen, beyond the Tugela River, to each Emigrant subject from the Drakensberg or the Country beyond,—or who may, though in the District of Natal, be unprovided with a farm, and who desires to settle and occupy. Emigrant subjects who were once registered, but who parted with their titles and are now without any farm, may also be settled on a farm beyond the Tugela, without purchase or payment. If any such late registered claimant shall be prepared to pay into the District Treasury such an amount, (not exceeding the sum or value for which he parted with his former registered right, as the Commissioners shall fix,) the Commissioners will be authorised to recommend him for a farm in such other part of the District as he may, with the approbation of the Board, prefer and elect. And all grants made under this clause will contain the condition respecting non-alienation, which is next set forth.

5. I do not contemplate the likelihood that any considerable number of the Emigrants whom I have testified, and am anxious still further to testify, my anxiety to benefit, would seek to pervert the object and intention of my Proclamation to improper purposes,—and solicit farms merely to sell them and remove. It is just and right, however, that provision should be made to thwart any such unfair attempts, if made,—but so, at the same time, as to leave it in the discretion of the Lieutenant Governor to authorize a relaxation of the restrictions which it is expedient to impose. All grants, therefore, of farms exceeding 1000 morgen, made to original claimants in class No. 2, or persons deriving under original claimants,—and all grants made to such claimants as are described in clauses 3 and 4 of this Minute, will contain a stipulation to the effect that the grantee and his heirs shall not, for a term of seven years, sell or let to hire the farm granted, either wholly or in part, without the previous consent of the Lieutenant Governor, (who will judge, according to circumstances, whether such consent should be given,) and that any breach of the stipulations shall entitle the Government to resume the farm. And inasmuch as the above provision could be easily evaded by judicial sales, it will be further provided in every such grant that the land shall not, for seven years, be executable under any judgment or decree of Court, but that, instead of being sold in execution, it shall be resumable, at the option of the Government, upon payment to or for the creditor, of the value of the buildings erected and improvements made by the grantee, such value to be fixed by a fair appraisement.

6. Any individual who would, under any of the provisions of this Minute, be entitled to expect a grant of a coast, or agricultural, farm, limited to 1500 morgen, may, if he should prefer it, obtain in exchange a farm of 3000 morgen, situated in such other part of the district as he may, with the approbation of the Board, fix upon and elect.

7. In every case in which the Land Commission shall, in carrying out the objects of the Proclamation of the 10th February, or this Minute, recommend any grant, the Lieutenant Governor will consider himself as fully authorized by me to act upon their recommendation.

8. It is to be always borne in mind that my Proclamation of the 10th of February, this Minute, and the Land Commission,—being calculated and intended to meet a temporary exigency,—will continue in force no longer than the term of twelve months originally mentioned, and that the present plan of settling a permanent, peaceable, and prosperous population in the Natal District, will expire on the 10th of February 1849.

(Signed) **H. G. SMITH.**

RATES OF PREMIUM.—The Rates of Premium
 have been calculated and prepared from data, the cor-
 rectness of which has been tested and confirmed by their
 adoption and success in flourishing and distinguished
 offices; and the Directors trust that their earnest desire
 to offer the most moderate scale of charges, consistent
 with their duty and solicitude to provide, beyond doubt,
 for the safety of the Assured, and of every one connect-
 ed with the Corporation, has been accomplished.

The following is the TABLE of the Rates of Premium
 payable annually, half-yearly, or quarterly, for
 assuring the life of a healthy person for the whole
 term thereof, in the sum of £100,

 not materially tend to shorten life, the Directors afford

The Premiums are payable yearly in advance; or, at the option of the Assured, half-yearly, with a slight increase of the rate.

The Capital and Profits of this Institution are the ENTIRE PROPERTY of the holders of Policies of Insurance.

The Profits will be divided amongst the holders of Policies, at the termination of every period of THREE YEARS, after the year 1850, when the first distribution will take place; and each holder may determine that his Share shall be added to the sum assured by him;—or converted into a present payment;—or applied in reduction of the future annual premiums payable by him.

The pecuniary advantages, therefore, are the greatest that can be secured to Policy-holders in any Institution of this nature.

Any Person whose Life is assured, and who has paid Five Annual Premiums, may proceed direct to any part of this Colony, and to any dependency thereof;—and to any part of Europe in time of peace, at his pleasure.

Any Person whose Life is assured may proceed direct to any part of this Colony, and to any dependency thereof by sea and by land, at his pleasure.

For those who have not paid Five Annual Premiums, a Licence from the Board of Directors, but no additional Premium, is required when they proceed beyond the limits of this Colony and the dependencies thereof.

No Institution of this nature, it will therefore be seen, can reasonably consult the convenience of the assured to a greater extent.

By comparing the Rates or Scale of Premiums, the Public will perceive that those adopted by this Society are lower than those adopted by any respectable and safe Companies, in which, of course, a proper return for paid-up Capital, for risks, with profit to the Shareholders, must be provided for, as well as the benefit of the Assured or Policy-holders.

In this Society the Members and Policy-holders being the only Shareholders, receive back directly whatever excess of Rate the Tables may still retain. Every error, therefore, fully corrects itself;—and in this respect, also, MUTUAL ASSURANCE SOCIETIES excel all others.

The Principle and Tables of the Scottish Equitable Life Assurance Society have been adopted; and that Society in the course of only thirteen years from its commencement, after meeting all demands, sets forth, that its "NETT REALISED FUNDS amounts to £263,710 6 8."—although in Scotland the rate of interest is more than FORTY PER CENT. LOWER THAN AT THE CAPE.

JOHN FAIRBAIRN, Chairman.

SEE SUPPLEMENT.

Draft of an Ordinance,

Presented by His Excellency the Governor to the Legislative Council of the Cape of Good Hope,

For reducing the Rates of Postages.

WHEREAS by the Ordinance No. 1, 1846, entitled "Ordinance for the regulation of the Post Offices and Postage," the rates of postage previously payable in this colony were reduced, and a uniform rate established: And whereas it is expedient further to reduce the rate of postage, and also to amend in certain respects the regulations now in force regarding ship letters, and the letters of seamen and soldiers:—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that so much of the said Ordinance No. 1, 1846, as is repugnant to or inconsistent with any of the provisions of this Ordinance shall be repealed, and the same is hereby repealed accordingly.

2. And be it enacted, that the rates or duties in the 2d section of the said Ordinance mentioned, shall be abolished, and that in lieu and stead thereof, there shall be charged and paid, upon all letters transmitted by the post between places within this colony (not being letters sent to or from parts beyond the seas) according to weight only, and without reference to the distance or number of miles the same shall be conveyed, the rates or duties following, that is to say,—on every letter not exceeding half an ounce, one penny,—on every letter exceeding half an ounce, and not exceeding one ounce, two pence.

3. And be it enacted, that the provisions of the 3d section of the said Ordinance shall be abrogated, and that for every ounce which any letter shall weigh over and above the weight of one ounce, there shall be charged and taken an additional sum of two pence, and that every fraction of an ounce above the weight of one ounce, shall be charged as an additional ounce.

4. And be it enacted, that in all cases in which any inland letter shall be posted without any stamp thereon, or on the corner thereof, and without the postage being pre-paid, there shall be charged and paid on such letter double the amount of postage which would have been chargeable and payable on such letter, according to the scale of postage hereinbefore set forth, had the same been pre-paid; anything in the 10th section of that Ordinance aforesaid, to the contrary notwithstanding.

5. And be it enacted, that in lieu and stead of the duty or rate of four pence, by the 18th section of the said Ordinance, imposed upon every letter posted, to be forwarded by ship or vessel to any place beyond sea, or received by ship or vessel from any place beyond sea, in the post office of the town, or place at, or nearest to, the harbour in which such ship or vessel shall be lying,—there shall be charged and paid a duty or rate of one penny.

6. And be it enacted, that the postmasters stationed at, or nearest to, the several ports or harbours of this colony, shall respectively pay to the master of every vessel which shall receive on board letters to be conveyed to any port or place out of the colony, or to Natal, for and in respect of every letter sent on board by such postmaster, (excepting letters of seamen and soldiers, and despatches of the Governor of the colony,) the sum of one penny. And such gratuity shall be paid to the master, in person, or to any agent duly authorized, —and in case the same shall not be paid, or arranged to be paid, on shore, in some manner agreed upon between such master and the postmaster,—the said postmaster shall send the same on board, together with the letters sent by him, and shall at the same time send a receipt for the amount filled up, and ready for the signature of the said master or his chief officer on board. And in every case the amount of the gratuity, whether paid to the master or his agent on shore, or sent on board with the mail, will be marked by the postmaster upon the address of each box or packet of letters constituting the mail.

7. And be it enacted, that all owners, charterers, consignors, or agents of vessels departing from any of the ports or harbours of this Colony, and all owners and shippers of goods on board such vessels, may send their letters by such vessels, without transmitting the same through the Post Office,—but all other persons whomsoever shall transmit their letters to parts beyond the seas through the Post Office. Provided always, that all such letters as aforesaid, sent by one vessel by any one such person as aforesaid, shall not, collectively, exceed six ounces in weight, and provided that the owner, charterer, consignor, shipper, or agent shall be described as such on the address or superscription, and that in the case of shippers of goods it shall appear by the ship's manifest that they have goods on board the vessel; and if the master of any vessel shall knowingly receive from any person, other than the postmaster or some person or persons employed by him, any letters which such person shall not, under the provisions of this section, be entitled to send on board, without passing through the Post Office, such master shall forfeit any gratuity which he would otherwise have been entitled to in respect of any mail transmitted by his vessel.

8. And be it enacted that so much of the 31st section of the Ordinance aforesaid No. 1, 1846, as imposes a rate of two pence upon letters received from parts beyond the seas by any such privileged person as is in the said section mentioned, shall be repealed,—and that, in lieu and stead thereof, a rate of one penny shall be charged and payable.

9. And be it enacted, that nothing in this Ordinance contained shall extend to the district of Natal.

10. And be it enacted, that this Ordinance shall commence and take effect from and after the first day of January 1849.

Clerk of the Legislative Council.

Draft of an Ordinance,

Presented by His Excellency the Governor to the Legislative Council of the Cape of Good Hope,

To amend the Ordinance No. 49.

WHEREAS His Excellency Sir HENRY GEORGE WAKELYN SMITH, Bart., G.C.B., &c. &c., Administrator of the Government of the Settlement of the Cape of Good Hope, and Her Majesty's High Commissioner for settling and adjusting the Affairs of the Territories in Southern Africa, adjacent or contiguous to the said Settlement, did, by his Proclamation bearing date the 27th of January 1848, refer to the introduction into this Colony of Kafir Youths to be apprenticed to farmers and others, and provide rules and regulations to be observed in the apprenticing of the said Youths, together with a form of Indenture to be used in such cases: And whereas the provisions of the said Proclamation are in certain respects repugnant to or inconsistent with the provisions of the Ordinance No. 49, bearing date the 14th of July 1828, entitled "Ordinance for the admission into the Colony, under certain restrictions, of persons belonging to Tribes beyond the Frontier thereof, and for regulating the manner of their employment, as free labourers, in the service of the Colonists":—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that so much of the said Ordinance No. 49, as is repugnant to, or inconsistent with, any of the provisions of the said Proclamation, shall be repealed, and the same is hereby repealed accordingly.

2. And be it enacted, that it shall and may be lawful for all resident magistrates, and all others, to carry into effect the provisions of the said Proclamation, of which a copy is hereunto annexed, and that every indenture executed, or to be executed, under or in pursuance of the said provisions, shall be binding and effectual to all intents and purposes.

3. And be it enacted, that nothing in this Ordinance contained shall extend to the District of Natal.

4. And be it enacted, that this Ordinance shall commence and take effect from and after the promulgation thereof.

Schedule.

PROCLAMATION.

WHEREAS the introduction into this Colony (or such Districts of the same as are sufficiently removed from the Eastern Frontier thereof) of Kafir Youths, to be apprenticed to Farmers or others, would greatly tend to the promotion amongst them of christianity, civilization, and industrious habits, and, at the same time, tend in some degree to supply the want of Field and other Labor, which the Inhabitants experience: And whereas the results which have attended the system of apprenticing, with care and attention, Captured Negroes set free from slavery, have been such as to show that Kafir youths will be sure of finding humane and kind treatment, and in time be enabled to improve themselves and benefit the Colony, in a degree proportionate to their known natural capacity: And whereas, in order to secure the social advantages aforesaid, I have made, and caused to be made, to the subjugated Chiefs and People, strong representations in regard to the benefit which would accrue to their now very destitute and wholly ignorant and helpless youths, were they placed under the care and protection of the Colonial Government, in order to be apprenticed to carefully selected masters, whose duty it should be to feed, clothe, and instruct them: And whereas, I have reason to believe that a considerable number of Kafir youths of different ages will be voluntarily, and from time to time, placed in my hands, for the purpose aforesaid, whom it is my intention to send to the several Districts of this Colony, as I may, from time to time, deem suitable: And whereas it is necessary to make known the rules and regulations under which the said youths will be apprenticed:—Now, therefore, I do hereby Proclaim, Declare, and Make Known that the following Rules and Regulations shall be strictly observed:

1st. Every apprentice shall be apprenticed by an Indenture, as much as may be in the same form as the blank Indenture hereto annexed.

2. Every such Indenture shall be executed by the Resident Magistrate of the District, acting for the Apprentice, on the one part, and by the Master on the other part.

3. Every Apprentice under fifteen years of age may be apprenticed to a trade, or as a Farm or Domestic Servant, till he attain the age of Eighteen years.

4. Every Apprentice of the age of Fifteen years or upwards may be apprenticed for a term not exceeding three years.

5. Every Indenture shall be executed in duplicate;—one copy to be delivered to the Master, and the other copy to be preserved of record in the office of the Resident Magistrate, who shall make periodical returns of the contracts of every such Indenture, in such manner as he shall hereafter be directed.

And I do further proclaim, declare, and make known, that all Resident

Magistrates who shall, or may be, called upon to act in or about the apprenticing of any of the young persons aforesaid, are enjoined and expected to exercise their best and most anxious discretion in selecting from amongst the Inhabitants applying for such apprentices, fitting Masters or Mistresses, and to take steps, from time to time, to ascertain that the terms and conditions of the Indentures entered into are duly fulfilled, and generally to endeavour, as much as in them lies, to secure the well-working of the present attempt to add to the scanty supply of Colonial labour, and at the same time by reclaiming from a life of idleness, ignorance, and lawlessness, a number of the youths of British Kaffria, to contribute, together with the other measures now in progress, to the peace, good order, and gradual advancement of that important Province.

Draft of an Ordinance,

Presented by His Excellency the Governor, to the Legislative Council of the Cape of Good Hope,

For rendering legal certain Marriages supposed to be invalid.

WHEREAS His Excellency Sir HENRY GEORGE WAKELYN SMITH, Baronet, G.C.B., &c. &c. &c., Her Majesty's High Commissioner for the settling, and adjustment of the Affairs of the territories of Southern Africa, adjacent and contiguous to the Eastern and North Eastern Frontier of the Colony of the Cape of Good Hope, did, by his Proclamation, bearing date the of May 1848, of which a copy is set forth in the Schedule hereunto annexed, make provision for rendering valid and effectual certain marriages or reputed marriages in the said Proclamation described, and whereas it is

expedient that the marriages so legalized by the said High Commissioner in and for the certain Territories in the said Proclamation mentioned, (being part and parcel of Her Majesty's dominions, but not part or parcel of this Colony,) should likewise be rendered valid and effectual within this Colony: Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that all and singular the provisions of the Proclamation aforesaid, and hereunto annexed, shall, within this Colony, have the force and effect of law, and that the registration of marriages in and by the said Proclamation provided shall, for all purposes civil or criminal, have the same effect and none other, within this Colony, which, under and by virtue of the said Proclamation, it is declared or intended to have within the territories aforesaid.

2. And be it enacted, that the certificate in the 15th Section of the said Proclamation mentioned shall be good evidence of every such marriage as aforesaid, before all Courts and Magistrates in this Colony.

3. And be it enacted, that this Ordinance shall extend to the District of Natal.

4. And be it enacted, that this Ordinance shall commence and take effect as law, in those parts of the Colony, other than the District of Natal, from and after the promulgation thereof, and that the same shall commence and take effect as law within the District of Natal from and after such date as shall be appointed for the commencement and taking effect of the same by any Proclamation to be by the Lieut. Governor of the said District issued and posted upon or affixed to some public place in Pietermaritzburg.

Schedule.

PROCLAMATION.

WHEREAS I did, by a Proclamation, bearing date the 3d of February, 1848, issued by me, in my capacity as Her Majesty's High Commissioner for settling and adjusting the affairs of certain Territories adjacent to the Colony of the Cape of Good Hope, proclaim, declare, and make known the Sovereignty of her said Majesty over certain Territories North of the Great Orange River, in the said Proclamation mentioned and described: And whereas, at various times during the period for which Her Majesty's Emigrant Subjects have occupied parts or portions of the said Territories, many marriages have taken place amongst them, which, owing to the impossibility of obtaining the presence or aid of any Minister of the Gospel, and of conforming to divers requirements of law, have not, as it is supposed, been solemnized in such a manner as to render the same valid and effectual: And whereas, the said marriages were so irregularly contracted by reason solely of the necessity under which the parties lay, while deprived alike of Religious Teachers, and of regular and established Laws, and arose from no want of due reverence for the Holy Ordinance in question, or for the spiritual sanctions with which, amongst Christians, it is customarily and fitly solemnized: And whereas, taking these things into my consideration, and being desirous to confer upon Her Majesty's said Subjects the important advantage of having their children's legitimacy established, and their said Marriages legalized for all purposes of law, I have determined to exercise for that end, the powers and authorities in me vested:—Now, therefore, I do, as Her Majesty's High Commissioner as aforesaid, hereby PROCLAIM, DECLARE, and MAKE KNOWN, the several following Provisions and Regulations, touching and concerning the Marriages aforesaid; that is to say—

1st. The British Resident in the Territories aforesaid is hereby authorized and required to frame and preserve a General Register of all such Marriages as shall, under any of the Provisions hereinafter contained, be transmitted or reported to him for registration.

2d. Such General Register shall set forth or show the names and residence of the husband and of the wife; their respective ages and condition in life; the date of the Marriage, and any other particulars which the said British Resident may be instructed by the High Commissioner to record.

3d. Every couple (except as hereinafter excepted) united together within the said Territories as man and wife, in the presence of Witnesses, by any form of words expressive of their mutual and solemn consent to become and be, then and there, and from thenceforth, married people, married together, may have their said marriage registered. But no marriage, or pretended marriage, shall be registered, in which the parties are connected with each other by consanguinity or affinity in such a degree that the Governor of the Colony of the Cape could not by law have granted to them, if resident in the said Colony, a valid dispensation or authority to marry, and that no valid marriage could, by the laws of the said Colony, be therein solemnized between them, if domiciled in the said Colony; and if any marriage, or pretended marriage, hereby declared, incapable of registration, shall yet be registered, such registration shall have or possess no force or effect. But no ground of objection arising from consanguinity or affinity which could in the said Colony have been dispensed with, by the authority of the said Governor, shall prevent registration, or its consequences, as hereinafter declared.

4th. Whenever any two spouses, married as aforesaid, shall together come before the British Resident, or any Magistrate resident in the said Territories, and shall declare the fact of such marriage, the Resident or Magistrate (as the case may be) shall ascertain, and record in writing, the names of the said Spouses, their residence, the date and place of their said marriage, and their respective conditions in life at the time of such marriage, whether they were previously married or not; and such record shall be signed or acknowledged by the said Spouses, in presence of the Resident or Magistrate. When any doubt shall appear to rest upon the fact or date of the alleged marriage, the Resident or Magistrate may call for the certificate in writing, or the solemn declaration before himself of such credible witness or witnesses as were present at, or cognizant of, the said marriage. But when, and as often as, any such marriage shall have been contracted before, and attested by, any person or persons recognized at the time amongst Her Majesty's Emigrant Subjects as holding a public office or authority, entitling him or them to attest marriage, any such attestation or a copy thereof shall, upon the identity of the married people being ascertained, be conclusive proof of the fact and date of the said marriage.

5th. In case it shall be inconvenient for both spouses to repair to the said Resident, or to any Magistrate, the latter may ascertain from the husband alone the circumstances aforesaid, and from them prepare the record. But when the husband shall appear alone, he will provide himself with a written certificate or statement, signed by the wife, or acknowledged by her in the presence of two neighbours, who shall witness the same, in which certificate or statement the wife shall set forth the date of the marriage between herself and her husband. And this certificate or statement shall be preserved, together with the record signed by the husband. In case of any doubt as to the fact or date of the marriage, the Resident or Magistrate shall proceed as before, in order to remove the same.

6th. Should either of the Spouses have departed this life, since contracting any such marriage as aforesaid, leaving the other of them still surviving, such survivor may appear before the British Resident or any Magistrate as aforesaid, and thereupon the record shall be prepared as if both spouses were living and present; except that the signature of the survivor alone shall be sufficient, and that the record shall set forth the death of the deceased. In every such case, moreover, the Resident or Magistrate shall require clear evidence, whether oral or by certificate or affidavit, as he shall judge necessary, of the fact and date of the marriage, and shall, when it is practicable, ascertain that the relatives or friends of the deceased concur in recognizing the said marriage.

7th. Should it happen, in any instance in which any such marriage shall have been contracted before, and attested by, any such persons in office or authority as are hereinbefore referred to, that either of the spouses shall refuse to join the other of them in obtaining the registration of the said marriage, then the spouse desiring such registration shall be at liberty to appear before the Resident or Magistrate, who shall, upon proof of such refusal, and production of such attestation as aforesaid, or an authentic copy thereof, and upon such further inquiry or proof, if any, as the said Resident or Magistrate shall judge necessary, prepare the necessary record, to which the signature of the spouse applying shall be sufficient, and which shall set forth the refusal of the other spouse.

8th. It shall not be any ground for refusing to prepare a record of, or to register any marriage, that both or either of the parties to the same, at the time of contracting the same, were under age.

9th. When, and as often as, any such Magistrate as aforesaid shall have prepared any such record as aforesaid, he shall, with all convenient speed, transmit the same, with all other writings or papers connected therewith, to the British Resident, who shall register every such marriage; and in all cases in which the necessary records shall be prepared by such Resident himself, he shall, from or by means of them, register the marriage therein mentioned.

10th. Every such marriage as aforesaid, when registered by the British Resident, shall, from and after such registration, be a marriage as lawful for all objects and purposes as a lawful marriage within the Colony of the Cape of Good Hope, and shall for all purposes and objects of a civil nature be deemed and taken to have been a lawful marriage from and after the date of the contracting of the same; but whether the same shall, from the date last mentioned, be deemed and taken to have been a lawful marriage for the purpose of a prosecution for bigamy or polygamy, in case either party shall afterwards, during the life-time of the other party, have contracted another marriage, shall be judged of and determined by the general principles of law, and independently of any of the provisions of this Proclamation.

11th. And whereas, some Ministers of the Dutch Reformed Church of the Cape Colony have heretofore proceeded to the said Territories, for the purpose of performing therein, as generally as circumstances would permit, the rites and services of religion: And whereas, certain of the Emigrant Subjects aforesaid have, from time to time, been married by such Ministers, as also by the officiating Minister in the Dutch Reformed Church at Pietermaritzburg, in the District of Natal: And whereas, there is reason to suppose that in all cases in which any such Minister as aforesaid shall have solemnized any marriage between parties who had previously lived together as man and wife, by virtue of any such irregular marriage as is hereinbefore mentioned, the said Minister has recorded as well the fact and date of such previous marriage as the marriage solemnized by himself: And whereas, it is fit that full credit be given to all matters so vouched, it is hereby declared and directed that the British Resident shall receive all original marriage records made by any such minister, or authentic copies thereof, as evidence of the facts therein contained, and shall from or by means of them register the marriages therein mentioned, without requiring the presence of either spouse, or any further proof; and that from and after such registration every such marriage shall be deemed and taken to have been a lawful marriage, to all intents and purposes, from the date of the solemnization thereof by such minister, and to have been for all purposes of a civil nature a lawful marriage, from the date mentioned in the marriage record made by such minister, as that on which the first or previous marriage (if any) was contracted. But if, in any case, the fact or date of such previous marriage shall not appear in or by such marriage record, then the spouses or spouse desiring the registration of such first or previous marriage shall proceed in the same manner as is in that or the like behalf hereinbefore provided; but in every case, the marriage solemnized by such minister shall, after the registration thereof, be deemed to be a lawful marriage, to all intents and purposes, from the date of such solemnization.

12th. And whereas it is necessary to make temporary provision for the contracting of marriages within the territory aforesaid, pending the opening of churches and the settlement of fixed ministers within the same, it is hereby declared and directed that all persons who shall hereafter be married by any minister belonging to the Dutch Reformed Church of the Cape Colony, or person commissioned by the same to solemnize marriages within the said territories, shall be deemed and taken to be lawfully married; and such marriage shall be registered by the British Resident aforesaid, from or by means of the marriage records of such minister or person, and no publication of banns shall be necessary.

13th. If it shall so happen that any persons desirous to marry shall be unable to obtain the services of a minister, from whom their marriage might receive the solemn and becoming sanctions of religion, such persons may apply to, and come before, the said British Resident, or to the nearest Magistrate, and each of them shall, in his presence, solemnly declare that they know of no impediment to their marriage, and that they desire him to witness that they take each other respectively to be husband and wife; and thereupon a record of the said marriage shall be prepared, and the same shall be duly registered; and every such marriage shall be deemed to be as valid and effectual, and of the same force and obligation, as a lawful marriage solemnized within the Cape Colony.

14th. If both or either of the intended spouses be under age, the Resident or Magistrate (as the case may be) shall, before permitting the marriage (unless in the case of a widow or widower) require proof of the consent of the parents or guardians, unless it shall be made to appear to him that there are none such living, or that they, without sufficient reason, refuse consent, or that, owing to distance or other causes, such consent could not possibly, or without much inconvenience, be obtained. But no marriage, once permitted and recorded, shall be impeached upon the ground that both or either of the spouses, being under age, were or was married without consent of parents or guardians.

15th. A certificate, signed by the British Resident, or Officer acting as

such, stating the registered particulars of any marriage registered by him, or in his office, in pursuance of this Proclamation, shall be good evidence of such marriage before all Courts and Magistrates.

And, lastly, I do hereby PROCLAIM, DECLARE, and MAKE KNOWN, that while, in my earnest desire to consult, as much as in me lies, the interests and feelings of all Her Majesty's subjects in the Territories aforesaid, and those of their wives and children, I have determined to take all measures necessary for establishing their marriages aforesaid beyond dispute or controversy; nothing in this Proclamation contained is to be construed so as to render invalid any marriage, contracted in the said Territories, and not registered under this Proclamation, which marriage would otherwise by law, be regarded as valid;—it being my wish and intention not now to decide that any sort or description of marriage is illegal, but to furnish an easy and convenient mode by which certain marriages, now supposed to be illegal, may have their legality placed beyond doubt.

W. HOPE,

Clerk of the Legislative Council.

(2nd Reading on Friday 23rd June.)

Draft of an Ordinance,

Presented by His Excellency the Governor, to the Legislative Council of the Cape of Good Hope,

For enabling Resident Magistrates to exercise, in regard to disputed rights of water, certain powers formerly exercised by Landdrost and Heemraaden.

WHEREAS, in times of drought, disputes not unfrequently arise between farmers and others respecting the enjoyment of the water running through and over their respective properties; and whereas, before the abolition of the Boards of Landdrost and Heemraaden, such disputes were cognizable by such Boards, which were accustomed to settle and arrange the same speedily, and at small expense. And whereas, since the abolition of the said Boards on the 31st of December, 1827, no local court or functionary has had any jurisdiction or authority touching or concerning such disputes, which could alone be entertained by the Supreme Court of the colony or by some Circuit Court: And whereas recourse, in the first instance, to either of such courts, is necessarily attended with delay in a class of cases in which a speedy remedy is particularly important,—while the expense of resorting to the same is often disproportioned to the injury complained of, whereby wrong-doers, calculating upon probable impunity, are emboldened to deprive their neighbours of their just rights: And whereas by the Ordinance No. 77, bearing date the 30th of October 1830, and entitled "Ordinance for the better defining and fixing the duties and functions of the Civil Commissioners of this colony,"—all such duties as were formerly performed by the Landdrosts of the same districts, and which had not, by any other ordinances been appointed to be performed by the Resident Magistrates, or any other officers, were directed to be performed by such Civil Commissioners: And whereas no law or ordinance has yet bestowed upon such Civil Commissioners, or any other officers, the powers, or any of them, which were formerly exercised by the Board of Landdrost and Heemraaden: And whereas it will be expedient, in regard to disputes and questions about water, to bestow the jurisdiction and authority hereinafter mentioned, upon the Resident Magistrates, rather than upon the Civil Commissioners,—the same being of a judicial nature.—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that anything in the Royal Letters Patent, granted by his late Majesty King William the Fourth, bearing date at Westminster, the 4th of May, in the second year of his reign,—and commonly called the Charter of Justice,—or in the Ordinance No. 33, bearing date the 19th of December, 1827, entitled "Ordinance for creating Resident Magistrates and Clerks of the Peace in certain districts and places in this colony,"—or in any other law or ordinance heretofore in force in this colony,—which shall be repugnant to, or inconsistent with, any of the provisions of this ordinance, shall be repealed,—and the same is hereby repealed accordingly.

2. And be it enacted, that the respective Courts of Resident Magistrate shall possess and exercise, in regard to all complaints and disputes arising within their respective districts, relative to the wrongful diversion or appropriation of water or injury to, or obstructions in, water courses, the same powers, jurisdiction, and authority, which the former Board of Landdrost and Heemraaden of the same district, or of any district which embraced the territory now constituting the district of the Resident Magistrate, together with other territory, possessed and exercised in like cases. Provided always, that nothing herein contained shall be construed so as to confer upon any Resident Magistrate the right or power to frame or enforce any new distribution of any stream or supply of water, or to alter rights to water as subsisting at the time of the commencement and taking effect of this Ordinance. But in regard to the vindication of all subsisting rights, whether arising from regulations duly made by any former Board of Landdrost and Heemraaden, or from contract, condition, prescription, or other legal source or origin, the Resident Magistrate shall adjudge and determine in like manner as Landdrost and Heemraaden might, if now in existence, have lawfully adjudged and determined. Provided, however, that except in a case in which, by some written record, act, or instrument, preserved of record, and having the force of law, some greater sum is fixed by way of damages or penalty for the act complained of, and proved before such Magistrate, such Magistrate, acting under the provisions of this Ordinance, shall not be authorized, in any civil case, to award any damages, or, in any criminal case, to impose any fine, exceeding the sums to which his general jurisdiction in civil and criminal cases, respectively, is limited.

3. And be it enacted, that in adjudicating upon all such cases and questions as aforesaid, the Resident Magistrate shall proceed according to the rules and regulations in force for the time being in regard to the

Courts of Resident Magistrate,—and every judgment or sentence of any such Magistrate shall be liable to be brought in appeal or review before the Supreme or any competent Circuit Court, in manner and form as shall by such rules and regulations be, in that behalf, provided. And the said Supreme or Circuit Court may reverse or alter the judgment of the said Magistrate, in such manner as justice shall require; in case the record of the Resident Magistrate shall not appear to such Court to furnish sufficient evidence or information for the due determination of the case, remit the same to the Resident Magistrate with instructions in regard to the taking or setting out of further evidence or information; or such Supreme or Circuit Court may order the parties, or either of them, to produce, at some convenient time, in such Court, such further proof as shall seem necessary or desirable; or such Court may take such other course as shall seem to tend to the most speedy, and the least expensive, settlement of the case.

4. And be it enacted that nothing in this Ordinance contained shall be deemed or taken to impair the rights of Her Majesty the Queen, in regard to rivers, streams, or water-courses,—or to prevent her from regulating the same in any manner in which she might, before the passing of this Ordinance, lawfully have regulated the same, by virtue of Her Royal Prerogative or any powers or authorities in that behalf, expressly or by implication, reserved to or vested in Her said Majesty.

5. And be it enacted, that nothing in this Ordinance contained shall extend to the district of Natal.

6. And be it enacted, that this Ordinance shall commence and take effect from and after the promulgation thereof.

WM. HOPE,
Clerk of the Legislative Council.

6. It shall be the duty of the Commissioners, or of any of them, or of any other person specially appointed by them for that purpose, from time to time, to visit the shops of the several Bakers or Venders of Bread, in order to ascertain that the quality of bread be according to the aforesaid regulations; and it shall be lawful for the Commissioners, or for any of them, or for any other person specially appointed by them for that purpose, as aforesaid, whenever any Licensed Baker or Vender of Bread shall be found to have in his shop, or to vend bad or unwholesome bread or flour, to seize the same; and every such Licensed Baker or Vender of Bread or Flour shall, for every offence, be liable, upon conviction of having bad or unwholesome bread or flour, to a penalty not exceeding the sum of £5; and all bread and flour so seized shall be confiscated.

REPORT OF THE COMMITTEE OF THE COMMERCIAL EXCHANGE.

The Committee for the past year adverted at some length in their Report to the proceedings which had then taken place for the construction of a Breakwater in Table Bay, and observed that Her Majesty's Government had, at that time, been induced by circumstances to delay the undertaking. But as it was subsequently understood that the Home Government were favourable to some such improvement being made, the Committee addressed a memorial to His Excellency the Governor, and Council, praying that no unnecessary delay might ensue, and they afterwards lent their assistance to the Collector of Customs in framing a schedule of wharfage rates which should yield a surplus in aid of the expenditure.

In September 1847, the Civil Engineer, in obedience to the commands of the Right Hon. the Governor, submitted a plan and estimate for improving the Harbour of Table Bay by the erection of a sea-wall along its margin, with a Jetty, which, when the Trunk is removed, will continue to the Heerengracht, in an unobstructed line, 850 feet sea-ward.

This Jetty, in the opinion of the Engineer, will not only enable boats, but vessels drawing 10 and 11 feet of water, and steamers, to lie alongside in fine weather.

The space which would thus be reclaimed for the town, would be about 22 acres, forming valuable building sites, and on which it is proposed a handsome Custom House should be erected; while it is computed that the greater part of the expense of these important works would be defrayed by the sale of land thus added to this very populous neighbourhood, where the whole import and export trade of the port would be concentrated.

The correspondence on this subject, with the plan and estimate, were transmitted by Government to the Commissioners of the Cape Town Municipality and the Commercial Exchange for the information of those bodies, with a request that they would confer thereon, and communicate to the Right Hon. the Governor any suggestions they might have to offer with regard to the arrangement of the projected streets and approaches, and the probable value of the ground to be recovered.

It will be in the recollection of most of the gentlemen present, that the Committee convened a special meeting of the members of the Exchange, on the 20th October last, to lay this subject before them, when they unanimously expressed their hearty approval of the plan, and their desire that the works should be commenced without delay.

From a communication received from the Hon'ble the Secretary to Government in November last, the Committee learned with much pleasure that it was intended to proceed immediately in carrying the plan into execution, but the lamented illness of Colonel Mitchel, the Civil Engineer, again retarded the proceedings.

The Committee, however, have the satisfaction to report, that they are informed His Excellency Sir Harry Smith has strongly recommended the Home Government to send out, immediately, an eminent engineer to direct and superintend the undertaking, whose arrival, it may be hoped, will take place by the close of the present year.

The Port Captain of Table Bay and the late Harbour Master at Algoa Bay have both made official reports to Government, in the course of the last year, regarding the ground tackle of vessels arriving in these ports, and they concurred in opinion that it was "highly necessary that Lloyd's should be made acquainted with the very many glaring instances of vessels having been lost in the ports of this Colony for want of efficient ground tackle."

The Attorney General is preparing the Draft of an Ordinance for the regulation of weights and measures, on which subject he conferred with our Committee; when they suggested that the English cloth and liquid measure should be exclusively adopted throughout the colony, that a standard scheppel measure should be deposited with the Municipality, that the land measure remain unchanged, and that like regulations should be extended to Natal.

The imports of last year (exclusive £402,000 of specie imported by the Commissariat) exceed those of the preceding year by £286,280 15 10, but the exports have decreased £46,457 18 6.

The details of these figures are exhibited in the tabular statements appended to this Report.

The quantity of wool exported, on a comparison of the two years, is as follows:—

Year ending 5th Jan. 1848, 3,719,037, value £191,391
" " " 1847, 3,271,188, " £178,011

Increase,..... 447,909, £13,380
which is about 13 per cent. on the quantity, but only 7½ on the value, while last year the increase was about 2 per cent. on the quantity and ½ on the value.

Hides have increased this year in number by 14,058, but they show a decrease in the value to the amount of £4,167.

The number of shipping which have been entered inwards in this year is 44 vessels, 1,481 tons less than in the last.

The prospect which has, at length, been opened up of permanent peace with the native tribes beyond the recent border, promises, from the basis on which it has been adjusted, a beneficial influence on our Colonial trade and Agriculture; and which cannot fail of being further benefited by the measures, still in active operation, for facilitating communication between all parts of the Colony by the construction of Roads and Bridges, and the opening of Mountain Passes. It may therefore be confidently expected that the period is not very distant, when no extraordinary interruption to the natural course of events ensue, when the Colony will not only recover from the wanton destruction of property and the disastrous interruption to its internal commerce and agriculture, which the late unprovoked war occasioned, but that these great branches of its industrial prosperity will be progressively extended.

By order of the Committee,
R. W. EATON, Secretary.
Commercial Exchange, 30th May 1848.

16.—Doornhoek,	4381	Do.

90,768 Morgen.

It is worthy of remark and may be stated, that in the District of Beaufort, where these Farms are situated, occasional droughts are experienced, during the continuance of which many of the best Places are of comparatively little value; while, on the other hand, after seasonable rains, water is plentiful, and the Pastures become so rich, luxuriant, and abundant, that few, if any, of the present Farmers of the District have stock sufficient to consume it, which proves that the Places are too large, and the Farmers too few in number; and generally the Undersigned ventures an opinion that for all practical purposes, one-third Part or Share of most of the above Farms is very little inferior in real value to the whole; and Purchasers of Thirds secure another important advantage, for two-thirds less capital, in an extensive range of various kinds of pasture over a wide extent of Country, which is a matter of no little importance and value, well known to the experienced South African Stock Farmer.—Application can also be made in Cape Town to the Undersigned.

TERMS OF PAYMENT made easy, and to suit the convenience of Purchasers.

Het is aanmerkenwaard, en kan vermeld worden dat in het District Beaufort waarin deze Plaatsen gel. gen. zyn somtyds droogten worden ondervonden gedurende het a. houden van welken velen de beste Plaatsen in vergelyking van geene waarde zyn; terwyl aan de andere zyde na voor. deelze regens het wat. r. overvloedig is, en de Weide zoo vet en weelderig, dat weinig of geen Boeren tegenwoordig Vee genoeg hebben om het af te weiden, hetwelk byna bewyst dat de Plaatsen te groot zyn, en de Boeren te weinig in getal, en in het algemeen durft de Ondergeteekende het als zyn gevoelen geven, dat voor alle praktische einden, Eenderde Deel of Aandeel van bovengenoemde Plaatsen wein. minder in wezenlyke waarde is dan het geheel, en Koopers van Derden hebben een ander belangryk voordeel van Tice. deden minder kapitaal te behoeven, in het verzekeren van een uitgebreid gebruik van onderscheiden soorten van weide over eene groote uitgestrektheid Lands, hetwelk eene zaak is van geen gering belang, wel bekend by den ervaren Kaapschen Veeboer.

KAAPSTAD, DEN 1STEN JUNY 1848.

GOUVERNEMENTS KENNISGEVING.

Koloniale Secretary, 21 Mei 1848.

ZYNE Excellentie de Administrateur des Gouvernements heeft de publicatie van de volgende Minute, tot algemeen narigt gelast.

Ter Ordonnantie van Z. E. den Administrateur des Gouvernements,

(Get.) JOHN MONFAGU,
Gouvernements Secretaris

Land Bevestiging te Natal.

MINUTE.

Gouvernements Huis, Kaapstad, 24 Mei 1848.

Ik heb gelezen en nauwkeurig overwogen de onderscheiden Documenten, onlangs ontvangen van Zyne Edelheid den Luitenant Gouverneur van Natal, betreffende zekere moeylykheden welk zich hebben voorgedaan, in het ten uitvoer brengen van de bedoelingen en voorzieningen van de Proclamatie van 10 February 1848.

Na het overwegen van de veelvuldige en onzekere tuzigten, tegenstrydige overwegingen, welke onafscheidelyk verbonden zyn met het onderwerp van Land vorderingen te Natal, ben ik gekomen tot zekere besluiten, welke ik nu zal voortgaan te vermelden, en welke verklarend zynde van de Proclamatie van 10 February moeten worden beschouwd als instructien voor de Land Commissie daarby aangesteld.

1. Terwyl het eerste en behoorlyke doel, bedoeld by de aanstelling van de Land Commissie, was het bevorderen van de bevolking en de gevolgelyke voorspoed van het District, door het vestigen op plaatsen binnen hetzelfde, van Emigranten, verblyvende buiten deszelfs limiten, in ongenoegen en ongerief. Keur ik ter gelyker tyd den gang goed, (welke schynt te zyn aangenomen) van het submitteren van alle Land vorderingen zonder onderscheid ter aanbeveling van het College. De Land Commissie zal daarom voortgaan zoodanige vorderingen en aanzoeken als aan hetzelfde zullen worden ingediend, hetzy van personen vorderende geregistreerde plaatsen, of die geen die plaatsen vorderen niet geregistreerd, en hetzy door personen die in het District zyn gekomen onder myne Proclamatie, of personen daar residerende, voor het publiceren van gez. Document; voor dus alle Land vorderingen te stellen in handen van het College, is alle kans van confusie van vorderingen of onbestaanbare schikkingen buiten gesloten.

2. Overtuigd zynde dat de twaalf maanden occupatie proof, voorgeschreven by de Proclamatie van 12den Mei 1843, en door de aanwenning van welke de vorderaars oorspronkelyk waren verdeeld in twee klassen No. 1, en No. 2, eene toets was maar slecht geschikt, in de meeste gevallen, voor het verzekeren van ware meriten en welgegronde vorderingen; autorizeer ik by deze het College geen onderscheid te maken (behalve waar byzondere omstandigheden in eenig byzonder geval, eenig byzonder onderscheid zullen raadzaam maken) tusschen originele vorderaars in de klasse No. 1, en oorspronkelyke vorderaars in klasse No. 2. Een oorspronkelyke vorderaar in klasse No. 2, geregistreerd voor eene plaats, kan eene plaats bekomen van dezelfde uitgestrektheid als een vorderaar voor eene plaats in de klasse No. 1. Een oorspronkelyke vorderaar geregistreerd als in klasse No. 2, voor meer dan een plaats zullen hunne vorderingen beschouwd zyn op hetzelfde principe als of zy waren geregistreerd in klasse No. 1. Maar alle vorderaars in klasse No. 2 tot wier voordeel de oude schikking dus verzocht wordt, wanneer zy eene volle plaats bekomen van 3000 morgen (in plaats van een van 1000 morgen) zullen onderhevig zyn aan zoodanige redelyke restrictien op het verkoopen en het verlaten van het district als zyn bevat in de 5de clause van deze minute. Erigenamen van oorspronkelyke vorderaars en koopers of andere partyen, hun regt bekommende van oorspronkelyke vorderaars in klasse No. 2 zullen worden beschouwd als bekleed met de regten dan die geen die zy vertegenwoordigen, en zullen de vergunningen bekomen welke de oorspronkelyke vorderaars, zonder overlyden of vervreemding zelf zouden genoten hebben. Maar terwyl dit principe van liberale en regtmatige gelykheid de algemeene regel zal wezen, zal het College het niet beschouwen als verplichtend tot recomandatie ten aanzien van landeryen gelegen naby de kust, waar de landeryen in vergelyking ongeschikt zyn voor weide, maar zeer geschikt voor landbouw, ieder oorspronkelyke kooper in klasse No. 2, of kooper van

zoodanige oorspronkelyke vorderaar, van een plaats van grooter uitgestrektheid dan 1500 morgen of 3000 acres. Het is echter de bedoeling niet eenigen kooper van of uit klasse No. 2 te beperken meer dan eenen kooper uit klasse No. 1, die eene meerderheid van vorderingen moge hebben ten aanzien van het getal plaatsen dat hy zal ontvangen. In dit geval zullen beide klassen op gelyke wyze worden behandeld.

3. Onderhevig aan de regten van vorderaars in klasse No. 1 en No. 2, zullen Emigranten, niet begrepen in een van beide klassen, maar voor wien byzondere plaatsen zyn geregistreerd op de boeken van den voormaligen Volksraad, welke plaatsen door omstandigheden buiten het beheer van de vorderaars, niet geinspecteerd zyn, worden beschouwd als vorderaars voor vergunningen van denzelfden aard en uitgestrektheid als of zy vorderaars waren in klasse No. 2; en koopers en anderen, behoorlyk regt van hen verkrygende, zullen worden beschouwd als of zy zelf zulke oorspronkelyke Emigranten waren. Ten einde, echter te voorkomen dat lieden die vertrokken zyn, en hun voornemen hebben doen hlyken om afwezend te blyven uit het District, het regt nu aan hen verleend, te vervreemden, terwyl zy dus afwezig zyn, of binnen hun District alleen op een bezoek, zal geen vorderaar, onder deze sectie geregigt zyn eenig belang hoegenaamd over te dragen aan eenen kooper van hem, tenzy zoodanige koop zal gesloten zyn binnen de grenzen van het District, en met de toestemming van de Landcommissarissen. Een ieder die vergunningen ontvangt onder deze clause, zal onderhevig zyn aan de restitutie, ten aanzien van vervreemding en verhuizing uit het District, welke reeds zyn aangehaald, en hieronder verder zullen worden vermeld.

4. Behalve de onderscheiden soorten van vorderaars die alreeds zyn beschreven, en de voormalige occupanten aan de Kliprivier, (voor wien de Proclamatie van 10 February expressely voorzien heeft) zullen de Commissarissen geauthoriseerd zyn eene vergunning te recomanderen van eene plaats van 3000 morgen, over de Tugela Rivier, aan ieder Emigrant Onderdaan van den Drakenberg of het land daar achter, of die, oisch on in het District van Natal, niet zal voorzien zyn met eene plaats, maar die verlangt zich te vestigen. Emigrant Onderdanen die eens geregistreerd waren maar die van hunne aanspraak hebben afstand gedaan en nu zonder plaatsen zyn, kunnen mede worden gevestigd op eene plaats over de Tugela, zonder koop of betaling. Indien eenig zoodanig voormalig geregistreerd vorderaar zal bereid zyn in de districts kasse te betalen zoodanig bedragen (niet te bovengaaende de som of waarde waarvoor hy zyn vroeger geregistreerd regt zal hebben verkocht) zullen de Commissarissen geauthoriseerd zyn, hem aan te bevelen voor eene plaats, in zoodanig ander deel van het district als hy, met goedvinden van het College zal verkiezen. En alle vergunningen gemaakt onder deze clause zullen de conditie moeten bevatten van niet vervreemding in het volgend artikel vermeld.

5. Ik bedenken geenszins de waarschijnlijkheid dat eenig aanzienlyk getal Emigranten, wien ik verklaard heb, en nog verder gezind ben te verklaren myne erlangen om hen te bevoorreen, zullen trachten de bedoelingen van myne Proclamatie te verdraayen tot verkeerde bedoelingen, en alleen plaatsen verzoeken om dezelve te verkoopen en dan te verhuizen. Het is daarom regt en billyk dat voorziening worde gemaakt om zoodanige onbillyke bedoelingen tegen te gaan; maar te gelyker tyd zoo, om het ter descretie van den Luit.-Gouverneur te laten om eene verzachting toe te staan van de beperkingen welke het noodig is gevonden daar te stellen. Alle vergunningen daarom van plaatsen, te bovengaaende 1000 morgen, gemaakt aan oorspronkelyke vorderaars in klasse 2, of personen regtverkrygende van oorspronkelyke vorderaars, als omschreven in clausulen 3 en 4 van deze Minute, zullen eene bepaling, tot dit einde bevatten dat de ontvanger der vergunning of zyne eigenamen, gedurende eenen tyd van zeven jaren, de plaats aan hem in het geheel of gedeeltelyk verleend, niet zullen mogen verkoopen of verhuiren, zonder voorafgaande toestemming van den Luitenant Gouverneur, (die zal moeten oordeelen volgens de omstandigheden of zulke toestemming zal kunnen worden gegeven) en dat iedere inbreuk op deze bepaling, het Gouvernement het regt zal geven om de plaats terug te nemen. En in zoo verre als deze voorziening gemakkeelyk zou kunnen worden ontkwien door geregelyke verkooping, zal verder worden voorzien in iedere zoodanige vergunning, dat zoodanig land binnen 7 jaren niet in executie zal mogen worden genomen, maar dat in plaats van in executie te worden verkocht, dezelve zal kunnen worden geresumeerd ter keuze des Gouvernements, na betaling aan of voor den crediteur van de waarde van alle gebouwen daarop, en verbeteringen gemaakt door den bezitter zullende zoodanige waarde moeten worden bepaald by geregelde taxatie.

6. Een ieder die onder de voorzieningen van deze Minuut zal geregtigd zyn eene vergunning te verwachten van eene kust of landbouw plaats, beperkt tot 1500 morgen, zal, indien hy zulks verkiest in ruil daarvoor kunnen bekomen eene plaats van 3000 morgen, gelegen in zoodanig ander deel van het District als hy, met goedkeuring van het College zal bepalen en verkiezen.

7. In ieder geval waarin de Land Commissie in het ten uitvoer brengen van de Proclamatie van den 10den February, of van deze Minute, eenige vergunning zal aanbevelen, zal de Luitenant Gouverneur zich moeten beschouwen als ten volle door my geauthoriseerd om volgens die aanbeveling te werk te gaan.

8. Men moet altyd voor oogen houden dat myne Proclamatie van 10den Feb., deze Minute en de Land Commissie, berekend en bestemd zynde, om in eenen temporeuren nood te voorzien, niet langer in kracht zullen blyven dan gedurende den tyd van twaalf maanden oorspronkelyk vermeld, en dat het tegenwoordige plan van het vestigen van eene duurzame, vreedzame, en voorspoedige bevolking in het district Natal zal eindigen op den 10den Feb. 1849.

(Get.) H. G. SMITH.

PROCLAMATIE

DOOR ZYNE EXCELLENTIE LUIT.-GENERAAL
SIR HENRY GEORGE WAKELYN SMITH,

Baronet, Ridder Groot Kruis van de Hoog-Edelen Orde van het Bad, Kolonel 2de Batalion Scherpschutter Administrateur van het Gouvernement van de Kolonie de Kaap de Goede Hoop, en de Resorten van dien, en Ordinair, en Vice-Admiraal van dezelve; en Harer Majesteits Hoohe Commissaris voor het afdoen en veroffenen van de Zaken van het Grondgebied in Zuid Afrika belendend aan en annex de Oostelpeke en Noordelyke Grenzen van de gezegde Kolonie, enz., enz.

NADemaal ik by eene Proclamatie gedateerd 3 February 1848, uitgevaardigd door my, in myne hoedanigheid als Harer Majesteits Hoohe Commissaris voor het afdoen en schikken van de zaken van zeker Grondgebied belendend, aan de Kolonie de Kaap de Goede Hoop, de Souvereiniteit van Hare gez. Majesteit over zeker Grondgebied, ten Noorden van de Groote Oranje Rivier, in die Proclamatie vermeld, en omschreven heb geproclameerd, verklaard, en bekend gesteld. En nademaal op verscheiden tyden, gedurende het tydvak, gedurende hetwelke Harer Majesteits Uitgeweken Onderdanen zekere deelen van gez. Grondgebied hebben bezaten, zekere huwelyken onder hen hebben plaats gevonden, welke van wege de onmogelykheid om de tegenwoordigheid of hulp te bekomen van eenen bedienaar des Evangeliums en zich te gedragen naar de onderscheiden vereischten der wetten, zoo als men veronderstelt, niet zyn voltrokken op zoodanig eene wyze dat dezelve wettig en van kracht zyn. En nademaal de gem. huwelyken ongeregeld zyn aangegaan, alleen uit reden van de noodzakelykheid waaronder de partyen waren, terwyl zy verstoken waren, beide van godsdienst onderwyzers, en van geregeld vastgestelde wetten en niet ontstoden uit gebrek aan eerbied voor de heilige instelling in questie, of van de geestelyke toestemming waarmede, onder Christenen, hetzelfde gewoonlyk en gepastelyk voltrokken wordt. En nademaal ik deze zaken in myne overweging hebbende genomen, en verlangend zynde aan gez. Harer Majesteits Onderdanen het belangryk voordeel te schenken, van het vaststellen van de wettigheid en echtheid hunner kinderen, en der gez. huwelyken gewettigd voor alle einden van regten, zoo heb ik besloten tot dat einden het vermogen en gezag in my gevestigd uit te oefenen;—Zoo is het, dat ik by deze als Harer Majesteits Hoohe Commissaris voormeld, **PROCLAMEER, VERKLAAR, en BEKEND MAAK**, de onderscheiden volgende Voorzieningen en Regulatien betreffende de huwelyken voormeld, dat is te zeggen:—

1. De Britsche Resident in het grondgebied voormeld, wordt by deze geauthoriseerd en gerequireerd een algemeen Register op te maken en te houden van alle zoodanige huwelyken welke onder eenige der voorzieningen hieronder vermeld aan hem ter registratie worden ingezonden of gerapporteerd.

2. Zoodanig algemeen register zal toonen den naam en de woonplaats van den man, en van de vrouw, derzelver respective ouderdommen en stand in het leven, den datum van van het huwelyk, en alle andere byzonder-

heden welke gezegde Britsche Resident door den Hooze Commissaris zal gelast worden aan te teekenen.

3. Ieder paar, (uitgezonderd als hieronder uitgezonderd) te zamen verbonden binnen het grondgebied als man en vrouw, in de tegenwoordigheid van getuigen, by eenige vorm van woorden te kennen gevende hunne wederzydsche en plegtige toestemming om dan en daar, en van dien tyd af, te zyn echte lieden, te zamen gehuwd, kunnen hun gez. huwelyk doen registreren. Maar geen huwelyk zal mogen worden geregistreerd waarin de partyen door bloedverwantschap of namaagschap bestaan in eenen graad waarin de Gouverneur van de Kolonie de Kaap de Goede Hoop, in regten, geene dispensatie of verlof om te huwen zou hebben kunnen toestaan, indien zy binnen dezelve resideerden, en dat geen wettig huwelyk volgens de wetten van de Kolonie daarin zou kunnen worden voltrokken, indien zy in de gezegde Kolonie gedomicilieerd waren; en wanneer eenig hun welyk of voorgewend huwelyk by deze verklaard ongeschikt voor registratie, echter zal geregistreerd worden, zal zoodanige registratie geen kracht of gevolg hebben; maar geen gronden van objectie uit reden van bloedverwantschap of namaagschap welke in gez. kolonie kunnen gedispenseerd worden, by gezag van gez. Gouverneur, zal de registratie of deszelfs gevolgen beletten als hieronder omschreven.

4. Wanneer twee partyen, gehuwd als voormeld zullen compareren voor den Britschen Resident of voor eenig Resident Magistraat, binnen gez. Grondgebied, en de daadzaak van zoodanig huwelyk zullen verklaren, zal de gez. Resident of Magistraat (naar het geval moge zyn) vernemen en schriftelyk aantekenen de namen van gez. partyen, dezelve woonplaatsen, de datum en plaats van hun huwelyk, en hunnen respectiven stand in het leven, ten tyde van zoodanige huwelyk, of zy toen vroeger getrouwd waren of niet, en zoodanige aantekening zal moeten worden geteekend of erkend door de gez. partyen in de tegenwoordigheid van den Resident of Magistraat. Wanneer eenige twyfel zal ontstaan aangaande de daadzaak of datum van gez. huwelyk, zal de Resident of Magistraat mogen vragen naar het schriftelyk certificaat, of de plegtige verklaring, voor hem zelf, van zoodanige geloofwaardige getuigen die by gez. huwelyk tegenwoordig waren, of daarvan kennis droegen; maar wanneer en zoo dikwyls als eenig zoodanig huwelyk zal zyn aangegaan, ten overstaan van en betuigd zyn door eenig persoon of personen op dien tyd onder Harer Majesteits Onderdanen, erkend als bekleedende eenig publiek ambt of gezag hem of hen het regt gevende om huwelyken te attesteren, zal zoodanige attestaat, of eene copy daarvan, wanneer de identiteit van de gehuwde lieden zal erkend zyn, beslissend bewys zyn, van de daadzaak en datum van zoodanige huwelyk.

5. Ingeval het ongerijfelyk zal zyn voor de beide partyen zich te begeven voor den gez. Resident of voor eenig Magistraat, kan de laatste zich verzekeren van den man alleen van de handelingen voormeld en daaruit de aantekening opmaken. Maar wanneer de man alleen zal verschynen zal hy zich moeten voorzien van een schriftelyk certificaat, of opgave, geteekend door de vrouw, of erkend door haar in tegenwoordigheid van twee bureu, die hetzelfde zullen betuigen, in welk certificaat of opgave de vrouw zal moeten verklaren den datum van het huwelyk, tusschen haar en haren man, en dit certificaat of opgave zal moeten bewaard worden, benevens de aantekening geteekend door den man. Ingeval van eenige twyfel aangaande de daadzaak of datum van het huwelyk, zal de Resident Magistraat te werk gaan als boven, ten einde dezelve uit den weg te ruimen.

6. Indien een van beide gehuwden overleden zy na het aangaan van eenig zoodanig huwelyk als voormeld, latende de andere nog in leven, zal zoodanige langstlevende kunnen compareren voor den gez. Britschen Resident of eenig Magistraat als voormeld, en daarop zal de aantekening worden bereid als of beide partyen nog in leven waren en tegenwoordig, behalve dat de teekening van den langstlevende

kracht zal zyn, en dat de aantekening behalve van den overledene zal vermelden. In ieder zoodanig geval zal de Resident of Magistraat echter duidelyk getuigenis moeten vorderen, hetzy mondelyk of by een certificaat of affidavit, zoo als hy noodig zal oordeelen, van de daadzaak en datum van het huwelyk, en waar het mogelyk is, zich verzekeren dat de nabestaanden of vrienden van den overledene toestemmen in het erkennen van zoodanig huwelyk.

7. Indien het zal gebeuren in eenig geval, waarin eenig zoodanig huwelyk zal zyn aangegaan, en zyn geattesteerd door eenig zoodanig persoon in ambt of gezag als hierboven bedoeld, dat een van beide partyen zal weigeren zich met de andere te vereenigen in het bekomen van de registratie van zoodanig huwelyk, zal het de party die verlangend is zoodanige registratie te verkrygen vrystaan te verschynen voor den Resident of Magistraat, die op bewys van zoodanige weigering en productie van zoodanige attestatie als voormeld, of eene authentieke copy daarvan, en op zoodanig verder onderzoek of bewys, als de gez. Resident of Magistraat noodig zal oordeelen, de noodige aantekening zal bereiden, waartoe de teekening van de aanzoekdoende party genoegzaam zyn zal, en welke de weigering van de andere party zal moeten bevatten.

8. Het zal geen grond zyn voor weigering van het bereiden van eene aantekening van, of het registreren van eenig huwelyk, dat beiden of eene der partyen tot hetzelfde, tydens het aangaan van het huwelyk, minderjarig waren.

9. Wanneer en zoo dikwyls als eenig Magistraat als voormeld, eenige aantekening als voormeld zal bereid hebben, zal hy met alle doenlyke spoed hetzelfde, benevens alle papieren of documenten daartoe behoorende, moeten toezenden aan den Britschen Resident, die ieder zoodanig huwelyk zal moeten registreren, en in alle gevallen waarin de noodige aantekeningen zullen zyn bereid door den Resident zelf, zal hy van of door middel van dezelve het huwelyk moeten registreren.

10. Ieder zoodanig huwelyk als voormeld door den Britschen Resident geregistreerd zynde, zal van en na dien datum een huwelyk zyn, even wettig en geldig tot alle einden, als een wettig huwelyk binnen de limiten van de Kaap de Goede Hoop, en zal voor alle einden van eenen civilen aard worden beschouwd, als zynde een wettig huwelyk geweest van den dag af dat het is aangegaan; maar of hetzelfde van den datum laatst gemeld, geoordeeld zal worden een wettig huwelyk te zyn, voor de einden van eene proceessie voor tweewyvery of veelwyvery, ingeval eene der partyen naderhand gedurende het leven van de andere party, een ander huwelyk zal hebben aangegaan, zal moeten worden geoordeeld en beslist volgens de algemeene principes van regten, en onafhankelyk van enige der voorzieningen van deze Proclamatie.

11. En nademaal zekere Leeraars van de Nederduitsche Hervormde kerk zich vroeger hebben begeven naar gezegd grondgebied, ten einde daarin, zoo algemeen als de omstandigheden zulks toelieten, de plegtigheden en diensten der godsdienst te volbrengen, en nademaal zekere van de uitgeweken onderdanen voormeld, van tyd tot tyd zyn getrouwd door zoodanige Leeraars, alsmede door den dienstdoende Leeraar in de Nederduitsche Gereformeerde Kerk te Pietermaritzburg, in het district Natal, en nademaal er reden is te veronderstellen, dat in alle gevallen waarin eenig zoodanig Leeraar als voormeld, eenig huwelyk heeft voltrokken tusschen partyen die vroeger te zamen leefden, als man en vrouw, uit kracht van eenig zoodanig ongeregeld huwelyk als bovengemelden, de gez. Leeraar, zoowel de daadzaak als den datum van zoodanig voorgaand huwelyk heeft aangeteekend, als het huwelyk door hemzelf voltrokken, en nademaal het gepast is dat vol geloof worde gegeven aan alle zaken dus bewezen, zoo wordt by deze verklaard en gelast dat de Britsche Resident alle origenale huwelyks aantekeningen gedaan door eenig zoodanig Leeraar, of authentieke copyen daarvan, zal moeten aannemen als getuigenis van de daadzaken daarin vervat, en van en door middel daarvan de huwelyken moeten registreren

daarin vermeld, zonder de comparitie van eenige der partyen en of eenig verder bewys te vorderen; en dat van en na zoodanige registratie zoodanig huwelyk zal worden beschouwd en geoordeeld als een wettig huwelyk, tot alle einden van den datum van het voltrekken daarvan, door zoodanig Leeraar, en voor alle einden van eenen civilen aard een wettig huwelyk te zyn geweest van den datum vermeld in het huwelyks certificaat, gemaakt door gez. Leeraar, als dat waarop het eerste of vroegere huwelyk (zoo er eenig is) was aangegaan. Maar indien in eenig geval de daadzaak of datum van zoodanig vroeger huwelyk niet in zoodanig huwelyks certificaat blykt, dan zullen de partyen de registratie van zoodanig eerst of vroeger huwelyk verlangende, moeten voortgaan op gelyke of dezelfde manier als in dat of gelyk geval hierboven voorzien is, maar in ieder geval zal het huwelyk dus voltrokken door zoodanigen Leeraar, na de registratie daarvan, worden beschouwd als een wettig huwelyk tot alle einden van en na den datum van deszelfs voltrekking.

12. En nademaal het noodzakelyk is temporaire voorzieningen te maken voor het voltrekken van huwelyken binnen het voormelde grondgebied, bevorens het openen van de Kerken en het vestigen van bepaalde Leeraars in dezelve, zoo wordt by deze vastgesteld dat alle personen die in het vervolg zullen worden getrouwd door eenen Leeraar van de Nederduitsche Gereformeerde Kerk van de Kaapsche Kolonie, of persoon door dezelve aangesteld om huwelyken te voltrekken binnen gez. grondgebied, zullen worden geoordeeld en beschouwd als wettig getrouwd; en zoodanige huwelyken zullen moeten worden geregistreerd door den Britschen Resident voormeld, van of door middel van de huwelyks certificaten van zoodanige Leeraars of andere personen, en geene afkondiging van huwelyksgeboden zal noodig zyn.

13. Indien het zal gebeuren dat personen die verlangen in den echten staat te treden, niet in staat zullen zyn de diensten te bekomen van eenen Leeraar van wien hun huwelyk de plegtige en passende sanctie van de godsdienst kan bekomen, zullen zoodanige personen zich kunnen vervoegen by den Britschen Resident of den naasten Magistraat, en ieder hunner zal dan in deszelfs tegenwoordigheid plegtig moeten verklaren dat zy niet bekend zyn met enige verandering tegen hun huwelyk, en dat zy hem verlangen te getuigen dat zy elkander respectively nemen als man en vrouw; en daarop zal eene aantekening van gez. huwelyk worden bereid, en hetzelfde zal behoorlyk moeten worden geregistreerd; en ieder zoodanig huwelyk zal zyn en geoordeeld worden te zyn even wettig en van kracht, als een wettig huwelyk, voltrokken binnen de Kaapsche Kolonie.

14. Indien beide of een van beide partyen minderjarig zullen zyn, zal de Resident of Magistraat, naar het geval moge zyn, voor hy het huwelyk toelaat, (behalve in geval van eenen weduwnaar of eene weduwe) bewys moeten vragen van de toestemming van de ouders of voorgeden, tenzy het hem zal blyken dat er geen zoodanige in leven zyn, of dat zy, zonder grondige redenen, hun consent weigeren, of dat, van wege den afstand of andere oorzaken zoodanig consent niet geene mogelijkheid, of niet zonder groote ongelegenheid te bekomen is. Maar geen huwelyk eens toegestaan en aangeteekend, zal kunnen vernietigd, worden op grond dat eene of beide partyen minderjarig zynde, was getrouwd zonder consent van de ouders of voorgeden.

15. Een certificaat geteekend door den Britschen Resident of ambtenaar als zoodanig fungerende, medende de geregistreerde byzondheden van ieder huwelyk, door hem of ten zynen kantoor geregistreerd, uit kracht van deze Proclamatie, zal goed getuigenis van zoodanig huwelyk zyn voor alle Geregtshoven en Magistraten.

En ten laatste proclameer, verklaar, en maak ik by deze bekend, dat in myn ernstig verlangen om zoo veel als my mogelyk is, de belangen en gevoelens van alle Harer Majesteits Onderdanen in het Grondgebied voormeld, en die van hunner vrouwen en kinderen te raadplegen, ik alle noodige maatregelen heb genomen, om hunne huwelyken voormeld, boven allen twist en twyfel te bevestigen, niets in

Deze Proclamatie vervat, moet worden uitgelegd als invaliderende, eenig huwelyk aangegaan binnen gez. Grondgebied, en niet geregistreerd onder deze Proclamatie, welk huwelyk anderzins, in regten, als geldend zou worden beschouwd, daar het myn wensch en voornemen niet is nu te beslissen, dat eenige aard of soort van huwelyk onwettig is, maar eene gemakkelijke wyze te voorzien waarop zekere huwelyken, nu beschouwd als onwettig, boven allen twyfel als wettig kunnen worden verklaard,

GOD BEWARE DE KONINGIN!

Op last van Zyne Excellentie Harer Majesteits Hooge Commissaris,

(Get.) RICHARD SOUTHEY,
Secretaris van H. M. Hooge Commissaris

Gouvernements Huis, Kaapstad, 15 Mei 1848.

DE ET betrekking tot het Manifest, uitgevaardigd door Hare Majesteits Hooge Commissaris, op den 2 Maart 1848, geaddresserd aan diegenen der uitgeweken Burgers die aan Zyne Excellentie voorgesteld zijn geworden als wankelende in hunne getrouwheid, uit hoofde van de pogingen van kwalijkgezinde menschen die zich beyverden om de Proclatien van den 3 en 10 February en 8 Maart te verdraayen en verkeerd voor te stellen,—beschouwt Zyne Excellentie het als eene daad van regtvaardigheid jegens die Emigranten, de volgende extracten en documenten, (uit vele anderen van denzelfden aard en strekking) te publiceren, welke, terwyl dezelve hem de hoogste personeele voldoening verschaffen, als bewyzen dat een vaderlyk Gouvernement in waarde gehouden wordt door dezulken, die uit hoofde van ongelukkige omstandigheden, zoo lang aan zich zelven overgelaten zijn om te worstelen te midden van regeringloosheid en wanorde,—tevens het goed karakter en de getrouwheid der Emigranten aan Hare Majesteit de Koningin, zuiveren van de verkeerde voorstellingen van baatzuchtige en zedeloze oproeristokers.

Zyne Excellentie heeft hartelyk genoeg de Burgers, als een ligchaam, thans openbaar vry te schouwen van den blaam welke men getracht heeft op hen te werpen, en te toonen, dat het volle vertrouwen zoo openhartig en zonder aarzelen in hen gesteld, op hunne eigene verzekeringen aan hemzelf in persoon gedaan, niet misplaatst zijn geworden, en dat aldus getrouwheid en ware gevoelens van een Christen zegenprelen over de kwade pogingen om brave menschen te misleiden.

Op last van Z. E. den Hooogen Commissaris,

(Get.) RICHARD SOUTHEY,
Secretaris.

Distrikt van Caledon, 21 April 1848.

Aan Zyne Excellentie Luit.-Generaal Sir H. G. Smith Baronet, enz., Gouverneur der Kolonie de Kaap de Goede Hoop, enz., en Hare Majesteits Hooge Commissaris voor het veriffenen van zaken van het Grondgebied aan de Oostelyke en Noord Oostelyke Grenzen van de Kolonie, enz., enz.

Wy Ondergetekenden, Emigranten, woonachtig in het Distrikt van Caledon, verzoek hiermede Uwe Excellentie aan te presenteren onze oprechte gelukwensching op uwe verblijfskomst in de Kaapstad, de Zetel van uwe Gouvernment, na die zware moeydelijken en ontvreesingen die Uwe Excellentie voor ons ondergaan heeft.—Wy bieden ook Uwe Excellentie aan onze dankbaarheid voor de wyze en verzachtende maatregelen die uwe gevolgen heeft, terwyl wy verplicht zijn te bekenen onze onwaardigheid.

Wy verzekeren Uwe Excellentie van onze hartige dankbaarheid en onze ongeveinsde getrouwheid en verkleefheid aan Hare Genadige Majesteit de Koningin.

In Uwe Excellenties Proclamatie vinden wy geen deel die naar onze gevoelens tot verbetering kan veranderd worden.

Daar de Genadige Voorzienigheid Uwe Excellentie lang mogt behoeden om de vruchten van uwe wyze en oprechte Gouvernment te genieten is het gebied van Uwe Excellenties

MYNHEER,—Ik heb UEd. te melden dat ik in het Distrikt van Caledon, nu onlangs zes byeenkomsten gehouden heb, door last van het Gouvernement, om zekere Proclamatien voor te lezen en de gevoelens van de menschen te hooren. Ik ben gelast door ontfrent twee honderd menschen in dit Distrikt woonachtig, UEd. te melden dat zy zeer te vreden en dankbaar zijn met de zachtende maatregelen van het Gouvernement, en dat zy van nu af de ongeveinsde getrouwheid en verkleefheid aan Hare Majesteit de Koningin van Engeland zal betoonen.

En degenen die onder uwe Maatschappij geweest zijn, doet aan u weten dat zy misleid en bedrogen zijn geworden, en geheellyk van uwe Maatschappij afzien.

Ik heb de eer te zijn,

Extract uit een Brief van Majoor WARREN, Britsche Resident aan Bloem Fontein, aan Zyne Excellentie Sir H. G. SMITH, Bart. G.C.B., Hare Majesteits Hooge Commissaris, gedateerd Bloem Fontein, 24sten April 1848.

De Emigranten aan de andere zyde van Modder Rivier, in grooter getallen, schynen thans meer hunne eigene belangen te gevoelen; en Uwer Excellenties Manifesto heeft veel bygedragen tot verkoeling van den yver der oproerige party in de kwade zaak die zy voor hadden.

"Ik verneem dat de Memorie, onlangs door den Heer W. Jacobs aan uwe Excellentie toegezonden, de namen bevatten van 71 Emigranten, die begrijs waren hunne Naamtekeningen terug te trekken, dadelijk na dat het bedrog door den Heer PRETORIUS op hen en anderen gewrocht, ontdekt was, doch de Memorie was toen reeds in handen van den Heer JACOBS, en geene terugtrekking kon gedoogd worden.

"Ik onderneem thans aan Uwe Excellentie mede te deelen myne volkomene overtuiging, dat, hy de aankomst van de Magistraten voor Winburg en Caledon Rivier, alles in goede orde voortgaan zal."

MINUTE—FINANCE.

*Government House, Cape Town,
30th May, 1848.*

HONORABLE GENTLEMEN,

I take the earliest opportunity, since my assumption of this Government, of laying before you, at our first meeting in Council, the annual statement of the Estimated Revenue for the service of the year 1849, and the probable Expenditure for the same period.

You will observe that these Estimates are drawn up in a novel form. This deviation from former practice has been adopted in obedience to recent instructions from the Right Honorable the Secretary of State for the Colonies, in accordance with certain resolutions of the House of Commons and the directions of the Lords Commissioners of Her Majesty's Treasury, for keeping and rendering Colonial Accounts.

By these resolutions it is recommended that a uniform system should be adopted in keeping the accounts of the various colonies; according to which the Estimates of Receipts are to represent the gross revenues and the Estimates of Expenditure the distinct charges under their several heads; that supplementary estimates are to be prepared in the same form in cases of extraordinary expenditure, and that a comparative statement of the estimated and actual receipts and disbursements be prepared and transmitted to Her Majesty's Government.

It is also directed that the system of Double Entry (by cash, waste book, journal and ledger,) be adopted by all public accountants throughout the Colonies.

These resolutions are accompanied by detailed instructions addressed to the Governors of Colonies, in accordance with which the Estimates of Revenue and Expenditure for the year 1849, now laid before you, have been drawn up.

The actual revenue for the year 1847 amounted to £216,085, and exceeded the estimated revenue by the sum of £56,462. This increase, you will observe by the statement which contains the particulars, is to be found in the important items of Customs Auction, and Transfer Dues, Postage and Land Sales, all indicating a gradual but steady return of internal prosperity after the ravages of a disastrous war. We may, I feel persuaded, look forward with confidence to the continuance of this prosperity, and the consequently increased revenue of the Colony.

The estimates for the year 1849 have been framed with a due regard to economy, consistent with the efficiency of the several departments of the public service. With the fullest desire, however, to study economy in the arrangements for the service of the ensuing year, it has been found absolutely necessary to estimate for a much larger expenditure than on any previous occasion. But you will find a corresponding increase in the contemplated revenue, which enables you to provide for the increased wants of the Colony.

The revenue for 1849 is estimated at £213,424, and the expenditure at £210,010.

No very important changes are proposed in the Establishments of the Colony, but there are a few to which I desire to direct your attention.

The great increase which has taken place in the duties of the Civil Engineer, and the important works to which the attention of that officer must shortly be devoted—such as the

improvement of the Ports and Harbours of the Colony, the Sea Wall in Table Bay, the construction of Tanks for purposes of Irrigation in the Country Districts, and other important undertakings,—have induced me to represent to Earl Grey the propriety of separating the Departments of Surveyor General and Civil Engineer, and of appointing a Civil Engineer of first-rate ability and professional acquirements to superintend and direct the public works which the establishment of peace will enable the Colony to undertake. In order to secure the services of a gentleman fully qualified in every respect for the important duties of this office, I have requested His Lordship to allow me to assign to the Civil Engineer a salary of £1,000 a-year, and for this expenditure, and the minor arrangements of the office, the necessary provision will be found in the accompanying Estimates.

In consequence of the great additional facilities for internal intercourse, afforded by the important improvements in the public roads throughout the Colony, I propose, after the first of January 1849, to establish a postal communication, in 70 hours three times a week, from Cape Town to Graham's Town, and vice versa, and twice a week to all other parts of the Colony; and from the great increase which has taken place in the Post Office revenue, since the postage was reduced to a uniform rate of four pence on every letter, I feel justified in recommending to your consideration an Ordinance having for its object the reduction of the postage charge to one penny on every letter not exceeding half an ounce in weight, and so in proportion, as in England.

In 1846, the present rate of postage, of four pence per letter, commenced. Prior to that time, the average charge upon a letter was one shilling, and the revenue amounted to £8000 a-year. In the first year the loss of revenue was about £1200, but in the second year, 1847, the gross revenue amounted to £10,091, from which must be deducted the sum of £1986, for payments from the Colonial Treasury for official letters, leaving the nett revenue for that year at £8105 or £105 more than it reached under the former system. Should, however, any loss to the revenue ultimately result from the measure I now propose, but which I do not anticipate, I think we should not be justified in retaining any needless check upon the communication which is so highly prized by all classes of the people; and as we approach to the same facility of internal intercourse, which prevails in England, we ought to extend its advantages to the humblest as well as to the highest. In order to provide, as far as possible, for the convenience of all classes, I have made arrangements to obtain from England a supply of postage stamps or labels, which have been found so very convenient and useful in that country. You will observe, that concurrently with this reduction of postage, I propose by another Ordinance to reduce the duties payable on newspaper stamps, as I am of opinion that we cannot afford too great facility to the spread of information throughout the Colony.

It will be necessary to provide for the great increase in the duties of the Post Office Department, which will be caused by the additional mails, and the increased amount of correspondence which may be expected to follow upon the intended changes. I therefore propose to relieve the Postmaster-General from the superintendence of all matters connected with the transmission of the mails, and to place this responsibility in the hands of another officer, who will be appointed

with the title of Comptroller-General of Posts, and with a salary of £300 a-year. I anticipate that the increased revenue derived from the Post Office will, ere long, meet this expenditure.

The Field-Cornets are now paid small salaries of £10 or £20 a-year each, at an expense to the Treasury of about £2,500. a-year. Owing to the various changes which have taken place within the last few years in the performance of public duties throughout the colony, many of them have little or nothing to do in return for these salaries: of others, again, the duties are far too heavy for such small remuneration. I have accordingly directed a bill to be prepared defining the duties of these officers, and establishing a system of paying them for every service rendered, according to a fixed tariff. You will observe that the expenses for such services are estimated to amount to a similar charge as for salaries, &c., in former years, and I may here remark that my object in proposing this change has been not economy but efficiency, and that my only desire is to see the public duties properly performed and adequately remunerated.

The annexation of large territories to the Colony, consequent upon the successful termination of the Kaffir war, and the re-establishment of peace upon the Frontier, has rendered necessary the appointment of Civil Commissioners for the Divisions of Victoria and Albert, and of a Resident Magistrate for the District of Fort Poddie. The direct charges for new establishments in those Divisions will amount to £3,300.

I have also thought it advisable that one division of the Kaffir Police should be always at the disposal of the Colonial Government, for the permanent protection of property within the boundary,—and for the maintenance of this division, it is but just that the Colony should pay. This charge will amount to £11,000 annually.

The sale of land placed at the disposal of the Government, by the addition of these new territories to the Colony, will, however, irrespective of the increased Revenue derived from the Customs, in providing for the growing civilization of the people now declared subjects of Her Majesty, more than compensate for these additional charges: so that I anticipate that the measures which I have taken for the establishment of peace upon the frontier will not only effect the great object of repressing crime, diffusing a feeling of security, stimulating trade, and promoting christianity and education, but will in addition, in due time—and before many years—be attended with actual pecuniary benefit to the Colony.

Some increase in the estimates for Ecclesiastical service requires explanation. You are aware that the noble generosity of a private individual—an English lady—has conferred upon the communicants of the Church of England in this Colony the inestimable advantage of a complete ecclesiastical constitution, and episcopal superintendence. For the discharge of the sacred duties of the Lord Bishop of Cape Town, the people of this Colony are not called upon to contribute: they are to enjoy the privileges thus conferred upon them, without being required to make any pecuniary return. I ask you, however, to contribute from the Colonial revenue the sum of £400 per annum towards his Lordship's travelling expenses in this Colony, as without such addition to his income, he would be unable, however zealous, to discharge, fully to his own satisfaction, the duties of his high office. I also propose to you to contribute a further sum of £400 a-year, to maintain an Archdeacon at Graham's Town, and I apprehend no hesitation on this point, when it is remembered that, without such provision, the inhabitants of the Eastern Districts of the Colony, numbers of whom are English, and members of the Church of England, would be, in a measure, debarred from participating in the full advantage which we are ourselves deriving from private liberality.

I propose to grant the sum of £1000 to the Consistory of the Dutch Reformed Church in Cape Town, to enable them to reduce the debt incurred by them in the erection of their second church. The Consistory have made several previous applications for a similar grant, and I rejoice that the revenue of the Colony now enables me to recommend their application to your favourable consideration.

I propose to devote a sum of £16,000, in the course of the year 1849, to the introduction of Emigrants from Great Britain and Ireland into the Colony. It is needless for me to explain to you the advantages which will result from this vote, as it will ensure the provision of useful agricultural laborers for the country districts. Arrangements will be

made for sending out from England eight ships, with about 200 statute Emigrants in each, in the course of next year, or one every six weeks. These ships, I propose, shall be punctually despatched on the days fixed, so that the period of their arrival may be securely calculated upon, and arrangements will be made for distributing the Emigrants throughout the agricultural districts of the colony, and I anticipate so much advantage from this measure, that I shall earnestly press it upon the attention of the Secretary of State.

I commend the accompanying estimates to your careful consideration, in the full assurance that I shall receive from you the same hearty co-operation, which I have heretofore so happily enjoyed.

(Signed) H. G. SMITH, Governor.

(Signed) JOHN MONTAGU,
Secretary to Government.

Draft of an Ordinance,

Presented by His Excellency the Governor to the Legislative Council of the Cape of Good Hope,

For enabling certain Public Sales to be held by Persons not licensed as Auctioneers, and without the payment of Auction Duty.

WHEREAS certain Associations or Societies have, from time to time, been formed in this Colony, for the promotion of Agriculture and the improvement of Live Stock:—And whereas the beneficial objects of such associations or societies, whether present or future, will be advanced by enabling them, at their respective periodical meetings, to hold or authorise public sales of farming produce and live stock, at which such stock and produce may be sold by persons not licensed as Auctioneers, and in regard to which no auction duty shall be payable:—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that so much of the Ordinance No. 6, 1844, entitled “Ordinance for regulating Sales by Auction,” as is repugnant to, or inconsistent with, any of the provisions of this Ordinance, shall be repealed, and the same is hereby repealed accordingly.

2. And be it enacted, that it shall and may be lawful for the Governor of this Colony, for the time being, upon the application of any such association or society as aforesaid, to grant permission to the same to establish, during the pleasure of the said Governor, fairs or markets to be held upon the occasion of the various meetings thereof, at which fairs or markets it shall be lawful to sell, by public sale or auction, mules, asses, horned cattle, sheep, goats, pigs, implements of agriculture or husbandry, and all agricultural and farming produce (being the growth of this colony) and no person holding such sale as aforesaid, under or by virtue of any such appointment as is hereinafter mentioned, shall be required to take out or possess any licence in order to act thereat as auctioneer; nor shall any auction duty be paid or payable in regard to any such sale. Provided always, that not more than four such fairs or markets shall be held in any one year, by or in connection with any one association or society.

3. And be it enacted, that it shall and may be lawful for any association or society which shall have received any such permission as aforesaid, to appoint, subject to the approbation of the resident magistrate of the district within which any such fair or market shall be held, some fit and proper person, or so many fit and proper persons, as shall be deemed to be expedient, to conduct, as auctioneer or auctioneers, the sales at such fair or market, and such resident magistrate, with the advice of such association or society, approve of, and authorise such rate of remuneration for such person or persons as shall appear just and reasonable. Provided always, that no such resident magistrate shall, by reason of his having approved of such person or persons, or of the rate of remuneration which he or they shall receive, be deemed or taken to be in any degree responsible for the acts or conduct of such person or persons in regard to the sales held by him or them.

4. And be it enacted, that nothing in this Ordinance contained, shall extend to the District of Natal.

5. And be it enacted, that this Ordinance shall commence, and take effect from and after the promulgation thereof.

Draft of an Ordinance,

Presented by His Excellency the Governor to the Legislative Council of the Cape of Good Hope,

For enlarging in certain respects, the Powers of Municipal Commissioners, in regard to the Common Pasture Lands of the Municipality.

WHEREAS, by the 39th Section of the Ordinance No. 9, 1836, entitled, “Ordinance for the creation of Municipal Boards in the Towns and Villages of this Colony, on which the Local Regulations of each shall be founded,” it is provided, in regard to the Common Pasture Lands, the property of any Municipality erected under or by virtue of the said Ordinance, that the Commissioners of such Municipality shall not be authorised or permitted to dispose of, alienate, build upon, inclose, or cultivate any such Common Pasture Lands, nor suffer any other person to build upon, inclose, or cultivate the same; and that any such alienation, by sale, gift, or otherwise, shall be null and void:—And whereas, in certain of the Municipalities established under and by virtue of the Ordinance aforesaid, it has become necessary to provide for locating, in an orderly and proper manner, such Fingoes and others as are now to be found irregularly squatting or living upon such Common Pasture Lands, to the serious detriment of the Pasturage thereof:—And whereas, the nature and extent of such Common Pasture Lands are, in some places, such that portions thereof may be appropriated for the purpose aforesaid, and for other purposes useful to the public and profitable to the municipality, without prejudicing or interfering with any of the objects for which such common pasture lands were originally reserved:—And whereas, it is expedient to authorise and empower the commissioners of the several municipalities aforesaid, under certain limitations and conditions, to carry into effect any such plan or purpose as aforesaid, which shall appear to them as necessary or desirable:—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that so much of the Ordinance aforesaid, No. 9, 1836, as is repugnant to or inconsistent with any of the provisions of this ordinance shall be repealed, and the same is hereby repealed accordingly.

2. And be it enacted, that when and as often as any Board of Commissioners appointed under or by virtue of the ordinance aforesaid, shall, at any meeting thereof, duly convened in pursuance of the said ordinance, or of the municipal regulations for the time being, determined that it is expedient, for or on account of any such object or purpose as is in the preamble of this ordinance mentioned, to dispose of, or alienate, or permit to be built upon, inclosed, or cultivated, any part or portion of the common pasture lands of the municipality to which such Board of Commissioners belongs, or any other lands of which the property shall be vested in such board, it shall and may be lawful for such board to apply in writing for the consent of the Governor of this Colony, for the time being, with the advice of the Executive Council, to the proposed sale, lease, or other arrangement for the occupation or inclosure of any part or portion of such lands, and upon obtaining such consent, but not otherwise, to execute or carry into effect such sale, lease, or other arrangement. Provided always, that no such application shall be made to the Governor aforesaid, until a notice in writing of such intended application shall have been posted for general information, at some conspicuous place of public resort within the municipality, for a period of not less than fourteen days, which notice shall, in some part thereof, describe the part or portion of land proposed to be sold, leased, or otherwise permitted to be occupied or intended to be enclosed, and the object, terms, and conditions of the proposed sale, lease, or other right of occupation or inclosure, and shall require any person objecting to the proposed proceeding to lodge with the Commissioners, within fourteen days from and after the date of the posting of such notice, his objections thereto in writing.

3. And be it enacted, that in every case in which any such board as aforesaid shall apply to the Governor for such consent as aforesaid, they shall transmit, together with such application, a copy of the notice posted as aforesaid, and of all objections which shall have been lodged in pursuance thereof, with such observations, if any, upon such objections, as they shall deem necessary or fitting.

4. And be it enacted, that when and as soon as the Governor aforesaid shall have signified his consent to the object of any such application as aforesaid, all contracts, leases, or other instruments necessary to effect the said object may be signed or executed by any two or more of the said commissioners, on behalf of the rest of them, in case they do not all join; and every such contract, lease, or other instrument, shall, thereupon, be deemed and taken to be binding upon the municipality, and the said commissioners, and their successors in office; and it shall and may be lawful for any person, lawfully claiming under any such contract, lease, or other instrument, to build upon, inclose, or cultivate such part or portion of common pasture land, or other land, in manner and form as he shall, by such contract, lease, or other instrument, be authorised to build, inclose, or cultivate:—Provided always, that nothing herein contained shall be deemed or taken to deprive any such commissioner as aforesaid of the right or power to carry into effect any plan for locating Fingoes or others upon the common pasture or any other lands, or any other plan involving the building upon, inclosure, or cultivation of any part or portion of the said lands, by means of municipal regulations duly made and published.

5. And be it enacted, that all monies arising from the sale or occupation of any part or portion of any such lands as aforesaid shall be payable to the commissioners of the municipality for the time being, as part and portion of the municipal funds of such municipality.

6. And be it enacted, that no person holding any office under any board of commissioners for any municipality shall purchase, or hire from, or acquire any right of occupation under the board of commissioners in or under which such person holds office. And if any such person shall, directly or indirectly, so purchase, or hire, or acquire any such right of occupation, he shall thereby forfeit a sum not exceeding five hundred and not less than one hundred pounds:—Provided always, that nothing herein contained shall extend, or be construed to extend, so as to prevent any such person from being chosen to fill any such office as aforesaid, at any time after the expiration of twelve months from the completion of any such sale or lease, or the acquisition of any such right of occupation as aforesaid; but no such person shall be eligible to be so chosen before the expiration of such twelve months.

7. And be it enacted, that nothing in this ordinance contained shall extend to the District of Natal.

8. And be it enacted, that this ordinance shall commence and take effect from and after the promulgation thereof.

WM. HOPE,

Clerk to the Legislative Council.

(2d Reading on Friday, 23d June.)

Draft of an Ordinance,

Presented by His Excellency the Governor to the Legislative Council of the Cape of Good Hope,

For regulating Weights and Measures.

WHEREAS it is necessary for the security of commerce and the good of the community, that weights and measures should be just and uniform; and that true standards should exist, by means of which the accuracy of the weights and measures in public use may be tested and ascertained: And whereas, in regard to certain of the weights and measures in public use in this Colony, no standard thereof exists, either in this Colony, or in any other part of the world, and the same, or many of them, though inconsistent with each other, and obviously erroneous, cannot be rectified, or freed or preserved from error, which is the cause of great confusion and manifest frauds; and whereas

the existence of such evils will be best remedied, and the recurrence thereof in future will be best prevented, by establishing in this Colony the standard of weights now established in and for the United Kingdom of Great Britain and Ireland, and the standard of certain of the measures now established in the said United Kingdom, commonly called the Imperial Weights and Measures: Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that all former laws, customs or usages repugnant to, or inconsistent with, any of the provisions of this Ordinance, shall be repealed, and the same are hereby repealed accordingly.

2. And be it enacted, that it shall and may be lawful for the Governor of this Colony to obtain and import, as soon as may be after the passing of this Ordinance; a copy or model of the standard pound avoirdupois, of the standard yard, and of the standard gallon, as respectively defined and established in and for the United Kingdom of Great Britain and Ireland, by an Act made in the 5th year of His late Majesty King George the IV, entitled "an act for ascertaining and establishing uniformity of weights and measures," together with a copy or model of every part or multiple of such standard pound, yard, and gallon, duly made and verified in pursuance of the said act, under the direction of the Lord High Treasurer of the said United Kingdom, or the Commissioners of Her Majesty's Treasury, or any three of them, which said copies or models shall be made of such materials as shall be best calculated to resist the action of wear and tear, and of the atmosphere.

3 And be it enacted, that the several copies and models aforesaid, so obtained as aforesaid, shall be deposited and carefully preserved, for custody and inspection, in the office of Treasurer General of this Colony; and such copies and models shall be, and the same are hereby declared to be, the original and genuine standards in and for this Colony, of all weights and measures by this Ordinance established and made necessary; and the said Treasurer General shall, upon reasonable notice, and at all reasonable times, produce, or cause to be produced, for inspection, or for testing the correctness of any measure of weight, extension, or capacity, such one or more of the said copies or models as any person shall in writing desire him to produce, such person paying for or in respect of every such copy or model so produced, the sum of Two Shillings and Sixpence, to be paid into the Colonial Treasury. Provided also, that as soon as such copies or models shall be received and deposited, informations thereof and of the several descriptions and denominations thereof shall be given by a Government Notice in the *Government Gazette*.

4. And be it enacted, that if any copy or model, for the time being, so deposited as aforesaid, shall be lost or destroyed, or if the same shall be injured, or supposed or suspected so to be, it shall and may be lawful for the Governor aforesaid to obtain, import, or substitute a fresh copy or model, so verified as aforesaid, in place and stead thereof; and thereupon such fresh copy or model shall be deemed and taken to be the same standard of weight or measure (as the case may be) which the copy or model that it replaced would have been deemed and taken to have been, had the same been duly preserved, and none other substituted for it.

5. And be it enacted, that it shall and may be lawful for the Governor aforesaid to provide, from time to time, such and so many sets of standard weights and measures, verified as in the second section of this Ordinance mentioned, or otherwise verified by comparison with the copies or models deposited, as aforesaid, in the office of the Treasurer General, as the said Governor shall deem to be required, for the adjustment and comparison of the weights and measures in use in the several districts of this Colony; and the said Governor shall cause such standard weights and measures to be preserved by the Resident Magistrates respectively of the several districts of this Colony, or by such other person, or so many other persons, as he shall direct and appoint; and every weight and measure, so provided and preserved as in this section set forth, shall, until the contrary be proved, be deemed and taken to conform to and correspond with the copy and model of the standard weight or measure of the same description or denomination deposited, as aforesaid, in the office of the Treasurer General of this Colony, and to be fit and proper for testing and ascertaining the correctness of other weights or measures, as the case may be. Provided always, that such standard weights and measures, so to be provided as aforesaid, shall not be deemed or taken to be unfit for the purposes aforesaid, by reason that they or any of them are not made of the same materials as the copies or models deposited as aforesaid in the Office of the Treasurer General.

6. And be it enacted, that it shall and may be lawful for every person in this Colony, unless some municipal regulation, duly promulgated, or some provision of this Ordinance shall be thereby contravened, to make use of any weights or measures, being true and just, which shall appear to have been so verified as in the second section of this Ordinance mentioned, and that no assizing nor any mark or stamp by any officer or authority within this Colony shall in such case be necessary.

7. And be it enacted, that from and after the 1st day of May 1849, no weights or measures, not so verified as aforesaid, shall be used for the purposes of any sort of trade or dealing, unless the same shall have been previously assized and stamped or marked, either by the officer in that behalf hereinafter mentioned, or by some municipal officer, authorized by, and acting in pursuance of, some municipal regulation; and any person who shall sell by any weight or measure not so assized and stamped or marked, shall, on conviction, be liable to a penalty not exceeding the sum of twenty shillings. Provided always, that no person shall, under the same penalty, sell beyond the limits of any Municipality, by any weight or measure assized and stamped or marked by any officer of such Municipality, unless such weight or measure shall be assized or stamped or marked by the officer hereinafter mentioned; and provided also that nothing herein contained shall be deemed or taken to impair or affect any regulation in force within any Municipality, touching weights and measures.

8. And be it enacted, that the Governor aforesaid shall nominate in each district some one person or more to be the assizer or assizers of the weights and measures within such district, or within such portion of the same as any such person shall be appointed to act for, and every such assizer shall have charge of or access to some such set of weights and measures as in the fifth section mentioned. And every such assizer shall examine, compare, and, if found correct, stamp or mark with such sufficient stamp or mark as shall, by the Governor aforesaid, be provided and directed, all such weights and measures brought to him for that purpose, as shall, under the provisions of this Ordinance, be proper to be stamped. And for examining, comparing, and stamping or marking weights or measures, such assizer shall demand and receive such fees, not exceeding those in the Schedule to this Ordinance mentioned, as the said Governor shall, from time to time approve and authorise; and which fees

such assizer shall take for his own use, in recompense of his pains and trouble. Provided always, that no weight or measure once stamped or marked by any assizer appointed by the said Governor, under the provisions of this Ordinance need be again assized for the purposes of this Ordinance, unless the owner shall so desire in order to ascertain that it remains and is correct.

9. And be it enacted, that if any assizer, whether one appointed under the provisions of this Ordinance, or one appointed or authorized by the Commissioners of any Municipality, shall either wilfully or for want of due and proper care or skill, stamp or mark as correct any weight or measure, which, by reason of any excess or deficiency therein, ought not to have been so stamped or marked, such assizer shall, for every such offence, be liable to a penalty not exceeding the sum of Five Pounds, and be liable, moreover, to satisfy and make good such damages, if any, as the person at whose instance or on whose behalf such weight or measure was brought to be assized, shall have suffered from his default.

10. And be it enacted, that no assizer appointed under the provisions of this Ordinance shall at any time, nor (except as hereinafter excepted) shall any assizer appointed or authorized by any Municipal Commissioners, at any time after the 1st of May 1849, assize, stamp, or mark any description or denomination of weight or measure which shall not in shape, form, and contents conform to or correspond with some description or denomination of weight or measure, provided as aforesaid, for the use of the district in which such assizer, appointed under the provisions of this Ordinance, shall act, or in which the Municipality in question shall be situated. Provided always, that nothing herein contained shall be deemed or taken to prevent the assizing, stamping, or marking of the local measure called the "schepel," or any part or multiple thereof.

11. And be it enacted, that from and after the 1st day of May 1849, all weights, commonly called Dutch weights, shall be abolished, as also the lineal measure called the "ell," together with the measure of capacity known as the "old gallon;" and if any person shall, after the said 1st day of May 1849, sell by or according to any standard of weight other than the standard pound, as hereinbefore described, and deposited in the office of the Treasurer General, or some part or multiple thereof; or (except as hereinafter excepted) by or according to any standard measure of extension other than the standard yard aforesaid, deposited in the office aforesaid, or some part or multiple thereof; or, in regard to liquids, by or according to any measure of capacity other than the standard gallon aforesaid, deposited in the office aforesaid, or some part or multiple thereof; such person shall, upon conviction, be liable to a penalty not exceeding the sum of Twenty Shillings. Provided that nothing herein contained, in regard to the measure of extension, shall extend to land or any sale thereof: And provided also, that all bargains, sales, and other contracts *bona fide* made before the said 1st day of May 1849, shall be performed and judged of in like manner as if this Ordinance never had been passed.

12. And whereas the use of weights made of soft materials affords facilities for fraud: Be it enacted that no assizer appointed under the provisions of this Ordinance shall at any time, and that no assizer appointed and authorised by any Municipal Commissioners shall, at any time after the 1st day of May 1849, stamp or mark any weight made of lead or of pewter, or of any mixture thereof; and any person who shall, after the said 1st day of May 1849, sell by any such weight, shall, for every offence, be liable to a penalty not exceeding the sum of Twenty Shillings. Provided always that nothing herein contained shall prevent the use of lead or pewter, or of any mixture thereof, in the manufacture of weights, if they be wholly and substantially cased with brass, copper, or iron, and legibly stamped or marked "cased;" nor shall anything herein contained prevent the insertion of such a plug of lead or pewter into weights as shall be *bona fide* necessary for the purpose of adjusting them and of affixing thereon the proper stamp or mark.

13. And be it enacted, that no weight or measure duly stamped by any assizer appointed under the provisions of this Ordinance shall be liable to be restamped, although the same be used in any other district than that in which the same was originally stamped, but shall be considered as legal weight or measure throughout the Colony, unless found to be defective or unjust, or unless some municipal regulation shall be thereto contravened.

14. And be it enacted, that if any bargain, sale, or contract, concerning any goods, wares, or merchandise, shall, after the said 1st day of May 1849, be made the "hundred," or the "hundred pounds," or the "hundred weight," or by any part or multiple of either, such "hundred," "hundred pounds" or "hundred weight, (as the case may be) shall be deemed and taken to mean one hundred pounds imperial avoirdupois, and not one hundred and twelve such pounds, unless it shall be made clearly to appear that the latter was the number actually meant, by the parties.

15. And be it enacted, that from and after the 1st of May 1849, it shall and may be lawful for any Resident Magistrate, Justice of the Peace, or Chief Constable of Police, at all seasonable times, to enter any shop, store, warehouse, stall, yard, or place, within the limits of his jurisdiction or district, and not being within the limits of any municipality, wherein goods shall be exposed and kept for sale, and therein to examine all weights, measures, balances, steel-yards, or other weighing machines there being, and to compare and try such weights and measures with the copies of the imperial standard weights and measures, authorised to be provided as in the fifth section of this Ordinance mentioned; and if upon such examination it shall appear that any weight or measure found therein is formed to represent some weight or measure not belonging to or included in the imperial weights and measures by this Ordinance established, or although formed to represent some weight or measure belonging to or included in the said imperial weights and measures, established as aforesaid, are not stamped or marked, as by this Ordinance required, or, although stamped or marked, are light or otherwise unjust, the same shall be liable to be seized, and the person or persons in whose possession the same shall be found shall, upon conviction, incur the forfeiture thereof, and also a penalty not exceeding the sum of £5; and any person who shall have in his possession any balance, steel-yard or other weighing machine, which shall, on such examination, be found incorrect or otherwise unjust, or who shall refuse or neglect to produce for such examination, when thereto required, all weights, measures, balances, steel-yards, or other weighing machines, which shall be in his possession, or shall otherwise obstruct or hinder such examination, shall incur the like penalty of any sum not exceeding £5. Provided always that nothing in this Ordinance contained shall be deemed or taken to prevent any person from being prosecuted, in ordinary course of law, for any fraud or other crime punishable by law, committed by means of false weights, balances, or measures.

16. And be it enacted, that if any person shall forge or counterfeit, or cause, or procure to be forged or counterfeited, any stamp or mark by this Ordinance

commencement of the same, in and by any proclamation to be for that purpose issued by the Lieutenant-Governor of Natal, and posted upon or affixed to some public place in the town of Pieter Maritzburg.

*Presented by His Excellency the Governor to the Legislative Council of the
Cape of Good Hope.*

For amending and continuing certain provisions of the Ordinance No. 8,
1843, entitled "Ordinance for improving the Public Roads of
the Colony."

WHEREAS by the Ordinance No. 8, 1843, entitled "Ordinance for improving the Public Roads of the Colony," it is provided, that the Central Board of Commissioners of Public Roads therein mentioned, should not assess or impose, in any one division, under and by virtue of the said Ordinance, any greater number of the rates in the said Ordinance described, than three: And whereas it is necessary, for the purpose of completing the main roads of the colony, that the said Board should be empowered to levy certain further rates in each division not exceeding three:—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that the said Central Board of Commissioners of Public Roads shall be, and it is hereby, authorised to assess and impose in each division of this colony, any number of further or additional rates not exceeding three, which further or additional rates shall be assessed, imposed, and levied, and in every respect treated and considered like the rates in the 24th section of the said Ordinance mentioned, precisely as if the said section, instead of providing that no greater number of such rates than three should be assessed or imposed, had provided that no greater number should be assessed or imposed than six.

2. And whereas, since the commencement and taking effect of the said Ordinance No. 8, 1843, to wit, upon the 8th of March 1848, His Excellency the Administrator of the Government, by his Proclamation in that behalf, erected and established certain new divisions, embracing territories which previously belonged to, and formed part of, the divisions which were in existence when the said Ordinance took effect as law: And whereas it is expedient that such new divisions should possess, respectively, divisional boards for improving the branch roads in such divisions:—Be it enacted, that within one calendar month next after the commencement and taking effect of this Ordinance, the civil commissioner of every such new division, or the officer for the time being, acting as such, shall call, in manner and form as in the 29th section of the said Ordinance set forth, the meeting therein mentioned; and every divisional board thereafter elected for any new division shall be deemed and taken to be a divisional board duly elected within the meaning of the said Ordinance, and invested with all the powers and authorities by the ordinance conferred upon divisional boards. Provided always, that in reckoning the number of rates which any divisional board for any such new division may hereafter lawfully assess and impose, every rate which may have been already assessed and imposed upon the immoveable property within such new division, or upon any part of it, by the divisional board of any division in which any such property was formerly situate, shall be duly taken into account, and regarded as if assessed and imposed by such new divisional board.

3. And be it enacted, that no divisional board, elected before the erection of any such new division as aforesaid, for a division which then comprised territory now embraced in such new division, shall have any power or authority in regard to the assessing, imposing, or levying

17. And be it enacted, that all penalties and forfeitures imposed by any of the provisions of this Ordinance shall be recoverable and adjudged, in the court of the Resident Magistrate within whose jurisdiction the act or omission entailing such penalty or forfeiture shall have been done or committed, and may be proceeded for by any person who shall sue for the same; and one moiety of every penalty or forfeiture recovered shall be paid to the party suing for the same, together with his costs, as hereinafter mentioned, and the other moiety to the Colonial Treasury. And in case the party convicted shall not forthwith pay, or secure to the satisfaction of such Resident Magistrate, the amount of the penalty imposed, together with the reasonable costs, incurred by the party suing for the same (such costs, however, not to exceed the amount of costs which, by the rules of the said court, for the time being, would have been payable to such party, had the prosecution by him instituted been a civil action or proceeding for the recovery of an amount equal to the penalty so recovered), it shall be lawful for such Magistrate to commit the offender to prison, and with or without hard labour, for any term not exceeding one month. Provided always, that whether such offender shall be committed to prison or not, it shall and may be lawful for the party who shall have prosecuted such offender to sue out (but at his own expense) a warrant under the hand of such Magistrate, authorizing the levy by distress and sale of the moveable property of such offender, of the amount of such penalty and costs, together with the expense of such distress and sale. Provided also, that any such offender, if committed to prison, shall be forthwith discharged therefrom, although his term of imprisonment shall not yet have expired, in case he shall pay or cause to be paid the amount of such penalty and costs, or in case such amount, together with such expenses as aforesaid, shall have been fully levied and made good by force or virtue of the said distress and sale. Provided always, that any right or measures adjudged, under any of the provisions aforesaid, to be forfeited, shall be broken up, and, if saleable, sold, and the proceeds thereof, after deducting the expenses of breaking up and selling the same, shall be paid, one moiety to the party who shall have proceeded for such forfeiture, and the other half to the Colonial Treasury.

18. And be it enacted, that in the construction of this Ordinance the term "Governor" shall mean the officer for the time being administering the Government of this Colony; and that when and as often as any Public Functionary or officer is herein designated by his name of office, such name shall mean the functionary or officer for the time being acting as such, and that the singular number shall, when necessary to give effect to the enactments of this Ordinance, include several persons or things, as well as one person or thing, and that the masculine gender shall include females as well as males.

19. And be it enacted, this Ordinance shall extend to the district of Natal.

20. And be it enacted, that this Ordinance shall commence and take effect from and after the

Schedule of Fees referred to in the 8th Section of this Ordinance.

(Second Reading on Friday, 23d June.)

*Presented by His Excellency the Governor to the Legislative Council of the
Cape of Good Hope.*

For authorizing the taking of certain Fees by the Registrar
of the District Court of Natal.

WHEREAS, the Honorable the Recorder of Natal saw reason, on the 10th day of March, 1846, to frame a certain Tariff of Fees, to be taken for or on account of the public revenue by the registrar of the District Court of Natal, the same being a tariff supplementary to a former tariff, bearing date the 15th day of January, 1846, which last-mentioned tariff was enacted and established by the Ordinance No. 32, 1846, entitled, "Ordinance for amending the Law regarding certain Rules of Court:."—And whereas, the said supplementary tariff of fees, of which a copy is set forth in the schedule hereunto annexed, is just and reasonable, and ought to be established:—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that the said tariff, as in the said schedule set forth, shall be, and the same is hereby enacted, authorized, and established, and that all sums of money which have at any time since the 10th day of March, 1846, been taken or received, or which shall hereafter be taken and received by virtue or in pursuance of the said tariff, shall be deemed and taken to have been lawfully taken and received.

And be it enacted, that this ordinance shall commence and take effect from and after such date as shall be fixed and appointed for the

rates; or in regard to any matter or thing whatever within any of the territory withdrawn from the old division and included in the new; but every such divisional board shall continue and be the divisional board for the residue of such old division and no more. Provided always, that if, in any case, any member of such divisional board shall be resident in the territory now belonging to the new division, he shall be held to be disqualified as such member, and his office is hereby declared vacant.

4. And be it enacted, that the divisional board of every such new division as aforesaid, and none other, shall be entitled to collect and receive any amount of road rates already assessed by any other divisional board upon, or in respect of, any immoveable property now situate within such new division, and which remain due and unpaid; and such new board shall have the same right and remedies to recover such arrears, as if they had been arrears of a rate imposed by such board.

5. And be it enacted, that in case any divisional board now existing, shall have raised money by way of loan on the credit of any rates to be assessed by such board, or shall have incurred any debt upon the faith of such rates, (whether already assessed and imposed or not), the divisional board for any new division, which shall embrace any of the immoveable property which before belonged to the division for which such old divisional board was elected, shall be bound to raise and pay to such old divisional board such a proportion of such loan or debt, as the value of the immoveable property which, when such loan or debt was incurred, belonged to the old division,—but is now included in the new,—bears to the value of the whole of the immoveable property which, at the time last-mentioned, belonged to the old division. And in case of any difference or dispute arising between the divisional boards of any old or any new division, touching the amount of any such contribution, the central board aforesaid shall examine into the same, and its decision shall be final, and binding upon both parties.

6. And be it enacted, that if, at any time hereafter, the Governor for the time being, shall be pleased, by proclamation, to erect or create any new division for or in respect of matters connected with the functions and duties of civil commissioners, which new division shall comprise and embrace immoveable property that, before such proclamation, belonged to, or formed part of, some older division or divisions; then, and in that case, a divisional board shall be elected for such new division, and the provisions of the 2d, 3d, 4th, and 5th sections of this ordinance shall, so far as applicable, be applied to the divisional board of such new division, and the divisional board or boards of such other division or divisions as previously comprised any of the immoveable property of such new division. And in every such case, the civil commissioner of such new division shall, within one calendar month next after the day of the promulgation of the proclamation aforesaid, creating such new division, call the meeting hereinbefore and in the 29th section of the ordinance aforesaid, No. 8, 1843, mentioned.

7. And whereas, by the ordinance aforesaid, No. 8, 1843, the rates to be assessed or imposed by any divisional board are restricted to three: And whereas, it is expedient to provide for enabling the rate-payers, if so disposed, to authorise the divisional board, for the time being, to improve, from time to time, the branch roads of the several divisions:—Be it enacted, that, after the said three rates by the ordinance aforesaid authorised shall have been assessed and imposed, it shall and may be lawful for the civil commissioner of any division for the time being, and he is hereby required, when, and as often as he shall receive a requisition to that effect, signed, by any number of rate payers in the division, not less than twelve, to call, upon a notice of not less than thirty-one days, to be published in the *Government Gazette*, a meeting of all the owners of immoveable property in such division, valued at fifty pounds or upwards, to be held at some convenient time and place to be named in such notice, for the purpose of deciding whether or not a further rate shall be levied upon such immoveable property, in order to improve the branch roads of such division; and if, at such meeting, the majority, as well in number as in value of rateable property, shall be in favor of assessing and imposing a further rate of a certain amount, not exceeding one penny in the pound, and shall so resolve; then the divisional board for the time being shall assess and impose such rate, which shall, in all respects, be deemed, taken, and judged of precisely as if the same had been one of the three rates by the ordinance aforesaid contemplated. But if any such meeting shall negative any proposed further rate, no meeting shall be called for again considering the propriety of assessing and imposing a further, until the expiration of a period of twelve calendar months from the day on which the former meeting was held.

8. And be it enacted, that nothing in this ordinance contained shall extend to the district of Natal.

9. And be it enacted, that this ordinance shall commence and take effect from and after the date of the promulgation thereof.

WM. HOPE,

Clerk to the Legislative Council

(2d Reading on Friday, 23d June.)

Draft of an Ordinance,

Presented by His Excellency the Governor to the Legislative Council of the Cape of Good Hope,

For regulating the Duties and Remuneration of Field-cornets.

WHEREAS, owing to the various alterations made from time to time, in the administration of the country districts of this colony, the functions of field-cornets have been considerably narrowed; and it is now expedient to define or describe their duties, and to substitute for the principle of a fixed annual allowance, a remuneration pro-

portioned to the services performed:—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that the "Instructions for the Field-cornets in the several Country Districts," published by the then Governor and Council of this Colony on the 24th October 1805, shall be repealed, except in so far as the same repeal any former placards, ordinances, or customs, and the same are hereby repealed accordingly. Provided always, that the field-cornets and assistant field-cornets shall continue to be appointed as at present.

2. And be it enacted, that from and after the commencement and taking effect of this Ordinance, the several duties belonging to the office of field-cornet shall be the following, that is to say,—

- (a) He is, by virtue of his office, an officer of the law proper for the execution of criminal warrants, and as such, is bound to apprehend without warrant, every person whom he shall have reasonable grounds to suspect of having committed any murder, culpable homicide, rape, robbery, or assault, with intent to commit any of those crimes, or assault, in which a dangerous wound is given, arson, housebreaking, with intent to commit a crime therein; or theft of any cattle, sheep, or goat; or any other crimes of equal guilt with any of those crimes. And he may also take into custody every person whom he shall see engaged in any affray, or whom he shall find attempting to commit a crime, or clearly manifesting an intention so to do.
- (b) Whenever it shall be brought to his knowledge that any person, within his ward, has died other than a natural death, namely, by violence or accident, or his own act, or the act of God, the field-cornet shall, with all speed, repair to inspect the body, and hold an inquest thereon.
- (c) The field-cornet will obtain and transmit to the resident magistrate the fullest information respecting the circumstances of any such untimely death, and communicate, at the same time, the result of his own observations.
- (d) In cases of assault in which any wound, supposed to be dangerous, has been given, the field-cornet will repair to and examine the injured party, and apprise the resident magistrate of the case and its circumstances.
- (e) When he shall arrest any prisoner, he is authorized, if need be, to appoint any proper person or persons to be a special constable or special constables, for the custody and conveyance of such prisoner to the nearest field-cornet on the road to the nearest gaol, or in case he himself be the field-cornet nearest to the gaol, then he will send the prisoner to the gaol direct. And every such special constable will be paid at the rate of four pence for each mile which he shall convey any prisoner, or prisoners, and four pence for each mile which he shall be obliged to return to his own residence, besides being repaid any sum which he may have expended in providing necessary food or lodging for such prisoner or prisoners.
- (f) Every field-cornet is bound to receive all prisoners brought to him from any field-cornet or justice of the peace at a greater distance from the gaol, and to pass such prisoners on towards the gaol in the same manner as if he had arrested them himself. And any special constable appointed by him to convey any such prisoner,—whether the same special constable who brought such prisoner, or one appointed anew,—shall be entitled to the mileage aforesaid.
- (g) Every field-cornet whose ward adjoins the sea, shall, in all cases of ships or vessels wrecked or stranded upon the coast, repair to the spot, and use every exertion in his power to save life and property; and he may appoint such number of special constables as may be necessary to protect property and prevent plunder.
- (h) Every field-cornet receiving special instructions from the resident magistrate, respecting any special duty to be performed, will duly conform to the same.

3. And be it enacted, that the remuneration to be received by field-cornets shall, hereafter, be as follows, that is to say,—

- (a) When he shall be from home engaged in any such service as aforesaid, he shall receive an allowance for horse-hire at the rate of _____ per hour.
- (b) When he shall be from home, engaged in any such service as aforesaid, he shall receive an allowance for his time at the rate of _____ per day.
- (c) Besides any claim which he may have for time and horse-hire, he shall receive for every inquest which he may hold, the sum of _____
- (d) For receiving, supplying with necessary food, and forwarding from his residence, any person brought to him on his way to gaol, he shall be entitled to the sum of _____
- (e) For any special service required of him by the resident magistrate, and not adequately repaid by an allowance for time and horse-hire, the field-cornet shall receive such a sum as the governor of the colony shall approve of and direct.

4. And whereas all duties of a fiscal nature, formerly discharged by field-cornets, have ceased and determined,—Be it enacted, that from henceforth, the field-cornets shall be deemed and taken to be under the authority of the resident magistrate of the district, and not of the civil commissioner of the division.

5. And be it enacted, that nothing in this Ordinance contained, shall extend to, alter, or affect any former Law or Ordinance, by which any duty or service has been imposed upon field-cornets; and every field-cornet while acting in the performance of any such duty or service not otherwise remunerated, shall be entitled to be paid for time and horse-hire at the rate aforesaid.

6. And be it enacted, that this Ordinance shall commence and take effect, as law, from and after the

Draft of an Ordinance,

Presented by the Honorable WILLIAM PORTER, Esq., to the Legislative Council of the Cape of Good Hope.

For enabling Catherine Mary Pigot, Executrix of the Will and Testament of the late George Pigot, to sell and dispose of a certain piece of Perpetual Quitrent Land, called "Pigot Park," and to invest the proceeds thereof in the names of Trustees for the purposes provided by the said Will and Testament.

WHEREAS by the Last Will and Testament of the late George Pigot, late of "Pigot Park," in the Division of Albany in this Colony of the Cape of Good Hope, duly executed upon the fourth day of September 1828, and which said Will and Testament was confirmed by the subsequent death of the said George Pigot, he did amongst other things give and bequeath to his daughter Catherine Mary Pigot, therein named Catherine Pigot, and to her heirs in succession, a certain piece of Perpetual Quitrent Land, therein described as his quitrent farm called "Pigot Park," in Albany, South Africa, as also the buildings thereon, and by the said Will further provided, that in case his said daughter Catherine Mary Pigot should die without children, he entailed the farm called Pigot Park on his daughter Sophia Moodie, (wife of Donald Moodie) and to her children in succession, as follows: first, Sophia Eliza (now married to David Taylor), second, Catherine Jemima, third, William James Dunbar; the said piece of Perpetual Quitrent Land being a piece of one thousand, eight hundred and twenty-eight morgen, and three hundred and eighty-eight square rods of land, granted to the said George Pigot, as more fully described in the grant thereof made and executed by the Governor of this Colony upon the 20th day of November 1823; which said piece of perpetual quitrent land the said Catherine Mary Pigot, as the Executor Testamentary of the said George Pigot, ceded and transferred to and on behalf of herself upon the 4th day of June 1841: And whereas it would be advantageous to the said Catherine Mary Pigot and to the said Sophia Moodie and her children, named in the said Will and Testament of the said George Pigot, to enable her to sell the said piece of perpetual quitrent land, and to lay out and invest the proceeds thereof in such manner as that the same may be safe and available for the purposes set forth in the said Will and Testament: And whereas the said Sophia Moodie and her husband the said Donald Moodie for their own interest, the said Sophia Eliza Moodie and her husband the said David Taylor for their own interest, and the said Donald Moodie as Guardian of the said Catherine Jemima Moodie and the said William James Dunbar Moodie, who are minors, consent and desire that the same should be sold, and the proceeds invested as aforesaid.

1. Be it therefore enacted, by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that the said Catherine Mary Pigot shall be and is hereby authorised and empowered, with the consent and approbation of the said Sophia Moodie, Donald Moodie, Sophia Eliza Taylor, David Taylor, for their own interests respectively and the said Donald as Guardian of the said Catherine Jemima Moodie and William James Dunbar Moodie, to sell the said piece of perpetual quitrent land either by public sale or private contract, and for such sum as can be obtained for the same, and thereupon to cede and transfer the same to the purchaser or purchasers thereof, as his or their free and unincumbered property. Provided, however, that the net proceeds arising from the sale thereof shall be laid out and invested by and in the name of the said Catherine Mary Pigot, Donald Moodie, and David Taylor, as Trustees for the purposes set forth in the said Will and Testament.

2. And be it enacted, that it shall and may be lawful for the said Trustees, and the Trustees for the time being, to be appointed in manner hereinafter provided, to withdraw the said proceeds or such sum or sums as may come into their hands by virtue of the Trusts hereby in them vested, and to re-invest the same in such manner as may seem to them most advantageous and expedient. Provided always that the securities for all monies so invested, and the title of all real property, if any, which may be purchased with the said proceeds or monies, shall be framed and taken in such manner as that the same shall be vested in the said Trustees, or the Trustees for the time being, for the purposes set forth in the said Will and Testament.

3. And be it enacted, that in case any of the said Trustees shall happen to die, or desire to be discharged from the Trust hereby in them vested, then and so often it shall and may be lawful for the remaining trustee or trustees to appoint a new Trustee or Trustees in the place of such Trustee or Trustees so dying, or being discharged from the said Trust, and the Trustee or Trustees so appointed shall have the like power to act in the aforesaid Trust to all intents and purposes as if he or they had actually been herein nominated and appointed to be a Trustee or Trustees.

4. And be it enacted, that the Trustees hereby appointed or hereafter to be appointed in manner aforesaid, and each of them, and the heirs Executors, and Administrators of them, and each of them, shall be chargeable and responsible for such monies or property as they shall respectively actually receive, or become possessed of, by virtue of the Trust hereby in them respectively vested, and any one or more of them shall not be chargeable or responsible for the acts, neglects, or defaults of the other or others of them, but each of them only for his acts, neglects, or defaults, and also that the said Trustees and each

of them, and the Heirs, Executors, and Administrators of them, and each of them, shall and may, out of such monies as shall come into their hands by virtue of the Trust aforesaid reimburse themselves respectively, and also allow to their Co-Trustees or Trustee all reasonable costs, charges, and expenses which they or either of them shall or may suffer, sustain, disburse or be put to, in or about the due execution of the aforesaid Trust or in any way relating thereto.

5. And be it further enacted, that any two of the said Trustees hereinafter or hereafter to be appointed, shall at all times be a quorum for the execution of the said Trust.

6. And be it enacted, that this Ordinance shall commence and take effect from and after the date of the publication thereof.

Draft of an Ordinance,

Presented by the Honorable WILLIAM PORTER, Esq., to the Legislative Council of the Cape of Good Hope,

For amending the Ordinance No. 86, entitled "Ordinance for establishing and regulating a new Savings Bank, in the Colony of the Cape of Good Hope."

WHEREAS the Ordinance No. 86, entitled "Ordinance for establishing and regulating a new Savings Bank in the Colony of the Cape of Good Hope," requires, in some respects, to be amended:—Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that so much of the said ordinance as shall be repugnant to or inconsistent with any of the provisions of this ordinance shall be repealed, and the same is hereby repealed accordingly.

2. And be it enacted, that all inhabitant's resident in Cape Town, or within ten miles thereof, shall be eligible to be elected and become managers of "the Cape of Good Hope Savings Bank Society."

3. And be it enacted, that no person, by reason merely that such person is a member of the said society, shall be deemed or taken to be debarred from making deposits in the said Savings Bank, or deriving interest or profit from the funds so deposited, in like manner as if such depositor were not a member of the said society.

4. And whereas the attendance of two or more managers, as in the 20th section of the ordinance aforesaid mentioned, is at times irregular, and it is desirable to provide for greater punctuality in the despatch of the business devolving upon such managers; Be it enacted, that it shall and may be lawful for the committee of management of the said society, by any resolution thereof, from time to time to authorize and direct the payment, out of the surplus funds of the said society, of a fee or allowance, not exceeding the sum of five shillings to each manager, not exceeding two, who shall attend at the office or place of business of such society at such time as shall be appointed by any rule or regulation of the said society. And it shall and may be lawful for the said committee of management, by any resolution thereof, to provide as they shall see fit or the mode in which other managers, or another manager, shall be called in, in case of non-attendance at the proper time of both or either of the managers in their order of rotation, and to determine that the fee or allowance which would have belonged to the person or persons absentsing himself or themselves had he or they attended, shall be received by the person or persons attending, in manner and form as the said committee shall by resolution fix, in his or their room and stead.

5. And be it enacted, that the general meeting of the committee of management in the 10th section of the said ordinance mentioned, and therein directed to be held on the first Thursday in every month, may be lawfully held upon such day in the first week of every month, as shall by any rule or regulation of the said committee of management be fixed and appointed.

6. And be it enacted, that the general meeting of the said Savings' Bank Society, in the 17th section of the ordinance aforesaid mentioned, and therein directed to be holden in the month of January in each year, shall be held, not in the said last mentioned month, but, in lieu and stead thereof, in the month of March in each year. Provided always, that the said 17th section shall, in all other respects, remain and continue in full force and effect, and that the committee of management now existing, shall continued to act until their successors shall be elected at the next general meeting aforesaid, which will be held in the month of March 1848.

7. And be it enacted, that for the purpose of attesting any such declaration as is in the 21st section of the said ordinance mentioned, any office bearer in the said society shall be taken and construed to be a manager, and, as such, to be competent to attest any such declaration.

8. And be it enacted, that this ordinance shall commence and take effect from and after the promulgation thereof.

Clerk of the Legislative Council.

PROCLAMATION

BY HIS EXCELLENCY LIEUTENANT GENERAL
SIR HENRY GEORGE WAKELYN SMITH, BARONET,

Knight Grand Cross of the most Honorable Military Order of the Bath, Colonel of the Second Battalion of the Rifle Brigade, Administrator of the Government of the Settlement of the Cape of Good Hope in South Africa, and of the Territories and Dependencies thereof, and Ordinary, and Vice-Admiral of the same; and Her Majesty's High Commissioner for the settling and adjustment of the affairs of the Territories in Southern Africa, adjacent and contiguous to the Eastern and North Eastern Frontier of the said Colony, &c. &c. &c.

WHEREAS I did, by a Proclamation, bearing date the 3d of February 1848, issued by me, in my capacity as Her Majesty's High Commissioner for settling and adjusting the affairs of certain Territories adjacent to the Colony of the Cape of Good Hope, proclaim, declare, and make known the Sovereignty of her said Majesty over certain Territories North of the Great Orange River, in the said Proclamation mentioned and described: And whereas, at various times during the period for which Her Majesty's Emigrant Subjects have

occupied parts or portions of the said Territories, many marriages have taken place amongst them, which, owing to the impossibility of obtaining the presence or aid of any Minister of the Gospel, and of conforming to divers requirements of law, have not, as it is supposed, been solemnized in such a manner as to render the same valid and effectual: And whereas, the said marriages were so irregularly contracted by reason solely of the necessity under which the parties lay, while deprived alike of Religious Teachers, and of regular and established Laws, and arose from no want of due reverence for the Holy Ordinance in question, or for the spiritual sanctions with which, amongst Christians, it is customarily and fitly solemnized: And whereas, taking these things into my consideration, and being desirous to confer upon Her Majesty's said Subjects the important advantage of having their children's legitimacy established, and their said Marriages legalized for all purposes of law, I have determined to exercise for that end, the powers and authorities in me vested:— Now, therefore, I do, as Her Majesty's High Commissioner as aforesaid, hereby PROCLAIM, DECLARE, and MAKE KNOWN, the several following Provisions and Regulations, touching and concerning the Marriages aforesaid; that is to say—

1st. The British Resident in the Territories aforesaid is hereby authorized and required to frame and preserve a General Register of all such Marriages as shall, under any of the Provisions hereinafter contained, be transmitted or reported to him for registration.

2d. Such General Register shall set forth or show the names and residence of the husband and of the wife; their respective ages and condition in life; the date of the Marriage, and any other particulars which the said British Resident may be instructed by the High Commissioner to record.

3d. Every couple (except as hereinafter excepted) united together within the said Territories as man and wife, in the presence of Witnesses, by any form of words expressive of their mutual and solemn consent to become and be, then and there, and from thenceforth, married people, married together, may have their said marriage registered. But no marriage, or pretended marriage, shall be registered, in which the parties are connected with each other by consanguinity or affinity in such a degree that the Governor of the Colony of the Cape could not by law have granted to them, if resident in the said Colony, a valid dispensation or authority to marry, and that no valid marriage could, by the laws of the said Colony, be therein solemnized between them, if domiciled in the said Colony; and if any marriage, or pretended marriage, hereby declared incapable of registration, shall yet be registered, such registration shall have or possess no force or effect. But no ground of objection arising from consanguinity or affinity which could in the said Colony have been dispensed with, by the authority of the said Governor, shall prevent registration, or its consequences, as hereinafter declared.

4th. Whenever any two spouses, married as aforesaid, shall together come before the British Resident, or any Magistrate resident in the said Territories, and shall declare the fact of such marriage, the Resident or Magistrate (as the case may be) shall ascertain, and record in writing, the names of the said Spouses, their residence, the date and place of their said marriage, and their respective conditions in life at the time of such marriage, whether they were previously married or not; and such record shall be signed or acknowledged by the said Spouses, in presence of the Resident or Magistrate. When any doubt shall appear to rest upon the fact or date of the alleged marriage, the Resident or Magistrate may call for the certificate in writing, or the solemn declaration before himself of such credible witness or witnesses as were present at, or cognizant of, the said marriage. But when, and as often as, any such marriage shall have been contracted before, and attested by, any person or persons recognized at the time amongst Her Majesty's Emigrant Subjects as holding a public office or authority, entitling him or them to attest marriage, any such attestation or a copy thereof shall, upon the identity of the married people being ascertained, be conclusive proof of the fact and date of the said marriage.

5th. In case it shall be inconvenient for both spouses to repair to the said Resident, or to any Magistrate, the latter may ascertain from the husband alone the circumstances aforesaid, and from them prepare the record. But when the husband shall appear alone, he will provide himself with a written certificate or statement, signed by the wife, or acknowledged by her in the presence of two neighbours, who shall witness the same, in which certificate or statement the wife shall set forth the date of the marriage between herself and her husband. And this certificate or statement shall be preserved, together with the record signed by the husband. In case of any doubt as to the fact or date of the marriage, the Resident or Magistrate shall proceed as before, in order to remove the same.

6th. Should either of the Spouses have departed this life, since contracting any such marriage as aforesaid, leaving the other of them still surviving, such survivor may appear before the British Resident or any Magistrate as aforesaid, and thereupon the record shall be prepared as if both spouses were living and present; except that the signature of the survivor alone shall be sufficient, and that the record shall set forth the death of the deceased. In every such case, moreover, the Resident or Magistrate shall require clear evidence, whether oral or by certificate or affidavit, as he shall judge necessary, of the fact and date of the marriage, and shall, when it is practicable, ascertain that the relatives or friends of the deceased concur in recognizing the said marriage.

7th. Should it happen, in any instance in which any such marriage shall have been contracted before, and attested by, any such persons in office or authority as are hereinbefore referred to, that either of the spouses shall refuse to join the other of them in obtaining the registration of the said marriage, then the spouse desiring such registration shall be at liberty to appear before the Resident or Magistrate, who shall, upon proof of such refusal, and production of such attestation as aforesaid, or an authentic copy thereof, and upon such further inquiry or proof, if any, as the said Resident or Magistrate shall judge necessary, prepare the necessary record, to which the signature of the spouse applying shall be sufficient, and which shall set forth the refusal of the other spouse.

8th. It shall not be any ground for refusing to prepare a record of, or to register any marriage, that both or either of the parties to the same, at the time of contracting the same, were under age.

9th. When, and as often as, any such Magistrate as aforesaid shall have prepared any such record as aforesaid, he shall, with all convenient speed, transmit the same, with all other writings or papers connected therewith, to the British Resident, who shall register every such marriage; and in all cases in which the necessary records shall be prepared by such Resident himself, he shall, from or by means of them, register the marriage therein mentioned.

10th. Every such marriage as aforesaid, when registered by the British Resident, shall, from and after such registration, be a marriage as lawful for

all objects and purposes as a lawful marriage within the Colony of the Cape of Good Hope, and shall for all purposes and objects of a civil nature be deemed and taken to have been a lawful marriage from and after the date of the contracting of the same; but whether the same shall, from the date last mentioned, be deemed and taken to have been a lawful marriage for the purpose of a prosecution for bigamy or polygamy, in case either party shall afterwards, during the life-time of the other party, have contracted another marriage, shall be judged of and determined by the general principles of law, and independently of any of the provisions of this Proclamation.

11th. And whereas, some Ministers of the Dutch Reformed Church of the Cape Colony have heretofore proceeded to the said Territories, for the purpose of performing therein, as generally as circumstances would permit, the rites and services of religion: And whereas, certain of the Emigrant Subjects aforesaid have, from time to time, been married by such Ministers, as also by the officiating Minister in the Dutch Reformed Church at Pietermaritzburg, in the District of Natal: And whereas, there is reason to suppose that in all cases in which any such Minister as aforesaid shall have solemnized any marriage between parties who had previously lived together as man and wife, by virtue of any such irregular marriage as is hereinbefore mentioned, the said Minister has recorded as well the fact and date of such previous marriage as the marriage solemnized by himself: And whereas, it is fit that full credit be given to all matters so vouched, it is hereby declared and directed that the British Resident shall receive all original marriage records made by any such minister, or authentic copies thereof, as evidence of the facts therein contained, and shall from or by means of them register the marriages therein mentioned, without requiring the presence of either spouse, or any further proof; and that from and after such registration every such marriage shall be deemed and taken to have been a lawful marriage, to all intents and purposes, from the date of the solemnization thereof by such minister, and to have been for all purposes of a civil nature a lawful marriage, from the date mentioned in the marriage record made by such minister, as that on which the first or previous marriage (if any) was contracted. But if, in any case, the fact or date of such previous marriage shall not appear in or by such marriage record, then the spouses or spouse desiring the registration of such first or previous marriage shall proceed in the same manner as is in that or the like behalf hereinbefore provided; but in every case, the marriage solemnized by such minister shall, after the registration thereof, be deemed to be a lawful marriage, to all intents and purposes, from the date of such solemnization.

12th. And whereas it is necessary to make temporary provision for the contracting of marriages within the territory aforesaid, pending the opening of churches and the settlement of fixed ministers within the same, it is hereby declared and directed that all persons who shall hereafter be married by any minister belonging to the Dutch Reformed Church of the Cape Colony, or person commissioned by the same to solemnize marriages within the said territories, shall be deemed and taken to be lawfully married; and such marriage shall be registered by the British Resident aforesaid, from or by means of the marriage records of such minister or person, and no publication of banns shall be necessary.

13th. If it shall so happen that any persons desirous to marry shall be unable to obtain the services of a minister, from whom their marriage might receive the solemn and becoming sanctions of religion, such persons may apply to, and come before, the said British Resident, or to the nearest Magistrate, and each of them shall, in his presence, solemnly declare that they know of no impediment to their marriage, and that they desire him to witness that they take each other respectively to be husband and wife; and thereupon a record of the said marriage shall be prepared, and the same shall be duly registered; and every such marriage shall be deemed to be as valid and effectual, and of the same force and obligation, as a lawful marriage solemnized within the Cape Colony.

14th. If both or either of the intended spouses be under age, the Resident or Magistrate (as the case may be) shall, before permitting the marriage (unless in the case of a widow or widower) require proof of the consent of the parents or guardians, unless it shall be made to appear to him that there are none such living, or that they, without sufficient reason, refuse consent, or that, owing to distance or other causes, such consent could not possibly, or without much inconvenience, be obtained. But no marriage, once permitted and recorded, shall be impeached upon the ground that both or either of the spouses, being under age, were or was married without consent of parents or guardians.

15th. A certificate, signed by the British Resident, or Officer acting as such, stating the registered particulars of any marriage registered by him or in his office, in pursuance of this Proclamation, shall be good evidence of such marriage before all Courts and Magistrates.

And, lastly, I do hereby PROCLAIM, DECLARE, and MAKE KNOWN, that while, in my earnest desire to consult, as much as in me lies, the interests and feelings of all Her Majesty's subjects in the Territories aforesaid, and those of their wives and children, I have determined to take all measures necessary for establishing their marriages aforesaid beyond dispute or controversy; nothing in this Proclamation contained is to be construed so as to render invalid any marriage, contracted in the said Territories, and not registered under this Proclamation, which marriage would otherwise by law be regarded as valid;—it being my wish and intention not now to decide that any sort or description of marriage is illegal, but to furnish an easy and convenient mode by which certain marriages, now supposed to be illegal, may have their legality placed beyond doubt.

GOVERNMENT NOTICE.

Colonial Office, Cape Town,
24th May, 1848

HIS Excellency the Administrator of the Government has directed the publication of the following Minute, for general information.

By Command of His Excellency the Administrator of the Government,
(Signed) JOHN MONTAGU,
Secretary to Government.

LAND SETTLEMENT AT NATAL.
MINUTE.

Government House, Cape Town,
24th May 1848.

I have read, and attentively considered, the several Documents lately received from His Honor the Lieutenant Governor of Natal, relative to certain impediments which have presented themselves in the carrying out of the objects and provisions of the Proclamation of the 10th of February 1848.

After weighing the many and, in some respects, conflicting considerations which are indissolubly connected with the subject of Land Claims at Natal,—I have come to certain conclusions, which I shall now proceed to state, and which, being elucidative of the Proclamation of the 10th February, are to be regarded as instructions for the guidance of the Land Commission therein appointed.

1. Whilst the primary and proper object contemplated by the appointment of the Land Commission was to promote the peopling, and consequent prosperity of the District, by settling on farms within it, Emigrants sojourning beyond its limits, in discontent and discomfort,—I, at the same time, approve of the course (which seems to have been adopted) of submitting all land claims, without distinction, for the recommendation of the Board. The Land Commission will, therefore, continue to receive such claims and applications as shall be addressed to them, whether by persons claiming registered farms or those claiming farms not registered, and whether by persons who have come into the District under my Proclamation or persons who were resident previously to the issuing of that instrument. By thus passing all land claims through the hands of the Board, all chance of confusion of claims or inconsistent arrangements will be excluded.

2. Being satisfied that the twelve months' occupation test prescribed by the Proclamation of the 12th of May 1843, and by the application of which the claimants were originally divided into two classes, No. 1 and No. 2, was a test but ill adapted, in most instances, for the ascertaining of real merits and well grounded claims,—I now authorize the Board to make no distinction (unless where special circumstances shall, in any special case, seem to render a distinction just and fitting) between original claimants in class No. 1 and original claimants in class No. 2. An original claimant in class No. 2, registered for a farm, may receive a farm of the same extent as a claimant registered for a farm in class No. 1. And original claimants registered in class No. 2, for more than one farm, shall have their claims to them considered upon the same principles as if they had been so registered in class No. 1. But all claimants in class No. 2, in whose favor the old arrangement is thus relaxed will, in case they receive a full farm of 3,000 morgen, (instead of one of 1,000 morgen,) be liable to such reasonable restrictions upon selling and quitting the District as are in the 5th clause of this Minute mentioned. Heirs of original claimants, and purchasers, or other parties, deriving from original claimants in class No. 2, shall be considered as clothed with the rights of those whom they represent, and shall receive the grants which the original claimants, but for death or alienation, would have themselves received. But while this principle of liberal and just equality is to be the general rule, the Board will not view it as requiring them to recommend, in regard to lands adjacent to the coast, (where the lands are comparatively unsuitable for grazing purposes, but very fit for agriculture) any original claimant in class No. 2, or purchaser from any such original claimant, for a farm of greater extent than 1,500 morgen, or 3,000 acres. It is not, however, intended to restrict any purchaser from or out of class No. 2, any more than a purchaser from or out of class No. 1, who may have acquired a plurality of claims, in regard to the number of farms which he shall receive. In this respect both classes are to be dealt with alike.

Volksraad, which farms, owing to circumstances beyond the control of the claimants, were not inspected, are to be recognized as claimants for grants of the same nature and extent as if they were claimants belonging to class No. 2; and purchasers and others duly deriving under them, are to be treated as if they themselves were such original Emigrants. To prevent, however, persons who have left, and purpose to continue absent from the district, from selling the right now bestowed, either while so absent, or when within the district merely upon a visit, no claimant under this section will be empowered to convey any interest whatever to a purchaser from him, unless such sale shall be effected within the limits of the district and with the approval of the Land Commissioners. All persons receiving grants under this clause will, of course, be subject to the restrictions, in regard to alienation and removal from the district, which have been already referred to, and are hereafter set forth.

4. Besides the several kinds of claimants who have been already described, and the late occupants on the Klip River, (for whom the Proclamation of the 10th of February has explicitly provided) the Commissioners will be authorised to recommend the grant of one farm of 3,000 morgen, beyond the Tugela River, to each Emigrant subject from the Drakensberg or the Country beyond,—or who may, though in the District of Natal, be unprovided with a farm, and who desires to settle and occupy. Emigrant subjects who were once registered, but who parted with their titles and are now without any farm, may also be settled on a farm beyond the Tugela, without purchase or payment. If any such late registered claimant shall be prepared to pay into the District Treasury such an amount, (not exceeding the sum or value for which he parted with his former registered right, as the Commissioners shall fix,) the Commissioners will be authorised to recommend him for a farm in such other part of the District as he may, with the approbation of the Board, prefer and elect. And all grants made under this clause will contain the condition respecting non-alienation, which is next set forth.

5. I do not contemplate the likelihood that any considerable number of the Emigrants whom I have testified, and am anxious still further to testify, my anxiety to benefit, would seek to pervert the object and intention of my Proclamation to improper purposes,—and solicit farms merely to sell them and remove. It is just and right, however, that provision should be made to thwart any such unfair attempts, if made,—but so, at the same time, as to leave it in the discretion of the Lieutenant Governor to authorize a relaxation of the restrictions which it is expedient to impose. All grants, therefore, of farms exceeding 1000 morgen, made to original claimants in class No. 2, or persons deriving under original claimants,—and all grants made to such claimants as are described in clauses 3 and 4 of this Minute, will contain a stipulation to the effect that the grantee and his heirs shall not, for a term of seven years, sell or let to line the farm granted, either wholly or in part, without the previous consent of the Lieutenant Governor, (who will judge, according to circumstances, whether such consent should be given,) and that any breach of the stipulations shall entitle the Government to resume the farm. And inasmuch as the above provision could be easily evaded by judicial sales, it will be further provided in every such grant that the land shall not, for seven years, be executable under any judgment or decree of Court, but that instead of being sold in execution, it shall be resumable, at the option of the Government, upon payment to or for the creditor, of the value of the buildings erected and improvements made by the grantee, such value to be fixed by a fair appraisement.

6. Any individual who would, under any of the provisions of this Minute, be entitled to expect a grant of a coast, or agricultural, farm, limited to 1500 morgen, may, if he should prefer it, obtain in exchange a farm of 3000 morgen, situated in such other part of the district as he may, with the approbation of the Board, fix upon and elect.

7. In every case in which the Land Commission shall, in carrying out the objects of the Proclamation of the 10th February, or this Minute, recommend any grant, the Lieutenant Governor will consider himself as fully authorized by me to act upon their recommendation.

8. It is to be always borne in mind that my Proclamation of the 10th of February, this Minute, and the Land Commission,—being calculated and intended to meet a temporary exigency,—will continue in force no longer than the term of twelve months originally mentioned, and that the present plan of settling a permanent, peaceable, and prosperous population in the Natal District, will expire on the 10th of February 1849.

(Signed) H. G. SMITH.

Government House, Cape Town,
15th May 1848

WITH reference to the Manifesto issued by Her Majesty's High Commissioner, on the 29th of March 1848, addressed to those of the Emigrant Burghers who had been represented to His Excellency, to be wavering in their allegiance from the efforts of evil-disposed persons, engaged in perverting and misrepresenting to them the Proclamations of the 3rd and 10th of February, and 8th March,—His Excellency considers it an act of justice to those Emigrants to publish the following extracts and documents, (from amongst several others of the same scope and tendency) which, while they have afforded him the highest personal satisfaction as proofs that a paternal Government is appreciated by those who from unhappy circumstances have been so long left to struggle for themselves in the midst of anarchy and confusion, at the same time completely vindicate the characters and loyalty to Her Majesty the Queen, of the Emigrant Farmers, from the misrepresentations of interested and unprincipled agitators.

His Excellency has heartfelt gratification in now publicly relieving the Burghers as a body, from the aspersions attempted to be cast upon them, and in showing that the trust and confidence frankly and unhesitatingly reposed in them, upon their own assurances to himself in person, were not misplaced; and thus do loyalty and the true feelings of a Christian triumph over wicked endeavours to mislead good men.

By Command of His Excellency
the High Commissioner,
(Signed) RICHARD SOUTHEY,
Secretary.

District of Caledon, 21st April 1848.

To His Excellency Lieut. General Sir H. G. SMITH, Bt., Governor of the Colony of the Cape of Good Hope, and Her Majesty's High Commissioner for settling the Affairs in the Territory on the N. and N. E. Boundary of the Colony, &c. &c.

We, the Undersigned, Emigrants, residing in the District of Caledon, beg leave hereby to present to your Excellency our sincere congratulation on your safe arrival at Cape Town, the Seat of your Government, after the great difficulties and privations which Your Excellency has endured for us.—We also beg to tender to Your Excellency our gratitude for the wise and lenient measures you have adopted, whilst we are obliged to confess our unworthiness.

We assure Your Excellency of our hearty thankfulness, and our unfeigned Allegiance and Attachment to Her Gracious Majesty the Queen.

In your Excellency's Proclamation we find no part, which, in our opinion, can be improved upon.

That a merciful Providence may long spare Your Excellency to reap the fruits of your wise and just Government, is the Prayer of

Your Excellency's most humble
and grateful Servants,
(Signed by J. T. SNYMAN, Commandant,
181 others,—for which see the Dutch.

Nool: Gedacht, 24th April 1848.

Sir,—I have to acquaint you, that I have lately held six meetings in the District of Caledon, by order of Government, for the purpose of reading certain Proclamations, and to ascertain the feelings of the people.—I am directed by about 200 persons residing in this District to acquaint you, that they are very well satisfied and grateful for the lenient measures of the Government, and that they will henceforth evince unfeigned allegiance and attachment to Her Majesty the Queen.

And those who have been among your community, let you know, that they have been misled and deceived, and totally withdraw themselves from your community.

I have the honor to be,
Your obedient Servant,
(Signed) JACS. THEODS. SNYMAN.

To Mr. A. W. J. PRETORIUS.

This was also the expression of all in this part, that they are fully convinced, that the Governor H. W. SMITH had delivered them from all nations, and from being driven away, or taxes put upon their dwellings, in this part of the country which they now inhabit, called Boven Riet River and Slik Spruit, and a branch on and over Caledon's Rivier, both notwithstanding to the Government, never to meddle with the community, but to live quiet and peaceably under a civilised Government.

This was the expression of the people in this territory made to me.

I remain, with esteem,
your friend and servant,
(Signed) J. T. SNYMAN.

Spits Kop, 28th April, 1848.

To Major WARDEN: Bloem Fontein.

Sir,—I have to inform you, that since I last wrote to you, I have held three meetings, and all the Burghers as far as Lower Riet River, and thence over towards the Orange River, are all of one mind, further to confirm their adherence to the Government and their obedience to the Laws, as our Governor has been so merciful as to release us from oppression; and we are grateful, and confide in his fatherly assistance, as we are already con-

vinced of his fatherly help. We also pray for our Governor that he may continue to be strengthened in wisdom by our God, through Jesus Christ.

Sir, do have the goodness to send me more of the proclamations of the 8th March, and also of the 29th March. I am greatly in want of them, so pray send them by the bearer. And we also request you will write us back how Mr. Rex found matters with Pretorius and the people in that part of the country. We remain, your obedient servants, in the name of the whole of my field-cornetcy and all in this part of the country.

(Signed) JAN HENDK. CLOETE,
Field-cornet.

Extracts of a Letter from Major WARDEN, British Resident at Bloem-fontein, to His Excellency Sir H. G. SMITH, Bart., G.C.B., Her Majesty's High Commissioner, dated Bloem-fontein, April 24th, 1848.

"The Emigrants beyond Modder River, in larger numbers, now appear to be more alive to their own interests; and Your Excellency's Manifesto has done much towards cooling the zeal of the turbulent party in the bad cause they were bent upon."

"I learn that the memorial lately forwarded to Your Excellency by Mr. Wm. Jacobs, contained the names of 71 Emigrants, who were desirous to withdraw their signatures immediately the fraud practised on them by Mr. Pretorius and others was discovered, but the memorial was then in the hands of Mr. Jacobs, and any retraction could not be allowed."

"I now beg to convey to Your Excellency my firm belief, that on the arrival of the Magistrates for Winberg and the Caledon River, everything will go on well."

Every Butcher, having obtained permission to slaughter within the Municipality of Cape Town, as aforesaid, or Vender of Meat or Fat, shall be obliged to keep his shop and other premises occupied for that purpose in a clean and wholesome state; and every person contravening this regulation shall, for every offence, be liable, upon conviction, to a penalty not exceeding the sum of £5.

6. Every Butcher, having obtained permission to slaughter within the Municipality, as aforesaid, or Vender of Meat or Fat, shall cause to be fixed in some conspicuous part of his shop, on or near the counter, a beam and scales, (in such manner that both the scales can touch the counter), with standard weights, or other sufficient balance, in order that all meat and fat there sold may from time to time be weighed in the presence of the purchasers thereof, if they shall so require; and if any Butcher, or Vender of Meat or Fat, shall neglect to fix such beam and scales, or other sufficient balance, in manner aforesaid, or shall not weigh meat or fat sold in his shop, when required so to do by a purchaser, he shall, for every offence, be liable, upon conviction, to a penalty not exceeding £5.

7. It shall be the duty of the Commissioners, or of any one of them, or of any person specially appointed by them for that purpose, from time to time, to visit the several shops in which the trade of a Butcher is carried on as above, in order to ascertain whether the same is kept in a clean state, and whether the meat or fat sold therein be good and wholesome; and every person who shall sell, or offer or expose for sale, any bad or unwholesome meat or

fat, or who shall otherwise contravene this regulation, shall be liable, for every offence, upon conviction, to a penalty not exceeding the sum of £5; and it shall be lawful for the Commissioners to order all such bad and unwholesome meat or fat to be confiscated and destroyed.

8. Upon the publication of the above Regulations touching the Sale of Meat and Fat, in terms of the Provisions of Ordinance No. 1, 1840, the Regulations published in the Government Gazette of the 12th of March, 1841, shall be wholly void and of no effect.

2. Every such person, after having obtained such Licence as aforesaid, shall be bound to affix upon some conspicuous place before his door or shop, a Board or Notice containing his name and the words "Licensed Baker," and every person carrying on the trade of a Baker without having such Board or Notice affixed as aforesaid, shall for every offence be liable, upon conviction, to a penalty not exceeding the sum of £5.

3. No person shall be entitled, by virtue of a Licence so obtained as aforesaid, to carry on the trade of a Baker, or to vend bread in more than one shop or place, but every person desirous to carry on such business, or to vend bread in more places than one, shall be obliged to apply for, and obtain, a Licence for every shop as above directed; and every person contravening this regulation shall for every offence be liable, upon conviction, to a penalty not exceeding the sum of £5.

4. And every person contravening this regulation shall for every offence be liable, upon conviction, to a penalty not exceeding the sum of £20.

5. Every Baker or Vender of Bread shall be obliged to sell his bread of whatever quality (French and fancy bread and rolls excepted) by weight, and of the following weights only, viz.:—Loaves of $\frac{1}{2}$ of a pound, of $\frac{3}{4}$ a pound, of 1 pound, of 2 pounds, and of 4 pounds. And every Baker or Vender of Bread shall cause to be fixed in some conspicuous part of his shop, on or near the counter, a beam and scales, with the necessary standard weights, or other sufficient balance, in order that all bread, except as aforesaid, there sold, may, from time to time, be weighed in the presence of the purchasers thereof, if they shall so require; and if any Baker or Vender of Bread shall refuse to weigh bread sold in his shop, when required to do so by a purchaser, or otherwise contravene this regulation, he shall, for every offence, be liable, upon conviction, to a penalty not exceeding the sum of £5.

6. It shall be the duty of the Commissioners, or of any of them, or of any other person specially appointed by them for that purpose, from time to time, to visit the shops of the several Bakers or Venders of Bread, in order to ascertain that the quality of bread be according to the aforesaid regulations; and it shall be lawful for the Commissioners, or for any of them, or for any other person specially appointed by them for that purpose, as aforesaid, whenever any Licensed Baker or Vender of Bread shall be found to have in his shop, or to vend bad or unwholesome bread or flour, to seize the same; and every such Licensed Baker or Vender of Bread or Flour shall, for every offence, be liable, upon conviction of having bad or unwholesome bread or flour, to a penalty not exceeding the sum of £5; and all bread and flour so seized shall be confiscated.

16 Sheep and Cattle Farms
IN THE
Nieuweveld and near Beaufort

WITH reference to an Advertisement in the *Government Gazette* of 13th January last, —I, THE UNDERSIGNED, HEREBY GIVE NOTICE, that all my THIRD PARTS or SHARES in the following

16 FARMS,

which are all well described in the Supplement to the *Government Gazette*, herein referred to, are for Sale, and my Agent, Mr. HENRY ROSE of Beaufort, will receive offers for the same, namely:—

No. 1.—Matjes Valley,	10,309	Morgen
2.—Koffers Kraal,	1046	Do.
3.—Willems Kraal,	4334	Do.
4.—Kuilsgrat,	1705	Do.

6.—Kuils Poort,	12,737	Do.
7.—Eland's Fontein,	15,173	Do.
8.—Zout Rivers Poort,	6802	Do.
9.—Zout Rivers Valley,	7619	Do.

15.—Palmiet Fontein,	3752	Do.
16.—Dornhoek,	4381	Do.

90,768 Morgen.

It is worthy of remark and may be stated, that in the District of Beaufort, where these Farms are situated, occasional droughts are experienced, during the continuance of which many of the best Places are of comparatively little value; while, on the other hand, after reasonable rains, water is plentiful, and the Pastures become so rich, luxuriant, and abundant, that few, if any, of the present Farmers of the District have stock sufficient to consume it, which proves that the Places are too large, and the Farmers too few in number; and generally the Undersigned ventures an opinion that for all practical purposes, one-third Part or Share of most of the above Farms is very little inferior in real value to the whole; and Purchasers of Thirds secure another important advantage, for two-third less capital, in an extensive range of various kinds of pasture over a wide extent of Country, which is a matter of no little importance and value, well known to the experienced South African Stock Farmer.—Application can also be made in Cape Town to the Undersigned.

TERMS OF PAYMENT made easy, and to suit the convenience of Purchasers.

Het is aanmerkenwaard, en kan vermeld worden dat in het District Beaufort waarin deze Plaatsen gelogen zijn, somtyds droogten worden ondervonden gedurende het aanhouden van welken velen de beste Plaatsen in vergelyking van geene waarde zijn; terwyl aan de andere zyde na voordeelige regens het water overvloedig is, en de Weide zoo vet en weelderig, dat weinig of geen Boeren tegenwoordig Vee genoeg hebben om het af te weiden, hetwelk byna bewysst dat de Plaatsen te groot zijn, en de Boeren te weinig in getal, en in het algemeen durft de Ondergeteekende het als zijn gevoelen geven, dat voor alle practikal-einden, Eenderde Deel of Aandeel van bovengenoemde Plaatsen weinig minder in waznhyke waarde is dan het geheel, en Koopers van Derden hebben een ander belagryk voordeel van Twee derden minder kapitaal te behoeven, in het verzekeren van een uitgebreid gebruik van onderscheiden soorten van weide over eene groote uitgestrektheid Lands, hetwelk eene zaak is van geen gering belang, wel bekend by den ervaren Kaapschen Veeboer.

THE CAPE OF GOOD HOPE Government Gazette.

THURSDAY, JUNE 15, 1848.

GOVERNMENT NOTICE.

Colonial Office, Cape Town,
24th May, 1848.

HIS Excellency the Administrator of the Government has directed the publication of the following Minute, for general information.

By Command of His Excellency the
Administrator of the Government,
(Signed) **JOHN MONTAGU**,
Secretary to Government.

LAND SETTLEMENT AT NATAL. MINUTE.

Government House, Cape Town,
24th May 1848.

I have read, and attentively considered, the several Documents lately received from His Honor the Lieutenant Governor of Natal, relative to certain impediments which have presented themselves in the carrying out of the objects and provisions of the Proclamation of the 10th of February 1848.

After weighing the many and, in some respects, conflicting considerations which are indissolubly connected with the subject of Land Claims at Natal,—I have come to certain conclusions, which I shall now proceed to state, and which, being elucidative of the Proclamation of the 10th February, are to be regarded as instructions for the guidance of the Land Commission therein appointed.

1. Whilst the primary and proper object contemplated by the appointment of the Land Commission was to promote the peopling, and consequent prosperity of the District, by settling on farms within it, Emigrants sojourning beyond its limits, in discontent and discomfort,—I, at the same time, approve of the course (which seems to have been adopted) of submitting all land claims, without distinction, for the recommendation of the Board. The Land Commission will, therefore, continue to receive such claims and applications as shall be addressed to them, whether by persons claiming registered farms or those claiming farms not registered, and whether by persons who have come into the District under my Proclamation or persons who were resident previously to the issuing of that instrument. By thus passing all land claims through the hands of the Board, all chance of confusion of claims or inconsistent arrangements will be excluded.

2. Being satisfied that the twelve months' occupation test prescribed by the Proclamation of the 12th of May 1843, and by the application of which the claimants were originally divided into two classes, No. 1 and No. 2, was a test but ill adapted, in most instances, for the ascertaining of real merits and well grounded claims,—I now authorize the Board to make no distinction (unless where special circumstances shall, in any special case, seem to render a distinction just and fitting,) between original claimants in class No. 1 and original claimants in class No. 2. An original claimant in class No. 2, registered for a farm, may receive a farm of the same extent as a claimant registered for a farm in class No. 1. And original claimants registered in class No. 2, for more than one farm, shall have their claims to them considered upon the same principles as if they had been so registered in class No. 1. But all claimants in class No. 2, in whose favor the old arrangement is thus relaxed will, in case they receive a full farm of 3,000 morgen, (instead of one of 1,000 morgen,) be liable to such reasonable restric-

tions upon selling and quitting the District as are in the 5th clause of this Minute mentioned. Heirs of original claimants, and purchasers, or other parties, deriving from original claimants in class No. 2, shall be considered as clothed with the rights of those whom they represent, and shall receive the grants which the original claimants, but for death or alienation, would have themselves received. But while this principle of liberal and just equality is to be the general rule, the Board will not view it as requiring them to recommend, in regard to lands adjacent to the coast, (where the lands are comparatively unsuitable for grazing purposes, but very fit for agriculture) any original claimant in class No. 2, or purchaser from any such original claimant, for a farm of greater extent than 1,500 morgen, or 3,000 acres. It is not, however, intended to restrict any purchaser from or out of class No. 2, any more than a purchaser from or out of class No. 1, who may have acquired a plurality of claims, in regard to the number of farms which he shall receive. In this respect both classes are to be dealt with alike.

3. Subject to the rights of claimants in classes No. 1 and No. 2, Emigrants not included in either class, but for whom particular farm have been registered in the books of the former Volksraad, which farms, owing to circumstances beyond the control of the claimants, were not inspected, are to be recognized as claimants for grants of the same nature and extent as if they were claimants belonging to class No. 2; and purchasers and others duly deriving under them, are to be treated as if they themselves were such original Emigrants. To prevent, however, persons who have left, and purpose to continue absent from the district, from selling the right now bestowed, either while so absent, or when within the district merely upon a visit, no claimant under this section will be empowered to convey any interest whatever to a purchaser from him, unless such sale shall be effected within the limits of the district and with the approval of the Land Commissioners. All persons receiving grants under this clause will, of course, be subject to the restrictions, in regard to alienation and removal from the district, which have been already referred to, and are hereafter set forth.

4. Besides the several kinds of claimants who have been already described, and the late occupants on the Klip River, (for whom the Proclamation of the 10th of February has explicitly provided) the Commissioners will be authorized to recommend the grant of one farm of 3,000 morgen, beyond the Tugela River, to each Emigrant subject from the Drakensberg or the Country beyond,—or who may, though in the District of Natal, be unprovided with a farm, and who desires to settle and occupy. Emigrant subjects who were once registered, but who parted with their titles and are now without any farm, may also be settled on a farm beyond the Tugela, without purchase or payment. If any such late registered claimant shall be prepared to pay into the District Treasury such an amount, (not exceeding the sum or value for which he parted with his former registered right, as the Commissioners shall fix,) the Commissioners will be authorized to recommend him for a farm in such other part of the District as he may, with the approbation of the Board, prefer and elect. And all grants made under this clause will contain the condition respecting non-alienation, which is next set forth.

5. I do not contemplate the likelihood that any considerable number of the Emigrants whom I have

testified, and am anxious still further to testify, my anxiety to benefit, would seek to pervert the object and intention of my Proclamation to improper purposes,—and solicit farms merely to sell them and remove. It is just and right, however, that provision should be made to thwart any such unfair attempts, if made,—but so, at the same time, as to leave it in the discretion of the Lieutenant Governor to authorize a relaxation of the restrictions which it is expedient to impose. All grants, therefore, of farms exceeding 1000 morgen, made to original claimants in class No. 2, or persons deriving under original claimants,—and all grants made to such claimants as are described in clauses 3 and 4 of this Minute, will contain a stipulation to the effect that the grantee and his heirs shall not, for a term of seven years, sell or let to hire the farm granted, either wholly or in part, without the previous consent of the Lieutenant Governor, (who will judge, according to circumstances, whether such consent should be given,) and that any breach of the stipulations shall entitle the Government to resume the farm. And inasmuch as the above provision could be easily evaded by judicial sales, it will be further provided in every such grant that the land shall not, for seven years, be executable under any judgment or decree of Court, but that, instead of being sold in execution, it shall be realizable, at the option of the Government, upon payment to or for the creditor, of the value of the buildings erected and improvements made by the grantee, such value to be fixed by a fair appraisalment.

6. Any individual who would, under any of the provisions of this Minute, be entitled to expect a grant of a coast, or agricultural, farm, limited to 1500 morgen, may, if he should prefer it, obtain in exchange a farm of 3000 morgen, situated in such other part of the district as he may, with the approbation of the Board, fix upon and elect.

7. In every case in which the Land Commission shall, in carrying out the objects of the Proclamation of the 10th February, or this Minute, recommend any grant, the Lieutenant Governor will consider himself as fully authorized by me to act upon their recommendation.

8. It is to be always borne in mind that my Proclamation of the 10th of February, this Minute, and the Land Commission,—being calculated and intended to meet a temporary exigency,—will continue in force no longer than the term of twelve months originally mentioned, and that the present plan of settling a permanent, peaceable, and prosperous population in the Natal District, will expire on the 10th of February 1849.

Government House, Cape Town,
15th May 1848.

WITH reference to the Manifesto issued by Her Majesty's High Commissioner, on the 29th of March 1848, addressed to those of the Emigrant Burghers who had been represented to His Excellency, to be wavering in their allegiance from the efforts of evil-disposed persons, engaged in perverting and misrepresenting to them the Proclamations of the 3rd and 10th of February, and 8th March,—His Excellency considers it an act of justice to those Emigrants to publish the following extracts and documents, (from amongst several others of the same scope and tendency) which, while they have afforded him the highest personal satisfaction as proofs that a paternal Government is appreciated by those who from unhappy circumstances have been so long left to struggle for themselves in the midst of anarchy and confusion, at the same time completely vindicate the characters and

loyalty to Her Majesty the Queen, of the Emigrant Farmers, from the misrepresentations of interested and unprincipled agitators.

His Excellency has heartfelt gratification in now publicly relieving the Burghers as a body, from the aspersions attempted to be cast upon them, and in showing that the trust and confidence frankly and unhesitatingly reposed in them, upon their own assurances to himself in person, were not misplaced; and thus do loyalty and the true feelings of a Christian triumph over wicked endeavours to mislead good men.

the High Commissioner,

District of Caledon, 21st April 1848.

To His Excellency Lieut. General Sir H. G. SMITH, Bt., Governor of the Colony of the Cape of Good Hope, and Her Majesty's High Commissioner for settling the Affairs in the Territory on the N. and N. E. Boundary of the Colony, &c. &c.

We, the Undersigned, Emigrants, residing in the District of Caledon, beg leave hereby to present to your Excellency our sincere congratulation on your safe arrival at Cape Town, the Seat of your Government, after the great difficulties and privations which Your Excellency has endured for us.—We also beg to tender to Your Excellency our gratitude for the wise and lenient measures you have adopted, whilst we are obliged to confess our unworthiness.

We assure Your Excellency of our hearty thankfulness, and our unfeigned Allegiance and Attachment to Her Gracious Majesty the Queen.

In your Excellency's Proclamation we find no part which, in our opinion, can be improved upon.

That a merciful Providence may long spare Your Excellency to reap the fruits of your wise and just Government, is the Prayer of

Your Excellency's most humble
and grateful Servants,

Nooit Gedacht, 24th April 1848.

Sir,—I have to acquaint you, that I have lately held six meetings in the District of Caledon, by order of Government, for the purpose of reading certain Proclamations, and to ascertain the feelings of the people.—I am directed by about 200 persons residing in this District to acquaint you, that they are very well satisfied and grateful for the lenient measures of the Government, and that they will henceforth evince unfeigned allegiance and attachment to Her Majesty the Queen.

And those who have been among your community, let you know, that they have been misled and deceived, and totally withdraw themselves from your community.

I have the honor to be,

Your obedient Servant,

(Signed) JACS. THEODS. SNYMAN.

To Mr. A. W. J. PRETORIUS.

This was also the expression of all in this part, that they are fully convinced, that the Governor H. W. SMITH had delivered them from all nations, and from being driven away, or taxes put upon their dwellings, in this part of the country which they now inhabit, called Boven Riet River and Slik Spruit, and a branch on and over Caledon's Rivier, both notwithstanding to the Government, never to meddle with the community, but to live quiet and peaceably under a civilised Government.

This was the expression of the people in this territory made to me.

I remain, with esteem,

your friend and servant,

Spits Kop, 28th April, 1848.

To Major WARDEN, Bloem Fontein.

Sir,—I have to inform you, that since I last wrote to you, I have held three meetings, and all the Burghers as far as Lower Riet River, and thence over towards the Orange River, are all of one mind, further to confirm their adherence to the Government and their obedience to the Laws, as our Governor has been so merciful as to release us from oppression; and we are grateful, and confide in his fatherly assistance, as we are already convinced of his fatherly help. We also pray for our Governor that he may continue to be strengthened in wisdom by our God, through Jesus Christ.

Sir, do have the goodness to send me more of the proclamations of the 8th March, and also of the 29th March. I am greatly in want of them, so pray send them by the bearer. And we also request you will write us back how Mr. Rex found matters with Pretorius and the people in that part of the country. We remain, your obedient servants, in the name of the whole of my field-cornetcy and all in this part of the country,

Extracts of a Letter from Major WARDEN, British Resident at Bloem-fontein, to His Excellency Sir H. G. SMITH, Bart., G.C.B., Her Majesty's High Commissioner, dated Bloem-fontein, April 24th, 1848.

"The Emigrants beyond Modder River, in larger numbers, now appear to be more alive to their own interests; and Your Excellency's Manifesto has done much towards cooling the zeal of the turbulent party in the bad cause they were bent upon."

"I learn that the memorial lately forwarded to Your Excellency by Mr. Wm. Jacobs, contained the names of 71 Emigrants, who were desirous to withdraw their signatures immediately the fraud practised on them by Mr. Pretorius and others was discovered, but the memorial was then in the hands of Mr. Jacobs, and any retraction could not be allowed."

"I now beg to convey to Your Excellency my firm belief, that on the arrival of the Magistrates for Winberg and the Caledon River, everything will go on well."

Tenderers for distances exceeding two hours are recommended to provide for two sets of horses for such distances, otherwise it will be difficult for them, with one set of horses for the whole distance, to convey the Mail within the time specified. Should Contractors desire to erect stabling for their horses at places on the line of road where buildings for such a purpose cannot otherwise be obtained, they will be permitted to do so on Government land, or on out-span places, and their buildings will be purchased from them by the Government, at a valuation, whenever their Contracts cease—and if such buildings should have been erected by Contractors on private property—the Government will, in like manner, purchase them if the proprietor of the land will give his consent.

For any detention of the Mail beyond the time above specified for the distances allowed, the Contractor shall forfeit according to the following scale.

	£	s.	d.
For every period not exceeding half-an-hour,	-	-	0 2 6
For half-an-hour and not exceeding one hour,	-	-	0 7 6

The above penalties will be strictly enforced, excepting in cases in which the Government shall be satisfied upon proper evidence, that the detention has arisen from causes beyond the control of the Contractor, and which could not have been avoided, nor prevented by previous arrangements on his part.

The particular attention of Tenderers is requested to the Government Notice of the 18th February 1846, which is re-published herewith for general information.

PROCLAMATION

BY HIS EXCELLENCY LIEUTENANT GENERAL
SIR HENRY GEORGE WAKELYN SMITH, BARONET,

Knight Grand Cross of the most Honorable Military Order of the Bath, Colonel of the Second Battalion of the Rifle Brigade, Administrator of the Government of the Settlement of the Cape of Good Hope in South Africa, and of the Territories and Dependencies thereof, and Ordinary, and Vice-Admiral of the same; and Her Majesty's High Commissioner for the settling and adjustment of the affairs of the Territories in Southern Africa, adjacent and contiguous to the Eastern and North Eastern Frontier of the said Colony, &c. &c. &c.

WHEREAS I did, by a Proclamation, bearing date the 3d of February 1848, issued by me, in my capacity as Her Majesty's High Commissioner for settling and adjusting the affairs of certain Territories adjacent to the Colony of the Cape of Good Hope, proclaim, declare, and make known the Sovereignty of her said Majesty over certain Territories North of the Great Orange River, in the said Proclamation mentioned and described: And whereas, at various times during the period for which Her Majesty's Emigrant Subjects have occupied parts or portions of the said Territories, many marriages have taken place amongst them, which, owing to the impossibility of obtaining the presence or aid of any Minister of the Gospel, and of conforming to divers requirements of law, have not, as it is supposed, been solemnized in such a manner as to render the same valid and effectual: And whereas, the said marriages were so irregularly contracted by reason solely of the necessity under which the parties lay, while deprived alike of Religious Teachers, and of regular and established Laws, and arose from no want of due reverence for the Holy Ordinance in question, or for the spiritual sanctions with which, amongst Christians, it is customarily and fitly solemnized: And whereas, taking these things into my consideration, and being desirous to confer upon Her Majesty's said Subjects the important advantage of having their children's legitimacy established, and their said Marriages legalized for all purposes of law, I have determined to exercise for that end, the powers and authorities in me vested:—Now, therefore, I do, as Her Majesty's High Commissioner as aforesaid, hereby **PROCLAIM, DECLARE, and MAKE KNOWN**, the several following Provisions and Regulations, touching and concerning the Marriages aforesaid; that is to say—

1st. The British Resident in the Territories aforesaid is hereby authorized and required to frame and preserve a General Register of all such Marriages as shall, under any of the Provisions hereinafter contained, be transmitted or reported to him for registration.

2d. Such General Register shall set forth or show the names and residence of the husband and of the wife; their respective ages and condition in life; the date of the Marriage, and any other particulars which the said British Resident may be instructed by the High Commissioner to record.

3d. Every couple (except as hereinafter excepted) united together within the said Territories as man and wife, in the presence of Witnesses, by any form of words expressive of their mutual and solemn consent to become and be, then and there, and from thenceforth, married people, married together, may have their said marriage registered. But no marriage, or pretended marriage, shall be registered, in which the parties are connected with each other by consanguinity or affinity in such a degree that the Governor of the Colony of the Cape could not by law have granted to them, if resident in the said Colony, a valid dispensation or authority to marry, and that no valid marriage could, by the laws of the said Colony, be therein solemnized between them, if domiciled in the said Colony; and if any marriage, or pretended marriage, hereby declared incapable of registration, shall yet be registered, such registration shall have no force or effect. But no ground of objection arising from consanguinity or affinity which could in the said Colony have been dispensed with, by the authority of the said Governor, shall prevent registration, or its consequences, as hereinafter declared.

4th. Whenever any two spouses, married as aforesaid, shall together come before the British Resident, or any Magistrate resident in the said Territories, and shall declare the fact of such marriage, the Resident or Magistrate (as the case may be) shall ascertain, and record in writing, the names of the said Spouses, their residence, the date and place of their said marriage, and their respective conditions in life at the time of such marriage, whether they were previously married or not; and such record shall be signed or acknowledged by the said Spouses, in presence of the Resident or Magistrate. When any doubt shall appear to rest upon the fact or date of the alleged marriage, the Resident or Magistrate may call for the certificate in writing, or the solemn declaration before himself of such credible witness or witnesses as were present at, or cognizant of, the said marriage. But when, and as often as, any such marriage shall have been contracted before, and attested by, any person or persons recognized at the time amongst Her Majesty's Emigrant Subjects as holding a public office or authority, entitling him or them to attest marriage, any such attestation or a copy thereof shall, upon the identity of the married people being ascertained, be conclusive proof of the fact and date of the said marriage.

5th. In case it shall be inconvenient for both spouses to repair to the said Resident, or to any Magistrate, the latter may ascertain from the husband alone the circumstances aforesaid, and from them prepare the record. But when the husband shall appear alone, he will provide himself with a written certificate or statement, signed by the wife, or acknowledged by her in the presence of two neighbours, who shall witness the same, in which certificate or statement the wife shall set forth the date of the marriage between herself and her husband. And this certificate or statement shall be preserved, together with the record signed by the husband. In case of any doubt as to the fact or date of the marriage, the Resident or Magistrate shall proceed as before, in order to remove the same.

6th. Should either of the Spouses have departed this life, since contracting any such marriage as aforesaid, leaving the other of them still surviving, such survivor may appear before the British Resident or any Magistrate as aforesaid, and thereupon the record shall be prepared as if both spouses were living and present; except that the signature of the survivor alone shall be sufficient, and that the record shall set forth the death of the deceased. In every such case, moreover, the Resident or Magistrate shall require clear evidence, whether oral or by certificate or affidavit, as he shall judge necessary, of the fact and date of the marriage, and shall, when it is practicable, ascertain that the relatives or friends of the deceased concur in recognizing the said marriage.

7th. Should it happen, in any instance in which any such marriage shall have been contracted before, and attested by, any such persons in office or authority as are hereinbefore referred to, that either of the spouses shall refuse to join the other of them in obtaining the registration of the said marriage, then the spouse desiring such registration shall be at liberty to appear before the Resident or Magistrate, who shall, upon proof of such refusal, and production of such attestation as aforesaid, or an authentic copy thereof, and upon such further

inquiry or proof, if any, as the said Resident or Magistrate shall judge necessary, prepare the necessary record, to which the signature of the spouse applying shall be sufficient, and which shall set forth the refusal of the other spouse.

8th. It shall not be any ground for refusing to prepare a record of, or to register any marriage, that both or either of the parties to the same, at the time of contracting the same, were under age.

9th. When, and as often as, any such Magistrate as aforesaid shall have prepared any such record as aforesaid, he shall, with all convenient speed, transmit the same, with all other writings or papers connected therewith, to the British Resident, who shall register every such marriage; and in all cases in which the necessary records shall be prepared by such Resident himself, he shall, from or by means of them, register the marriage therein mentioned.

10th. Every such marriage as aforesaid, when registered by the British Resident; shall, from and after such registration, be a marriage as lawful for all objects and purposes as a lawful marriage within the Colony of the Cape of Good Hope, and shall for all purposes and objects of a civil nature be deemed and taken to have been a lawful marriage from and after the date of the contracting of the same; but whether the same shall, from the date last mentioned, be deemed and taken to have been a lawful marriage for the purpose of a prosecution for bigamy or polygamy, in case either party shall afterwards, during the life-time of the other party, have contracted another marriage, shall be judged of and determined by the general principles of law, and independently of any of the provisions of this Proclamation.

11th. And whereas, some Ministers of the Dutch Reformed Church of the Cape Colony have heretofore proceeded to the said Territories, for the purpose of performing therein, as generally as circumstances would permit, the rites and services of religion: And whereas, certain of the Emigrant Subjects aforesaid have, from time to time, been married by such Ministers, as also by the officiating Minister in the Dutch Reformed Church at Pietermaritzburg, in the District of Natal: And whereas, there is reason to suppose that in all cases in which any such Minister as aforesaid shall have solemnized any marriage between parties who had previously lived together as man and wife, by virtue of any such irregular marriage as is hereinbefore mentioned, the said Minister has recorded as well the fact and date of such previous marriage as the marriage solemnized by himself: And whereas, it is fit that full credit be given to all matters so vouched, it is hereby declared and directed that the British Resident shall receive all original marriage records made by any such minister, or authentic copies thereof, as evidence of the facts therein contained, and shall from or by means of them register the marriages therein mentioned, without requiring the presence of either spouse, or any further proof; and that from and after such registration every such marriage shall be deemed and taken to have been a lawful marriage, to all intents and purposes, from the date of the solemnization thereof by such minister, and to have been for all purposes of a civil nature a lawful marriage, from the date mentioned in the marriage record made by such minister, as that on which the first or previous marriage (if any) was contracted. But if, in any case, the fact or date of such previous marriage shall not appear in or by such marriage record, then the spouses or spouse desiring the registration of such first or previous marriage shall proceed in the same manner as is in that or the like behalf hereinbefore provided; but in every case, the marriage solemnized by such minister shall, after the registration thereof, be deemed to be a lawful marriage, to all intents and purposes, from the date of such solemnization.

12th. And whereas it is necessary to make temporary provision for the contracting of marriages within the territory aforesaid, pending the opening of churches and the settlement of fixed ministers within the same, it is hereby declared and directed that all persons who shall hereafter be married by any minister belonging to the Dutch Reformed Church of the Cape Colony, or person commissioned by the same to solemnize marriages within the said territories, shall be deemed and taken to be lawfully married; and such marriage shall be registered by the British Resident aforesaid, from or by means of the marriage records of such minister or person, and no publication of banns shall be necessary.

13th. If it shall so happen that any persons desirous to marry shall be unable to obtain the services of a minister, from whom their marriage might receive the solemn and becoming sanctions of religion, such persons may apply to, and come before, the said British Resident, or to the nearest Magistrate, and each of them shall, in his presence, solemnly declare that they know of no impediment to their marriage, and that they desire him to witness that they take each other respectively to be husband and wife; and thereupon a record of the said marriage shall be prepared, and the same shall be duly registered; and every such marriage shall be deemed to be as valid and effectual, and of the same force and obligation, as a lawful marriage solemnized within the Cape Colony.

14th. If both or either of the intended spouses be under age, the Resident or Magistrate (as the case may be) shall, before permitting the marriage (unless in the case of a widow or widower) require proof of the consent of the parents or guardians, unless it shall be made to appear to him that there are none such living, or that they, without sufficient reason, refuse consent, or that, owing to distance or other causes, such consent could not possibly, or without much inconvenience, be obtained. But no marriage, once permitted and recorded, shall be impeached upon the ground that both or either of the spouses, being under age, were or was married without consent of parents or guardians.

15th. A certificate, signed by the British Resident, or Officer acting as such, stating the registered particulars of any marriage registered by him or in his office, in pursuance of this Proclamation, shall be good evidence of such marriage before all Courts and Magistrates.

And, lastly, I do hereby **PROCLAIM, DECLARE, and MAKE KNOWN**, that while, in my earnest desire to consult, as much as in me lies, the interests and feelings of all Her Majesty's subjects in the Territories aforesaid, and those of their wives and children, I have determined to take all measures necessary for establishing their marriages aforesaid beyond dispute or controversy; nothing in this Proclamation contained is to be construed so as to render invalid any marriage, contracted in the said Territories, and not registered under this Proclamation, which marriage would otherwise by law, be regarded as valid;—it being my wish and intention not now to decide that any sort or description of marriage is illegal, but to furnish an easy and convenient mode by which certain marriages, now supposed to be illegal, may have their legality placed beyond doubt.

GOD SAVE THE QUEEN!

Given under my Hand and the Public Seal of the Settlement of the Cape of Good Hope, this 17th May 1848.

(Signed) **H. G. SMITH.**

By Command of His Excellency the High Commissioner,
RICHARD SOUTHEY, Secretary.

WITH reference to an Advertisement in the *Government Gazette* of 13th January last,—I, THE UNDERSIGNED, HEREBY GIVE NOTICE, that all my THIRD PARTS or SHARES in the following

16 FARMS,

which are all well described in the Supplement to the *Government Gazette*, herein referred to, are for Sale, and my Agent, Mr. HENRY ROSE of Beaufort, will receive offers for the same, namely:—

No. 1.—Maatjes Valley,	10,309	Morgen
2.—Kaffers Kraal,	1046	Do.
3.—Willems Kraal,	4334	Do.
4.—Kuilsgrat,	1705	Do.
5.—Lemoen Fontein,	1988	Do.
6.—Kuils Poort,	12,737	Do.
7.—Eland's Fontein,	15,173	Do.

15.—Palmiet Fontein,	3752	Do.
16.—Dornhoek,	4381	Do.

90,768 Morgen.

It is worthy of remark and may be stated, that in the District of Beaufort, where these Farms are situated, occasional droughts are experienced, during the continuance of which many of the best Places are of comparatively little value; while, on the other hand, after seasonable rains, water is plentiful, and the Pastures become so rich, luxuriant, and abundant, that few, if any, of the present Farmers of the District have stock sufficient to consume it, which proves that the Places are too large, and the Farmers too few in number; and generally the Undersigned ventures an opinion that for all practical purposes, one-third Part or Share of most of the above Farms is very little inferior in real value to the whole; and Purchasers of Thirds secure another important advantage, for two-third less capital, in an extensive range of various kinds of pasture over a wide extent of Country, which is a matter of no little importance and value, well known to the experienced South African Stock Farmer.—Application can also be made in Cape Town to the Undersigned.

TERMS OF PAYMENT made easy, and to suit the convenience of Purchasers.

KAAPSTAD, DEN 15DEN JUNY 1848.

MINUTE FINANTIE.

Gouvernements Huis, Kaapstad, 30 Mei 1848.

EDELE HERREN,

Ik neem de vroegste gelegenheid te baat, sedert ik dit Gouvernement heb aangevaard, om UEd. by onze eerste byeenkomst in Rade, de jaarlyksche opgave voor te leggen van de Beraamde Inkomsten voor de diensten van het jaar 1849, en de waarschynlyke uitgaven gedurende hetzelfde tydvak.

Gy zult zien dat deze Ramingen in eenen nieuwen vorm zyn opgemaakt. Deze afwyking van vroeger gebruik is aangenomen in gehoorzaamheid aan instructien van den Hoog Ed. den Secretaris van Staat voor de Kolonien, overeenkomstig met zekere resolutien van het Huis der Gemeenten, en de directien van de Lords Commissarissen van Harer Majesteits Tresorie, voor het houden, opmaken van Koloniale rekeningen.

By deze resolutien is aanbevolen dat een eenvoudige stelsel zal worden aangenomen in het houden en opmaken der Koloniale rekeningen, volgens welke de beraamde ontvangsten moeten vertegenwoordigen de grosso inkomsten, en de Beraamde Uitgaven de verscheidene charges onder derzelver afzonderlyke hoofden; dat dat Supplementaire Ramingen zullen worden uitgemaakt in gelyke vorm, in gevallen van buitengewone uitgaven, en dat eene vergeleken opgave van de beraamde en werkelyke ontvangsten en uitgaven zal moeten worden bereid en overgezonden aan Harer Majesteits Gouvernement.

Het is mede gelast dat het stelsel van Italiaansch boekhouden (by kasboek, memoriaal of dagboek, journaal en groot boek) zal worden aangenomen door alle publieke boekhouders in de Kolonie.

Deze resolutien zyn vergezeld van gedetailleerde instructien aan de Gouverneurs van Kolonien, overeenkomstig met welken de Ramingen van Inkomsten en Uitgaven van het jaar 1849, nu aan UEd. voorgelegd zyn opgemaakt.

* De werkelyke inkomsten voor het jaar 1847 bedroegen £216,085, en gingen de beraamde Inkomsten £56,462 te boven. Deze vermeerdering zult gy uit de nevensgaande byzonderheden zien dat te vinden is, de belangryke items van de Inkomende Regten, Venduregten, Heerenregten, Postgelden, Land Verkoopingen, toonende alles eene langzame maar trapsgewyze terugkeer van binnenlandsche voorspoed na den rampspoedigen oorlog. Ik ben overtuigd dat wy vooruit kunnen zien, met vertrouwen, op het voortduren van deze voorspoed, en de gevolgelyke vermeerdering van de Inkomsten dezer Kolonie.

De Ramingen voor het jaar 1849 zyn opgemaakt met eene behoorlyke inachtneming van spaarzaamheid, bestaanbaar met de krachtbaarheid van de onderscheiden departementen van de publieke dienst. Met het volste verlangen om spaarzaamheid te bestuderen in de schikkingen voor de dienst voor het aankomend jaar, is het echter volstrekt noodzakelyk geworden eene grootere uitgave te ramen dan by eenige vroegere gelegenheid. Maar gy zult eene gelykstaande vermeerdering vinden in de beraamde Inkomsten, welke u in staat zullen stellen te voorzien voor de vermeerderde behoeften der Kolonie.

De Inkomsten voor 1849 zyn geraamd op £213,424, en de Uitgaven op £210,010.

Geen zeer belangryke veranderingen zyn voorgesteld in de Etablissemmenten van de Kolonie, maar er zyn eenige weinigen waarop ik uwe aandacht verlang te vestigen.

De groote vermeerdering welke heeft plaats gevonden in de pligten van den Civilen Ingenieur, en de belangryke werken waarop de aandacht van dien ambtenaar spoedig zullen moeten gevestigd worden—zoo als het verbeteren van de Havens in de Kolonie, de Zeemuur in de Tafelbaai, het aanleggen van Waterbakken voor het besproeijen van de Buiten Districten, en andere gewichtige ondernemingen,—hebben my overgehaald aan Lord Grey de gepastheid voor te stellen om de Departementen van Inspecteur Generaal en van Civile Ingenieur van elkander te scheiden, en eenen Civilen Ingenieur van de allerhoogste bekwaamheid en professionele bevoegdheid aan te stellen, tot het superintenderen van de publieke werken, welke het mede Etablissemment de Kolonie zal toelaten te ondernemen. Ten einde de diensten te verzekeren van eenen heer volkomen bekwaam voor de belangryke pligten van dit ambt, heb ik Zyne Lordschap verzocht my toe te staan aan den Civilen Ingenieur een salaris toe te leggen van £1000, in het jaar, en voor deze uitgave

en de mindere schikkingen van het ambt, zal de noodige voorziening worden gevonden in de nevensgaande Ramingen.

In gevolge van de groote vermeerderde gemakken van binnenlandschen omgang, te weeg gebragt door de belangryke verbetering in de publieke wegen over de Kolonie stel ik voor na den 12den January 1849 eene post communicatie instellen in 70 uren van de Kaapstad naar Grahamstad en vice versa, drie malen in de week, en twee malen in de week naar alle andere deelen der Kolonie; en van wege de groote vermeerdering welke heeft plaats gevonden in de Postkantoor Inkomsten, sedert het postgeld is verlaagd tot een algemeen postgeld van 4d. op iederen brief, voel ik my geregtvaardigd, ter uwer overweging, eene Ordonnantie voor te leggen bedoelende het postgeld te verminderen tot eene penny voor iederen brief niet te bovengaande een half ons in gewigt, en zoo in evenredigheid even als in Engeland.

De tegenwoordige koers van Postgeld begon in 1846, voor dien tyd was de gemiddelde prys van het postgeld op iederen brief eene shillings, en beliepen de Inkomsten op £8000 in het jaar. In het eerste jaar was het verlies van Inkomsten omtrent £1200, maar in het tweede jaar 1847 beliep het grosso inkomen £10,901, waarvan moet worden afgetrokken de som van £1986 voor betalingen uit de Koloniale Tresorie voor officiële brieven, latende de netto inkomsten van dat jaar £8105 of £105 meer dan het onder het vorige stelsel had bedragen. Indien er echter, uiteindelyk eenig verlies van de publieke inkomsten mogt ontstaan uit de maatregel welke ik nu voorsla, maar het welk ik niet voorzie, geloof ik dat, dat wy niet zullen geregtvaardigd zyn in het aanhouden van een noodeloos last op de communicatie welke door alle klassen zoo hoog wordt geschat, en daar wy naderen tot dezelfde gemakken welke plaats vinden in Engeland, behooien wy de voordeelen uit te strekken tot de geringsten zoowel als tot de hoogsten. Ten einde voorzien voor het gemak van alle klassen, heb ik schikkingen gemaakt om uit Engeland eene voorraad postgeld zegels te bekomen, welke in dat land zoo geryfelyk en nuttig zyn bevonden. Gy zult zien dat ik in verbindtenis met deze vermindering van postgeld by eene andere Ordonnantie voorstel het zegelregt op nieuwspapieren te verminderen, daar ik van gevoelen ben dat men geen te groot gemak kan geven aan de uitspreiding van kennis over de geheele Kolonie.

Het zal noodig zyn te voorzien voor de groote vermeerdering van bezigheid op het Postkantoor, welke zal worden daargesteld door de vermeerdering van de Malen, en het vermeerderd bedragen van correspondentie, dat men kan verwachten dat uit de nieuwe veranderingen zal voortvloeijen. Ik stel daarom voor den Postmeester Generaal te ontslaan van het toezicht over alle zaken in verband staande met het verzenden van de brievenmalen, en deze verantwoordelykheid te plaatsen in de handen van eenen anderen ambtenaar, die zal worden aangesteld met den titel van Comptrolleur Generaal van Posteryn, en met een salaris van £300 in het jaar. Ik verwacht dat de vermeerderde inkomsten van het Postkantoor binnen kort deze vernieuwde kosten zullen bestryken.

Den Veldkorneis worden nu geringe salarissen betaald van £10 a £20 ieder, tot eene koste voor de Tresorie van £2,500 in het jaar. Van wege de menigvuldige veranderingen welke hebben plaats gevonden binnen de laatste jaren, in het ten uitvoer brengen van publieke pligten over de Kolonie, hebben velen hunner weinig of niets te doen voor deze salarissen: van anderen, wederom zyn de pligten te zwaar voor deze geringe salarissen. Ik heb daarom gelast eenen bill voor te brengen, bepallende de pligten van die beambten, en een stelsel daargestellende om hen te betalen voor iedere verrigte dienst, volgens een vastgesteld tarief. Gy zult zien dat de kosten voor zulke diensten geraamd zyn om eene gelyke belasting uit te maken als die voor salarissen, enz., in vroegere jaren, en ik kan hier opmerken dat myn doel, in het voorstellen dezer verandering geene spaarzaamheid is geweest maar krachtbaarheid, en myn eenig verlangen is dat de publieke diensten wel worden volbragt en behoorlyk beloond.

Het hechten van groote streken lands aan deze Kolonie, het gevolg van het welgeslaagde besluit van den Kaffer Oorlog, en het herstellen van vrede op de Frontier, heeft het noodig gemaakt Civile Commissarissen aan te stellen voor de Afdeelingen Victoria and Albert, en van eenen Resident Magistraat voor het District Fort Peddie. De diverse kosten voor de nieuwe Etablissemmenten in die Afdeelingen zullen £3,300 bedragen.

Ik heb het mede raadzaam geoordeeld dat eene afdeeling van de Kaffer Politie altyd ter beschikking van het Koloniale Gouvernement wezen zou, voor de duurzame bescherming van eigendom binnen deszelfs grenzen, en het is niet meer dan billyk dat

de Kolonie zal betalen voor het onderhoud van deze afdeeling. Deze kosten zal jaarlyks £11,000 belopen.

De verkoop van land, geplaatst ter beschikking van het Gouvernement, door het toevoegen van dit nieuw grondgebied aan de Kolonie, zal echter, buiten de vermeerderde Inkomsten te worden getrokken uit de Inkomende Regten, in het voorzien van de toenemende beschaving van het volk, nu Harer Majesteits Onderdanen verklaard, meer dan deze vermeerderde lasten goedmaken; zoo dat ik vertrouw dat de maatregelen welke ik heb genomen tot het daargestellen van vrede op de Frontier, niet alleen het groote doel zullen bereiken van het tegengaan van misdaad, het verspreiden van een gevoel van veiligheid, het aanmoedigen van handel, en het bevorderen van Christendoms en opvoeding, maar in behoorlyke tyd, en binnen weinige jaren, werkelyk geldelyk voordeel voor de Kolonie ten gevolge zal hebben.

Zekere vermeerderingen in de Ramingen voor de Kerkelyke dienst vereischen verklaring. Het is u bewust hoe de edele grootmoedigheid van een privaat persoon, eene Engelsche dame, aan communicanten van de Kerk van Engeland in deze Kolonie het onschatbaar voorrecht heeft geschonken, van eene volkomene Kerkelyke constitutie en Bisschoppelyk bestuur. Voor het volbrengen van de geheiligde pligten van den Lord Bisschop van de Kaapstad, wordt het volk van deze Kolonie niet geroepen iets te betalen; het zal de voorregten het dus geschonken genieten zonder eenige geldelyke belooning daarvoor te geven. Ik vraag u echter om uit de Koloniale Inkomsten eene som te schenken van £400 per jaar voor de reiskosten van zyne Lordschap in deze Kolonie, daar zonder zoodanige vermeerdering tot zyne inkomsten hy, buiten staat zou zyn, hoe yverig ook, tot zyn eigen voldoening de pligten van zyn verheven ambt te vervullen. Ik stel mede voor eene verdere som van £400 in het jaar by te dragen voor eenen Aartsdiaken te Grahamstad, en ik verwacht geen aanselen op dit punt, daar zonder zoodanige voorziening de ingezetenen van de Oostelyke districten dezer Kolonie, velen waarvan Engelschen zyn en leden van de Anglikaansche Kerk, in zekere mate zouden zyn uitgesloten van te deelen in de volle voordeelen, welke wy zelf trekken uit private milddadigheid.

Ik stel voor de som van £1600 toe te staan aan den Kerkerand van de Nederduitsche Gereformeerde Kerk in de Kaapstad, ten einde denzelve in staat te stellen de schuld te verminderen aangegaan voor de oprigten van de tweede Kerk. De Kerkerand heeft vroeger verscheiden aansoeken gedaan om eene gelyke vergunning, en ik verheug my dat de Inkomsten van de Kolonie my in staat stellen deszelfs aansoek aan uwe gunstige overweging aan te bevelen.

Ik stel voor in den loop van het jaar 1849, de som van £16,000 aan te wenden tot het bekomen van Emigranten uit Groot Britannie en Ierland. Het zal my noodeloos zyn UEd. de voordeelen te verklaren welke uit dit voorstel zullen voortvloeijen, daar het ons nuttige veld arbeiders voor de Buiten Districten zal voorzien. Schikkingen zullen worden gemaakt voor het zenden uit Engeland van acht schepen, met omtrent 200 statuut Emigranten in iedere, in den loop van het volgende jaar, of een alle zes weken. Deze schepen, stel ik voor dat stiptelyk zullen worden afgezonden op de bepaalde dagen, zoodat de tyd van derzelver aankomst met zekerheid zal kunnen berekend worden, en schikkingen zullen worden gemaakt om de Emigranten te verspreiden over de landbouw districten van de Kolonie, en ik verwacht zoo veel voordeel van deze maatregel, dat ik dezelve ten ernstigste aan den Secretaris van Staat zal voorstellen.

Ik beveel de nevensgaande Ramingen uwer ernstigste overweging aan, in de volle verzekering dat ik van u dezelfde hartelyke medewerking zal genieten welke ik tot nog toe zoo gelukkig genoten heb.

KAAPSTAD, DEN 15DEN JUNY 1848.

GOUVERNEMENTS KENNISGEVING.

Koloniale Secretary, 24 Mei 1848.

De ZYNE Excellentie de Administrateur des Gouvernements heeft de publicatie van de volgende Minute, tot algemeen naregt gelast.

Ter Ordonnantie van Z. E. den Administrateur des Gouvernements,
(Get.) JOHN MONTAGU,
Gouvernements-Secretaris

Land Bevestiging te Natal.

MINUTE.

Gouvernements Huis, Kaapstad, 24 Mei 1848.

Ik heb gelezen en naauwkeurig overwogen de onderscheiden Documenten, onlangs ontvangen van Zyne Edelheid den Luitenant Gouverneur van Natal, betreffende zekere moyelykheden welk zich hebben voorgedaan, in het ten uitvoer brengen van de bedoelingen en voorzieningen van de Proclamatie van 10 February 1848.

Na het overwegen van de veelvuldige en onzekere omstandigheden, tegenstrydige overwelingen, welke onafwendbaar verbonden zijn met het onderwerp van Land vorderingen te Natal, ben ik gekomen tot zekere besluiten, welke ik nu zal voortgaan te vermelden, en welke verklarend zynde van de Proclamatie van 10 February moeten worden beschouwd als instructie voor de Land Commissie daarbij aangezien.

1. Terwyl het eerste en behoorlyke doel, bedoeld by de aanstelling van de Land Commissie, was het bevorderen van de bevolking en de gevolgelyke voorspoed van het District, door het vestigen op plaatsen binnen hetzelfde, van Emigranten, verblyvende buiten deszelfs limiten, in ongenoegen en ongerijf. Keur ik ter gelyker tyd den gang goed, (welke schynt te zijn aangenomen) van het submitteren van alle Land vorderingen zonder onderscheid ter aanbeveling van het College. De Land Commissie zal daarom voortgaan zoodanige vorderingen en aanzoeken als aan hetzelfde zullen worden ingediend, hetzyl van personen vorderende geregistreerde plaatsen, of die geen die plaatsen vorderen niet geregistreerd, en hetzyl door personen die in het District zijn gekomen onder myne Proclamatie, of personen daar residentie, voor het publiceren van gez. Document; voor dus alle Land vorderingen te stellen in handen van het College, is alle kans van confusie van vorderingen of onbestaanbare schikkingen buiten gesloten.

2. Overtuigd zynde dat de twaalf maanden occupatie proef, voorgeschreven by de Proclamatie van 12den Mei 1843, en door de aanwending van welke de vorderaars oorspronkelyk waren verdeeld in twee klassen No. 1, en No. 2, eene toets was maar slecht geschikt, in de meeste gevallen, voor het verzekeren van ware meriten en welbegronde vorderingen; autoriseer ik by deze het College geen onderscheid te maken (behalve waar byzondere omstandigheden in eenig byzonder geval, eenig byzonder onderscheid zullen raadzaam maken) tusschen originele vorderaars in de klasse No. 1, en oorspronkelyke vorderaars in klasse No. 2. En oorspronkelyke vorderaar in klasse No. 2, geregistreerd voor een plaats, kan eene plaats bekomen van dezelfde uitgestrektheid als een vorderaar voor een plaats in de klasse No. 1. Een oorspronkelyke vorderaar geregistreerd als in klasse No. 2, voor meer dan een plaats zullen hunne vorderingen beschouwd zien op hetzelfde principe als of zy waren geregistreerd in klasse No. 1. Maar alle vorderaars in klasse No. 2 tot wier voordeel de oude schikking dus verzocht wordt, wanneer zy eene volle plaats bekomen van 3000 morgen (in plaats van een van 1000 morgen) zullen onderhevig zijn aan zoodanige redelyke restrictie op het verkoopen en het verlaten van het district als zyn bevat in de 5de clausule van deze minute. Erfgenamen van oorspronkelyke vorderaars en koopers of andere partyen, hun regt bekomen van oorspronkelyke vorderaars in klasse No. 2 zullen worden beschouwd als bekleed met de regten dan die geen die zy vertegenwoordigen, en zullen de vergunningen bekomen welke de oorspronkelyke vorderaars, zonder overlyden of vervreemding zelf zouden genoten hebben. Maar terwyl dit principe van liberale en regtmatige gelykheid de algemeene regel zal wezen, zal het College het niet beschouwen als verpligtend tot recommandatie ten aanzien van landeryen gelegen naby de kust, waar de landeryen in vergelyking ongeschikt zyn voor weide, maar zeer geschikt voor landbouw, ieder oorspronkelyke kooper in klasse No. 2, of kooper van

zoodanige oorspronkelyke vorderaar, van een plaats van groter uitgestrektheid dan 1500 morgen of 3000 acres. Het is echter de bedoeling niet eenigen kooper van of uit klasse No. 2 te beperken meer dan eenen kooper uit klasse No. 1, die eene meerderheid van vorderingen moge hebben ten aanzien van het aantal plaatsen dat hy zal ontvangen. In dit geval zullen beide klassen op gelyke wyze worden behandeld.

3. Onderhevig aan de regten van vorderaars in klasse No. 1 en No. 2, zullen Emigranten, niet begopen in een van beide klassen, maar voor wien byzondere plaatsen zyn geregistreerd op de boeken van den voormaligen Volksraad, welke plaatsen door omstandigheden buiten het beheer van de vorderaars, niet geinspecteerd zyn, worden beschouwd als vorderaars voor vergunningen van denzelfden aard en uitgestrektheid als of zy vorderaars waren in klasse No. 2; en koopers en anderen, behoorlyk regt van hen verkrygende, zullen worden beschouwd als of zy zelf zulke oorspronkelyke Emigranten waren. Ten einde, echter te voorkomen dat lieden die vertrokken zyn, en hun voornemen hebben doen blyken om afwezend te blyven uit het District, het regt nu aan hen verleend, te vervreemden, terwyl zy dus afwezig zyn, of binnen hun District alleen op een bezoek, zal geen vorderaar, onder deze sectie geregigt zyn eenig belang hoegenaamd over te dragen aan eenen kooper van hem, tenzy zoodanige koop zal gesloten zyn binnen de grenzen van het District, en met de toestemming van de Landcommissarissen. Een ieder die vergunningen ontvangt onder deze clausule, zal onderhevig zyn aan de restitutie, ten aanzien van vervreemding en verhuizing uit het District, welke reeds zyn aangehaald, en hieronder verder zullen worden vermeld.

4. Behalve de onderscheiden soorten van vorderaars die alreeds zyn beschreven, en de voormalige occupanten aan de Kliprivier, (voor wien de Proclamatie van 10 February expresselyk voorzien heeft) zullen de Commissarissen geauthoriseerd zyn eene vergunning te recommanderen van eene plaats van 3000 morgen, over de Tugela Rivier, aan ieder Emigrant Onderdaan van den Drakenberg of het land daar achter, of die, oischron in het District van Natal, niet zal voorzien zyn met eene plaats, maar die verlangt zich te vestigen. Emigrant Onderdanen die eens geregistreerd waren maar die van hunne aanspraak hebben afstand gedaan en nu zonder plaatsen zyn, kunnen mede worden gevestigd op eene plaats over de Tugela, zonder koop of betaling. Indien eenig zoodanig voormalig geregistreerd vorderaar zal bereid zyn in de districts kasse te betalen zoodanig bedragen (niet te bovengaan de som of waarde waarvoor hy zyn vroeger geregistreerd regt zal hebben verkocht) zullen de Commissarissen geauthoriseerd zyn, hem aan te bevelen voor eene plaats in zoodanig ander deel van het district als hy, met goedvinden van het College zal verkiezen. En alle vergunningen gemaakt onder deze clausule zullen de conditie moeten bevatten van niet vervreemding in het volgend artikel vermeld.

5. Ik bedenk geenszins de waarschyndlykheid dat eenig aanzienlyk getal Emigranten, wien ik verklaard heb, en nog verder gezind ben te verklaren myne erlangen om hen te bevoorredelen, zullen traachten de bedoelingen van myne Proclamatie te verdraagen tot verkeerde bedoelingen, en alleen plaatsen verzoeken om dezelve te verkoopen en dan te verhuizen. Het is daarom regt en billyk dat voorziening worde gemaakt om zoodanige onbillyke bedoelingen tegen te gaan; maar te gelyker tyd zoo, om het ter discretie van den Luit.-Gouverneur te laten om eene verzuchting toe te staan van de beperkingen welke het noodig is gevonden daar te stellen. Alle vergunningen daarom van plaatsen, te bovengaan 1000 morgen, gemaakt aan oorspronkelyke vorderaars in klasse 2, of personen regtverkrygende van oorspronkelyke vorderaars, als omschreven in clausulen 3 en 4 van deze Minute, zullen eene bepaling, tot dit einde bevatten dat de ontvanger der vergunning of zyne erfgenamen, gedurende eenen tyd van zeven jaren, de plaats aan hem in het geheel of gedeelykelyk verleend, niet zullen mogen verkoopen of verhuizen, zonder voorafgaande toestemming van den Luitenant Gouverneur, (die zal moeten oordeelen volgens de omstandigheden of zulke toestemming zal kunnen worden gegeven) en dat iedere inbreuk op deze bepaling, het Gouvernement het regt zal geven om de plaats terug te nemen. En in zoo verre als deze voorziening gemakkellyk zou kunnen worden ontweken door geregelyke verkooppingen, zal verder worden voorzien in iedere zoodanige vergunning, dat zoodanig land binnen 7 jaren niet in executie zal mogen worden genomen, maar dat in plaats van in executie te worden verkocht, dezelve zal kunnen worden geresumeerd ter keuze des Gouvernements, na betaling aan of voor den crediteur van de waarde van alle gebouwen daarop, en verbeteringen gemaakt door den bezitter zullende zoodanige waarde moeten worden bepaald by gergelde taxatie.

6. Een ieder die onder de voorzieningen van deze Minute zal geregigt zyn eene vergunning te verwachten van eene kust of landbouw plaats, beperkt tot 1500 morgen, zal, indien hy zulks verkiest in ruil daarvoor kunnen bekomen eene plaats van 3000 morgen, gelegen in zoodanig ander deel van het District als hy, met goedkeuring van het College zal bepalen en verkiezen.

7. In ieder geval waarin de Land Commissie in het ten uitvoer brengen van de Proclamatie van den 10den February, of van deze Minute, enige vergunning zal aanbevelen, zal de Luitenant Gouverneur zich moeten beschouwen als ten volle door my geauthoriseerd om volgens die aanbeveling te werk te gaan.

8. Men moet altyd voor oogen houden dat myne Proclamatie van 10den Feb., deze Minute en de Land Commissie, berekend en bestemd zynde, om in eenen temporeuren nood te voorzien, niet langer in kracht zullen blyven dan gedurende den tyd van twaalf maanden oorspronkelyk vermeld, en dat het tegenwoordige plan van het vestigen van eene duurzame, vreedzame, en voorspoedige bevolking in het district Natal zal eindigen op den 10den Feb. 1849.

(Get.) H. G. SMITH.

PROCLAMATIE

DOOR ZYNE EXCELLENTIE LUIT-GENERAAL SIR HENRY GEORGE WAKELYN SMITH,

Baronet, Ridder Groot Kruis van de Hoog-Edelen Order van het Bad, Kolonel 2de Batalion Scherpschutter Administrateur van het Gouvernement van de Kolonie de Kaap de Goede Hoop, en de Resorten van dien, en Ordinaris, en Vice-Admiraal van dezelve; en Harer Majesteits Hooge Commissaris voor het afdoen en verfeuen van de Zaken van het Grondgebied in Zuid Afrika belendend aan en annex de Oostelpeke en Noordelyke Grenzen van de gezegde Kolonie, enz., enz., enz.

NADemaal ik by eene Proclamatie gedateerd 3 February 1848, uitgevaardigd door my, in myne hoedanigheid als Harer Majesteits Hooge Commissaris voor het afdoen en schikken van de zaken van zeker Grondgebied belendend, aan de Kolonie de Kaap de Goede Hoop, de Souvereiniteit van Hare gez. Majesteit over zeker Grondgebied, ten Noorden van de Groote Oranje Rivier, in die Proclamatie vermeld, en omschreven heb geproclameerd, verklaard, en bekend gesteld. En nademaal op versehiden tyden, gedurende het tydvak, gedurende hetwelke Harer Majesteits Uitgeweken Onderdanen zekere deelen van gez. Grondgebied hebben bezoten, zekere huwelyken onder hen hebben plaats gevonden, welke van wege de onmogelykheid om de tegenwoordigheid of hulp te bekomen van eenen bedienaar des Evangeliums en zich te gedragen naar de onderscheiden vereischten der wetten, zoo als men veronderstelt, niet zyn voltrokken op zoodanig eene wyze dat dezelve wettig en van kracht zyn. En nademaal de gem. huwelyken ongeregeld zyn aangegaan, allen uit reden van de noodzakelykheid waaronder de partyen waren, terwyl zy verstoken waren, beide van godsdienst onderwyzers, en van geregeld vastgestelde wetten en niet ontstonden uit gebrek aan eerbied voorde heilige instelling in kwestie, of van de geestelyke toestemming waarmede, onder Christenen, hetzelfde gewoonlyk en gepastelyk voltrokken wordt. En nademaal ik deze zaken in myne overweging hebbende genomen, en verlangend zynde aan gez. Harer Majesteits Onderdanen het belangryk voordeel te schenken, van het vaststellen van de wettigheid en eethed hunner kinderen, en der gez. huwelyken gewettigd voor alle einden van regten, zoo heb ik besloten tot dat einden het vernemen en gezag in my gevestigd nit te oefenen;—Zoo is het, dat ik by deze als Harer Majesteits Hooge Commissaris voormeld, PROCLAMEER, VERKLAAR, en BEKEED MAAK, de onderscheiden volgende Voorzieningen en Regulatien betreffende de huwelyken voormeld, dat is te zeggen:—

1. De Brit Resident in het grondgebied voormeld, wylt by deze geauthoriseerd en gerequireerd een algemeen Register, op te maken en te houden van alle zoodanige huwelyken welke onder eenige der voorzieningen hieronder vermeld aan hem ter registratie worden ingezonden of gerapporteerd.

2. Zoodanig algemeene register zal toonen den naam en woonplaats van den man, en van de vrouw, derzelver respectieve ouderdommen en stand in het leven, den datum van het huwelyk, en alle andere byzonder-

heden welke gezegde Britsche Resident door den Hooge Commissaris zal gelast worden aan te teekenen.

3. Ieder paar, (uitgezonderd als hieronder uitgezonderd) te zamen verbonden binnen het grondgebied als man en vrouw, in de tegenwoordigheid van getuigen, by eenige vorm van woorden te kennen gevende hunne wederzydsche en plegtige toestemming om dan en daar, en van dien tyd af, te zyn echte lieden, te zamen gehuwd, kunnen hun gez. huwelyk doen registreren. Maar geen huwelyk zal mogen worden geregistreerd waarin de partyen door bloedverwantschap of namaagschap bestaan in eenen graad waarin de Gouverneur van de Kolonie de Kaap de Goede Hoop, in regten, geene dispensatie of verlof om te huwen zou hebben kunnen toestaan, indien zy binnen dezelve resideerden, en dat geen wettig huwelyk volgens de wetten van de Kolonie daarin zou kunnen worden voltrokken, indien zy in de gezegde kolonie gedomicileerd waren; en wanneer eenig hun welyk of voorgewend huwelyk by deze verklaard ongeschikt voor registratie, echter za geregistreerd worden, zal zoodanige registratie geen kracht of gevolg hebben; maar geen gronden van objectie uit reden van bloedverwantschap of namaagschap welke in gez. kolonie kunnen gedispenseerd worden, by gezag van gez. Gouverneur, zal de registratie of deszelfs gevolgen beletten als hieronder omschreven.

4. Wanneer twee partyen, gehuwd als voormeld zullen compareren voor den Britschen Resident of voor eenig Resident Magistraat, binnen gez. Grondgebied, en de daadzaak van zoodanig huwelyk zullen verklaren, zal de gez. Resident of Magistraat (naar het geval moge zyn) vernemen en schriftelyk aantekenen de namen van gez. partyen, dezelve woonplaatsen, de datum en plaats van hun huwelyk, en hunnen respectiven stand in het leven, ten tyde van zoodanige huwelyk, of zy toen vroeger getrouwd waren of niet, en zoodanige aantekening zal moeten worden geteekend of erkend door de gez. partyen in de tegenwoordigheid van den Resident of Magistraat. Wanneer eenige twyfel zal ontstaan aangaande de daadzaak of datum van gez. huwelyk, zal de Resident of Magistraat mogen vragen naar het schriftelyk certificaat, of de plegtige verklaring, voor hem zelf, van zoodanige geloofwaardige getuigen die by gez. huwelyk tegenwoordig waren, of daarvan kennis droegen; maar wanneer en zoo dikwyls als eenig zoodanig huwelyk zal zyn aangegaan, ten overstaan van en betuigd zyn door eenig persoon of personen op dien tyd onder Harer Majesteits Onderdanen, erkend als bekleedende eenig publiek ambt of gezag hem of hen het regt gevende om huwelyken te attesteren, zal zoodanige attestaat, of eene copy daarvan, wanneer de identiteit van de gehuwde lieden zal erkend zyn, beslissend bewys zyn, van de daadzaak en datum van zoodanige huwelyk.

5. Ingeval het ongerijfelyk zal zyn voor de beide partyen zich te begeven voor den gez. Resident of voor eenig Magistraat, kan de laatste zich verzekeren van den man alleen van de handelingen voormeld en daaruit de aantekening opmaken. Maar wanneer de man alleen zal verschynen zal hy zich moeten voorzien van een schriftelyk certificaat, of opgave, geteekend door de vrouw, of erkend door haar in tegenwoordigheid van twee bureu, die hetzelfde zullen betuigen, in welk certificaat of opgave de vrouw zal moeten verklaren den datum van het huwelyk, tusschen haar en haren man, en dit certificaat of opgave zal moeten bewaard worden, benevens de aantekening geteekend door den man. Ingeval van enige twyfel aangaande de daadzaak of datum van het huwelyk, zal de Resident Magistraat te werk gaan als boven, ten einde dezely uit den weg te ruimen.

6. Indien een van beide gehuwden overleden zy na het aangaan van eenig zoodanig huwelyk als voormeld, latende de andere nog in leven, zal zoodanige langstlevende kunnen compareren voor den gez. Britschen Resident of eenig Magistraat als voormeld, en daarop zal de aantekening worden bevestigd als of beide partyen nog in leven waren en tegenwoordig, behalve dat de teekening van den langstlevende

alleen van kracht zal zyn, en dat de aantekening het overlyden van den overledene zal vermelden. In ieder zoodanig geval zal de Resident of Magistraat echter duidelyk getuigenis moeten vorderen, hetzy mondelyk of by een certificaat of affidavit, zoo als hy noodig zal oordeelen, van de daadzaak en datum van het huwelyk, en waar het mogelyk is, zich verzekeren dat de nabestaanden of vrienden van den overledene toestemmen in het erkennen van zoodanig huwelyk.

7. Indien het zal gebeuren in eenig geval, waarin eenig zoodanig huwelyk zal zyn aangegaan, en zyn geattesteerd door eenig zoodanig persoon in ambt of gezag als hierboven bedoeld, dat een van beide partyen zal weigeren zich met de andere te vereenigen in het bekomen van de registratie van zoodanig huwelyk, zal het de party die verlangend is zoodanige registratie te verkrygen vrystaan te verschynen voor den Resident of Magistraat, die op bewys van zoodanige weigering en productie van zoodanige attestatie als voormeld, of eene authentieke copy daarvan, en op zoodanig verder onderzoek of bewys, als de gez. Resident of Magistraat noodig zal oordeelen, de noodige aantekening zal bereiden, waartoe de teekening van de aanzoekdoende party genoegzaam zyn zal, en welke de weigering van de andere party zal moeten bevatten.

8. Het zal geen grond zyn voor weigering van het bereiden van eene aantekening van, of het registreren van eenig huwelyk, dat beiden of eene der partyen tot hetzelfde, tydens het aangaan van het huwelyk, minderjarig waren.

9. Wanneer en zoo dikwyls als eenig Magistraat als voormeld, eenige aantekening als voormeld zal bereid hebben, zal hy met alle doenlyke spoed hetzelfde, benevens alle papieren of documenten daartoe behoorende, moeten toezenden aan den Britschen Resident, die ieder zoodanig huwelyk zal moeten registreren, en in alle gevallen waarin de noodige aantekeningen zullen zyn bereid doorden Resident zelf, zal hy van of door middel van dezelve het huwelyk moeten registreren.

10. Ieder zoodanig huwelyk als voormeld door den Britschen Resident geregistreerd zynde, zal van en na dien datum een huwelyk zyn, even wettig en geldig tot alle einden, als een wettig huwelyk binnen de limiten van de Kaap de Goede Hoop, en zal voor alle einden van eenen civilen aard worden beschouwd, als zynde een wettig huwelyk geweest van den dag af dat het is aangegaan; maar of hetzelfde van den datum laatst gemeld, geoordeeld zal worden een wettig huwelyk te zyn, voor de einden van eene prosectie voor tweewyvery of veelwyvery, ingeval eene der partyen naderhand gedurende het leven van de andere party, een ander huwelyk zal hebben aangegaan, zal moeten worden geoordeeld en beslist volgens de algemeene principes van regten, en onafhankelyk van eenige der voorzieningen van deze Proclamatie.

11. En nademaal zekere Leeraars van de Nederduitsche Hervormde kerk zich vroeger hebben begeven naar gezegd grondgebied, ten einde daarin, zoo algemeen als de omstandigheden zulks toelieten, de plegtigheden en diensten der godsdienst te volbrengen en nademaal zekere van de uitgeweken onderdanen voormeld, van tyd tot tyd zyn getrouwd door zoodanige Leeraars, alsmede door den dienstdoende Leeraar in de Nederduitsche Gereformeerde Kerk te Pietermaritzburg, het district Natal, en nademaal er reden is te veronderstellen, dat in alle gevallen waarin eenig zoodanig Leeraar als voormeld, eenig huwelyk heeft voltrokken tusschen partyen die vroeger te zamen leefden, als man en vrouw, uit kracht van eenig zoodanig ongeregeld huwelyk als bovengemelden, de gez. Leeraar, zoowel de daadzaak als den datum van zoodanig voorgaand huwelyk heeft aangeteekend, als het huwelyk door hemzelf voltrokken, en nademaal het gepast is dat vol geloof worde gegeven aan alle zaken dus bewezen, zoo wordt by deze verklaard en gelast dat de Britsche Resident alle originele huwelyks aantekeningen gedaan door eenig zoodanig Leeraar, of authentieke copyen daarvan, zal moeten aannemen als getuigenis van de daadzaak daarin vervat, en van en door middel daarvan de huwelyken moeten registreren

daarin vermeld, zonder de comparitie van eenige der partyen en of eenig verder bewys te vorderen; en dat van en na zoodanige registratie zoodanig huwelyk zal worden beschouwd en geoordeeld als een wettig huwelyk, tot alle einden van den datum van het voltrekken daarvan, door zoodanig Leeraar, en voor alle einden van eenen civilen aard een wettig huwelyk te zyn geweest van den datum vermeld in het huwelyks certificaat, gemaakt door gez. Leeraar, als dat waarop het eerste of vroegere huwelyk (zoo er eenig is,) was aangegaan. Maar indien in eenig geval de daadzaak of datum van zoodanig vroeger huwelyk niet in zoodanig huwelyks certificaat blijkt, dan zullen de partyen de registratie van zoodanig eerst of vroeger huwelyk verlangende, moeten voortgaan op gelyke of dezelfde manier als in dat of gelyk geval hierboven voorzien is, maar in ieder geval zal het huwelyk dus voltrokken door zoodanigen Leeraar, na de registratie daarvan, worden beschouwd als een wettig huwelyk tot alle einden van en na den datum van deszelfs voltrekking.

12. En nademaal het noodzakelyk is temporaire voorzieningen te maken voor het voltrekken van huwelyken, binnen het voormelde grondgebied, bevorens het openen van de Kerken en het vestigen van bepaalde Leeraars in de zelve, zoo wordt by deze vastgesteld dat alle personen die in het vervolg zullen worden getrouwd door eenen Leeraar van de Nederduitsche Gereformeerde Kerk van de Kaapsche Kolonie, of persoon door dezelve aangesteld om huwelyken te voltrekken binnen gez. grondgebied, zullen worden geoordeeld en beschouwd als wettig getrouwd; en zoodanige huwelyken zullen moeten worden geregistreerd door den Britschen Resident voormeld, van of door middel van de huwelyks certificaten van zoodanige Leeraars of andere personen, en geene afkondiging van huwelyksgeboden zal noodig zyn.

13. Indien het zal gebeuren dat personen die verlangen in den echten staat te treden, niet in staat zullen zyn de diensten te bekomen van eenen Leeraar van wien hun huwelyk de plegtige en passende sanctie van de godsdienst kan bekomen, zullen zoodanige personen zich kunnen vervoegen by den Britschen Resident of den naasten Magistraat, en ieder hunner zal dan in deszelfs tegenwoordigheid plegtig moeten verklaren dat zy niet bekend zyn met enige verandering tegen hun huwelyk, en dat zy hem verlangen te getuigen dat zy elkander respectively nemen als man en vrouw; en daarop zal eene aantekening van gez. huwelyk worden bereid, en hetzelfde zal behoortlyk moeten worden geregistreerd; en ieder zoodanig huwelyk zal zyn en geoordeeld worden te zyn even wettig en van kracht, als een wettig huwelyk, voltrokken binnen de Kaapsche Kolonie.

14. Indien beide of een van beide partyen minderjarig zullen zyn, zal de Resident of Magistraat, naar het geval moge zyn, voor hy het huwelyk toelaat, (behalve in geval van eenen weduwnaar of eene weduwe) bewys moeten vragen van de toestemming van de ouders of voogden, tenzy het hem zal blyken dat er geen zoodanige in leven zyn, of dat zy, zonder grondige redenen, hun consent weigeren, of dat, van wege den afstand of andere oorzaken zoodanig consent met geene mogelijkheid, of niet zonder groote ongelegenheid te bekomen is. Maar geen huwelyk eens toegestaan en aangeteekend, zal kunnen vernietigd, worden op grond dat eene of beide partyen minderjarig zynde, was getrouwd zonder consent van de ouders of voogden.

15. Een certificaat geteekend door den Britschen Resident of ambtenaar als zoodanig fungerende, medende de geregistreerde byzondheden van ieder huwelyk, door hem of ten zynen kantoore geregistreerd, uit kracht van deze Proclamatie, zal goed getuigenis van zoodanig huwelyk zyn voor alle Geregisthoven en Magistraten.

En ten laatste proclameer, verklaar, en maak ik by deze bekend, dat in myn ernstig verlangen om zoo veel als my mogelyk is, de belangen en gevoelens van alle Harer Majesteits Onderdanen in het Grondgebied voormeld, en die van hunner vrouwen en kinderen te raadplegen, ik alle noodige maatregelen heb genomen, om hunne huwelyken voormeld, boven allen twist en twyfel te bevestigen, mets in

GOD BEWARE DE KONINGIN!
Gegeven onder het Publieke Zegel, van de Kolonie de Kaap de Goede Hoop, den 17den dag van Mei 1848.

(Get.) H. G. SMITH,
Op last van Zyne Excellentie Harer Majesteits Hooze Commissaris,
(Get.) RICHARD SOUTHEY,
Secretaris van H. M. Hooze Commissaris

Gouvernements Huis, Kaapstad, 15 Mei 1848.

ET betrekking tot het Manifest, uitgevaardigd door Hare Majesteits Hooze Commissaris, op den 2 Maart 1848, geaddresserd aan diegenen der uitgeweken Burgers die aan Zyne Excellentie voorgesteld zyn geworden als wankelende in hunne getrouwheid, nit hoofde van de pogingen van kwalijkezinde menschen die zich beyverden om de Proclatien van den 3 en 10 February en 8 Maart te verdraayen en verkeerd voor te stellen,—beschouwt Zyne Excellentie het als eene daad van regtvaardigheid jegens die Emigranten, de volgende extracten en documenten, (nit vele anderen van denzelfden aard en strekking) te publiceren, welke, terwyl dezelve hem de hoogste personeele voldoening verschaffen, als be wyzen dat een vaderlyk Gouvernement in waarde gehouden wordt door dezulken, die uit hoofde van ongelukkige omstandigheden, zoo lang aan zich zelve overgelaten zyn om te worstelen te midden van regeringloosheid en wanorde,—tevens het goed karakter en de getrouwheid der Emigranten aan Hare Majesteit de Koningin, zuiveren van de verkeerde voorstellingen van baatzuchtige en zedeloze oproerstokers.

Zyne Excellentie heeft hartelyk genoeg de Burgers, als een ligchaam, thans openbaar vry te schouwen van den blaam welke men getracht heeft op hen te werpen, en te toonen, dat het volle vertrouwen zoo openhartig en zonder aarzelen in hen gesteld, op hunne eigene verzekerings aan hemzelf in persoon gedaan, niet misplaatst zyn geworden, en dat aldus getrouwheid en ware gevoelens van een Christen zeprehalen over de kwade pogingen om brave menschen te misleiden.

Op last van Z. E. den Hoogen Commissaris,
(Get.) RICHARD SOUTHEY,
Secretaris

District van Caledon, 21 April 1848.

Aan Zyne Excellentie Luit-Generaal Sir H. G. Smith Baronet, enz., Gouverneur der Kolonie de Kaap de Goede Hoop, enz., en Hare Majesteits Hooze Commissaris voor het verdelven van zaken van het Grondgebied aan de Oostelyke en Noord Oostelyke Grenzen van de Kolonie, enz., enz.

Wy Ondergetekenden, Emigranten, woonachtig in het District van Caledon, verzoek hiernede Uwe Excellentie aan te presenteren onze oprechte gelakkbieding op uwe veilig komst in de Kaapstad, de Zetel van uwe Gouvernement, na die zware moeyelykheden en ontberingen die Uwe Excellentie voor ons ondergaan heeft.—Wy bieden ook Uwe Excellentie aan onze dankbaarheid voor de wyze en verzachtende maatregelen die uwe gevolgen heeft, terwyl wy verpligt zyn te bekenen onze onwaardigheid.

Wy verzekeren Uwe Excellentie van onze hartige dankbaarheid en onze ongeveinsde getrouwheid en verkleefdheid aan Hare Genadige Majesteit de Koningin.

In Uwe Excellenties Proclamatie vinden wy geen deel die naar onze gevoelens tot verbetering kan verandert worden. Dat de Genadige Voorzienigheid Uwe Excellentie lang mogt behouden om de vruchten van uwe wyze en oprechte Gouvernement te genieten is het gebed van Uwe Excellenties

Nooitgedacht den 24 April 1848.

MYNHEER,—Ik heb UEd. te melden dat ik in het District van Caledon, nu onlangs zes byeenkomsten gehouden heb, door lust van het Gouvernement, om zekere Proclamatien voor te lezen en de gevoelens van de menschen te hooren. Ik ben gelast door ontrout twee honderd menschen in dit District woonachtig, UEd. te melden dat zy zeer te vreden en dankbaar zyn met de zachtede maatregelen van het Gouvernement, en dat zy van nu af de ongeveinsde getrouwheid en verkleefdheid aan Hare Majesteit de Koningin van Engeland zal betoonen.

En degenen die onder uwe Maatschappy geweest zyn, doet aan u weten dat zy misleid en bedrogen zyn geworden, en geheellyk van uwe Maatschappy afzien.

Ik heb de eer te zyn,
UEd. Dienstwillige Dienaar,
(Get.) JACS. THEOD. SNYMAN.
Den Heer A. W. J. PRETORIUS.

Ook was dit de uitspraak van allen in deze gewesten, dat zy ten vollen overtuigd zyn dat de Gouverneur H. W. SMITH, hun verlost heeft van alle Natien om verjaagd te worden, of belasting op hunne woonings te stellen hier in dit grondgebied welke zy hier bewoonen, met name Boven Riet Rivier en Shikspruit, en een tak aan, en over de Caledons Rivier, beide niet tegenstande aan het Gouvernement,—nooit met de Maatschappy te bemoeien, sijn en rustig te wonen onder een beschaafd Gouvernement.

Dit was de uitspraak van de menschen in dit grondgebied aan my gedaan.

Verblyve ik met achtung UEd. Vriend en Dienaar,
(Get.) JACS. THEOD. SNYMAN.

Voor Copy conform,
F. REX
Spitskop, 28 April 1848.

Aan Majoor WARDEN, Bloem Fontein.

MYNHEER,—Ik moet u bekend maken, dat ik, sedert ik het laatst aan u geschreven heb, drie Byeenkomsten gehouden heb, en dat de Burgers zoo ver als Onder Riet Rivier, en van daar over naar de Orange Rivier, allen van een gevoelens zyn, om hunne gehechtheid aan het Gouvernement, en hunne gehoorzaamheid aan de wetten te

bevestigen, terwyl onze Gouverneur zoo genadig is geweest om ons uit de verdrukking te verlossen; wy zyn dankbaar, en vertrouwen op zyne vaderlyke medewerking, daar wy reeds overtuigd zyn van zyne vaderlyke hulp. Wy bidden ook voor onzen Gouverneur, dat hy by voortdaring moge gesterkt worden in wysheid, van onzen God, door Jezus Christus.

Mynheer, heb de goedheid om my meer van de Proclamatien van den 8sten en 20sten Maart te zenden. Ik ben er grootelyks om verlegen; gelief dezelve dan met bringer dezes te zenden. Wy verzoeken u ook ons terug te schrijven, hoe de Heer REX de zaken by PRETORIUS en het Volk in die gewesten gevonden heeft.—Wy verblyven, UEds. gehoorzame Dienaren,

In den naam van myn geheele Veldkornetschap, en allen in dit gedeelte van het Land.
(Get.) JAN HENDRIK CLOETE, Veldkornet.

Extract uit een Brief van Majoor WARDEN, Britsche Resident aan Bloem Fontein, aan Zyne Excellentie Sir H. G. SMITH, Bart. G.C.B., Hare Majesteits Hooze Commissaris, gedateerd Bloem Fontein, 24sten April 1848.

De Emigranten aan de andere zyde van Modder Rivier, in grooter getallen, schynen thans meer hunne eigene belangen te gevoelen; en Uwer Excellenties Manifest heeft veel bygedragen tot verkoeling van den yver der oproerige party in de kwade zaak die zy voor hadden.

Ik verneem dat de Memorie, onlangs door den Heer W. Jacobs aan uwe Excellentie toegezonden, de namen bevatten van 71 Emigranten, die begerig waren hunne Naamteekeningen terug te trekken, dadelijk na dat het bedrog door den Heer PRETORIUS op hen en anderen gewrocht, ontdekt was, doch de Memorie was toen reeds in handen van den Heer JACOBS, en geene terugtrekking kon gedooft worden.

Ik onderneem thans aan Uwe Excellentie mede te deelen myne volkomene overtuiging, dat, by de aankomst van de Magistraten voor Winburg en Caledon Rivier, alles in goede orde voortgaan zal.

loyalty to Her Majesty the Queen, of the Emigrant Farmers, from the misrepresentations of interested and unprincipled agitators.

His Excellency has heartfelt gratification in now publicly relieving the Burghers as a body, from the aspersions attempted to be cast upon them, and in showing that the trust and confidence frankly and unhesitatingly reposed in them, upon their own assurances to himself in person, were not misplaced; and thus do loyalty and the true feelings of a Christian triumph over wicked endeavours to mislead good men.

By Command of His Excellency

District of Caledon, 21st April 1848.

To His Excellency Lieut. General Sir H. G. SMITH, Bt.,
Governor of the Colony of the Cape of Good Hope,
and Her Majesty's High Commissioner for settling
the Affairs in the Territory on the N. and N. E.
Boundary of the Colony, &c. &c.

We, the Undersigned, Emigrants, residing in the District of Caledon, beg leave hereby to present to your Excellency our sincere congratulation on your safe arrival at Cape Town, the Seat of your Government, after the great difficulties and privations which Your Excellency has endured for us.—We also beg to tender to Your Excellency our gratitude for the wise and lenient measures you have adopted, whilst we are obliged to confess our unworthiness.

We assure Your Excellency of our hearty thankfulness, and our unfeigned Allegiance and Attachment to Her Gracious Majesty the Queen.

In your Excellency's Proclamation we find no part which, in our opinion, can be improved upon.

That a merciful Providence may long spare Your Excellency to reap the fruits of your wise and just Government, is the Prayer of

Your Excellency's most humble
and grateful Servants,
(Signed by J. T. SNYMAN, Commandant,

Nooli Gedacht, 24th April 1848.

Sir,—I have to acquaint you, that I have lately held six meetings in the District of Caledon, by order of Government, for the purpose of reading certain Proclamations, and to ascertain the feelings of the people.—I am directed by about 200 persons residing in this District to acquaint you, that they are very well satisfied and grateful for the lenient measures of the Government, and that they will henceforth evince unfeigned allegiance and attachment to Her Majesty the Queen.

And those who have been among your community, let you know, that they have been misled and deceived, and totally withdraw themselves from your community.

I have the honor to be,
Your obedient Servant,
(Signed) JACS. THEODS. SNYMAN.

To Mr. A. W. J. PRETORIUS.

This was also the expression of all in this part, that they are fully convinced, that the Governor H. W. SMITH had delivered them from all nations, and from being driven away, or taxes put upon their dwellings, in this part of the country which they now inhabit, called Boven Riet River and Slik Spruit, and a branch on and over Caledon's Rivier, both notwithstanding to the Government, never to meddle with the community, but to live quiet and peaceably under a civilised Government.

This was the expression of the people in this territory made to me.

I remain, with esteem,
your friend and servant,
(Signed) J. T. SNYMAN.

Spits Kop, 28th April, 1848.

To Major WARDEN, Bloem Fontein.

Sir,—I have to inform you, that since I last wrote to you, I have held three meetings, and all the Burghers as far as Lower Riet River, and thence over towards the Orange River, are all of one mind, further to confirm their adherence to the Government and their obedience to the Laws, as our Governor has been so merciful as to release us from oppression; and we are grateful, and confide in his fatherly assistance, as we are already convinced of his fatherly help. We also pray for our Governor that he may continue to be strengthened in wisdom by our God, through Jesus Christ.

Sir, do have the goodness to send me more of the proclamations of the 8th March, and also of the 29th March. I am greatly in want of them, so pray send them by the bearer. And we also request you will write us back how Mr. Rex found matters with Pretorius and the people in that part of the country. We remain, your obedient servants, in the name of the whole of my field-cornetcy and all in this part of the country,

(Signed) JAN HENDR. CLOETE,
Field-cornet.

Extracts of a Letter from Major WARDEN, British Resident at Bloem-fontein, to His Excellency Sir H. G. SMITH, Bart., G.C.B., Her Majesty's High Commissioner, dated Bloem-fontein, April 24th, 1848.

"The Emigrants beyond Modder River, in larger numbers, now appear to be more alive to their own interests; and Your Excellency's Manifesto has done much towards cooling the zeal of the turbulent party in the bad cause they were bent upon."

"I learn that the memorial lately forwarded to Your Excellency by Mr. Wm. Jacobs, contained the names of 71 Emigrants, who were desirous to withdraw their signatures immediately the fraud practised on them by Mr. Pretorius and others was discovered, but the memorial was then in the hands of Mr. Jacobs, and any retraction could not be allowed."

"I now beg to convey to Your Excellency my firm belief, that on the arrival of the Magistrates for Winberg and the Caledon River, everything will go on well."

Tenderers for distances exceeding two hours are recommended to provide for two sets of horses for such distances, otherwise it will be difficult for them, with one set of horses for the whole distance, to convey the Mail within the time specified. Should Contractors desire to erect stabling for their horses at places on the line of road where buildings for such a purpose cannot otherwise be obtained, they will be permitted to do so on Government land, or on out-span places, and their buildings will be purchased from them by the Government, at a valuation, whenever their Contracts cease—and if such buildings should have been erected by Contractors on private property—the Government will, in like manner, purchase them if the proprietor of the land will give his consent.

For any detention of the Mail beyond the time above specified for the distances allowed, the Contractor shall forfeit according to the following scale.

	£	s.	d.
For every period not exceeding half-an-hour,	0	2	6
For half-an-hour and not exceeding one hour,	0	7	6
For one hour and not exceeding one hour and a half,	0	15	0
For one hour and a half and not exceeding 2 hours,	1	5	0
For 2 hours and not exceeding 2 hours and a half,	2	0	0

And for every additional half hour beyond 2½ hours the additional sum of 10 Shillings.

The above penalties will be strictly enforced, excepting in cases in which the Government shall be satisfied upon proper evidence, that the detention has arisen from causes beyond the control of the Contractor, and which could not have been avoided, nor prevented by previous arrangements on his part.

The particular attention of Tenderers is requested to the Government Notice of the 18th February 1846, which is re-published herewith for general information.

Further information may be obtained on application at this Office, of the Postmaster General, and the several Postmasters in the Interior.

By Command of His Excellency the Administrator of the Government,

Secretary to Government.

Colonial Office, Cape of Good Hope,
18th February 1846.

NOTICE is hereby given, that no Tender will, in future, be attended to, unless it contain not only the names of the Sureties for the due performance of the Contract to be entered into, but the signatures of the Sureties themselves to a declaration annexed or affixed to the Tender, that they thereby bind themselves for the Tenderer, in the event of his Tender being accepted, and that they will sign the necessary Bond for that purpose whenever required so to do, by the proper officer.

By Command of His Excellency the Governor,
(Signed) JOHN MONTAGU,
Secretary to Government.

BY HIS EXCELLENCY LIEUTENANT GENERAL
SIR HENRY GEORGE WAKELYN SMITH, BARONET,

WHEREAS I did, by a Proclamation, bearing date the 3d of February 1848, issued by me, in my capacity as Her Majesty's High Commissioner for settling and adjusting the affairs of certain Territories adjacent to the Colony of the Cape of Good Hope, proclaim, declare, and make known the Sovereignty of her said Majesty over certain Territories North of the Great Orange River, in the said Proclamation mentioned and described: And whereas, at various times during the period for which Her Majesty's Emigrant Subjects have occupied parts or portions of the said Territories, many marriages have taken place amongst them, which, owing to the impossibility of obtaining the presence or aid of any Minister of the Gospel, and of conforming to divers requirements of law, have not, as it is supposed, been solemnized in such a manner as to render the same valid and effectual: And whereas, the said marriages were so irregularly contracted by reason solely of the necessity under which the parties lay, while deprived alike of Religious Teachers, and of regular and established Laws, and arose from no want of due reverence for the Holy Ordinance in question, or for the spiritual sanctions with which, amongst Christians, it is customarily and fitly solemnized: And whereas, taking these things into my consideration, and being desirous to confer upon Her Majesty's said Subjects the important advantage of having their children's legitimacy established, and their said Marriages legalized for all purposes of law, I have determined to exercise for that end, the powers and authorities in me vested:—Now, therefore, I do, as Her Majesty's High Commissioner as aforesaid, hereby PROCLAIM, DECLARE, and MAKE KNOWN, the several following Provisions and Regulations, touching and concerning the Marriages aforesaid; that is to say—

7th. Should it happen, in any instance in which any such marriage shall have been contracted before, and attested by, any such persons in office or authority as are hereinbefore referred to, that either of the spouses shall refuse to join the other of them in obtaining the registration of the said marriage, then the spouse desiring such registration shall be at liberty to appear before the Resident or Magistrate, who shall, upon proof of such refusal, and production of such attestation as aforesaid, or an authentic copy thereof, and upon such further

Given under my Hand and the Public Seal of the Settlement of the Cape of Good Hope, this 17th May 1848.

SEE SUPPLEMENT.

heden welke gezegde Britsche Resident door den Hooge Commissaris zal gelast worden aan te teekenen.

3. Ieder paar, (uitgezonderd als hieronder uitgezonderd) te zamen verbonden binnen het grondgebied als man en vrouw, in de tegenwoordigheid van getuigen, by eenige vorm van woorden te kennen gevende hunne wederzydsche en plegtige toestemming om dan en daar, en van dien tyd af, te zyn echte lieden, te zamen gehuwd, kunnen hun gez. huwelyk doen registreren. Maar geen huwelyk zal mogen worden geregistreerd waarin de partyen door bloedverwantschap of namaagschap bestaan in eenen graad waarin de Gouverneur van de Kolonie de Kaap de Goede Hoop, in regten, geene dispensatie of verlof om te huwen zou hebben kunnen toestaan, indien zy binnen dezelve resideerden, en dat geen wettig huwelyk volgens de wetten van de Kolonie daarin zou kunnen worden voltrokken, indien zy in de gezegde kolonie gedomicilieerd waren; en wanneer eenig huwelyk of voorgewend huwelyk by deze verklaard ongeschikt voor registratie, echter za geregistreerd worden, zal zoodanige registratie geen kracht of gevolg hebben; maar geen gronden van objectie uit reden van bloedverwantschap of namaagschap welke in gez. kolonie kunnen gedispenseerd worden, by gezag van gez. Gouverneur, zal de registratie of deszelfs gevolgen beletten als hieronder omschreven.

4. Wanneer twee partyen, gehuwd als voormeld zullen compareren voor den Britschen Resident of voor eenig Resident Magistraat, binnen gez. Grondgebied, en de daadzaak van zoodanig huwelyk zullen verklaren, zal de gez. Resident of Magistraat (naar het geval moege zyn) vernemen en schriftelyk aantekenen de namen van gez. partyen, dezelve woonplaatsen, de datum en plaats van hun huwelyk, en hunnen respectiven stand in het leven, ten tyde van zoodanig huwelyk, of zy toen vroeger getrouwd waren of niet, en zoodanige aantekening zal moeten worden geteekend of erkend door de gez. partyen in de tegenwoordigheid van den Resident of Magistraat. Wanneer eenige twyfel zal ontstaan aangaande de daadzaak of datum van gez. huwelyk, zal de Resident of Magistraat mogen vragen naar het schriftelyk certificaat, of de plegtige verklaring, voor hem zelf, van zoodanige geloofwaardige getuigen die by gez. huwelyk tegenwoordig waren, of daarvan kennis droegen; maar wanneer en zoo dikwyls als eenig zoodanig huwelyk zal zyn aangegaan, ten overstaan van en betuigd zyn door eenig persoon of personen op dien tyd onder Harer Majesteits Onderdanen, erkend als bekleedende eenig publiek ambt of gezag hem of hen het regt gevende om huwelyken te attesteren, zal zoodanige attestaat, of eene copy daarvan, wanneer de identiteit van de gehuwde lieden zal erkend zyn, beslissend bewys zyn, van de daadzaak en datum van zoodanig huwelyk.

5. Ingeval het ongerijfelyk zal zyn voor de beide partyen zich te begeven voor den gez. Resident of voor eenig Magistraat, kan de laatste zich verzekeren van den man alleen van de handelingen voormeld en daaruit de aantekening opmaken. Maar wanneer de man alleen zal verschynen zal hy zich moeten voorzien van een schriftelyk certificaat, of opgave, geteekend door de vrouw, of erkend door haar in tegenwoordigheid van twee bureu, die hetzelfde zullen betuigen, in welk certificaat of opgave de vrouw zal moeten verklaren den datum van het huwelyk, tusschen haar en haren man, en dit certificaat of opgave zal moeten bewaard worden, benevens de aantekening geteekend door den man. Ingeval van eenige twyfel aangaande de daadzaak of datum van het huwelyk, zal de Resident Magistraat te werk gaan als boven, ten einde dezelve uit den weg te ruimen.

6. Indien een van beide gehuwden overleden zy na het aangaan van eenig zoodanig huwelyk als voormeld, latende de andere nog in leven, zal zoodanige langstlevende kunnen compareren voor den gez. Britschen Resident of eenig Magistraat als voormeld, en daarop zal de aantekening worden bereid als of beide partyen nog in leven waren en tegenwoordig, behalve dat de teekening van den langstlevende

alleen van kracht zal zyn, en dat de aantekening het overlyden van den overledene zal vermelden. In ieder zoodanig geval zal de Resident of Magistraat echter duidelyk getuigenis moeten vorderen, hetzy mondelyk of by een certificaat of affidavit, zoo als hy noodig zal oordeelen, van de daadzaak en datum van het huwelyk, en waar het mogelyk is, zich verzekeren dat de nabestaanden of vrienden van den overledene toestemmen in het erkennen van zoodanig huwelyk.

7. Indien het zal gebeuren in eenig geval, waarin eenig zoodanig huwelyk zal zyn aangegaan, en zyn geattesteerd door eenig zoodanig persoon in ambt of gezag als hierboven bedoeld, dat een van beide partyen zal weigeren zich met de andere te vereenigen in het bekomen van de registratie van zoodanig huwelyk, zal het de party die verlangend is zoodanige registratie te verkrygen vrystaan te verschynen voor den Resident of Magistraat, die op bewys van zoodanige weigering en productie van zoodanige attestatie als voormeld, of eene authentieke copy daarvan, en op zoodanig verder onderzoek of bewys, als de gez. Resident of Magistraat noodig zal oordeelen, de noodige aantekening zal bereiden, waartoe de teekening van de aanzoekdoende party genoegzaam zyn zal, en welke de weigering van de andere party zal moeten bevatten.

8. Het zal geen grond zyn voor weigering van het bereiden van eene aantekening van, of het registreren van eenig huwelyk, dat beiden of eene der partyen tot hetzelfde, tydens het aangaan van het huwelyk, minderjarig waren.

9. Wanneer en zoo dikwyls als eenig Magistraat als voormeld, eenige aantekening als voormeld zal bereid hebben, zal hy met alle doonlyke spoed hetzelfde, benevens alle papieren of documenten daartoe behoorende, moeten toezenden aan den Britschen Resident, die ieder zoodanig huwelyk zal moeten registreren, en in alle gevallen waarin de noodige aantekeningen zullen zyn bereid door den Resident zelf, zal hy van of door middel van dezelve het huwelyk moeten registreren.

10. Ieder zoodanig huwelyk als voormeld door den Britschen Resident geregistreerd zynde, zal van en na dien datum een huwelyk zyn, even wettig en geldig tot alle einden, als een wettig huwelyk binnen de limiten van de Kaap de Goede Hoop, en zal voor alle einden van eenen civilen aard worden beschouwd, als zynde een wettig huwelyk geweest van den dag af dat het is aangegaan; maar of hetzelfde van den datum laatst gemeld, geoordeeld zal worden een wettig huwelyk te zyn, voor de einden van eene prosecutie voor tweewyvery of veelwyvery, ingeval eene der partyen naderhand gedurende het leven van de andere party, een ander huwelyk zal hebben aangegaan, zal moeten worden geoordeeld en beslist volgens de algemeene principes van regten, en onafhankelyk van eenige der voorzieningen van deze Proclamatie.

11. En nademaal zekere Leeraars van de Nederduitsche Hervormde kerk zich vroeger hebben begeven naar gezegd grondgebied, ten einde daarin, zoo algemeen als de omstandigheden zulks toelieten, de plegtigheden en diensten der godsdienst te volbrengen en nademaal zekere van de uitgeweken onderdanen voormeld, van tyd tot tyd zyn getrouwd door zoodanige Leeraars, alsmede door den dienstdoende Leeraar in de Nederduitsche Gereformeerde Kerk te Pietermaritzburg, in het district Natal, en nademaal er reden is te veronderstellen, dat in alle gevallen waarin eenig zoodanig Leeraar als voormeld, eenig huwelyk heeft voltrokken tusschen partyen die vroeger te zamen leefden, als man en vrouw, uit kracht van eenig zoodanig ongeregeld huwelyk als bovengemelden, de gez. Leeraar, zoowel de daadzaak als den datum van zoodanig voorgaand huwelyk heeft aangeteekend, als het huwelyk door hemzelf voltrokken, en nademaal het gepast is dat vol geloof worde gegeven aan alle zaken dus bewezen, zoo wordt by deze verklaard en gelast dat de Britsche Resident alle origenele huwelyke aantekeningen gedaan door eenig zoodanig Leeraar, of authentieke copyen daarvan, zal moeten aannemen als getuigenis van de daadzaken daarin vervat, en van en door middel daarvan de huwelyken moeten registreren

daarin vermeld, zonder de comparitie van eenige der partyen en of eenig verder bewys te vorderen; en dat van en na zoodanige registratie zoodanig huwelyk zal worden beschouwd en geoordeeld als een wettig huwelyk, tot alle einden van den datum van het voltrekken daarvan, door zoodanig Leeraar, en voor alle einden van eenen civilen aard een wettig huwelyk te zyn geweest van den datum vermeld in het huwelyks certificaat, gemaakt door gez. Leeraar, als dat waarop het eerste of vroegere huwelyk (zoo er eenig is,) was aangegaan. Maar indien in eenig geval de daadzaak of datum van zoodanig vroeger huwelyk niet in zoodanig huwelyks certificaat blykt, dan zullen de partyen de registratie van zoodanig eerst of vroeger huwelyk verlangende, moeten voortgaan op gelyke of dezelfde manier als in dat of gelyk geval hierboven voorzien is, maar in ieder geval zal het huwelyk dus voltrokken door zoodanigen Leeraar, na de registratie daarvan, worden beschouwd als een wettig huwelyk tot alle einden van en na den datum van deszelfs voltrekking.

12. En nademaal het noodzakelyk is tenporaire voorzieningen te maken voor het voltrekken van huwelyken binnen het voormelde grondgebied, bevorens het openen van de Kerken en het vestigen van bepaalde Leeraars in dezelve, zoo wordt by dezo vastgesteld dat alle personen die in het vervolg zullen worden getrouwd door eenen Leeraar van de Nederduitsche Gereformeerde Kerk van de Kaapsche Kolonie, of persoon door dezelve aangesteld om huwelyken te voltrekken binnen gez. grondgebied, zullen worden geoordeeld en beschouwd als wettig getrouwd; en zoodanig-huwelyken zullen moeten worden geregistreerd door den Britschen Resident voormeld, van of door middel van de huwelyks certificaten van zoodanige Leeraars of andere personen, en geene afkondiging van huwelyksgeboden zal noodig zyn.

13. Indien het zal gebeuren dat personen die verlangen in den echten staat te treden, niet in staat zullen zyn de diensten te bekomen van eenen Leeraar van wien hun huwelyk de plegtige en passende sanctie van de godsdienst kan bekomen, zullen zoodanige personen zich kunnen vervoegen by den Britschen Resident of den naasten Magistraat, en ieder hunner zal dan in deszelfs tegenwoordigheid plegtig moeten verklaren dat zy niet bekend zyn met eenige verandering tegen hun huwelyk, en dat zy hem verlangen te getuigen dat zy elkander respectively nemen als man en vrouw; en daarop zal eene aantekening van gez. huwelyk worden bereid, en hetzelfde zal behoorlyk moeten worden geregistreerd; en ieder zoodanig huwelyk zal zyn en geoordeeld worden te zyn even wettig en van kracht, als een wettig huwelyk, voltrokken binnen de Kaapsche Kolonie.

14. Indien beide of een van beide partyen minderjarig zullen zyn, zal de Resident of Magistraat, naar het geval moege zyn, voor hy het huwelyk toelaat, (behalve in geval van eenen weduenaar of eene weduwe) bewys moeten vragen van de toestemming van de ouders of voogden, tenzy het hem zal blyken dat er geen zoodanige in leven zyn, of dat zy, zonder grondige redenen, hun consent weigeren, of dat, van wege den afstand of andere oorzaken zoodanig consent met geene mogelykheid, of niet zonder groote ongelegenheid te bekomen is. Maar geen huwelyk eens toegestaan en aangeteekend, zal kunnen vernietigd, worden op grond dat eene of beide partyen minderjarig zynde, was getrouwd zonder consent van de ouders of voogden.

15. Een certificaat geteekend door den Britschen Resident of ambtenaar als zoodanig fungerende, medende de geregistreerde byzondheden van ieder huwelyk, door hem of ten zynen kantore geregistreerd, uit kracht van deze Proclamatie, zal goed getuigenis van zoodanig huwelyk zyn voor alle Geregtshoven en Magistraten.

En ten laatste proclameer, verklaar, en maak ik by deze bekend, dat in myn ernstig verlangen om zoo veel als my mogelyk is, de belangen en gevoelens van alle Harer Majesteits Onderdanen in het Grondgebied voormeld, en die van hunner vrouwen en kinderen te raadplegen, ik alle noodige maatregelen heb genomen, om hunne huwelyken voormeld, boven allen twist en twyfel te bevestigen, niets in

voor alle einden van eenen civilen
wettig huwelyk te zyn geweest van den
vermeld in het huwelyke certificaat, en
door gez. Leeraar, als dat waarop het
of vroegere huwelyk (zoo er eenig is) was

maakt, maar in ieder geval zal het huwelyk
getrokken door zoodanigen Leeraar, na
gistratie daarvan, worden beschouwd
wettig huwelyk tot alle einden van en
datum van deszelfs voltrekking.

Extract uit een Brief van Majoor WARDEN, Britsch
Resident aan Bloem Fontein, aan Zyne Excellentie
Sin H. G. SMITH, Bart. G.C.B., Hare Majesteit
Hooge Commissaris, gedateerd Bloem Fontein,
21sten April 1848.

De Emigranten aan de andere zyde van Modder Rivier,
in grooter getallen, schynen thans meer hunne eigene
belangen te gevoelen; en Uwer Excellenties Manifesto
heeft veel bygedragen tot verkoeling van den yver der
opporige party in de kwade zaak die zy voor hadden.

“Ik verneem dat de Memorie, onlangs door den Heer
W. JACOBS aan uwe Excellentie toegezonden, de namen
bevatten van 71 Emigranten, die begerig waren hunne
Naamteekeningen terug te trekken, dadelijk na dat het
bedrog door den Heer PRETORIUS op hen en anderen ge
wrocht, ontdekt was, doch de Memorie was toen reeds in
handen van den Heer JACOBS, en geene terugtrekking kon
gedoogd worden.

“Ik onderneem thans aan Uwe Excellentie mede te
deelen myne volkomene overtuiging, dat, by de aankomst
van de Magistraten voor Winburg en Caledon Rivier, alles
in goede orde voortgaan zal.”

QUARTERLY FAIRS,
GENERAL COMMISSION SALES,
TO BE HELD AT
BEAUFORT (WEST.)
THE Undersigned intends holding GENERAL COMMISSION SALES, every Quarter, of such STOCK, HORSES, CATTLE, SHEEP, LANDED PROPERTY, MERCHANDISE, &c., as parties may be desirous of offering for Public Competition.
Persons wishing to avail themselves of these opportunities will please to give the Auctioneer notice of their intention at least one or two months previous to the time specified for holding the several Sales, to enable him to advertise.

The First Quarterly Sale
will be held at Beaufort on the 4th of OCTOBER next. Some parties have already expressed a wish to avail themselves of the opportunity of disposing of Stock, and the Undersigned will advertise, in due time, the description of Stock and other Articles that will be offered on the above date, to enable parties residing at a distance to be present.
The attention of Speculators and Butchers is particularly called to this notice. These Sales will open a field of safe speculation, and present great advantages to the Butchers, as they will probably be able to purchase a large Stock of either Cattle or Sheep, and take them to a Market without being necessitated, as is now the case, to go from farm to farm to collect a sufficient supply.
For further particulars apply, if by letter postpaid, to the Undersigned.
Wm. THWAITES, Auctioneer.
Sale Rooms, No. 8, Donkin-street, Beaufort.

Notice to Saddlers and Shoemakers.
WANTED at Beaufort (West), TWO or THREE SADDLERS and SHOEMAKERS. Persons who thoroughly understand their several trades would be preferred, and if they had a small Capital to expend in supplying themselves with Tools, it would be advisable; if not, arrangements will be made to supply them. There would be no want of Materials, as a person resident here has lately established a Tannery, from which the tradesmen might constantly be supplied, with profit to themselves.
Application from persons wishing to come to Beaufort will be received by Mr. SAUL SOLOMON, at the Gazette Office, Cape Town, or if by letter postpaid, address to X. Y. Z., Beaufort (West.).

Notice.
ALL persons indebted to the Shopkeepers and Tradesmen's Printing Company, are called upon to pay the same forthwith, and all persons having claims upon the Company are called upon to send in their claims for examination to Mr. RADWALL's, 28 Heerengracht.

GOVERNMENT NOTICE.

Colonial Office, Cape Town.
24th May, 1848.

HIS Excellency the Administrator of the Government has directed the publication of the following Minute, for general information.

By Command of His Excellency the Administrator of the Government,
(Signed) JOHN MONTAGU,
Secretary to Government.

LAND SETTLEMENT AT NATAL. MINUTE.

Government House, Cape Town,
24th May 1848.

I have read, and attentively considered, the several Documents lately received from His Honor the Lieutenant Governor of Natal, relative to certain impediments which have presented themselves in the carrying out of the objects and provisions of the Proclamation of the 10th of February 1848.

After weighing the many and, in some respects, conflicting considerations which are indissolubly connected with the subject of Land Claims at Natal,—I have come to certain conclusions, which I shall now proceed to state, and which, being elucidative of the Proclamation of the 10th February, are to be regarded as instructions for the guidance of the Land Commission therein appointed.

1. Whilst the primary and proper object contemplated by the appointment of the Land Commission was to promote the peopling, and consequent prosperity of the District, by settling on farms within it, Emigrants sojourning beyond its limits, in discontent and discomfort,—I, at the same time, approve of the course (which seems to have been adopted) of submitting all land claims, without distinction, for the recommendation of the Board. The Land Commission will, therefore, continue to receive such claims and applications as shall be addressed to them, whether by persons claiming registered farms or those claiming farms not registered, and whether by persons who have come into the District under my Proclamation or persons who were resident previously to the issuing of that instrument. By thus passing all land claims through the hands of the Board, all chance of confusion of claims or inconsistent arrangements will be excluded.

2. Being satisfied that the twelve months' occupation test prescribed by the Proclamation of the 12th of May 1843, and by the application of which the claimants were originally divided into two classes, No. 1 and No. 2, was a test but ill adapted, in most instances, for the ascertaining of real merits and well grounded claims,—I now authorize the Board to make no distinction (unless where special circumstances shall, in any special case, seem to render a distinction just and fitting) between original claimants in class No. 1 and original claimants in class No. 2. An original claimant in class No. 2, registered for a farm, may receive a farm of the same extent as a claimant registered for a farm in class No. 1. And original claimants registered in class No. 2, for more than one farm, shall have their claims to them considered upon the same principles as if they had been so registered in class No. 1. But all claimants in class No. 2, in whose favor the old arrangement is thus relaxed will, in case they receive a

full farm of 3,000 morgen, (instead of one of 1,000 morgen,) be liable to such reasonable restrictions upon selling and quitting the District as are in the 5th clause of this Minute mentioned. Heirs of original claimants, and purchasers, or other parties, deriving from original claimants in class No. 2, shall be considered as clothed with the rights of those whom they represent, and shall receive the grants which the original claimants, but for death or alienation, would have themselves received. But while this principle of liberal and just equality is to be the general rule, the Board will not view it as requiring them to recommend, in regard to lands adjacent to the coast, (where the lands are comparatively unsuitable for grazing purposes, but very fit for agriculture) any original claimant in class No. 2, or purchaser from any such original claimant, for a farm of greater extent than 1,500 morgen, or 3,000 acres. It is not, however, intended to restrict any purchaser from or out of class No. 2, any more than a purchaser from or out of class No. 1, who may have acquired a plurality of claims, in regard to the number of farms which he shall receive. In this respect both classes are to be dealt with alike.

3. Subject to the rights of claimants in classes No. 1 and No. 2, Emigrants not included in either class, but for whom particular farms have been registered in the books of the former Volksraad, which farms, owing to circumstances beyond the control of the claimants, were not inspected, are to be recognized as claimants for grants of the same nature and extent as if they were claimants belonging to class No. 2; and purchasers and others duly deriving under them, are to be treated as if they themselves were such original Emigrants. To prevent, however, persons who have left, and purpose to continue absent from the district, from selling the right now bestowed, either while so absent, or when within the district merely upon a visit, no claimant under this section will be empowered to convey any interest whatever to a purchaser from him, unless such sale shall be effected within the limits of the district and with the approval of the Land Commissioners. All persons receiving grants under this clause will, of course, be subject to the restrictions, in regard to alienation and removal from the district, which have been already referred to, and are hereafter set forth.

4. Besides the several kinds of claimants who have been already described, and the late occupants on the Klip River, (for whom the Proclamation of the 10th of February has explicitly provided) the Commissioners will be authorised to recommend the grant of one farm of 3,000 morgen, beyond the Tugela River, to each Emigrant subject from the Drakensberg or the Country beyond,—or who may, though in the District of Natal, be unprovided with a farm, and who desires to settle and occupy. Emigrant subjects who were once registered, but who parted with their titles and are now without any farm, may also be settled on a farm beyond the Tugela, without purchase or payment. If any such late registered claimant shall be prepared to pay into the District Treasury such an amount, (not exceeding the sum or value for which he parted with his former registered right, as the Commissioners shall fix,) the Commissioners will be authorised to recommend him for a farm in such other part of the District as he may, with the approbation of the Board, prefer and elect. And all grants made under this clause will contain the condition respecting non-alienation, which is next set forth.

5. I do not contemplate the likelihood that any considerable number of the Emigrants whom I have testified, and am anxious still further to testify, my anxiety to benefit, would seek to pervert the object and intention of my Proclamation to improper purposes,—and solicit farms merely to sell them and remove. It is just and right, however, that provision should be made to thwart any such unfair attempts, if made,—but so; at the same time, as to leave it in the discretion of the Lieutenant Governor to authorize a relaxation of the restrictions which it is expedient to impose. All grants, therefore, of farms exceeding 1000 morgen, made to original claimants in class No. 2, or persons deriving under original claimants,—and all grants made to such claimants as are described in clauses 3 and 4 of this Minute, will contain a stipulation to the effect that the grantee and his heirs shall not, for a term of seven years, sell or let to hire the farm granted, either wholly or in part, without the previous consent of the Lieutenant Governor, (who will judge, according to circumstances, whether such consent should be given,) and that any breach of the stipulations shall entitle the Government to resume the farm. And inasmuch as the above provision could be easily evaded by judicial sales, it will be further provided in every such grant that the land shall not, for seven years, be executable under any judgment or decree of Court, but that, instead of being sold in execution, it shall be resumable, at the option of the Government, upon payment to or for the creditor, of the value of the buildings erected and improvements made by the grantee, such value to be fixed by a fair appraisement.

6. Any individual who would, under any of the provisions of this Minute, be entitled to expect a grant of a coast, or agricultural, farm, limited to 1500 morgen, may, if he should prefer it, obtain in exchange a farm of 3000 morgen, situated in such other part of the district as he may, with the approbation of the Board, fix upon and elect.

7. In every case in which the Land Commission shall, in carrying out the objects of the Proclamation of the 10th February, or this Minute, recommend any grant, the Lieutenant Governor will consider himself as fully authorized by me to act upon their recommendation.

8. It is to be always borne in mind that my Proclamation of the 10th of February, this Minute, and the Land Commission,—being calculated and intended to meet a temporary exigency,—will continue in force no longer than the term of twelve months originally mentioned, and that the present plan of settling a permanent, peaceable, and prosperous population in the Natal District, will expire on the 10th of February 1849.

The Premiums are payable yearly in advance; or, at the option of the Assured, half-yearly, with a slight increase of the rate.

The Capital and Profits of this Institution are the ENTIRE PROPERTY of the holders of Policies of Insurance.

The Profits will be divided amongst the holders of Policies, at the termination of every period of THREE YEARS, after the year 1850, when the first distribution will take place; and each holder may determine that his Share shall be added to the sum assured by him;—or converted into a present payment;—or applied in reduction of the future annual premiums payable by him.

The pecuniary advantages, therefore, are the greatest that can be secured to Policy-holders in any Institution of this nature.

Any Person whose Life is assured, and who has paid Five Annual Premiums, may proceed direct to any part of this Colony, and to any dependency thereof;—and to any part of Europe in time of peace, at his pleasure.

Any Person whose Life is assured may proceed direct to any part of this Colony, and to any dependency thereof by sea and by land, at his pleasure.

For those who have not paid Five Annual Premiums, a Licence from the Board of Directors, but no additional Premium, is required when they proceed beyond the limits of this Colony and the dependencies thereof.

No Institution of this nature, it will therefore be seen, can reasonably consult the convenience of the assured to a greater extent.

By comparing the Rates or Scale of Premiums, the Public will perceive that those adopted by this Society are lower than those adopted by any respectable and safe Companies, in which, of course, a proper return for paid-up Capital, for risks, with profit to the Shareholders, must be provided for, as well as the benefit of the Assured or Policy-holders.

In this Society the Members and Policy-holders being the only Shareholders, receive back directly whatever excess of Rate the Tables may still retain. Every error, therefore, fully corrects itself;—and in this respect, also, MUTUAL ASSURANCE SOCIETIES excel all others.

The Principle and Tables of the Scottish Equitable Life Assurance Society have been adopted; and that Society in the course of only thirteen years from its commencement, after meeting all demands, sets forth, that its "NETT REALISED FUNDS amounts to £263,719 6 8,"—although in Scotland the rate of interest is more than FORTY PER CENT. LOWER THAN AT THE CAPE.

JOHN FAIRBAIRN, Chairman.

N.B. Office of the Society, 12, Heeregracht, Cape Town. Office Hours from 9 o'clock A.M., to 4 o'clock P.M.

SEE SUPPLEMENT.

KAAPSTAD, DEN 29STEN JUNY 1848.

GOUVERNEMENTS KENNISGEVING.

Koloniaal Secretary, 24 Mei 1848.

ZYNE Excellentie de Administrateur des Gouvernements heeft de publicatie van de volgende Minute, tot algemeen narigt gelast.

Ter Ordonnantie van Z. E. den Administrateur des Gouvernements,

(Get.) **JOHN MONTAGU,**
Gouvernements Secretaris

Land Bevestiging te Natal.

MINUTE.

Gouvernements Huis, Kaapstad, 24 Mei 1848.

Ik heb gelezen en naauwkeurig overwogen de onderscheiden Documenten, onlangs ontvangen van Zyne Edelheid den Luitenant Gouverneur van Natal, betreffende zekere moyelykheden welk zich hebben voorgedaan, in het ten uitvoer brengen van de bedoelingen en voorzieningen van de Proclamatie van 10 February 1848.

Na het overwegen van de veelvuldige en onzekere ruzigten, tegenstrydige overwegingen, welke onafschiedelyk verbonden zyn met het onderwerp van Land vorderingen te Natal, ben ik gekomen tot zekere besluiten, welke ik nu zal voortgaan te vermelden, en welke verklarend zynde van de Proclamatie van 10 February moeten worden beschouwd als instructien voor de Land Commissie daarby aangesteld.

1. Terwyl het eerste en behoorlyke doel, bedoeld by de aanstelling van de Land Commissie, was het bevorderen van de bevolking en de gevolgelyke verspoed van het District, door het vestigen op plaatsen binnen hetzelfde, van Emigranten, verblyvende buiten deszelfs limiten, in ongenoegen en ongerijf, keur ik ter gelyker tyd den gang goed, (welke schynt te zyn aangenomen) van het submitteren van alle Land vorderingen zonder onderscheid ter aanbeveling van het College. De Land Commissie zal daarom voortgaan zoodanige vorderingen en aanzoeken als aan hetzelfde zullen worden ingediend, hetzyl van personen vorderende geregistreerde plaatsen, of die geen die plaatsen vorderen niet geregistreerd, en hetzyl door personen die in het District zyn gekomen onder myne Proclamatie, of personen daar residerende, voor het publiceren van gez. Document; voor dus alle Land vorderingen te stellen in handen van het College, is alle kans van confusie van vorderingen of onbestaanbare schikkingen buiten gesloten.

2. Overtuigd zynde dat de twaalf maanden occupatie proef, voorgeschreven by de Proclamatie van 12den Mei 1843, en door de aanwending van welke de vorderaars oorspronkelyk waren verdeeld in twee klassen No. 1, en No. 2, eene toets was maar slecht geschikt, in de meeste gevallen, voor het verzekeren van ware meriten en welgegronde vorderingen; autoriseer ik by deze het College geen onderscheid te maken (behalve waar byzondere omstandigheden in eenig byzonder geval, eenig byzonder onderscheid zullen raadzaam maken) tusschen originele vorderaars in de klasse No. 1, en oorspronkelyke vorderaars in klasse No. 2. En oorspronkelyke vorderaar in klasse No. 2, geregistreerd voor eene plaats, kan eene plaats bekomen van dezelfde uitgestrektheid als een vorderaar voor eene plaats in de klasse No. 1. Een oorspronkelyke vorderaar geregistreerd als in klasse No. 2, voor meer dan een plaats zullen hunne vorderingen beschouwd zyn op hetzelfde principe als of zy waren geregistreerd in klasse No. 1. Maar alle vorderaars in klasse No. 2 tot wier voordeel de oude schikking dus verzocht wordt, wanneer zy eene volle plaats bekomen van 3000 morgen (in plaats van een van 1000 morgen) zullen onderhevig zyn aan zoodanige redelyke restrictien op het verkoopen en het verlaten van het district als zyn bevat in de 5de clause van deze minute. Erigenamen van oorspronkelyke vorderaars en koopers of andere partyen, hun regt bekommende van oorspronkelyke vorderaars in klasse No. 2 zullen worden beschouwd als bekleed met de regten dan die geen die zy vertegenwoordigen, en zullen de vergunningen bekomen welke de oorspronkelyke vorderaars, zonder overlyden of vervreemding zelf zouden genoten hebben. Maar terwyl dit principe van liberale en regtmatige gelykheid de algemeene regel zal wezen, zal het College het niet beschouwen als verplichtend tot recommendatie ten aanzien van landeryen gelegen naby de kust, waar

de landeryen in vergelyking ongeschikt zyn voor weide, maar zeer geschikt voor landbouw, ieder oorspronkelyke kooper in klasse No. 2, of kooper van zoodanige oorspronkelyke vorderaar, van een plaats van grooter uitgestrektheid dan 1500 morgen of 3000 acres. Het is echter de bedoeling niet eenigen kooper van of uit klasse No. 2 te beperken meer dan eenen kooper uit klasse No. 1, die eene meerderheid van vorderingen moge hebben ten aanzien van het getal plaatsen dat hy zal ontvangen. In dit geval zullen beide klassen op gelyke wyze worden behandeld.

3. Onderhevig aan de regten van vorderaars in klasse No 1 en No 2, zullen Emigranten, niet beg epen in een van beide klassen, maar voor wien byzondere plaatsen zyn geregistreerd op de boeken van den voormaligen Volksraad, welke plaatsen door omstandigheden buiten het beheer van de vorderaars, niet geinspecteerd zyn, worden beschouwd als vorderaars voor vergunningen van denzelfden aard en uitgestrektheid als of zy vorderaars waren in klasse No. 2; en koopers en anderen, behoorlyk regt van hen verkrygende, zullen worden beschouwd als of zy zelf zulke oorspronkelyke Emigranten waren. Ten einde, echter te voorkomen dat lieden die vertrokken zyn, en hun voornemen hebben doen blyken om afwezend te blyven uit het District, het regt nu aan hen verleend, te vervreemden, terwyl zy dus afwezig zyn, of binnen hun District alleen op een bezoek, zal geen vorderaar, onder deze sectie geregigt zyn eenig belang hoegenaamd over te dragen aan eenen kooper van hem, tenzy zoodanige koop zal gesloten zyn binnen de grenzen van het District, en met de toestemming van de Landcommissarissen. Een ieder die vergunningen ontvangt onder deze clause, zal onderhevig zyn aan de restitutie, ten aanzien van vervreemding en verhuizing uit het District, welke reeds zyn aangehaald, en hieronder verder zullen worden vermeld.

4. Behalve de onderscheiden soorten van vorderaars die alreeds zyn beschreven, en de voormalige occupanten aan de Kliprivier, (voor wien de Proclamatie van 10 February expresselyk voorzien heeft) zullen de Commissarissen geauthoriseerd zyn eene vergunning te recomanderen van eene plaats van 3000 morgen, over de Tugela Rivier, aan ieder Emigrant Onderdaan van den Drakenberg of het land daar achter, of die, ofschon in het District van Natal, niet zal voorzien zyn met eene plaats, maar die verlangt zich te vestigen. Emigrant Onderdaan die eens geregistreerd waren maar die van hunne aanspraak hebben afstand gedaan en nu zonder plaatsen zyn, kunnen mede worden gevestigd op eene plaats over de Tugela, zonder koop of betaling. Indien eenig zoodanig voormalig geregistreerd vorderaar zal bereid zyn in de districts kasse te betalen zoodanig bedragen (niet te bovengaaende de som of waarde waarvoor hy zyn vroeger geregistreerd regt zal hebben verkocht) zullen de Commissarissen geauthoriseerd zyn, hem aan te bevelen voor eene plaats in zoodanig ander deel van het district als hy, met goedvinden van het College zal verkiezen. En alle vergunningen gemaakt onder deze clause zullen de conditie moeten bevatten van niet vervreemding in het volgende artikel vermeld.

5. Ik bedenken geenszins de waarschyndlykheid dat eenig aanzienlyk getal Emigranten, wien ik verklaard heb, en nog verder gezind ben te verklaren myne erlangen om hen te bevoordeelen, zullen trachten de bedoelingen van myne Proclamatie te verdraayen tot verkeerde bedoelingen, en alleen plaatsen verzoeken om dezelve te verkoopen en dan te verhuizen. Het is daarom regt en billyk dat voorziening worde gemaakt om zoodanige onbillyke bedoelingen tegen te gaan; maar te gelyker tyd zoo, om het ter descriptie van den Luit.-Gouverneur te laten om eene verzachting toe te staan van de beperkingen welke het noodig is gevonden daar te stellen. Alle vergunningen daarom van plaatsen, te bovengaaende 1000 morgen, gemaakt aan oorspronkelyke vorderaars in klasse 2, of personen regtverkrygende van oorspronkelyke vorderaars, als omschreven in clausulen 3 en 4 van deze Minute, zullen eene bepaling, tot dit einde bevatten dat de ontvanger der vergunning of zyne erfgenamen, gedurende eenen tyd van zeven jaren, de plaats aan hem in het geheel of gedeeltelyk verleend, niet zullen mogen verkoopen of verhuren, zonder voorafgaande toestemming van den Luitenant Gouverneur, (die zal moeten oordeelen volgens de omstandigheden of zulke toestemming zal kunnen worden gegeven) en dat iedere inbreuk op deze bepaling, het Gouvernement het regt zal geven om de plaats terug te nemen. En in zoo verre als deze voorziening gemakkelek zou kunnen worden ontweken door geregelyke verkooppingen, zal verder worden voorzien in iedere zoodanige vergunning, dat zoodanig land binnen 7 jaren niet in executie zal mogen worden genomen, maar dat in plaats van in executie te worden verkocht, dezelve zal kunnen worden geresumeerd ter keuze des Gouvernements, na betaling aan of voor den crediteur van de waarde van alle gebouwen

daarop, en verbeteringen gemaakt door den bezitter zullende zoodanige waarde moeten worden bepaald by geregelde taxatie.

6. Een ieder die onder de voorzieningen van deze Minute zal geregtigd zyn eene vergunning te verwachten van eene kust of landbouw plaats, beperkt tot 1500 morgen, zal, indien hy zulks verkiest in ruil daarvoor kunnen bekomen eene plaats van 3000 morgen, gelagen in zoodanig ander deel van het District als hy, met goedkeuring van het College zal bepalen en verkiezen.

7. In ieder geval waarin de Land Commissie in het ten uitvoer brengen van de Proclamatie van den 10den February, of van deze Minute, eenige vergunning zal aanbevelen, zal de Luitenant Gouverneur zich moeten beschouwen als ten volle door my geauthoriseerd om volgens die aanbeveling te werk te gaan.

8. Men moet altyd voor oogen houden dat myne Proclamatie van 10den Feb., deze Minute en de Land Commissie, berekend en bestemd zynde, om in eenen temporeuren nood te voorzien, niet langer in kracht zullen blyven dan gedurende den tyd van twaalf maanden oorspronkelyk vermeld, en dat het tegenwoordige plan van het vestigen van eene duurzame, vreedzame, en voorspoedige bevolking in het district Natal zal eindigen op den 10den Feb. 1849.

The Premiums are payable yearly in advance; or, at the option of the Assured, half-yearly, with a slight increase of the rate.

The Capital and Profits of this Institution are the ENTIRE PROPERTY of the holders of Policies of Insurance.

The Profits will be divided amongst the holders of Policies, at the termination of every period of THREE YEARS, after the year 1850, when the first distribution will take place; and each holder may determine that his Share shall be added to the sum assured by him;—or converted into a present payment;—or applied in reduction of the future annual premiums payable by him.

The pecuniary advantages, therefore, are the greatest that can be secured to Policy-holders in any Institution of this nature.

Any Person whose Life is assured, and who has paid Five Annual Premiums, may proceed direct to any part of this Colony, and to any dependency thereof;—and to any part of Europe in time of peace, at his pleasure.

Any Person whose Life is assured may proceed direct to any part of this Colony, and to any dependency thereof by sea and by land, at his pleasure.

For those who have not paid Five Annual Premiums, a Licence from the Board of Directors, but no additional Premium, is required when they proceed beyond the limits of this Colony and the dependencies thereof.

No Institution of this nature, it will therefore be seen, can so reasonably consult the convenience of the assured to a greater extent.

By comparing the Rates or Scale of Premiums, the Public will perceive that those adopted by this Society are lower than those adopted by any respectable and safe Companies, in which, of course, a proper return for paid-up Capital, for risks, with profit to the Shareholders, must be provided for, as well as the benefit of the Assured or Policy-holders.

In this Society the Members and Policy-holders being the only Shareholders, receive back directly whatever excess of Rate the Tables may still retain. Every error, therefore, fully corrects itself;—and in this respect, also, MUTUAL ASSURANCE SOCIETIES excel all others.

The Principle and Tables of the Scottish Equitable Life Assurance Society have been adopted; and that Society in the course of only thirteen years from its commencement, after meeting all demands, sets forth, that its "NETT REALISED FUNDS amounts to £263,719 6 8,"—although in Scotland the rate of interest is more than FORTY PER CENT. LOWER THAN AT THE CAPE.

SEE SUPPLEMENT.

KAAPSTAD, DEN 29sten JUNY 1848.

GOUVERNEMENTS KENNISGEVING.

Koloniaal Secretary, 24 Mei 1848.

ZYNE Excellentie de Administrateur des Gouvernements heeft de publicatie van de volgende Minute, tot algemeen narijt gelast.

Ter Ordonnantie van Z. E. den Administrateur des Gouvernements,

(Get.) **JOHN MONTAGU,**
Gouvernements Secretaris

Land Bevestiging te Natal.

MINUTE.

Gouvernements Huis, Kaapstad, 24 Mei 1848.

Ik heb gelezen en naauwkeurig overwogen de onderscheiden Documenten, onlangs ontvangen van Zyne Edelheid den Luitenant Gouverneur van Natal, betreffende zekere moyelykheden welk zich hebben voorgedaan, in het ten uitvoer brengen van de bedorlingen en voorzieningen van de Proclamatie van 10 February 1848.

Na het overwegen van de veelvuldige en onzekere omstandigheden, tegenstrydige overwegingen, welke onafscheidelyk verbonden zyn met het onderwerp van Land vorderingen te Natal, ben ik gekomen tot zekere besluiten, welke ik nu zal voortgaan te vermelden, en welke verklarend zynde van de Proclamatie van 10 February moeten worden beschouwd als instructien voor de Land Commissie daarby aangesteld.

1. Terwyl het eerste en behoorlyke doel, bedoeld by de aanstelling van de Land Commissie, was het bevorderen van de bevolking en de gevolgelyke voorspoed van het District, door het vestigen op plaatsen binnen hetzelfde, van Emigranten, verblyvende buiten deszelfs limiten, in ongenoegen en ongerijf. keur ik ter gelyker tyd den gang goed, (welke schynt te zyn aangenomen) van het submitteren van alle Land vorderingen zonder onderscheid ter aanbeveling van het College. De Land Commissie zal daarom voortgaan zoodanige vorderingen en aanzoecken als aan hetzelfde zullen worden ingediend, hetzy van personen vorderende geregistreerde plaatsen, of die geen die plaatsen vorderen niet geregistreerd, en hetzy door personen die in het District zyn gekomen onder myne Proclamatie, of personen daar residerende, voor het publiceren van gez. Document; voor dus alle Land vorderingen te stellen in handen van het College, is alle kans van confusie van vorderingen of onbestaanbare schikkingen buiten gesloten.

2. Overtuigd zynde dat de twaalf maanden occupatie proef, voorgeschreven by de Proclamatie van 12den Mei 1843, en door de aanwending van welke de vorderaars oorspronkelyk waren verdeeld in twee klassen No. 1, en No. 2, eene toets was maar slecht geschikt, in de meeste gevallen, voor het verzekeren van ware meriten en welgegronde vorderingen; autorizeer ik by deze het College geen onderscheid te maken (behalve waar byzondere omstandigheden in eenig byzonder geval, eenig byzonder onderscheid zullen raadzaam maken) tusschen originele vorderaars in de klasse No. 1, en oorspronkelyke vorderaars in klasse No. 2. Een oorspronkelyke vorderaar in klasse No. 2, geregistreerd voor eene plaats, kan eene plaats bekomen van dezelfde uitgestrektheid als een vorderaar voor eene plaats in de klasse No. 1. Een oorspronkelyke vorderaar geregistreerd als in klasse No. 2, voor meer dan een plaats zullen hunne vorderingen beschouwd zyn op hetzelfde principe als of zy waren geregistreerd in klasse No. 1. Maar alle vorderaars in klasse No. 2 tot wier voordeel de oude schikking dus verzocht wordt, wanneer zy eene volle plaats bekomen van 3000 morgen (in plaats van een van 1000 morgen) zullen onderhevig zyn aan zoodanige redelyke restrictien op het verkoopen en het verlaten van het district als zyn bevat in de 5de clause van deze minute. Erftgenamen van oorspronkelyke vorderaars en koopers of andere partyen, hun regt bekommende van oorspronkelyke vorderaars in klasse No. 2 zullen worden beschouwd als bekleed met de regten dan die geen die zy vertegenwoordigen, en zullen de vergunningen bekomen welke de oorspronkelyke vorderaars, zonder overlyden of vervreemding zelf zouden genoten hebben. Maar terwyl dit principe van liberale en regtmatige gelykheid de algemeene regel zal wezen, zal het College het niet beschouwen als verpligtend tot recommendatie ten aanzien van landeryen gelegen naby de kust, waar

de landeryen in vergelyking ongeschikt zyn voor weide, maar zeer geschikt voor landbouw, ieder oorspronkelyke kooper in klasse No. 2, of kooper van zoodanige oorspronkelyke vorderaar, van een plaats van grooter uitgestrektheid dan 1500 morgen of 3000 acres. Het is echter de bedoeling niet eenigen kooper van of uit klasse No. 2 te beperken meer dan eenen kooper uit klasse No. 1, die eene meerderheid van vorderingen moge hebben ten aanzien van het getal plaatsen dat hy zal ontvangen. In dit geval zullen beide klassen op gelyke wyze worden behandeld.

3. Onderhevig aan de regten van vorderaars in klasse No 1 en No 2, zullen Emigranten, niet begrepen in een van beide klassen, maar voor wier byzondere plaatsen zyn geregistreerd op de boeken van den voormaligen Volksraad, welke plaatsen door omstandigheden buiten het beheer van de vorderaars, niet geinspecteerd zyn, worden beschouwd als vorderaars voor vergunningen van denzelfden aard en uitgestrektheid als of zy vorderaars waren in klasse No. 2; en koopers en anderen, behoorlyk regt van hen verkrygende, zullen worden beschouwd als of zy zelf zulke oorspronkelyke Emigranten waren. Ten einde, echter te voorkomen dat lieden die vertrokken zyn, en hun voornemen hebben doen blyken om afwezend te blyven uit het District, het regt nu aan hen verleend, te vervreemden, terwyl zy dus afwezig zyn, of binnen hun District alleen op een bezoek, zal geen vorderaar, onder deze sectie geregigt zyn eenig belang hoegenaamd over te dragen aan eenen kooper van hem, tenzy zoodanige koop zal gesloten zyn binnen de grenzen van het District, en met de toestemming van de Landcommissarissen. Een ieder die vergunningen ontvangt onder deze clause, zal onderhevig zyn aan de restitutie, ten aanzien van vervreemding en verhuizing uit het District, welke reeds zyn aangehaald, en hieronder verder zullen worden vermeld.

4. Behalve de onderscheiden soorten van vorderaars die alreeds zyn beschreven, en de voormalige occupanten aan de Kliprivier, (voor wien de Proclamatie van 10 February expresselyk voorzien heeft) zullen de Commissarissen geauthoriseerd zyn eene vergunning te recomanderen van eene plaats van 3000 morgen, over de Tugela Rivier, aan ieder Emigrant Onderdaan van den Drakenberg of het land daar achter, of die, ofschon in het District van Natal, niet zal voorzien zyn met eene plaats, maar die verlangt zich te vestigen. Emigrant Onderdaanen die eens geregistreerd waren maar die van hunne aanspraak hebben afstand gedaan en nu zonder plaatsen zyn, kunnen mede worden gevestigd op eene plaats over de Tugela, zonder koop of betaling. Indien eenig zoodanig voormalig geregistreerd vorderaar zal bereid zyn in de districts kasse te betalen zoodanig bedragen (niet te bovengaaende de som of waarde waarvoor hy zyn vroeger geregistreerd regt zal hebben verkocht) zullen de Commissarissen geauthoriseerd zyn, hem aan te bevelen voor eene plaats in zoodanig ander deel van het district als hy, met goedvinden van het College zal verkiezen. En alle vergunningen gemaakt onder deze clause zullen de conditie moeten bevatten van niet vervreemding in het volgend artikel vermeld.

5. Ik bedenke geenszins de waarschyndlykheid dat eenig aanzienlyk getal Emigranten, wien ik verklaard heb, en nog verder gezind ben te verklaren myne erlangen om hen te bevoorstellen, zullen trachten de bedoelingen van myne Proclamatie te verdraayen tot verkeerde bedoelingen, en alleen plaatsen verzoeken om dezelve te verkoopen en dan te verhuizen. Het is daarom regt en billyk dat voorziening worde gemaakt om zoodanige onbillyke bedoelingen tegen te gaan; maar te gelyker tyd zoo, om het ter descretie van den Luit.-Gouverneur te laten om eene verzachting toe te staan van de beperkingen welke het noodig is gevonden daar te stellen. Alle vergunningen daarom van plaatsen, te bovengaaende 1000 morgen, gemaakt aan oorspronkelyke vorderaars in klasse 2, of personen regtverkrygende van oorspronkelyke vorderaars, als omschreven in clausulen 3 en 4 van deze Minute, zullen eene bepaling, tot dit einde bevatten dat de ontvanger der vergunning of zyne erftgenamen, gedurende eenen tyd van zeven jaren, de plaats aan hem in het geheel of gedeeltelyk verleend, niet zullen mogen verkoopen of verhuren, zonder voorafgaande toestemming van den Luitenant Gouverneur, (die zal moeten oordeelen volgens de omstandigheden of zulke toestemming zal kunnen worden gegeven) en dat iedere inbreuk op deze bepaling, het Gouvernement het regt zal geven om de plaats terug te nemen. En in zoo verre als deze voorziening gemakkellyk zou kunnen worden ontweken door geregelyke verkooping, zal verder worden voorzien in iedere zoodanige vergunning, dat zoodanig land binnen 7 jaren niet in executie zal mogen worden genomen, maar dat in plaats van in executie te worden verkocht, dezelve zal kunnen worden geresumeerd ter keuze des Gouvernements, na betaling aan of voor den crediteur van de waarde van alle gebouwen

daarop, en verbeteringen gemaakt door den bezitter zullende zoodanige waarde moeten worden bepaald by geregelde taxatie.

6. Een ieder die onder de voorzieningen van deze Minuut zal geregigt zyn eene vergunning te verwachten van eene kust of landbouw plaats, beperkt tot 1500 morgen, zal, indien hy zulks verkiest in ruil daarvoor kunnen bekomen eene plaats van 3000 morgen, gelegen in zoodanig ander deel van het District als hy, met goedkeuring van het College zal bepalen en verkiezen.

7. In ieder geval waarin de Land Commissie in het ten uitvoer brengen van de Proclamatie van den 10den February, of van deze Minuut, eenige vergunning zal aanbevelen, zal de Luitenant Gouverneur zich moeten beschouwen als ten volle door my geauthoriseerd om volgens die aanbeveling te werk te gaan.

8. Men moet altyd voor oogen houden dat myne Proclamatie van 10den Feb., deze Minute en de Land Commissie, berekend en bestemd zynde, om in eenen temporeuren nood te voorzien, niet langer in kracht zullen blyven dan gedurende den tyd van twaalf maanden oorspronkelyk vermeld, en dat het tegenwoordige plan van het vestigen van eene duurzame, vreedzame, en voorspoedige bevolking in het district Natal zal eindigen op den 10den Feb. 1849.

(Get.) H. G. SMITH.

PROCLAMATIE
